PAR TECHNOLOGY CORPORATION REPORTS THIRD QUARTER RESULTS

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

New Hartford, NY- October 23, 2007 PAR Technology Corporation (NYSE: PTC), a provider of integrated hardware, software and service solutions to the restaurant, hotel/resort, hospitality industries and information-technology services to the United States Government, today reported third quarter financial results.

For the third quarter ended September 30, 2007, PAR Technology Corporation reported revenues of \$51.6 million compared to \$48.5 million in the third quarter 2006, an increase of 6.3%. A net loss was reported of \$862,000, down from the \$550,000 earned in the third quarter one year ago. The Company reported diluted loss per share of \$0.06 for this past quarter, compared to the diluted earnings per share of \$0.04 reported for the same period a year earlier.

For the nine months ended September 30, 2007, PAR Technology Corporation reported revenues of \$149.3 million, a 3.4% decrease when compared to the \$154.5 million reported one year ago. The Company also reported a net loss of \$3.2 million in the first nine months of 2007 versus net income of \$4.9 million for the first nine months of 2006. Diluted loss per share for the first nine months of 2007 was reported at \$0.22, compared to diluted net income per share of \$0.33 reported for the same period in 2006.

John W. Sammon, Chairman and CEO of PAR Technology commented, "Generally speaking, the Q3 numbers were within expectations. We continued to make solid strategic progress this quarter in our ongoing internal investment strategy. This strategy requires effort and resources but when completed will result in a stronger company that is more prepared to compete on a global basis in our industry." Sammon went on to say, "While not satisfied with our third quarter results we have returned to growing revenues which highlights the resilience of our franchise in hospitality technology. With a broad array of technology products designed for the hospitality industry, we believe PAR is positioned to capitalize on evolving market demand. Our focus remains on the design and delivery of innovative products, the addition of channel partners, and producing global operational excellence."

Certain Company information in this release or by its spokespersons from time to time may contain forward-looking statements. Any statements in this document that do not describe historical facts are forward-looking statements. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including without limitation, delays in new product introduction, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the restaurant market specifically, risks of intellectual property rights associated with competition and competitive pricing pressures, risks associated with foreign sales and high customer concentration, and other risks detailed in the Company's filings with the Securities and Exchange Commission.
