Only shareholders on record as of the close of business on March 31, 2009 will be entitled to notice of and to vote at the meeting and any adjournments or postponements thereof. Notwithstanding the record date specified above, our stock transfer books will not be closed and shares may be transferred subsequent to the record date. However, all votes must be cast in the names of shareholders of record on the record date.

Shareholders wishing to attend the Annual Meeting can access directions on the homepage of our website at <http://www.perini.com>.

PROXIES AND VOTING PROCEDURES

If you are a shareholder of record, you may vote your shares over the Internet at www.investorvote.com/PCR or telephonically 1-800-652-VOTE (1-800-652-8683) or by following the instructions on the enclosed proxy card. Proxies submitted via the Internet or by telephone must be received by 2:00 a.m., eastern time, on May 28, 2009.

If the shares you own are held in " street name " by a bank or brokerage firm, your bank or brokerage firm will provide a vote instruction form to you with this proxy statement, which you may use to direct how your shares will be voted. Many banks and brokerage firms also offer the option of voting via the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

SHAREHOLDER VOTES REQUIRED

Edgar Filing: PERINI CORP - Form DEF 14A

Proposal 1, election of each of the nominees for director, requires the affirmative vote of a plurality of the votes cast at the Annual Meeting. You may vote FOR any or all director nominees and/or WITHHOLD your vote from any or all of the director nominees.

Proposal 2, ratification of the selection of Deloitte & Touche, LLP as the Company's independent auditors for 2009, requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the Annual Meeting.

Edgar Filing: PERINI CORP - Form DEF 14A

Proposal 3, approval of the amendment to the Articles of Incorporation to change the name of the Company to Tutor Perini Corporation, requires the affirmative vote of the holders of a majority of the outstanding shares of Perini Common Stock entitled to vote at the meeting.

Proposal 4, approval of the Section 162(m) performance goals and annual grant limitations under the 2004 Stock Option and Incentive Plan, requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the Annual Meeting.

Proposal 5, approval of the 2009 General Incentive Compensation Plan, requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the Annual Meeting.

QUORUM

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the shares entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

ABSTENTIONS AND BROKER NON-VOTES

An abstention occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter. For purposes of establishing a quorum, abstentions in person and proxies received but marked as abstentions as to any or all matters to be voted on count as present.

Abstentions with respect to the name change proposal (proposal 3) will have the same effect as a vote against the proposal. Abstentions have no effect on the election of directors (proposal 1), the ratification of auditors proposal (proposal 2), the 162(M) proposal (proposal 4), or the plan approval proposal (proposal 5).

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange (NYSE) to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. All of the proposals contained herein are considered routine matters.

Regardless of whether you are a record holder of your shares or hold your shares in street name, we encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. Record holders may complete the proxy card enclosed with this proxy statement and return it to us. If your shares are held in street name, you should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

PROXY SOLICITATION

In addition to solicitation by mail, our directors, officers, and employees may solicit proxies from Perini shareholders by telephone, facsimile or other electronic means of communication. These persons will not receive additional or special compensation for such solicitation services. We will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions.

Perini has retained Innisfree M&A Incorporated, a proxy solicitation firm, to assist it in the solicitation of proxies for the Annual Meeting. Perini will pay Innisfree a fee of \$10,000, for its services. In addition, Perini may pay Innisfree additional fees depending on the extent of additional services requested by Perini and will reimburse Innisfree for expenses Innisfree incurs in connection with its engagement by Perini.

REVOCATION OF PROXIES

If the accompanying form of proxy is executed and returned or voted electronically, it may be revoked at any time before it is voted by written notice to our Secretary, by the subsequent execution and delivery of another proxy, or by voting in person at the Annual Meeting. Please note that if you have instructed your broker to vote your shares, the options for revoking your proxy described above do not apply and instead you must follow the directions provided by your broker to change those instructions.

ADJOURNMENTS AND POSTPONEMENTS

Although it is not currently expected, the Annual Meeting may be adjourned or postponed, including for the purpose of soliciting additional proxies, by action of the presiding officer of the Annual Meeting in accordance with Perini's bylaws. In addition, the Perini board of directors (the Board) may postpone and reschedule the Annual Meeting prior to the meeting in accordance with Perini's bylaws. Any adjournment may be made without notice, other than by an announcement made at the Annual Meeting of the time, date and place of the adjourned meeting, regardless of whether or not a quorum is present.

Any adjournment or postponement of the Annual Meeting for the purpose of soliciting additional proxies will allow the Perini shareholders who have already sent their proxies to revoke them any time prior to their use at the Annual Meeting as adjourned or postponed.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board has nominated three (3) Class I directors to serve until the 2012 annual meeting of shareholders. In accordance with our bylaws, each director nominee will be elected to serve for a three-year term, unless he resigns, dies or is removed before his term expires, or until his successor has been duly elected and qualified.

The following individuals are the nominees for election to the Board:

Name	Age	Director Since
Class I Nominees for Election		
Robert Band	61	1999
Michael R. Klein	66	1997
Robert L. Miller	68	2004

Messrs. Band, Klein and Miller currently are members of Class I of the Board of Directors. See Corporate Governance - Nominations for Director beginning on page 10 for a discussion of the director identification, appointment and nomination process. The Board has affirmatively concluded that Messrs. Klein and Miller qualify as independent directors under the independence standards established by Section 303A of the NYSE corporate governance rules. Mr. Band, who is an executive officer and employee of the Company, does not qualify as an independent director. More detailed information about the Board's determination of director independence is provided in the section of this proxy statement titled Board of Directors - Director Independence on page 7.

The principal occupation and business experience of each director nominee for the last five years is set forth below:

Robert Band has served as a director since May 1999. He has also served as chief operating officer from March 2000 to March 2009, and as president since May 1999. He has served as president of Perini Management Services, Inc. since 1996. He has served in various operating and financial positions with Perini Corporation since 1973, including executive vice president and chief financial officer from 1997-1999. He also serves as a director of Jewish Family Services of Metrowest, a not-for-profit entity.

Michael R. Klein has served as a director since January 1997 and as vice chairman of the Board since September 2000. He is also the designated lead director. Mr. Klein, a private investor, serves as chairman of the board of directors and chairman of the Nominating Committee of CoStar Group, Inc., a publicly held provider of commercial real estate information; as chairman and CEO of the Sunlight Foundation, a non-profit organization; as chairman of Shakespeare Theatre Company, a non-profit organization; and as chairman of the board of directors of Le Paradou, LLC, a privately held company. He is also the lead director and chairman of the Governance Committee of SRA International, Inc., a publicly-traded provider of technology and strategic consulting services and solutions; and a director of AStar Air Cargo, Inc., and OZ Fitness, Inc., which are privately held. Mr. Klein was a partner of the law firm Wilmer Cutler Pickering from 1974 until 2004, and when Wilmer Cutler Pickering merged with the law firm Hale and Dorr LLP in 2004 became a partner of Wilmer Cutler Pickering Hale and Dorr LLP until his retirement in 2005.

