Our board of directors is not obligated to declare any dividend. Any future dividends will be subject to the discretion of our board of directors and will depend upon, among other things, our future earnings, our operating and financial condition, our capital requirements, general business conditions and other pertinent factors. It is not anticipated that dividends will be paid in the foreseeable future.

Our shareholders do not have pre-emptive rights to subscribe for additional shares of common stock if issued by us. There are no conversion, redemption, sinking fund or similar provisions regarding our common stock.
