The information as to the residence and principal occupation of the nominees listed in the above table is not within the knowledge of the management of the Corporation, and has been furnished by the individual nominees as of March 9, 2019.

The following are brief biographies of the Corporation’s nominees for election to the Board:

John M. Clark, B.Com., CPA, CA, Director. In addition to the roles outlined in the chart above, Mr. Clark is the Chairman of the audit committee for Russel Metals Inc. Mr. Clark earned a Bachelor of Commerce Degree from the University of Witwatersrand in South Africa in 1977, and he received a Higher Diploma in Accountancy from the University of Witwatersrand in 1979. Mr. Clark is currently Chair of the Corporation’s Compensation Committee and a member of the Corporation’s Audit Committee. He has been a director of the Corporation since May 18, 2001.

Mr. Clark had a solid background as a chartered accountant before becoming an accomplished entrepreneur involved in investment banking and in investment and management of natural resource companies in Canada. Mr. Clark’s understanding of accounting procedures and controls, coupled with his knowledge of the Corporation’s projects and their financial requirements qualifies him to serve effectively as a member of the Audit Committee and to contribute to the financial management of the Corporation. Mr. Clark’s board experience provides him with expertise and awareness of industry compensation practices to effectively serve as the Compensation Committee’s Chair. His general knowledge of the natural resources industry allows him to participate effectively and provide guidance with

regards to matters brought before the Board. As the Corporation executes its business strategy focused on the development of the Corporation's current properties and develops new projects, we expect that his contributions to financial planning and controls will be invaluable. Furthermore, he has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. Accordingly, the Board believes that Mr. Clark should once again serve on the Board.

Frederick H. Earnest, B.Sc., President, Chief Executive Officer and Director. For a full list of recent positions held by Mr. Earnest, please refer to the chart above. Mr. Earnest earned a Bachelor of Science Degree in Mining Engineering from the Colorado School of Mines in 1987. - 3 -

Management believes that the leadership skills and dynamic nature that Mr. Earnest possesses makes him an invaluable member of management. He understands the technical, economic and social aspects of the Corporation's core project and has contributed significantly to the advancement of the Mt Todd gold project. In addition, Mr. Earnest has considerable international experience in the development and operation of gold mines. He is fluent in Spanish. Mr. Earnest relates well to government leaders in the jurisdictions where our projects are located. Management believes that his continued involvement in the execution of the Corporation's business plan will lead to increased Shareholder value. Furthermore, Mr. Earnest has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. Accordingly, the Board believes that Mr. Earnest should once again serve on the Board.

W. Durand Eppler, B.A., M.S., Director. In addition to the roles outlined in the chart above, Mr. Eppler is a member of the audit committee for Golden Minerals Company and Plata Latina Minerals Corporation where he also serves as Interim Chief Executive Officer. Mr. Eppler is also a member of the Society of Mining Engineers of the American Institute of Mining, Metallurgical and Petroleum Engineers A.I.M.E., and he was a member of the Global Leadership Council for the College of Business at Colorado State University from 2001-2014. Mr. Eppler graduated from Middlebury College in 1975 with a Bachelor of Arts Degree in Geography and Religion, and he received his Master of Science Degree in Mineral Economics from the Colorado School of Mines in 1977. Mr. Eppler is currently Chair of the Corporate Governance and Nominating Committee, a member of the Compensation Committee and a member of the Health, Safety, Environmental and Social Responsibility Committee. He has been a director of the Corporation since October 13, 2004.

Given the international reputation and wealth of experience that Mr. Eppler has in the commercial and investment banking aspects of the global resource sector, management believes that he should once again serve on the Board to help further develop the business and success of the Corporation. Mr. Eppler's commercial and investment banking experience are important to the Corporation. The Corporation does not have any producing assets and ensuring that the Corporation is adequately financed is an ongoing management responsibility. Management expects to rely heavily on Mr. Eppler's experience and expertise as we move beyond technical evaluations and prepare to advance development strategies for the Mt Todd gold project and other corporate development activities. Furthermore, Mr. Eppler has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. Accordingly, the Board believes that Mr. Eppler should once again serve on the Board.