Robert L. Miller has served as a director since 2004. In 1979, he co-founded West Venture Development Co., a homebuilding and commercial real estate company, and functioned as its president until its sale in 1991. Previously he was a construction manager with Morrison-Knudsen Inc. He was chairman of the board of Monroc Corp., a publicly held concrete and aggregate company from 1995-1998. Since 2000, he is a principal in Robert L. Miller & Assoc., Inc., a real estate development firm.

Our Corporate Governance and Nominating Committee has recommended Messrs. Band, Klein and Miller for re-election as Class I Directors. Unless otherwise noted thereon, proxies solicited hereby will be voted for the election of the director nominees to hold office until the 2012 annual meeting of shareholders, and until their successors are chosen and qualified. Each nominee has consented to being named in this proxy statement, and if elected, each nominee has consented to serve as a director until his successor is duly elected and qualified. The Board does not contemplate that any nominee will be unable to serve as a director for any reason, but if that should occur prior to the meeting, proxies solicited hereby may be voted either for a substitute nominee designated by the Board or recommended by the Corporate Governance and Nominating Committee, or the Board may determine to leave any such Board seat vacant until a suitable candidate is identified, or to reduce the size of the Board.

THE PERINI BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE BOARD OF DIRECTORS NOMINEES FOR ELECTION AS A CLASS I DIRECTOR.

He is also a director of the Greater Los Angeles Zoo Association, a non-profit organization.

Willard W. Brittain, Jr. became a director in November 2004. He has served as chairman and chief executive officer of Professional Resources on Demand, a private senior executive staffing company, since 2003. He previously served as chief operating officer of PwC Consulting since 2000, and chief operating officer of PricewaterhouseCoopers, LLP since 1997. Mr. Brittain also serves on the board of Analysts International where he is a member of the nominating and governance committee, DaVita Corporation, and Convergys Corporation, where he serves on the audit committee. All are publicly held companies.

Robert A. Kennedy has served as a director since March 2000. He has been an independent financial consultant since 2003. From 1993 to 2003, Mr. Kennedy served in various capacities, including as vice president special projects, for The Union Labor Life Insurance Company, a provider of insurance and financial services to its union members and related trust funds.

Raymond R. Oneglia has served as a director since March 2000. Since 1997, he has also served as vice chairman of the board of directors of O&G Industries, Inc., a Connecticut corporation engaged in the construction industry, and prior to that, served in various operating and administrative capacities since 1970.

Chrysostomos L. Nikias is provost and executive vice president of the University of Southern California since 2005 and prior to that was the Dean of the University of Southern California Viterbi School of Engineering since 2001. He also serves on the executive committee of the Chadwick School, a private primary and secondary school. He has served as a director since 2008.

Donald D. Snyder has served as director since 2008. He was a director and the president of Boyd Gaming Corp. from 1997 until his retirement in 2005. He presently serves as a director of NV Energy, a publicly held utility; as the lead director and chair of the compensation committee of Western Alliance Bancorp., a publicly-held commercial bank holding company; and as a director of Switch Communications Group, LLC, a privately held company. He is presently on the board of directors of the following not-for-profit entities: Las Vegas Performing Arts Center Foundation, Nevada Development Authority, Council for a Better Nevada, University of Nevada-Las Vegas Foundation, and the Nathan Adelson Hospice.

Board Composition

The Board consists of eleven directors, as determined by the Board. In accordance with our bylaws and the requirements of the Massachusetts Business Corporations Act, the Board is divided into three classes, with each director serving for a term of three years. As a consequence, the term of only one class of directors expires each year. At each annual meeting of shareholders, the successors to one class of directors then serving are elected to serve from the time of their election and qualification until the third annual meeting following their election or until their successors have been duly elected and qualified, or until their earlier resignation, removal or death.

Under the shareholders agreement which became effective upon the September, 2008 merger of the Company with Tutor-Saliba (the Shareholders Agreement), Mr. Tutor (as the representative of the former Tutor-Saliba shareholders) has the right to designate up to two nominees for appointment to an eleven-member Board (and thereafter, for nomination for election), subject to certain limitations contained in the Shareholders Agreement. In addition, for so long as Mr. Tutor serves as our chief executive officer, the Shareholders Agreement provides that he will be nominated for election to the Board. See Shareholders Agreement page 28.

Chrysostomos L. Nikias was appointed to the Board immediately following completion of the merger as one of Mr. Tutor's designees. The Corporate Governance and Nominating Committee reviewed his qualifications and recommended Mr. Nikias' appointment to the Board which was unanimously approved by the full Board. Mr. Nikias is a Class II director and will serve until the 2010 meeting of shareholders when he will stand for reelection to the Board.

As of the date of this proxy statement, Mr. Tutor has not elected to exercise his right to nominate a second director for election, although he has not waived the right to do so in the future. Mr. Tutor has advised the Board that should he choose to designate a second person for appointment to the Board at a time when the Board already includes eleven members, he would support a temporary expansion of the board to twelve members to accommodate such additional member. Such expansion would continue until the next meeting of shareholders at which directors are elected, at which time the size of the Board would be reduced back to eleven members (as contemplated by the Shareholders Agreement) and the slate of nominees for election adjusted accordingly.

Director Independence

The Board has determined that Ms. Alexander, Mr. Arkley, Mr. Brittain, Mr. Kennedy, Mr. Klein, Mr. Miller, Mr. Oneglia and Mr. Snyder are independent in accordance with the independence standards established by Section 303A of the NYSE rules. In determining independence pursuant to NYSE standards, each year the Board determines whether directors have a direct or indirect material relationship with Perini, including its subsidiaries, that may interfere with their ability to exercise their independence from Perini.

In evaluating the independence of each non-employee director, the Board considered several factors. With respect to Mr. Oneglia, the board considered the relationship between O&G Industries, Inc., of which Mr. Oneglia is vice chairman of the board of directors and a principal shareholder, and Perini, including the construction joint ventures between Perini and O&G Industries. The Board determined that the joint ventures did not impact Mr. Oneglia's independence from Perini management because (1) the joint ventures are formed for the limited purposes of performing specific contractual requirements for owners as is commonplace in the construction business, (2) Mr. Oneglia is not personally involved in the management of these joint ventures and (3) Perini and O&G have an equal vote in the governance of such joint ventures. With respect to Mr. Arkley, the Board considered the relationship between AON Risk Services (AON), of which Mr. Arkley is President of the Construction Services Group, and Perini, an insurance and bonding client of AON. The Board has determined that his independence from Perini management is not impacted because (1) services provided by AON are supplied to Perini on terms similar to AON's other clients and (2) Mr. Arkley is not involved in the day to day management of the Perini relationship. No other independent directors had material relationships with Perini other than in their capacities as directors.

The Board found that Mr. Nikias is not independent due to his position at the University of Southern California where Mr. Tutor sits on the Executive Committee of the Board of Trustees and had influence with regard to Mr. Nikias' compensation prior to Mr. Nikias' appointment to the Board. Mr. Tutor plans to refrain from voting with regard to Mr. Nikias' compensation in the future. Messrs. Band and Tutor, who are executive officers and employees of Perini, do not qualify as independent directors.

