AMERISERV FINANCIAL ANNOUNCES LOAN LOSS RESERVE STRENGTHENING AND SUSPENSION OF THE COMMON STOCK DIVIDEND

Johnstown, Pa- AmeriServ Financial, Inc. (NASDAQ NMS: ASRV) announced today that its Board of Directors approved suspension of the Company's common stock dividend as a result of actions taken to strengthen its allowance

for loans losses. The Company expects that its loan loss provision for the fourth quarter of 2002 will approximate \$3.5 million. The actions taken to strengthen the allowance for loan losses resulted from a concerted effort to carefully review the Company's loan portfolio in light of the continued weakness in the economy and deterioration in credit quality. While this provision level is comparable with the third quarter provision amount of \$3.4 million, net charge-offs for the fourth quarter are projected to be significantly lower and approximate only \$300,000 compared to \$3.1 million of net charge-offs in the third quarter of 2002. As a result, the balance in the allowance for loan losses and key loan portfolio coverage ratios will grow and move more in line with peer bank levels. Specifically, the Company anticipates that at December 31, 2002, its loan loss reserve coverage of total loans will be in excess of 1.50% and its coverage of non-performing assets will exceed 125%. At September 30, 2002, the Company's allowance for loan losses amounted to 0.97% of total loans and provided 106% coverage of non-performing assets.

Craig G. Ford, Interim Chairman, President & CEO states, AmeriServ Financial will enter 2003 with a more conservatively positioned balance sheet. This needed loan loss provision will cause AmeriServ Financial to report a net loss for the fourth quarter of 2002 and overshadows improvements made in reducing non-interest expense and stabilizing the Company's net interest margin. While it is necessary to suspend the common stock dividend payment, the Company remains committed to honoring the dividend requirement on its trust preferred securities.

The Company plans to release its fourth quarter and full year 2002 financial results at the close of business on January 31, 2003.

AmeriServ Financial, Inc., is the parent of AmeriServ Financial Bank and AmeriServ Trust & Financial Services in Johnstown, AmeriServ Associates of State College, and AmeriServ Life Insurance Company. At September 30, 2002, the Company had total assets of \$1.2 billion and shareholders equity of \$80 million or \$5.77 per common share.