Deborah J. Friedman, B.A., J.D., Director. In addition to the roles outlined in the chart above, Ms. Friedman served as the head of Davis Graham & Stubbs' Corporate Department and on the firm's Executive Committee for a number of years. Ms. Friedman held various positions in the law department of Cyprus Amax Mineral Company from 1982 through 1994, including General Counsel and Associate General Counsel, and served as Vice President and General Counsels of AMAX Gold Inc. from 1994 to 1998. Ms. Friedman graduated from the University of Illinois in 1974 with a Bachelor of Arts Degree in History and received her Juris Doctor degree from the University of Michigan in 1977. She has been a director of the Corporation since March 13, 2019.

Ms. Friedman has extensive experience in domestic and international mine development projects, including complex development and operations joint ventures, corporate and project finance, and mine development and operations matters. Her international experience includes South and Central America, the Pacific Rim including Australia, and Africa. Ms. Friedman also has significant experience in corporate governance and compliance matters relevant to publically traded mining companies. Management expects that Ms. Friedman's expertise will be valuable as we move beyond technical evaluations and prepare to advance development strategies for the Mt Todd project and other corporate development activities. Furthermore, Ms. Friedman has demonstrated both integrity and high ethical standards in her business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination

and election to the Board. Accordingly, the Board believes that Ms. Friedman should continue to serve on the Board.

C. Thomas Ogryzlo, B.Mech.Eng., P.Eng, Director. Currently, Mr. Ogryzlo spends about a quarter of his time as Managing Director, Business Development of Franco-Nevada (Barbados) Corp. Mr. Ogryzlo also presently acts part time as Interim CEO and Director of Camrova Resources Inc. (formerly Baja Mining Corp.). He also serves as a

- 4 -

board member of Polaris Infrastructure Inc. He earned his Bachelor of Mechanical Engineering Degree from McGill University in 1961, and his designation as a Professional Engineer from the Professional Engineers of Ontario in 1966. Mr. Ogryzlo is currently the Chair of the Health, Safety, Environmental and Social Responsibility Committee and a member of the Corporate Governance and Nominating Committee. Mr. Ogryzlo has served on the board of more than 20 listed companies and has been a director of the Corporation since May 1, 1995.

Mr. Ogryzlo brings a perspective to the Corporation that has been built on a solid foundation and in-depth knowledge not only of Canada's mining sector, but also those in many other parts of the world. The Corporation has projects in Australia and Mexico. Mr. Ogryzlo's experience in numerous foreign projects allows him to contribute in a manner which helps bring clarity and direction to many of the challenges which arise from the geographical diversity of the Corporation's projects. Mr. Ogryzlo is also fluent in Spanish. Mr. Ogryzlo's experience with the construction of varied projects has been beneficial in the preliminary economic and technical evaluations of several of the Corporation's projects. We expect that Mr. Ogryzlo's continued participation will contribute to the advancement of the Corporation's core project. Furthermore, he has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. As such, the Board believes that Mr. Ogryzlo should once again serve on the Board.

Michael B. Richings, M.Sc., Chairman and Director. For a full list of recent positions held by Mr. Richings, please refer to the chart above. In addition, Mr. Richings was awarded an Associateship of the Camborne School of Mines in 1969, and he earned his Master of Science Degree from Queen's University in 1971. Mr. Richings is a member of the Corporate Governance and Nominating Committee and the Audit Committee. Mr. Richings has been a director of the Corporation since May 1, 1995.

Mr. Richings has been with the Corporation for over twenty years and, given his leadership skills, enterprising nature and knowledge of the mining industry, he is a valued member of the Board. His knowledge of the Corporation's properties and his key role in the development and implementation of business strategies which have created shareholder value are important to the Corporation. Mr. Richings has participated in the management and development of several new projects and management believes that this experience is important to the success of the Corporation's current business plan. Furthermore, he has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. Accordingly, the Board believes that Mr. Richings should once again serve on the Board.

Tracy A. Stevenson, B.S., CPA, Director. For a full list of recent positions held by Mr. Stevenson, please refer to the chart above. In addition, Mr. Stevenson graduated Magna Cum Laude with a Bachelor of Science Degree in Accounting from the University of Utah in 1977, and he earned his designation as a Certified Public Accountant in the State of Utah in 1978. Mr. Stevenson is currently the Chair of the Audit Committee and is a member of the Compensation Committee. He has been a director of the Corporation since November 6, 2007.

