### **Auditor Independence Policy**

BCE's Auditor Independence Policy is a comprehensive policy governing all aspects of BCE's relationship with the external auditors, including:

- establishing a process for determining whether various audit and other services provided by the external auditors affect their independence;
- identifying the services that the external auditors may and may not provide to BCE and its subsidiaries;

5

- 
- pre-approving all services to be provided by the external auditors of BCE and its subsidiaries; and
  - establishing a process outlining procedures when hiring current or former personnel of the external auditors in a financial oversight role to ensure auditor independence is maintained.

In particular, the policy specifies that:

- the external auditors cannot be hired to provide any services falling within the prohibited services category, such as bookkeeping, financial information systems design and implementation and legal services;
- for all audit or non-audit services falling within the permitted services category (such as prospectus, due diligence and non-statutory audits), a request for approval must be submitted to the Audit Committee prior to engaging the external auditors;
- specific permitted services however are pre-approved annually and quarterly by the Audit Committee and consequently only require approval by the Executive Vice-President and CFO prior to engaging the external auditors; and
- at each regularly scheduled Audit Committee meeting, a summary of all fees billed by the external auditors by type of service is presented. This summary includes the details of fees incurred within the pre-approval amounts.

The Auditor Independence Policy is available in the governance section of BCE's website at BCE.ca.

In 2014 and 2013, BCE's Audit Committee did not approve any audit-related, tax or other services pursuant to paragraph (c)(7) (i) (C) of Rule 2-01 of Regulation S-X.
