Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger and Related Transactions

On November 26, 2017, Meredith Corporation, an Iowa corporation (“Meredith”), Gotham Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Meredith (“Purchaser”) and Time Inc., a Delaware corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Purchaser has agreed to commence a cash tender offer to acquire all of the shares of the Company’s common stock (the “Offer”) for a purchase price of \$18.50 per share, net to the seller, in cash (the “Offer Consideration”), without interest, less any required withholding taxes.

Purchaser is obligated to commence the Offer within ten business days from the date of the Merger Agreement and to keep the Offer open for twenty business days, subject to possible extension under the terms of the Merger Agreement.

The consummation of the Offer will be conditioned on (i) a majority of all shares of the Company’s outstanding common stock having been validly tendered into (and not withdrawn from) the Offer prior to the scheduled expiration of the Offer, (ii) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 in the United States, (iii) the absence of any legal restraint, (iv) subject to certain materiality exceptions, the truth and accuracy of certain representations and warranties of the Company contained in the Merger Agreement, and (v) other customary conditions. The Offer is not subject to a financing condition.

Following the consummation of the Offer, subject to customary conditions, Purchaser will be merged with and into the Company (the “Merger”) and the Company will become a wholly owned subsidiary of Meredith, pursuant to the procedure provided for under Section 251(h) of the Delaware General Corporation Law without any additional stockholder approvals. In the Merger, each outstanding share of the Company’s common stock (other than (i) shares owned by Meredith, the Company or Purchaser, (ii) shares with respect to which appraisal rights are properly exercised under Delaware law, and (iii) shares validly tendered and not validly withdrawn in accordance with the terms of the Offer) will be converted into the right to receive an amount in cash equal to the Offer Consideration (the “Merger Consideration”), without interest, less any required withholding taxes.

The Merger Agreement provides that stock options, restricted stock units and certain performance stock units that are outstanding immediately prior to the Effective Time but unvested after giving effect to the transaction will be assumed by Meredith and will be subject to the same terms and conditions, including applicable vesting conditions, as applied to each such equity-based award immediately prior to the Effective Time, provided that the number of shares subject to such equity-based awards (and the exercise price in the case of stock options) will be adjusted based on the Exchange Ratio.

The “Exchange Ratio” means an amount equal to the quotient obtained by dividing (i) the Merger Consideration by (ii) the volume weighted average price per share of Meredith’s common stock on the New York Stock Exchange for the ten consecutive trading days ending on the complete trading day immediately prior to the Closing Date (as defined in the Merger Agreement).

The Merger Agreement provides that other equity-based awards (including stock options, restricted stock units and performance stock units) that are outstanding immediately prior to the Effective Time and are vested after giving effect to the transaction, and certain other performance stock units and deferred stock units, will be canceled and converted into the right to receive an amount of cash, without interest and less any required withholding taxes, equal to the product of (i) the total number of shares of the Company’s common stock

underlying such equity-based award multiplied by (ii) the Merger Consideration (less the exercise price per share, in the case of options).

Meredith, Purchaser and the Company have made customary representations, warranties and covenants in the Merger Agreement. The Company has agreed to conduct its business in all material respects in the ordinary course of business until the earlier of the Effective Time (as defined in the Merger Agreement) and the termination of the Merger Agreement.

In addition, under the terms of the Merger Agreement, the Company has agreed not to continue to solicit or otherwise facilitate any alternative Company Acquisition Proposals (as defined in the Merger Agreement), subject to customary exceptions that permit the Company to respond to any unsolicited Company Acquisition Proposal, provided that the Company's board of directors has determined in good faith (after consultation with the Company's outside financial advisors and outside legal counsel) (i) that such Company Acquisition Proposal is or could reasonably be expected to lead to a Superior Proposal (as defined in the Merger Agreement) and (ii) that the failure to do so would reasonably be expected to be inconsistent with its fiduciary duties and subject to compliance with certain procedures set forth in the Merger Agreement. Prior to the Acceptance Time (as defined in the Merger Agreement), the Company's board of directors is also permitted to change its recommendation in favor of the Merger or to terminate the Merger Agreement in order to accept an unsolicited Superior Proposal (as defined in the Merger Agreement) (subject to compliance with the procedures set forth in the Merger Agreement), provided that the Company's board of directors has determined in good faith (after consultation with the Company's outside financial advisors and outside legal counsel) that the alternative Company Acquisition Proposal is a Superior Proposal and failure to do so would reasonably be expected to be inconsistent with its fiduciary duties. Meredith has the right to match any alternative Company Acquisition Proposal so that such proposal fails to be a Superior Proposal that would allow the Company's board of directors to change its recommendation or the Company to terminate the Merger Agreement. If the Company is permitted to terminate the Merger Agreement in connection with a Superior Proposal and does so, under such circumstances, the Company must pay Meredith, concurrently with such termination, a \$65 million termination fee. In addition, this termination fee is payable by the Company to Meredith under other specified circumstances, and in certain circumstances Meredith is entitled to reimbursement of expenses incurred in connection with the enforcement of the Company's obligation to pay such termination fee.