Communications with the Board

The Board welcomes the submission of any comments or concerns from shareholders and other interested parties. Any shareholder who wishes to communicate with the Board may submit such communication in writing to Perini Corporation, 73 Mt. Wayte Avenue, Framingham, MA 01701 and marked to the attention of the Board or any of its committees or individual directors. All

comments or concerns from shareholders and other interested parties will be forwarded to the chair of our Audit Committee.

In order to facilitate communications with the independent directors, we have a secure telephone number (800-489-8689) whereby interested parties can communicate directly and confidentially with the independent directors, the Audit Committee or the Corporate Governance and Nominating Committee.

CORPORATE GOVERNANCE

Committees and Meetings of the Board of Directors

The Board met 13 times during 2008. During 2008, all of our directors attended at least 75% of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all committees on which such director served. The members of the Board are encouraged to attend our annual shareholders meetings. All of the eleven current directors attended the 2008 annual shareholders meeting.

Our bylaws authorize the Board to appoint one or more committees, each consisting of one or more directors. The Board currently has three standing committees: an Audit Committee, a Corporate Governance and Nominating Committee and a Compensation Committee. During 2008, the Board also created a Special Committee to explore and evaluate potential strategic transactions that might be available to Perini, including in particular a business combination transaction with Tutor-Saliba. The Special Committee evaluated and negotiated the terms of our merger with Tutor-Saliba Corporation and recommended to the Board that such merger be approved and recommended to our shareholders. The Special Committee, which consisted of Messrs. Arkley, Brittain, Kennedy, and Mr. Klein (Chair), was dissolved in the fourth quarter of 2008, following the September 2008 completion of the merger.

Audit Committee

The Board has an Audit Committee, which consists of Willard W. Brittain, Jr. (Chair), Michael R. Klein, Marilyn A. Alexander, Raymond R. Oneglia and Robert A. Kennedy. Each of the members of the Audit Committee is financially literate, as defined in the NYSE listing standards and meets the independence requirements for members of an audit committee set forth in the rules of the Securities and Exchange Commission (SEC) and the listing standards of the NYSE, as affirmed by the Board. Based upon review of his qualifications, the Board has designated Mr. Brittain as an audit committee financial expert as defined by the rules of the SEC.

The primary duties and responsibilities of the Audit Committee are to:

1. Oversee the integrity of our internal controls, financial systems and financial statements;
2. Review the quarterly unaudited and annual audited financial statements with management and the independent auditor;
3. Appoint and evaluate the independent auditor and monitor and evaluate the auditor's qualifications and independence;
4. Oversee compliance with legal and regulatory requirements;
5. Meet with the independent auditor in executive session at least annually;
6. Monitor the performance of both our internal and external auditors; and
7. Annually review the Audit Committee's charter and performance.

The Audit Committee has the authority to retain special legal, accounting or other consultants to advise the Committee. The Audit Committee met nine times in 2008.

Corporate Governance and Nominating Committee

The Board has a Corporate Governance and Nominating Committee, which consists of Michael R. Klein (Chair), Robert L. Miller, and Peter Arkley. Each member of the Corporate Governance and Nominating Committee is an independent director, as defined by the NYSE and as affirmed by the Board. The duties of the Corporate Governance and Nominating Committee include:

1. Identifying individuals qualified to become directors and recommending to the full Board the persons to be nominated for election as directors;
2. Recommending director nominees for each committee of the Board and nominees for Chair of each committee;
3. Evaluating the independence of each director and so advising the Board;
4. Conducting a review and update as necessary of the Corporate Governance Guidelines and the Code of Business Conduct and Ethics;
5. Conducting evaluations of the performance of the Board and each committee, including a self-evaluation; and
6. Nominating a Lead Director whose duties shall include presiding at executive sessions of the non-management directors.

The Corporate Governance and Nominating Committee has the authority to retain consultants or other experts as it considers necessary to assist in the performance of its duties. The Corporate Governance and Nominating Committee met three times in 2008.

The independent directors have designated Michael Klein, chair of the Corporate Governance and Nominating Committee, to act as the Lead Director. In his capacity as Lead Director, Mr. Klein has the following duties and authority:

- chairing any meeting of the independent members of the Board in executive session;
- meeting with any director who is not adequately performing his duties as a member of the Board or any committee;
- serving as a liaison between the chairman of the Board and the independent directors;
- working with the chairman to prepare the agenda for Board meetings and determining the need for special meetings of the Board;
- and
- consulting with the chairman on matters relating to corporate governance and Board performance.

Compensation Committee

The Board has a Compensation Committee, which consists of Peter Arkley (Chair), Michael R. Klein and Donald D. Snyder. Each member of the Compensation Committee is an independent director, as defined by the NYSE and as affirmed by the Board.

The principal powers and duties of the Compensation Committee as established by the Board are to:

1. Review the executive compensation programs and policies and to employ outside expert assistance, if required, to analyze our compensation practices to assure that they are consistent with corporate goals and objectives, and competitive with those of comparable firms in the construction industry;
2. Review and approve corporate goals and objectives relevant to the compensation of the chairman and chief executive officer, to evaluate his performance in light of those goals and objectives, and to determine and recommend to the Board for approval his compensation level based on this evaluation;
3. Make recommendations to the Board with respect to executive officer compensation;

4. Recommend to the Board annual profit and other targets for Perini for the purpose of determining incentive compensation awards under the provisions of the Amended and Restated General Incentive Compensation Plan and the Construction Business Unit Incentive Compensation Plan (the Incentive Compensation Plan);
5. Administer the Special Equity Incentive Plan and the 2004 Stock Option and Incentive Plan (together, the Stock Option Plans) and the Incentive Compensation Plan; such administration includes power to (i) approve participants participation in the Stock Option Plans, (ii) establish performance goals, (iii) determine if and when any bonuses shall be paid, (iv) pay out any bonuses, in cash or stock or a combination thereof, as the Committee shall determine from year to year, (v) construe and interpret the Incentive Compensation Plan and the Stock Option Plans, and (vi) establish rules and regulations and perform all other acts it believes reasonable and proper; and
6. Review the investment performance of the Perini Corporation Pension Plan and make changes in investment managers and allocations, as the Compensation Committee deems necessary.

The Compensation Committee has the authority to retain special consultants to advise the committee as it considers necessary. The Compensation Committee met eight times in 2008.

Perini maintains on its website, <http://www.perini.com>, copies of the charters of each of the committees of our Board. We have also developed Corporate Governance Guidelines and a Code of Business Conduct and Ethics to outline our commitment to carefully govern the operation of our business and compliance with applicable laws and regulations, while maintaining the highest ethical standards. The Code applies to all of our officers, directors and employees, including our principal executive officer, principal financial officer, principal accounting officer, and persons performing similar functions. Perini's Corporate Governance Guidelines and Code of Business Conduct and Ethics are available on our website at <http://www.perini.com>. Interested parties may obtain printed copies of these documents by writing to the Investor Relations Department of the Company at 73 Mt. Wayte Avenue, Framingham, MA 01701. Any amendments to, or waivers of, the Code of Business Conduct and Ethics which apply to our directors, chief executive officer, chief operating officer, chief financial officer or any person performing similar functions will be disclosed on our website promptly following the date of such amendment or waiver.