Mr. Stevenson began his career in public accounting before moving to senior financial, information technology and management positions in two of the world's largest mining companies. Mr. Stevenson's interest in efficient development of the Corporation's projects and his keen analytical abilities have contributed to the Corporation's evaluation of business opportunities and to the development of the Corporation's business strategy. His past experience as a chief financial officer has been beneficial in matters specifically related to the Audit Committee. We expect that Mr. Stevenson's future participation on the Board will be an asset to the Corporation through sound planning and the appropriate application of the Corporation's resources. Furthermore, he has demonstrated both integrity and high ethical standards in his business dealings and personal affairs to date, qualities which a person must possess under the Mandate of the Board (attached as Appendix "B" to this Information Circular) in order to be considered for nomination and election to the Board. As such, the Board believes that Mr. Stevenson should once again serve on the Board.

The Board recommends a vote “FOR” each of the nominees for director. Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the proxies given pursuant to this solicitation will be voted “FOR” the nominees listed above.

Voting Procedures for the Election of Directors

Cumulative voting (i.e., a form of voting where shareholders are permitted to cast all of their aggregate votes for a single nominee) will not be permitted. The directors must be elected by an affirmative vote of a simple majority of the votes cast for each director, either in person or by proxy, at the Meeting on this matter.

Majority Voting Policy

The Corporation has adopted a majority voting policy where any nominee proposed for election as a director is required to tender his or her resignation if the director receives more “WITHHELD” votes than “FOR” votes (i.e., a majority of withheld votes) at any meeting where Shareholders vote on the uncontested election of directors. An “uncontested election” means the number of director nominees for election is the same as the number of directors to be elected to the Board. The Corporate Governance and Nominating Committee will then submit a recommendation regarding whether or not to accept the resignation to the Board. In the absence of exceptional circumstances, the Board shall accept such resignation. Within 90 days after the Meeting, the Board will issue a press release either announcing the resignation of the director or explaining the reasons justifying its decision not to accept the resignation. A director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board or the Corporate Governance and Nominating Committee at which the resignation is considered.

Appointment of Auditor

The Corporation has proposed the appointment of Plante Moran PLLC (“Plante Moran”) of Denver, Colorado, as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed. It is proposed that the remuneration to be paid to the auditor be fixed by the Board through the Audit Committee. Plante Moran was appointed as the auditor of the Corporation on October 1, 2018, following the combination of EKS&H LLLP (“EKS&H”), the Corporation’s former auditor, with Plante Moran.

Representatives of Plante Moran are expected to be present at the Meeting and to be available to respond to appropriate questions from persons present at the Meeting. If representatives of Plante Moran are present at the Meeting, the Chairman of the Meeting will provide such representatives with the opportunity to make a statement if they so desire.

The auditors must be appointed and the approval of the proposal that the auditor’s remuneration be fixed by the Board through the Audit Committee must be passed by an affirmative vote of a simple majority of the votes cast, either in person or by proxy, at the Meeting on this matter.

The Board recommends a vote “FOR” (i) the appointment of Plante Moran of Denver, Colorado as the auditor of the Corporation and (ii) the proposal that the auditor’s remuneration be fixed by the Board through the Audit Committee. Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the proxies given pursuant to this solicitation will be voted “FOR” (i) the appointment of Plante Moran of Denver, Colorado and (ii) the proposal that the auditor’s remuneration be fixed by the Board through the Audit Committee.

The Corporation retained Plante Moran and EKS&H to provide services which were paid for the year ended December 31, 2018 and 2017 in the following categories and amounts:

financial statements and review in connection with regulatory financial filings.

(2) "Audit Related Fees" represent fees for assistance with the application of accounting and financial reporting standards and regulatory filings.

(3) "Tax Fees" represent fees for tax compliance, tax consulting and tax planning.

(4) "All Other Fees" represents legal compliance and business practice reviews, financial information systems design and implementation, internal audit co-sourcing services or other matters not covered by Audit Fees, Audit Related Fees or Tax Fees.

