Item 1.01. Entry into a Material Definitive Agreement.

Execution of Master Loan Agreement

On April 22, 2013, The Goldfield Corporation (the “Company”), the Company's wholly owned subsidiaries, Southeast Power Corporation (“Southeast Power”), Bayswater Development Corporation (“Bayswater”), and Pineapple House of Brevard, Inc. (“Pineapple House”), entered into a Master Loan Agreement (the “Master Loan Agreement”) with Branch Banking & Trust Company (“BB&T”). The Master Loan Agreement replaces all previous BB&T loan agreements and eliminates the need to restate a loan agreement each time a new note is executed or an existing loan is renewed.

The Master Loan Agreement includes similar terms and conditions as those set forth in the previous loan agreements.

The Master Loan Agreement contains the same Tangible Net Worth covenant requirement of \$18,000,000 and the same Debt to Tangible Net Worth ratio requirement of 2.25:1.0.

The following table reflects the previously existing BB&T loans and the two new equipment loans described below all of which are now subject to the Master Loan Agreement:

Loan Description	Loan Amount	Outstanding Balance as of April 22, 2013	Maturity Date
Working Capital Loan	\$5,000,000	\$2,000,000	January 16, 2014
\$6.94 Million Equipment Loan	6,940,000	4,491,377	February 22, 2016
\$1.50 Million Equipment Loan	1,500,000	1,329,000	October 17, 2016
\$4.25 Million Equipment Loan	4,250,000	4,054,000	September 19, 2016
\$1.50 Million Equipment Loan	1,500,000	—	April 22, 2017
\$5.00 Million Equipment Loan	5,000,000	—	April 22, 2018

New Southeast Power Equipment Loans

On April 22, 2013, Southeast Power entered into additional financing for purchases of equipment and vehicles owned by Southeast Power, through increased borrowings with BB&T totaling \$6.5 million. \$1.5 million of such borrowings mature on April 22, 2017 and \$5.0 million mature on April 22, 2018. These borrowings, as well as the previously existing BB&T equipment loans, are guaranteed by the Company, Pineapple House, and Bayswater.

The new equipment loans, as well as the previously existing BB&T equipment loans, and the Working Capital Loan, bear interest at a rate per annum equal to One Month LIBOR (as defined in the loan documents) plus 2.50%, which will be adjusted monthly. In addition, the rate of interest added to the One Month LIBOR will increase from 2.50% to 2.90% if the Debt to Tangible Net Worth ratio exceeds 1.6:1.0.

Accrued interest for the new \$1.5 million equipment loan is payable monthly commencing on May 22, 2013, and continuing on the same day of each month thereafter, until October 22, 2013. Commencing on November 22, 2013, payments of principal in the amount of \$35,714.29 plus accrued interest will be made each month thereafter, with one final payment of all remaining principal and accrued interest due on April 22, 2017.

Accrued interest for the new \$5.0 million equipment loan is payable monthly commencing on May 22, 2013, and continuing on the same day of each month thereafter, until October 22, 2013. Commencing on November 22, 2013, payments of principal in the amount of \$92,592.59 plus accrued interest will be made each month thereafter, with one final payment of all remaining principal and accrued interest due on April 22, 2018.

The obligations of Southeast Power pursuant to the new equipment loans, as well as the previously existing BB&T equipment loans, are secured by the grant of a continuing security interest in the following now owned and hereafter acquired and wherever located personal property of Southeast Power: (i) machinery and equipment, including all accessions thereto, and all manufacturers' warranties, parts and tools therefore; (ii) all vehicles; and (iii) to the extent not listed in (i) and (ii) all proceeds (cash and non-cash) and products of the foregoing.

The equipment loans include covenants and agreements that are customary for loans of this type, including provisions which accelerate the repayment of outstanding amounts if an event of default occurs.

The foregoing descriptions of the Master Loan Agreement and the equipment loans do not purport to summarize all of the provisions of these loans and are qualified in their entirety by reference to the loan documents filed herewith as Exhibits 10-1 through Exhibit 10-9, with each of the foregoing incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth, and the exhibits identified, in Item 1.01 are incorporated herein by reference.