Nominations for Director

The Board seeks candidates who are independent, possess relevant business, professional or board experience to make a significant contribution to the Board and have sufficient availability to attend to the business of our company. Annually, the Corporate Governance and Nominating Committee conducts an evaluation of the Board to determine whether it is functioning effectively, and recommends to the full Board the slate of director-nominees to be nominated for election at the next annual meeting of shareholders. Potential candidates for the Board may include candidates nominated by shareholders in accordance with our bylaws, those identified by a search firm retained for such purpose, or candidates recommended by other persons, including current directors or executive officers. Pursuant to the Corporate Governance and Nominating Committee charter, the process and criteria for considering the recommendations of shareholders with respect to candidates for election to the Board is the same as those used for candidates recommended by other parties. The minimum qualifications and specific qualities and skills required for directors are set forth in the Corporate Governance Guidelines, a copy of which is maintained on our website at <http://www.perini.com>.

A shareholder who wishes to recommend a director-nominee to the Corporate Governance and Nominating Committee for the 2010 annual meeting of shareholders should submit the recommendation in writing to Perini Corporation, 73 Mt. Wayte Avenue, Framingham,

Massachusetts 01701-9160, Attn: Corporate Secretary, so it is received not less than 75 days nor more than 180 days prior to the anniversary date of the 2009 Perini annual meeting of shareholders. However, if the 2010 annual meeting of shareholders is held more than seven (7) days earlier than the anniversary date of the 2009 annual meeting then notice must be delivered or received no later than 5 p.m. eastern time on (a) the 20th day following the earlier of (i) the day on which such notice of the date of the annual meeting is mailed or (ii) the day on which public disclosure of the date of the annual meeting is made, or (b) if such date of notice or public disclosure occurs more than 75 days prior to the scheduled date of such meeting, then the later of (i) the 20th day following the first to occur of such notice or such public disclosure or (ii) the 75th day prior to such scheduled date of such meeting.

AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of the Board submits the following report.

The primary duties and responsibilities of the Audit Committee (the Committee), which met nine times during the past fiscal year, are to oversee:

1. The integrity of Perini's internal controls, financial systems and financial statements;
2. Compliance by Perini with legal and regulatory requirements; and
3. The independence and performance of both Perini's internal and external auditors.

We meet with management periodically to consider the adequacy of Perini's internal controls, as well as compliance with Sarbanes Oxley Section 404, and the objectivity of Perini's financial reporting. We discuss these matters with Perini's independent auditors and with appropriate Company financial personnel and internal auditors.

We meet privately with both the independent auditors and the internal auditors, as required, each of whom has unrestricted access to the Committee.

We also appoint the independent auditors and review periodically their performance and independence from management. As in prior years, the independent auditors are invited to be present at our annual meeting of shareholders.

The directors who currently serve on the Committee meet the independence and experience requirements of the NYSE, and have been so affirmed by the Board. In connection therewith, the Board has determined that none of us has a relationship with Perini Corporation that may interfere with our independence from Perini and its management. The Board has designated Willard W. Brittain, Jr. as an audit committee financial expert, as defined by the rules of the SEC, based on review of his qualifications.

The Board has adopted a written charter setting forth the duties and responsibilities the Committee is to perform, which we review annually and revise as appropriate.

Management has primary responsibility for Perini's financial statements and the overall reporting process, including Perini's system of internal controls, and compliance with Sarbanes Oxley Section 404.

The independent auditors, in accordance with the standards of the Public Company Accounting Oversight Board, audit the effectiveness of the internal controls over financial reporting as well as annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of Perini in conformity with accounting principles generally accepted in the United States and discuss with us any issues they believe should be raised with us.

This year, we reviewed Perini's audited financial statements and met with both management and Deloitte & Touche LLP, Perini's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

We reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted accounting standards. In addition, we have received from and discussed with Deloitte & Touche LLP the written disclosure and the letter required by PCAOB Ethics and Independence Rule 3526, "Communication with Audit Committees Concerning Independence." These items relate to that firm's independence from Perini. We also discussed with Deloitte & Touche LLP any matters requiring discussion per the standards of the Public Company Accounting Oversight Board, including those required by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended.

We have considered and determined that the provision of the non-audit services included in "Fees Paid to Audit Firm" on page 33 is compatible with maintaining Deloitte & Touche LLP's independence.

Based on these reviews and discussions, we recommended to the Board that Perini's audited financial statements be included in the Perini Corporation Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our executive compensation program is intended to attract and retain talented executive officers and key employees who will continue to contribute to Perini's long-term success. We believe that it is important to tie compensation to our operating and financial goals, thereby aligning more closely the interest of management with that of our shareholders. We are mindful of the limited pool of available talent and consider competitive conditions when determining compensation.

In recognition of the variability of the construction industry, we have historically believed that compensation focusing on shorter-term corporate goals is more appropriate for Perini and our shareholders and more effective in retaining and motivating our key executive talent. As a result, our compensation practices for our named executive officers have emphasized annual cash compensation (base salary and annual cash incentive awards). Long-term awards have not historically been granted on a regular basis, but instead have been granted when the Compensation Committee has determined an award to be appropriate based on the circumstances prevailing at the time. The Compensation Committee, did, however grant long-term restricted stock units and stock options to members of management following the merger with Tutor-Saliba as discussed under Long-Term Incentives on page 16.

Consistent with this approach, we have historically aimed to have the target annual cash compensation for our named executive officers fall within the 50th to 75th percentile for comparable executives of our relevant competitors. The Compensation Committee slots each of our named executive officers into this range based on the Compensation Committee's evaluation of the value of that officer to Perini and the amount of compensation necessary to encourage that officer to remain employed by Perini and to appropriately focus that officer on achieving Perini's corporate goals. To ensure that a significant amount of each named executive officer's total cash compensation is at risk and earned only if Perini's goals are achieved, approximately 40-60% of each such officer's target annual cash compensation is provided in the form of an annual incentive bonus opportunity, with the balance provided in the form of a fixed base salary. This does not include Mr. Tutor whose compensation is governed by the terms of an employment agreement (see Employment Agreement, page 23). According to the terms of his employment agreement, Mr. Tutor's base salary represents approximately 36% of his target annual cash compensation.

