Regis Corporation

Current Report on Form 8-K

#### ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

As previously reported, on October 1, 2017, Haircare Limited ("UK Seller"), a private limited company incorporated under the laws of England and Wales and a wholly owned subsidiary of Regis Corporation (the "Company"), entered into a Share Purchase Agreement (the "SPA") with International Beauty Limited ("UK Buyer"), an affiliate of Regent, a private equity firm based in Los Angeles, California ("Regent"), incorporated under the laws of England and Wales, pursuant to which UK Seller agreed to sell Regis UK Limited to Regent for £1 plus the amount of prepaid rent as of the closing date in respect of Regis UK Limited (the "International Transaction").

On October 21, 2017, the parties closed the International Transaction and, as a result, UK Buyer owns and operates, as a franchisee of the Company, the approximately 250 Regis (Premium) Salons and Supercuts salons in the UK that were previously owned by the Company. The foregoing description of the SPA does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the SPA, a copy of which was filed as Exhibit 2.2 to the Company's Current Report on Form 8-K filed October 5, 2017, and is incorporated into this Item 2.01 by reference herein.

As previously reported, on October 1, 2017, affiliates of the Company sold to affiliates of Regent the assets in respect of 858 salons in North America (the "North American Salons") that principally operated under the Regis Salons and MasterCuts brands, including the intellectual property for the MasterCuts brand and other ancillary brands (such transactions, collectively, the "North America Transaction"). In connection with the North America Transaction, The Beautiful Group Management, LLC, and The Beautiful Group Salons (Canada) Ltd., each an affiliate of Regent, operate the North American Salons as a franchisee of the Company. The foregoing description of the North America Transaction does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Asset Purchase Agreement, dated as of October 1, 2017, by and among Regis Corp., Regis, Inc. and The Beautiful Group Management, LLC, a copy of which was filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed October 5, 2017, and is incorporated into this Item 2.01 by reference herein.

#### ITEM 8.01 OTHER EVENTS.

The Company issued a press release in respect of the closing of the International Transaction on October 23, 2017, which is attached hereto as Exhibit 99.1.

#### ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS.

##### (b) Pro Forma Financial Information.

The following unaudited pro forma consolidated balance sheet gives effect to the North America Transaction and the International Transaction as of June 30, 2017, our latest balance sheet provided in our public filings.

The following unaudited pro forma consolidated statements of operations for years ended June 30, 2017, 2016, and 2015 have been prepared to present our results of operations as if the North America Transaction and the International Transaction had occurred on July 1, 2014. Almost all revenues and expenses are directly tied to the disposed salons and corporate expense allocations are not significant.

Edgar Filing: REGIS CORP - Form 8-K

The pro forma adjustments are based on factually supportable available information which are directly attributable to the North America Transaction and the International Transaction. Management has also made certain assumptions that we believe are reasonable.

These unaudited pro forma financial statements do not purport to be indicative of the financial position or results of operations of the Company as of such date or for such periods, nor are they necessarily indicative of future results. In the opinion of management, all necessary adjustments to the unaudited pro forma financial information have been made. The unaudited pro forma financial statements should be read in conjunction with historical consolidated financial statements of the Company, including the notes thereto, in the Company's Form 10-K for the year ended June 30, 2017.

The impairment charge related to the assets disposed of in connection with the North America Transaction and International Transaction will be recorded in the quarter ended September 30, 2017.

(1) The pro forma adjustment presented includes the North America Transaction which closed on October 1, 2017.

(2) The pro forma adjustment presented includes the International Transaction which closed on October 21, 2017.

No pro forma adjustment was made to goodwill as no goodwill was allocated to the North American Transaction due to historical losses on salons being sold, minimal fair value and that all goodwill associated with the Regis Salons in the North America Transaction had been previously impaired. All goodwill associated with the International Transaction had also been previously impaired.

The adjustment to retained earnings represents the pro forma impairment of the assets held for sale/loss on disposition as of June 30, 2017. This does not include the impact of the consideration payable for inventory and other working capital adjustments.

No pro forma adjustment was made to estimate royalties that would be received from The Beautiful Group under the franchise agreement as no significant franchise fees are expected in the next 12 months.

No pro forma adjustment was made for taxes due to the Company's valuation allowance.
