Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangement of Certain Officers

On April 7, 2008, the Board of Directors (the “Board”) of Katy Industries, Inc. (the “Company”) announced the resignation of Anthony T. Castor, III as President and Chief Executive Officer, effective the close of business April 18, 2008. Mr. Castor further resigned as a member of the Company’s Board, also effective April 18, 2008. Mr. Castor will be paid termination benefits in accordance with the terms outlined in Section 5(e)(ii)(B) of the employment agreement between the Company and Mr. Castor, as previously filed on August 15, 2005. Mr. Castor served on the Executive Committee of the Board of Directors. His resignation is not due to any disagreements with the Company.

On April 7, 2008, the Board announced the appointment of David J. Feldman as President and Chief Executive Officer, effective April 21, 2008. Mr. Feldman, age 49, was also appointed as a member of the Board, effective April 21, 2008. Mr. Feldman will also be appointed to serve on the Executive Committee of the Board. Mr. Feldman is currently President and Chief Operating Officer of Aircserv Corporation and has held this position since June 2007. From December 2002 to May 2006, Mr. Feldman was President of Cooper Lighting, a division of Cooper Industries, Inc. From June 2006 to May 2007, Mr. Feldman pursued private business interests.

The Compensation Committee of the Board approved a compensation package for Mr. Feldman that includes a base salary of \$400,000 with a target incentive bonus of 70% of his base salary. For 2008 only, the entire annual bonus (\$280,000) of Mr. Feldman’s target incentive bonus will be guaranteed. The compensation package includes a grant to Mr. Feldman of 750,000 options with an exercise price equal to market price on the first day of his employment to purchase common stock of the Company, vesting in three annual installments. The option grant includes anti-dilution provisions that under certain circumstances could increase the number of options granted to Mr. Feldman.

Mr. Feldman's compensation package will provide him with severance payments of between 12 and 18 months of his base salary in effect on the date of termination of his employment upon our termination without cause or his termination for good reason, each as to be defined in an employment agreement. The compensation package will also provide Mr. Feldman with severance payments of 24 months of his base salary in effect on the date of termination in the event of a change of control which results in Mr. Feldman’s termination either at the time of the change of control or within 6 months after the change of control. In addition, a change of control would accelerate the vesting of Mr. Feldman's unvested options. The employment terms will also include provisions prohibiting Mr. Feldman from competing with the Company or soliciting its employees for a period of 18 months following the termination of his employment. The Company expects to enter into an employment agreement with Mr. Feldman containing these terms.

Mr. Feldman will not receive any additional compensation for serving as a director. There are no related party transactions between the Company and Mr. Feldman reportable under Item 404(a) of Regulation S-K.