To execute this strategy, the Compensation Committee has engaged Watson Wyatt to perform an executive compensation review with respect to Perini's named executive officers. The most recent comprehensive review was completed in 2007. Reviewing the relevant compensation data (base salary, annual bonus incentive, long-term incentives) for executives from each of Washington Group International, Shaw Group, Peter Kiewit Sons, Granite Construction, URS Corp., Aecom Technology Corp., Chicago Bridge & Iron Co., Emcor Group, Inc., Foster Wheeler, Ltd., Jacobs Engineering Group, Inc. and Tetra Tech, Inc., Watson Wyatt established a range of annual cash compensation for each of our named executive officers at the time. To carry forward the results of this study to 2008, the Compensation Committee applied the rate of compensation growth in the construction industry from the 2007 study data to update it to 2008 based on an Analytical/FMI Construction Industry study focusing on company performance and compensation growth. Using this data and consistent with the methodology described above, the Compensation Committee set the target annual cash compensation for our named executive officers (other than Mr. Tutor) to generally fall within the 50-75th percentile of annual cash compensation for comparable officers of these companies (Mr. Band's compensation falls just below the 50th percentile).

Elements of Compensation

As noted above, our executive compensation program primarily relies on annual cash compensation to retain and motivate our named executive officers. Accordingly, base salaries and annual incentive awards are the primary components of our program. In addition, the Compensation Committee has used ad hoc grants of long-term incentive awards when deemed appropriate by the Compensation Committee based on conditions prevailing at the time. Finally, Perini provides certain retirement benefits to our named executive officers to encourage long-term service with Perini.

Base Salary

The base salary of each of our named executive officers is fixed compensation that is not directly tied to the performance of Perini. We pay base salaries to fairly compensate our named

executive officers for the services that they provide during the year and because we believe our executive compensation program would not be competitive and effective in retaining our named executive officers if we did not pay base salaries. With the exception of Mr. Burk, who was hired in 2007 and Mr. Tutor whose circumstances are described below, the base salaries of our named executive officers were initially established in 2004 at the time Watson Wyatt prepared an initial benchmarking study. At that time, the Compensation Committee determined the appropriate level of each named executive officer's target total annual cash compensation based on Watson Wyatt's study and the Compensation Committee's evaluation of the appropriate position for each such named executive officer within the desired range for our relevant competitors (named above). The Compensation Committee then established the base salary for each named executive officer within this range, generally determining that approximately 40-60% of the target total annual cash compensation for each named executive officer (other than as described above) was the appropriate amount for base salary.

Since this initial establishment of the base salaries of our named executive officers in 2004, the Compensation Committee has annually reviewed them to determine whether any increases are appropriate. Base salaries are generally increased in March or April of each year, with any increase reflected only prospectively. Base salaries of our named executive officers were last increased in September 2008 following completion of the merger with Tutor-Saliba. As part of the annual review process in 2008, the Compensation Committee relied on the study prepared by Watson Wyatt, most recently updated in 2007, to confirm that base salaries of our named executive officers, along with their annual incentive award, would remain within the 50-75th percentile for total annual cash compensation for comparable officers of companies included in the study. The 2007 Watson Wyatt results were carried forward to 2008 by applying to the data a factor (15.9%) representative of compensation growth in the construction industry for the period covered by the 2007 study data through 2008 derived from an Analytical/FMI Construction Industry compensation study. The Compensation Committee also continued to include 40-60% of target annual cash compensation in the performance-based annual incentive opportunity. In September 2008, the base salaries of our named executive officers were increased by the following amounts: Mr. Shaw \$100,000; Mr. Band \$50,000, Mr. Burk \$100,000 and Mr. Caspers \$100,000. The Compensation Committee will consider the off-cycle timing of the 2008 increases along with other factors when contemplating executive salary levels in 2009. Mr. Tutor was paid pursuant to a management agreement with Tutor-Saliba Corporation at the rate of \$1,000,000 per year until September 2008, when Tutor-Saliba was merged with the Company. At that time, the Company entered into an employment agreement with Mr. Tutor under which he is paid a salary of \$1,500,000. Determination of the level of compensation included in Mr. Tutor's employment agreement is discussed below.

The Compensation Committee determined the 2008 increases to be appropriate because of its view that Mr. Band has led the recent above average performance for both Perini as a whole and as President of Perini Management Services, Inc., and Mr. Caspers and Mr. Shaw are critical to our overall building business particularly the hospitality and gaming market. Mr. Burk's salary was set to the benchmark in the Watson Wyatt study in 2008, which was his first full year of employment with Perini.

With respect to the terms of Mr. Tutor's employment agreement which became effective upon the completion of our merger with Tutor-Saliba, the Compensation Committee consulted with Watson Wyatt. Mr. Tutor's salary was determined considering that Mr. Tutor has unique talents that have been demonstrated throughout his tenure. Given these talents and Mr. Tutor's importance to Perini (and to the combination of Perini and Tutor-Saliba Corporation), the Compensation Committee determined that his base salary should be set at a level between the 75th and 100th percentile of chief executive officers of the group of competitors identified above. Under the terms of his employment agreement, Mr. Tutor will receive a base salary of \$1,500,000 per year, to be reviewed annually and increased at the discretion of the Compensation Committee. The term of the

agreement is 5 years. For more information on the material terms of Mr. Tutor's employment agreement, see Employment Agreement, page 23.

At the time Mr. Burk was hired in 2007, the Compensation Committee believed that it was appropriate and important for Mr. Burk to receive a significant long-term equity award to more significantly tie his earnings to the performance of Perini, which award is discussed below. Taking this award into account, Perini established Mr. Burk's base salary at \$375,000 for his first year of employment, which is between the 25-50th percentiles for base salaries of comparable officers included in the last compensation study prepared by Watson Wyatt. Mr. Burk's salary was adjusted to fall between the 50th and 75th percentile in 2008.

Incentive Compensation Plan Annual Awards

As described above, our historic executive compensation program has emphasized the importance of annual cash compensation in motivating and retaining our named executive officers. To provide appropriate incentives to our named executive officers, approximately 40-60% of their target annual cash compensation is comprised of an annual incentive bonus opportunity that is paid only if Perini achieves pre-established performance goals set by the Compensation Committee.

For 2008, the Compensation Committee established a target annual bonus for each named executive officer that was payable only if Perini achieved the applicable performance goal established by the Committee. If Perini achieved 80% of this goal, each named executive officer would receive 80% of his target annual bonus amount. If Perini achieved between 80% and 100% of this goal, each named executive officer would receive between 80% and 100% of his target annual bonus amount. Each named executive officer's annual bonus was capped at 100% of his applicable target bonus, regardless of whether Perini exceeded the applicable performance goal.

The table below shows the threshold, target and maximum bonus opportunities as a percentage of actual base compensation paid in 2008 for our named executive officers:

	Threshold	Target	Maximum
R. Tutor*	80%	100%	100%
K. Burk	60%	75%	75%
C. Shaw	80%	100%	100%
R. Band	80%	100%	100%
M. Caspers	80%	100%	100%

* Beginning September 8, 2008 Mr. Tutor's target and maximum bonus are set at 175% (the threshold is at 140%) of base salary per his employment agreement. See Employment Agreement, page 23.

The dollar amounts corresponding to these percentages are included in the table captioned Grants of Plan-Based Awards Table on page 20.