In addition to the foregoing termination rights, either party may terminate the Merger Agreement if the Acceptance Time (as defined in the Merger Agreement) has not occurred on or before May 26, 2018 (such date, which may be extended to August 26, 2018 in certain circumstances specified in the Merger Agreement, the "End Date").

The Merger Agreement has been unanimously adopted by the boards of directors of Meredith, Purchaser and the Company and the board of directors of the Company unanimously recommends that stockholders of the Company tender their shares of the Company's common stock in the Offer.

The foregoing description of the Offer and the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated into this report by reference in its entirety. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or Meredith. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential Disclosure Letters provided by each of the Company and Meredith to the other in connection with the signing of the Merger Agreement. These confidential Disclosure Letters contain information that modifies, qualifies and creates exceptions to the representations and warranties and certain covenants set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purposes of allocating risk between the Company and Meredith rather than establishing matters as facts. Accordingly, the

representations and warranties in the Merger Agreement should not be relied on as characterizations of the actual state of facts about the Company or Meredith.

Debt Commitment Letter

In connection with the Offer and the Merger, Meredith entered into a commitment letter (the “Commitment Letter”) with Royal Bank of Canada, RBC Capital Markets, Credit Suisse AG, Credit Suisse Securities (USA) LLC, Barclays Bank PLC and Citigroup Global Markets Inc. (collectively, the “Commitment Parties”) on November 26, 2017, pursuant to which the Commitment Parties have committed to provide \$1,800 million of secured term loans pursuant to a term loan facility, \$350 million of secured revolving commitments and/or \$1,400 million of bridge loans, the proceeds of which will be used to (i) refinance the loans under the Company’s and Meredith’s existing credit facilities and certain outstanding debt of the Company and Meredith, (ii) purchase all of the issued and outstanding common stock of the Company in connection with the Offer and the Merger, and (iii) pay any prepayment premiums, fees and expenses in connection with any of the foregoing. It is expected that at the consummation of the Merger, senior unsecured notes will be issued and sold pursuant to a high yield senior unsecured notes offering in lieu of a portion or all of the bridge loans. The commitments to provide the foregoing loans are subject to certain conditions, including the negotiation of definitive documentation for the foregoing loans and other customary closing conditions consistent with the Merger Agreement. Meredith will pay customary fees and expenses in connection with obtaining the Commitment Letter and the foregoing loans and has agreed to indemnify the lenders if certain losses are incurred by the lenders in connection therewith. Among other termination rights, the obligations of the Commitment Parties under the Commitment Letter will terminate automatically upon the earliest to occur of: (i) the End Date, if the Merger has not occurred by such date; (ii) the entry by Meredith and certain of its subsidiaries into definitive agreements with respect to the foregoing loans; or (iii) the termination of the Merger Agreement in accordance with its terms prior to the Closing. A copy of the Commitment Letter is attached hereto as Exhibit 10.1 and is incorporated into this report by reference in its entirety.

Equity Commitment Letter

In connection with the Offer and the Merger, Meredith entered into a commitment letter (the “Equity Commitment Letter”) with Koch Equity Development LLC (“Koch”) on November 26, 2017, pursuant to which Koch has committed to purchase 650,000 shares of a new series of preferred stock designated “Series A Preferred Stock” (the “Shares”), detachable warrants to purchase up to 1,625,000 shares of Meredith’s common stock, and options to purchase up to 875,000 shares of Meredith’s common stock, for an amount equal to \$650 million in cash (the “Equity Commitment”). The proceeds of the Equity Commitment will be used to purchase all of the issued and outstanding common stock of the Company in connection with the Offer and the Merger and pay transaction fees and expenses. The Equity Commitment is subject to certain conditions, including the negotiation of definitive documentation and other customary closing conditions consistent with the Merger Agreement. Neither the Shares nor any other securities will be issued in connection with the Equity Commitment until immediately prior to, and contingent upon the occurrence of, the Effective Time (as defined in the Merger Agreement). Meredith will pay customary fees and expenses in connection with the foregoing equity financing and has agreed to indemnify Koch if certain losses are incurred by Koch in connection with the Equity Commitment Letter. Among other termination rights, the obligations of Equity Commitment Letter will terminate automatically upon the earliest to occur of: (i) the End Date if the Merger has not occurred by such date; (ii) the consummation of the Merger (and the funding in full of the Equity Commitment); or (iii) the termination of the Merger Agreement in accordance with its terms prior to the Closing. A copy of the Equity Commitment Letter is attached hereto as Exhibit 10.2 and is incorporated into this report by reference in its entirety.
