Explanation of Responses:

01: The Reporting Person is a Director, President and Co-Chief Operating Officer of The Goldman Sachs Group, Inc. ("GS Group"). Goldman, Sachs & Co. ("Goldman Sachs") is an indirect wholly-owned subsidiary of GS Group. Goldman Sachs International ("GSI") is an indirect wholly-owned subsidiary of GS Group. The Reporting Person disclaims beneficial ownership of the securities reported herein as indirectly owned except to the extent of his pecuniary interest therein. Without admitting any legal obligation, GSI or an affiliate will remit appropriate profits to the Company.

02: The securities reported herein as indirectly sold were sold and were beneficially owned directly by Goldman Sachs. This transaction was part of a basket which did not meet the requirements for exemption as outlined by the Securities and Exchange Commission. The acquisition of these shares was transacted in baskets which met the requirements for exemption as outlined by the Securities and Exchange Commission, and therefore not reported.

03: The transaction reported herein relates to the equity swap transaction described below and previously reported. The Issuer Common Stock position of the equity swap was reduced by 200,000 shares of Common Stock at \$8.4811 per share, to 137,100 shares of Common Stock. As party to the equity swap transaction described below, GSI may be deemed to have acquired and beneficially own directly the shares of Issuer's Common Stock reported herein.

04: The equity swap related to a non-standardized basket of stocks. However, the following description relates solely to the Issuer Common Stock component of the basket, as if such component were a stand-alone equity swap and disregards all other components of the basket. GSI was party to the equity swap transaction and may be deemed to beneficially own directly the securities reported herein. The equity swap provides for quarterly payments by GSI to the counterparty based on changes in the price of Issuer Common Stock and by the counterparty to GSI based on changes in interest rates. Any dividends declared by the Issuer during the period will be payable by GSI to the counterparty. Both sides to the transaction have the ability to terminate the agreement early with no penalty by satisfying the outstanding payments.

05: These Ford Stock Units were acquired under the Company's Deferred Compensation Plan for Non-Employee Directors. In general, these Ford Stock Units will be converted and distributed to the Reporting Person, without payment, in cash, on January 10th of the year following termination of Board service, based upon the then current market value of a share of Common Stock.

06: These Ford Stock Equivalents were acquired under the Company's Restricted Stock Plan for Non-Employee Directors without payment by the Reporting Person. In general, approximately 20% of the initial grant of 3,496 Ford Stock Equivalents will be converted and distributed to the Reporting Person, without payment, in shares of Common Stock on June 1 of the 5 years commencing 6/1/2002.