For 2008, the Compensation Committee selected Perini's pre-tax income as the applicable performance goal for the annual bonuses for our named executive officers because this goal encourages executives to both obtain new projects for Perini and to complete Perini's projects on a cost efficient basis. Due to the global financial crisis and significant deterioration in global economic conditions during the fourth quarter of 2008, Perini had to recognize a noncash impairment charge relating to goodwill and other intangible assets. To eliminate the effect on pre-tax income of the noncash impairment charge, the Committee adjusted the applicable performance goal for the annual bonuses for our named executive officers. The applicable target goal set by the Compensation Committee for 2008 was \$203.4 million of pre-tax income. Because Perini exceeded this goal and

earned \$204.6 million of pre-tax income in 2008 (before effect of the noncash impairment charge), each named executive officer was paid his maximum target bonus.

Long-Term Incentives

As noted earlier, regular grants of long-term incentives have not played a significant role in our executive compensation because of our historic belief that year-to-year incentives better focus our executives on achieving Perini's performance objectives. However, in 2008 the Compensation Committee, following the merger of Perini and Tutor-Saliba, believed long-term equity awards would be appropriate as an incentive to management of the combined company. The Committee considered this an important step to assure that personnel remain committed to serving the company through this period of transition. These awards, payable in shares of common stock are subject to 5-year cliff vesting. During 2008, grants of 1,022,500 restricted stock units (payable in stock, upon vesting) were made to 30 corporate and business unit officers. Among those were awards made to Mr. Band (75,000), Mr. Shaw (50,000), Mr. Caspers (125,000) and Mr. Burk (50,000). These awards are subject to five-year cliff vesting except for 75,000 of the units granted to Mr. Caspers, of which 25,000 units vested in 2008, 25,000 units vested early in 2009 and 25,000 units are scheduled to vest in 2010. (The award of 75,000 shares was made to Mr. Caspers to reflect his current position with the company versus his role in April 2006 when he was awarded fewer shares based on his position at that time.)

The Compensation Committee also granted stock options to purchase 805,000 shares of our common stock to 27 corporate and business unit officers, to more closely align the interests of management with those of the shareholders. Included in this total were awards of stock options to Mr. Band (75,000), Mr. Shaw (50,000), Mr. Caspers (50,000) and Mr. Burk (50,000). These options are subject to five-year cliff vesting.

Upon his employment in 2007, Mr. Burk received a grant of 50,000 restricted stock units, each of which represents the right to receive one share of our common stock upon vesting. Fifty percent of these awards vested on January 5, 2008; the balance vested on January 5, 2009. The Compensation Committee granted this award to Mr. Burk to immediately provide him with a significant equity stake in Perini so that his compensation would be more directly and materially tied to the performance of Perini. This award was taken into account in determining Mr. Burk's 2007 base salary and bonus opportunity.

Retirement Benefits

In addition to providing annual compensation to our named executive officers, we believe it is imperative that employees provide for their retirement years and believe that it is our obligation to contribute as well. Attractive retirement benefits are essential when competing in the marketplace for talented and qualified employees.

We have a tax-qualified Section 401(k) Retirement Plan covering all of our executive, professional, administrative and clerical employees who are over 21 years of age and who have completed three months of service with us. Employer contributions into the 401(k) plan are based on a non-discretionary match of employees' contributions, as defined. The Compensation Committee reviews the employer match formula periodically, comparing the formula to that of similar companies, and improves the formula when it deems appropriate; the most recent change became effective in January 2007. Currently our 401K match formula is 100% of the employee's pretax contribution up to 4% of eligible compensation (capped at IRS maximum compensation; \$225,000 for our 2008 plan year, which ended prior to December 31).

We also have a defined benefit pension plan for all of our full-time employees who were employed prior to June 1, 2004 when the plan was frozen, meaning that final average earnings and years of service will remain at the June 1, 2004 level for purposes of calculating future benefits. To

the extent covered remuneration is limited by the Internal Revenue Code of 1986, as amended, certain pension benefits payable have been augmented through our Benefit Equalization Plan, which was also frozen at June 1, 2004. Following the freezing of the pension plan in 2004, the Compensation Committee voted to improve Perini's contribution toward employees' retirement by enhancing the 401(k) match formula.

Role of Executive Officers in Setting Compensation

We believe that our chief executive officer is best positioned to evaluate both the performance of our other named executive officers and the competitive market for senior executives in our industry. Accordingly, the Compensation Committee works closely with Mr. Tutor in establishing the compensation of our other named executive officers. For 2008, Mr. Tutor recommended to the Compensation Committee the increases in base salaries and the target annual bonus amounts that he believed appropriate for our named executive officers (other than himself), all within the general framework of our compensation philosophy discussed above. After discussion with Mr. Tutor and careful evaluation of his recommendations, the Compensation Committee approved these recommendations.

Impact of Accounting and Tax Treatment

We believe that the primary goals of our executive compensation program are to attract and retain valued and important named executive officers, to clearly identify for our named executive officers the corporate goals and objectives important to Perini, to motivate our named executive officers to achieve these goals and to fairly reward our named executive officers for achieving these goals. Accordingly, the accounting and tax treatment of our executive compensation program, while important, is not a determining factor in structuring our program. We appropriately account for our executive compensation and, to the extent consonant with the goals of our executive compensation program, we attempt to structure our executive compensation program to preserve the deductibility of amounts paid to our named executive officers. In certain instances, however, we believe that it is our best interest, and that of our shareholders, to have the flexibility to pay compensation to our named executive officers that is not tax deductible in order to provide a compensation package consistent with our objectives. With respect to 2008, compensation paid to Mr. Tutor and Mr. Caspers in the amounts of \$255,000 and \$1,725,000, respectively, was not deductible for income tax purposes.

The current annual base salaries for our named executive officers (which have not been increased since September 2008) are: Mr. Tutor, \$1,500,000; Mr. Burk, \$475,000; Mr. Shaw, \$600,000; Mr. Band, \$600,000; and Mr. Caspers, \$600,000. Mr. Tutor was paid pursuant to a management agreement (See Tutor-Saliba Management Agreement, page 27) until September 2008, when he entered into an employment agreement with us (See Employment Agreement page 23).

(2) Amounts are based on the value of restricted stock units on the date of grant valued at the closing market price of our common stock on that date, amortized during the indicated fiscal year in accordance with FAS 123(R). See footnote #11 Stock-Based Compensation to our Consolidated Financial Statements contained in the 2008 Annual Report to Shareholders. The awards were granted under the 2004 Stock Option and Incentive Plan.

- (3) Amounts shown are based on the Black-Scholes option pricing model. The exercise price of these options is equal to the closing price of our common stock on the date of grant. See footnote #11 Stock-Based Compensation to our Consolidated Financial Statements contained in the 2008 Annual Report to Shareholders. The options were granted under the 2004 Stock Option and Incentive Plan.
- (4) These amounts represent payments made in 2009, 2008 and 2007, based on attainment of pretax income goals for 2008, 2007 and 2006 under our incentive compensation plans discussed above under the heading Incentive Compensation Plans. For 2007, Mr. Shaw and Mr. Caspers each received a discretionary payment of \$150,000 in addition to the amounts payable under the plan formula, as reflected in the Bonus column. For 2006, Mr. Tutor and Mr. Band received discretionary payments of \$800,000 and \$250,000, respectively, which has been similarly reflected.