Policy on Pre-Approval by Audit Committee of Services Performed by Independent Auditors

The Audit Committee charter requires the Audit Committee to approve in advance all particular non-audit services provided by the Corporation's independent auditor. Consistent with applicable laws and the procedures adopted by the Audit Committee, limited amounts of services, other than audit, review or attestation services, may be approved by one or more members of the Audit Committee pursuant to authority delegated by the Audit Committee, provided that the Audit Committee is informed of each particular service. All of the engagements and fees for 2018 were pre-approved by the Audit Committee. The Audit Committee reviews with the auditor whether the non-audit services to be provided are compatible with maintaining the auditor's independence. The Board has determined that fees paid to the independent auditors for non-audit services in any year will not exceed the fees paid for audit services during the year. Permissible non-audit services will be limited to fees for tax services, accounting assistance or audits in connection with acquisitions, and other services specifically related to accounting or audit matters such as audits of employee benefit plans.

Disclosure Regarding Recent Change in Independent Auditor

Effective October 1, 2018, EKS&H, the former independent registered public accounting firm for the Corporation, combined with Plante & Moran. As a result of this transaction, on October 1, 2018, EKS&H resigned as the independent registered public accounting firm for the Corporation. Concurrent with such resignation, the Corporation's audit committee approved the engagement of Plante Moran as the new independent registered public accounting firm for the Corporation.

The audit reports of EKS&H on the Corporation's financial statements for the years ended December 31, 2017 and 2016 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2017 and 2016 and through the subsequent interim period preceding EKS&H's resignation, there were no disagreements between the Corporation and EKS&H on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of EKS&H would have caused them to make reference thereto in their reports on the Corporation's financial statements for such years.

During the fiscal years ended December 31, 2017 and 2016 and through the subsequent interim period preceding EKS&H's resignation, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended December 31, 2017 and 2016 and through the subsequent interim period preceding Plante Moran's engagement, the Corporation did not consult with Plante Moran on either (1) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that may be rendered on the Corporation's financial statements, and Plante Moran did not provide either a written report or oral advise to the Corporation that Plante Moran concluded was an important factor considered by the Corporation in

reaching a decision as to the accounting, auditing or financial reporting issue; or (2) any matter that was either the subject of a disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K, or a reportable event, as defined in Item 304(a)(1)(v) of Regulation S-K.

Advisory Vote on the Approval of Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) was enacted on July 21, 2010. The Dodd-Frank Act requires that the Corporation provide its Shareholders with the opportunity

- 8 -

to vote to approve, on an advisory (non-binding) basis, the compensation of the Corporation's named executive officers as disclosed in this Information Circular in accordance with applicable SEC rules.

As described in greater detail below under the heading "Executive Compensation - Compensation Discussion and Analysis," the Corporation's goal for its executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for its success, and thereby increase Shareholder value. The Corporation believes that its executive compensation program satisfies this goal and is strongly aligned with the long-term interests of its Shareholders. Please see the section "Executive Compensation" and the related compensation tables below for additional details about the Corporation's executive compensation programs, including information about the fiscal 2018 compensation of the Corporation's named executive officers.

At our annual general meeting of Shareholders held April 26, 2018, the Shareholders approved the compensation of the Corporation's named executive officers for the fiscal year 2017 ("Say-on-Pay Vote"). Additionally, at our annual general meeting of Shareholders held April 27, 2017, the Shareholders recommended a frequency for Say-on-Pay votes of every year. Subsequently, the Board adopted the Shareholders' recommendation of holding Say-on-Pay votes every year. Accordingly, Shareholders are being asked to vote on executive compensation again at this Meeting.

The Corporation is asking its Shareholders to indicate their support for its named executive officer compensation as described in this Information Circular. This proposal, commonly known as a "say-on-pay" proposal, gives Shareholders the opportunity to express their views on the Corporation's named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Corporation's named executive officers and the philosophy, policies and practices described in this Information Circular. Accordingly, the Corporation is asking Shareholders to vote "FOR" the following resolution at the Meeting:

"BE IT RESOLVED, that the compensation paid to the Corporation's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby approved."

This say-on-pay vote is advisory, and therefore, is not binding on the Corporation, the Compensation Committee or the Board. The Board and the Compensation Committee value the opinions of the Shareholders, and to the extent there is any significant vote against named executive officers' compensation as disclosed in this Information Circular, the Corporation, the Board and the Compensation Committee will consider the results of the vote in future compensation deliberations.

The approval, on an advisory, non-binding basis, of the Shareholder resolution regarding the compensation of the Corporation's named executive officers as described in this Information Circular will be approved if passed by an affirmative vote of a simple majority of the votes cast, either in person or by proxy, at the Meeting on this matter.

