Item 2.02 Results of Operations and Financial Condition.

On May 19, 2015, Dycom Industries, Inc. (the "Company") issued a press release reporting fiscal 2015 third quarter results. The Company also provided forward guidance. Additionally, on May 20, 2015, the Company made available related materials to be discussed during the Company's webcast and conference call referred to in such press release. A copy of the press release and related conference call materials are furnished as Exhibits 99.1 and 99.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The press release and related materials contain the financial measures of Adjusted EBITDA - Non-GAAP and certain amounts relating to organic revenue, which are Non-GAAP financial measures within the meaning of Regulation G promulgated by the Securities and Exchange Commission. Adjusted EBITDA, defined by the Company as earnings before interest, taxes, depreciation and amortization, gain on sale of fixed assets, stock-based compensation expense, and certain non-recurring items, is not a recognized term under generally accepted accounting principles ("GAAP") and does not purport to be an alternative to net income, operating cash flows, or a measure of earnings. Organic revenue is not a recognized term under GAAP and does not purport to be an alternative to GAAP contract revenue. Because all companies do not use identical calculations, the presentation of these Non-GAAP financial measures may not be comparable to other similarly titled measures of other companies. The Company believes these Non-GAAP financial measures provide information that is useful to the Company's investors. The Company believes that this information is helpful in understanding period-over-period operating results separate and apart from items that may, or could, have a disproportionate impact on the Company's results of operations in any particular period. Additionally, the Company uses these Non-GAAP financial measures to evaluate its past performance and prospects for future performance.

The information in the preceding paragraphs, as well as Exhibits 99.1 and 99.2, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act"), or otherwise subject to the liabilities of that section. It may only be incorporated by reference into another filing under the Exchange Act or the Securities Act of 1933 (the "Securities Act") if such subsequent filing specifically references this Current Report on Form 8-K.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

On May 19, 2015, the Company announced the appointment of Laurie J. Thomsen as a director. Ms. Thomsen served as an Executive Partner of New Profit, Inc., a venture philanthropy firm, from 2006 to 2010, and she served on its board from 2001 to 2006. Prior to that, from 1995 to 2004, she was a co-founder, General Partner and Retiring General Partner of Prism Venture Partners, a venture capital firm investing in healthcare and technology companies. From 1984 until 1995, she worked at the venture capital firm Harbourvest Partners in Boston. In connection with Ms. Thomsen's appointment, the Company's Board of Directors approved a resolution to increase the number of board members from seven to eight. The appointment, effective May 19, 2015, is for a term extending until the Company's next Annual Meeting of Shareholders. Ms. Thomsen currently serves on the Boards of Directors of The Travelers Company, Inc. and MFS Mutual Funds.

The Board of Directors has not made a determination as to whether Ms. Thomsen will be named to any committees of the Board of Directors.

A copy of the press release is attached as Exhibit 99.3 to this Current Report on Form 8-K and is incorporated herein by reference.