Messrs. Shaw and Caspers, with the concurrence of the Compensation Committee, had a portion of their annual incentive payments allocated to a bonus pool for the benefit of employees who work for Perini Building Company and who are otherwise not eligible to participate in the incentive compensation plan. As a result, the incentive payments for 2008 made to Messrs. Shaw and Caspers were each reduced by \$23,000; (\$21,250 and \$20,500 for 2007; \$20,600 and \$13,600 for 2006, respectively), to fund these allocations.

- (5) Perini has a non-contributory defined benefit pension plan for all of our full-time employees which was frozen as of June 1, 2004, meaning that final average earnings and years of service will be determined as of June 1, 2004 for purposes of calculating future benefits. Certain pension benefits payable have been augmented by a benefits equalization plan, or BEP, which was also frozen on June 1, 2004. The amounts presented here represent the difference between the present value of the benefits payable from the pension plan and the BEP as of December 31, 2008, 2007 and 2006, as compared to December 31, 2007, 2006 and 2005. The present values were calculated using the discount rates used to compute our pension benefit obligations at year end, which were 6.29%, 6.41%, 5.86% and 5.62% for December 31, 2008, 2007, 2006 and 2005, respectively. As the plans are frozen, the change in pension value above is primarily caused by the change in the discount rate and the present value effect of the individual being one year closer to normal retirement age. The change in 2007 is additionally impacted to reflect the earliest retirement age for which benefits are unreduced in conformance with SEC guidance issued that year. The change in pension value attributable to the 2007 change in the retirement age assumption is \$369,200 for Mr. Band, \$50,600 for Mr. Caspers, and \$273,300 for Mr. Shaw. Mr. Tutor and Mr. Burk do not participate in these plans.
- (6) The \$790,600 listed for Mr. Tutor represents \$688,900 of management service fees paid to Tutor-Saliba Corporation for the period from January 1 until September 8, 2008, the date of the merger with Tutor-Saliba. Subsequent to the merger, Mr. Tutor's employment and compensation are covered by the terms of an employment agreement, see Employment Agreement, page 23. Such amount also includes company vehicle use (\$12,900) and drivers (\$42,200), accounting and tax services (\$36,700), personal use of corporate aircraft, waiver of employee contribution to medical and dental insurance premiums and life insurance premiums.

The \$124,200 listed for Mr. Burk includes temporary housing expenses (\$58,300) and vehicle use/allowance (\$28,000). It also includes tax gross-ups of \$22,300, club dues, his 401(k) match and life insurance premiums.

The \$164,900 listed for Mr. Shaw includes housing expenses (\$87,400), company vehicle use (\$28,700), tax gross-ups (\$25,000) and club membership dues (\$11,700). It also includes his 401(k) match and life insurance premiums.

The \$39,500 listed for Mr. Band includes company vehicle use (\$13,800), his 401(k) match (\$9,000), tax gross-ups (\$9,900), life The \$202,200 listed for Mr. Caspers includes vehicle use (\$22,000), housing expenses (\$101,800), travel insurance premiums (\$6,400) and club membership allowance (\$21,900), tax gross-ups (\$38,000) and club membership dues. It also includes his 401(k) match and life insurance premiums.

- (7) We negotiated and signed a five-year employment agreement with Mr. Tutor that became effective upon the merger of Perini with Tutor-Saliba. See Employment Agreement, page 23.

The Non-Equity Incentive Plan is discussed under Incentive Compensation Plan-Annual Awards beginning on page 15. These awards were granted in April 2008 contingent upon the attainment of 2008 pretax income goals. The related goals were established by the Compensation Committee following consultation with management, and were set at a level that the Compensation Committee believed was achievable with a high level of effort. The goals were met, and the Compensation Committee voted to make the maximum payout according to the plan formula to the above individuals in March 2009, consistent with the terms of the plan.

The Equity Incentive Plan, which consists of the 2004 Stock Option and Incentive Plan, is discussed under Long-Term Incentives on page 16. The restricted stock units awarded are valued at the closing price of our common stock on the measurement date, in accordance with FAS 123(R). With the exception of the March 18, 2008 award to Mr. Caspers, these awards are subject to performance-based vesting related to pretax income goals. They are scheduled to vest, if goals are met, in November, 2013.

The March 18, 2008 awards to Mr. Caspers are time-vested. Of the 75,000 shares granted, 25,000 shares vested on the date of grant, 25,000 shares vested on January 2, 2009 and 25,000 shares are scheduled to vest on January 2, 2010. This award was made to reflect Mr. Caspers current position with the Company versus his role at the time the April, 2006 grants were awarded.

The stock options are exercisable at a price equal to the closing price on the date of grant, and are valued based on the Black-Scholes option pricing model.

- (1) Assumes retirement occurs at the later of age 62 or current age, and a discount rate of 6.29%. Based on RP2000 mortality tables, projected to 2006 by Scale AA.

Perini has a defined benefit pension plan that covers its executive, professional, administrative and clerical employees, subject to certain specified service requirements. The plan is noncontributory and benefits are based on an employee's years of service and final average earnings (as defined). The plan provides reduced benefits for early retirement and takes into account offsets for social security benefits. Perini also has an unfunded supplemental retirement plan (referred to as the Benefits Equalization Plan, or BEP) for certain employees whose benefits under the defined benefit pension plan were reduced because of compensation limitations under federal tax laws.

The normal retirement benefit under these plans is equal to:

.75% of final average earnings, not in excess of covered compensation (each as defined), multiplied by years of service, up to 25; plus

1.5% of final average earnings, in excess of covered compensation multiplied by years of service, up to 25.

Our plans provide for early retirement upon either the attainment of age 55 and 10 years of service, or the completion of 25 years of service. Accordingly, Mr. Shaw and Mr. Band are currently eligible for early retirement benefits. Under our plans, a participant who elects early retirement may elect to receive either an immediate early retirement income equal to 91% of his or her normal retirement benefit or a deferred benefit. Upon the attainment of age 62 and completion of 25 years of service, the participant may receive an unreduced pension equal to his or her normal retirement benefit. A reduced benefit is available for a participant who elects early retirement and wishes to receive benefits prior to age 62. The ages of Mr. Band, Mr. Caspers and Mr. Shaw are 61, 46 and 54, respectively.

Effective June 1, 2004, all benefit accruals under Perini's pension plans were frozen; however, the current vested benefit was preserved. Accordingly, our named executive officers will not earn additional pension benefits, but they may become eligible for an early retirement benefit (which will be based on their frozen normal retirement benefit) based on service after June 1, 2004.