The Board recommends that the Shareholders vote “FOR” the resolution approving the compensation of our named executive officers as disclosed in this Information Circular.

Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the proxies given pursuant to this solicitation will be voted “FOR” the resolution approving the compensation of our named executive officers as disclosed in this Information Circular. Under the rules of the NYSE American LLC (“NYSE American”), brokers are prohibited from giving proxies to vote on executive compensation matters unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to this proposal if you want your broker to vote your shares on the matter.

Approval of Amendments to the Long Term Equity Incentive Plan

- 9 -

The Corporation has proposed amendments to its Long Term Equity Incentive Plan (the “LTIP”). The material amendments to the LTIP are described in further detail below and were approved by the Board of Directors on March 3, 2019.

Shareholder approval is required for certain of the proposed amendments to the LTIP pursuant to the terms of the LTIP and the rules and policies of the NYSE American and the Toronto Stock Exchange (“TSX”). Accordingly, at the Meeting, shareholders will be asked to consider and, if thought appropriate, approve an ordinary resolution approving the amendments to the LTIP (the “LTIP Amendment Resolution”). The full text of the LTIP Amendment Resolution is set out in Part I of Appendix “C” to this Information Circular.

Amendment to the Long Term Equity Incentive Plan

The following summary of material proposed amendments to the Corporation’s LTIP is qualified in its entirety by the full text of the LTIP, with amendments highlighted, which is set out in Appendix “D”.

In response to Shareholder feedback and in order to bring the Corporation’s equity-based compensation plans in line with market standards and to avoid the potential for excessive costs to the Corporation while retaining the Corporation’s ability to compensate its employees and service providers with equity instead of all cash, the Corporation proposes to amend the LTIP such that the aggregate number of Common Shares available for issuance pursuant to the LTIP shall not exceed 5% of the total number of issued and outstanding Common Shares on a non-diluted basis.

In addition, it is proposed that the LTIP be amended such that non-employee directors are excluded from participation in the LTIP. Non-employee directors will be eligible to participate in the proposed deferred share unit plan of the Corporation (the “DSU Plan”), if the DSU Plan is approved at the Meeting. For further information on the DSU Plan, see “Approval of Deferred Share Unit Plan” below.

The Board recommends a vote “FOR” the LTIP Amendment Resolution. Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted “FOR” the LTIP Amendment Resolution.

Approval of Unallocated Awards under the Corporation’s Long Term Equity Incentive Plan

The rules of the TSX require that all unallocated options, rights or other entitlements under a listed corporation’s security based compensation arrangement, which do not have a fixed maximum aggregate number of securities issuable, be approved every three years by a majority of both the listed corporation’s directors and by its shareholders. The LTIP provides that the maximum number of Common Shares available for issuance pursuant to grants of restricted stock (“Restricted Stock”) and/or restricted share units (“RSUs”) of the Corporation (collectively, “Awards”), together with all other security based compensation arrangements of the Corporation, which includes the Stock Option Plan and proposed DSU Plan, is 10% of the issued and outstanding Common Shares on a non-diluted basis.

As described above, the Corporation also proposes to amend the LTIP such that the aggregate number of Common Shares available for issuance pursuant to the LTIP shall not exceed 5% of the total number of issued and outstanding Common Shares on a non-diluted basis. Accordingly, the unallocated Awards under the LTIP must be approved by a majority of both the Corporation’s directors and by the Shareholders. The Board unanimously approved all unallocated Awards under the LTIP on March 4, 2018.

The Board decided to defer having the Shareholders consider whether to approve all unallocated Awards under the LTIP at Vista’s special and annual general meeting of Shareholders held on April 26, 2018, in order to consider feedback received from some Shareholders on this matter. After careful deliberations, the Board has responded to Shareholder concerns by proposing amendments to the LTIP, as described above under the heading “Approval of

Amendments to the Long Term Equity Incentive Plan”. In conjunction with the proposed amendments to the LTIP, Shareholders will now be asked at the Meeting to consider and, if thought appropriate, approve an ordinary resolution to approve all unallocated Awards under the LTIP until May 2, 2022 (the “Unallocated Awards Under the LTIP Resolution”).

