- Phantom stock held under the Company's Deferred Compensation Plan (the "Plan") was previously reported as common shares on Table I to Form 4 because, among other things, the Plan only permitted payment of amounts credited to a participant's Company stock account under the Plan in common shares. The Plan was amended in December 2005 to permit payment of amounts credited to a participant's Company stock account either in cash or in common shares at the election of the participant. Accordingly, acquisitions of shares of phantom stock under the Plan are now reported on Table II.