Termination Benefits - Potential Payments Upon Termination or Change in Control

Employment Agreement

Effective September 8, 2008 upon closing of the merger transaction with Tutor-Saliba Corporation, the Company entered into an employment agreement with Ronald N. Tutor. Under the terms of the employment agreement, Mr. Tutor serves as Chairman of the Board and Chief Executive Officer, is paid an annual base salary of at least \$1,500,000 and is paid, subject to performance criteria to be determined by the Compensation Committee, an annual bonus of 175% of salary which is subject to adjustment pursuant to a formula established by the Compensation Committee for Perini's performance above and below target. Mr. Tutor will be considered for equity incentives at the discretion of the Compensation Committee, and receives various benefits and perquisites including (i) 150 hours of flying time per calendar year of personal use of Perini's business jet, with any unused balance being carried forward to subsequent years while employed; (ii) use of an automobile and driver, and use of an apartment in Las Vegas, Nevada, in each case on terms and conditions to be determined by the Board; (iii) participation in all fringe benefits and perquisites made available generally to senior executives of Perini, generally on the same terms and conditions, (iv) 30 days vacation; (v) participation in all pension, retirement, profit sharing, savings, 401(k), income deferral, life insurance, disability insurance, accidental death and dismemberment protection, travel accident insurance, hospitalization, medical, dental, vision and other employee benefit plans, programs and arrangements made available generally to other senior executives of Perini, to the extent eligible. Furthermore Perini provides Mr. Tutor with an allowance covering executive life insurance and/or personal financial services not to exceed \$175,000 annually.

The initial term of the employment agreement is five years, commencing on September 8, 2008, which was the effective date of the company's merger with Tutor-Saliba. The term extends automatically for successive one-year periods, unless either party notifies the other at least 90 days in advance of the expiration of the employment agreement that it does not intend to renew the employment agreement.

Mr. Tutor has agreed that during the term of his employment with Perini and for two years after the end of his employment (unless his employment is terminated by Perini without Cause or he terminates his employment for Good Reason (each as defined in the employment agreement)), he will not compete with Perini or solicit certain of its employees. Mr. Tutor has also agreed to be bound by customary restrictions on disclosure of confidential information.

If Mr. Tutor's benefits and payments become subject to an excise tax under Section 4999 of the Internal Revenue Code in connection with a change in control of Perini, he will be entitled to an additional gross-up payment to compensate him for the amount of this additional excise tax.

Edgar Filing: PERINI CORP - Form DEF 14A

Certain payments would be payable to Mr. Tutor in the event of his termination. The amounts depend upon the circumstances surrounding his termination as follows, assuming the triggering event occurred on December 31, 2008:

Triggering Event	Base Salary (1)	Bonus (2)	Benefits (3)	Perquisites (4)	O/S Equity Awards (5)	Cash Lump Sum (6)	Tax Gross-ups (7)	Total
A. Death	-	-	\$ 40,400	\$ 33,500	-	-	-	\$ 73,900
B. Disability	-	-	\$ 40,400	\$ 33,500	-	-	-	\$ 73,900
C. Termination by Employer for Cause or by Executive without Good Reason	-	-	\$ 40,400	\$ 33,500	-	-	-	\$ 73,900
D. Termination by Employer without Cause or by Executive with Good Reason	-	\$ 1,512,850	\$ 76,100	\$ 33,500	-	\$ 8,250,000	-	\$ 9,872,450
E. Change in Control (8)	-	\$ 1,512,850	\$ 132,000	\$ 33,500	-	\$ 12,375,000	-	\$14,053,350

- (1) In all cases, accrued salary through the date of termination would be due to Mr. Tutor. As of 12/31/08, Mr. Tutor was not owed any accrued salary.
- (2) The incentive compensation for 2008 performance would be due to Mr. Tutor at the time payment is made to all executives under Events D and E. No payment would be due under Events A, B or C. The amount represents the bonus earned by Mr. Tutor before the merger, plus a pro rata bonus for the period following the merger at 175% of salary, which is the target rate in the employment agreement.
- (3) Benefits include vacation, health benefits and other insurance. Termination under all Events would result in payment for accrued vacation (7 days at 12/31/08, valued at approximately \$40,400). Event D would require continuation of health and insurance benefits for Mr. Tutor and his covered dependents for 24 months (estimated at \$35,700 at 12/31/08), or payment of an after tax amount with which Mr. Tutor could obtain comparable coverage. Event E would require continuation of health and insurance benefits for the greater of 36 months or the balance of the employment period, which was 56 months at 12/31/08 (estimated at \$91,700), or payment of an after tax amount with which Mr. Tutor could obtain comparable coverage.
- (4) In all cases Mr. Tutor would be due the unused balance of his personal aircraft use and executive life insurance/financial services allowance at 12/31/08, which total \$11,900 and \$21,600, respectively.
- (5) Mr. Tutor did not have outstanding equity awards at 12/31/08. All outstanding equity awards would immediately vest and outstanding options would remain exercisable under Events A, B, D and E. Mr. Tutor's rights with regard to equity and equity-related awards would be governed by the applicable documents under Event C.
- (6) A cash lump sum would be due in the amount of two times the sum of annual salary and target bonus in the case of Event D; and three times the sum of annual salary and target bonus in the case of Event E.
- (7) The Safe Harbor Amount under Section 280G exceeds the maximum triggered payment; therefore no Section 4999 excise tax would be due.
- (8) This event applies if there is a change in control and Mr. Tutor is terminated other than for cause or disability, if he was terminated in anticipation of a change in control, or if Mr. Tutor terminated the Agreement for good reason within two years following a change in control.

Perini will generally have Cause to terminate Mr. Tutor's employment in the following circumstances: (i) his conviction of, or plea of nolo contendere to, a felony; (ii) his willful and continued failure to substantially perform his essential job functions; (iii) his material act of fraud or willful and material misconduct to Perini; (iv) his willful and material breach of the employment contract; (v) a material breach by him of any material written Perini policy; or (vi) a failure by him to cooperate in any investigation or audit regarding the accounting practices, financial statements, or business practices of Perini. For purposes of this provision, no act or failure to act, on the part of

Mr. Tutor, shall be considered willful unless it is done, or omitted to be done, by Mr. Tutor in bad faith or without reasonable belief that his action or omission was in the best interest of Perini. Any termination for Cause generally requires written notice to Mr. Tutor and providing him with 10 days to cure the conduct after such notice. The Board must also vote affirmatively that Mr. Tutor is to be terminated for Cause after giving him an opportunity to be heard by the Board.

Mr. Tutor will generally have Good Reason to terminate his employment under any of the following circumstances: (i) any adverse change in his titles; (ii) any reduction in his base salary; (iii) a material diminution in his authority, responsibilities or duties; (iv) the assignment of duties materially inconsistent with his position; (v) a relocation of his place of employment to a location more than 50 miles further from the current offices near Los Angeles, California; (vi) any other material breach of the terms the employment agreement or (vii) the failure of Perini to have his contract assumed after a merger, consolidation, sale or similar transaction. In order to invoke a termination for Good Reason, Mr. Tutor must notify Perini of the existence of the event of Good Reason within 90 days of its occurrence, Perini must fail to cure the event within 30 days of the notice, and Mr. Tutor must terminate his employment within 10 days of the expiration of such period.

None of our other executive officers has an agreement with us providing for termination benefits.