- 10 -

Currently outstanding Awards will be unaffected if the Unallocated Awards Under the LTIP Resolution is not approved. However, currently outstanding Awards which have been terminated will not be available for re-grant and the Board will not be able to grant new Awards if the unallocated Awards are not approved. If the Unallocated Awards Under the LTIP Resolution is approved at the Meeting, then the unallocated Awards will have to be re-approved by the Shareholders at the Corporation's annual general meeting in 2022. The Board has not granted any Awards that are conditional on the approval of the Unallocated Awards Under the LTIP Resolution and it cannot currently be determined the amount of such Awards that may be granted in the future to any individual participant, all executive officers as a group, all directors as a group, any nominee for election as a director, any associate of an executive officer, director or nominee, any employee of the Corporation or all employees as a group.

The text of the Unallocated Awards Under the LTIP Resolution is set out in Part II to Appendix "C". Additional information on the LTIP is set out below under the headings "Executive Compensation - Compensation Discussion and Analysis - Elements of the Corporation's Compensation Program for Fiscal 2018 - Stock Incentive Awards - Long Term Equity Incentive Plan".

The Board recommends that the Shareholders vote "FOR" the Unallocated Awards Under the LTIP Resolution. Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the proxies given pursuant to this solicitation will be voted "FOR" the Unallocated Awards Under the LTIP Resolution as disclosed in this Information Circular.

Approval of Deferred Share Unit Plan

At the Meeting, the Shareholders of the Corporation will be asked to consider and, if thought appropriate, approve an ordinary resolution to approve the adoption of the DSU Plan (the "Deferred Share Unit Plan Resolution"). On March 3, 2019, the Board approved the DSU Plan, subject to Shareholder approval.

The Board decided to defer having the Shareholders consider whether to approve the DSU Plan at Vista's special and annual general meeting of Shareholders held on April 26, 2018, in order to consider feedback received from some Shareholders on this matter.

In response to Shareholder feedback and in order to bring the Corporation's equity-based compensation plans in line with market standards and to avoid the potential of excessive costs to the Corporation while retaining the Corporation's ability to compensate its directors with equity instead of all cash, Vista amended the DSU Plan from that which was initially disclosed in Vista's management information circular for its annual general and special meeting held on April 26, 2018 (the "2018 Circular"), such that the aggregate number of Common Shares available for issuance pursuant to the proposed DSU Plan shall not exceed 3% of the total number of issued and outstanding Common Shares on a non-diluted basis.

In addition, the Corporation proposes to amend each of the LTIP and the proposed DSU Plan such that non-employee directors are excluded from participation in the LTIP and only non-employee directors are eligible to participate in the DSU Plan.

The following is a brief summary of the material terms of the DSU Plan. This summary is qualified in its entirety by the full text of the DSU Plan, which is set out in Appendix “E”.

Description of the DSU Plan

Purpose of the DSU Plan and Eligibility

The purpose of the DSU Plan is to assist the Corporation in attracting, retaining and motivating non-employee directors of the Corporation and to more closely align the personal interests of such persons with Shareholders, thereby advancing the interests of the Corporation and its Shareholders and increasing the long-term value of the Corporation. Any individual who is a non-employee director of the Corporation (an “Eligible Director”) is eligible to participate in the DSU Plan.

Grants of DSUs

- 11 -

The DSU Plan will be administered by the Board, which, from time to time in its sole discretion, will cause the Corporation to enter into agreements effecting grants of deferred share units (“DSUs”) to Eligible Directors (“Participants”), pursuant to which the Corporation will agree to pay, and the Participant will have the right to receive, Common Shares (the “Payment Shares”). In respect of each grant of DSUs, the Board will determine, among other things, the number of DSUs allocated to the Participant and such other terms and conditions of the DSUs applicable to each grant.

Vesting and Term

Deferred Share Units will be fully vested upon being granted and credited to an account maintained by the Corporation for each Participant by means of book keeping entry (“Account”). Notwithstanding the vesting of DSUs, the Participants receive payment shares only after they have ceased to be a director of the Corporation.

The term during which a DSU may be outstanding will, subject to the provisions of the DSU Plan (which require or permit the acceleration or the extension of the term), be such period as may be determined from time to time by the Board, but subject to the rules of any stock exchange or other regulatory body having jurisdiction over the Corporation.

Limits on Issuances

Notwithstanding any other provision of the DSU Plan, the maximum number of Common Shares issuable pursuant to outstanding DSUs at any time shall be limited to 3% of the aggregate number of issued and outstanding Common Shares on a non-diluted basis. Also, the maximum number of Common Shares available for issuance pursuant to outstanding DSUs under the DSU Plan, together with all other security based compensation arrangements, which include the Stock Option Plan and the LTIP, may not exceed 10% of the Common Shares outstanding from time to time, on a non-diluted basis.

In addition, the number of Common Shares issuable to insiders of the Corporation, at any time, within any one-year period pursuant to DSUs together with any other security based compensation arrangements, may not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis. The number of Common Shares issued to Eligible Directors shall not exceed the lesser of; (i) 1% of the issued and outstanding Common Shares per Eligible Director; and (ii) an annual DSU value of \$150,000 per Eligible Director.

DSUs that are cancelled, terminated or expire shall result in the Common Shares that were reserved for issuance thereunder being available for a subsequent grant of DSUs pursuant to the DSU Plan to the extent of any Common Shares issuable thereunder that are not issued under such cancelled, terminated or expired DSUs.

Any increase in the issued and outstanding Common Shares (whether as a result of the issue of Common Shares pursuant to DSUs or otherwise) will result in an increase in the number of Common Shares that may be issued pursuant to DSUs outstanding at any time. Further, if the acquisition of Common Shares by the Corporation for cancellation should result in the above tests no longer being met, this will not constitute non-compliance with the above limitations for any awards outstanding prior to such purchase of Common Shares for cancellation.

Election by Participant and Payment

A Participant will have the right to receive Payment Shares on the Distribution Date (as defined in the DSU Plan). Issuance of payment shares will occur in compliance with tax rules.

Black Out Periods

If any Common Shares cannot be issued pursuant to a DSU in any period during which the holder of the DSU is not permitted to trade Common Shares pursuant to the policies of the Corporation (a "Black Out Period"), such Common Shares will be issued within seven business days following the end of the Black-Out Period.

Death of Participant

Upon the death of a Participant prior to the distribution of the DSUs credited to the Account of such Participant under the DSU Plan, Payment Shares shall be issued or paid to the estate of such Participant on or about the thirtieth (30th) day after the Corporation is notified of the death of the Participant or on a later date elected by the Participant's estate in the form prescribed for such purposes by the Corporation and delivered to the Chief Financial Officer of the Corporation not later than twenty (20) days after the Corporation is notified of the death of the Participant, provided that such elected date is no later than the last business day of the calendar year following the calendar year in which the Participant dies so that payment can be made on or before such last business day. Notwithstanding the above, upon the death of a U.S. Participant, the Account shall be distributed to the estate of such U.S. Participant on the first business day following ninety (90) days after the U.S. Participant's date of death.

Adjustments to DSUs

In the event: (a) of any change in the Common Shares through share dividend, subdivision, consolidation, reclassification, amalgamation, merger or otherwise; or (b) that any rights are granted to all or substantially all Shareholders to purchase Common Shares at prices substantially below Fair Market Value as of the date of grant (other than the payment of dividends in respect of the Common Shares as contemplated by the DSU Plan); or (c) that, as a result of any recapitalization, merger, consolidation or other transaction, the Common Shares are converted into or exchangeable for any other securities or property, then the Board may make such adjustments to the DSU Plan, the Account of each Participant, the agreements in respect of the DSUs and the DSUs outstanding under the DSU Plan as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of the rights granted to Participants hereunder and/or to provide for the Participants to receive and accept such other securities or property in lieu of Common Shares, and the Participants shall be bound by any such determination.

Amendment of the DSU Plan

Subject to the rules, regulations and policies of the TSX, the NYSE American and applicable law, the Board may, without notice or Shareholder approval, at any time or from time to time, make certain amendments to the DSU Plan or a specific DSU for the purposes of: (i) altering, extending or accelerating the terms of vesting applicable to any grant of DSUs or group of DSU grants under the DSU Plan; (ii) making any amendments to the general vesting provisions of DSUs granted under the DSU Plan; (iii) changing the termination provisions of DSUs granted under the DSU Plan or the DSU Plan itself; (iv) making any amendments to add covenants of the Corporation for the protection of Participants, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants; (v) making any amendments not inconsistent with the DSU Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments will not be prejudicial to the rights or interests of the Participants; (vi) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights or interests of the Participants; (vii) making any amendments to the definitions of the DSU Plan; (viii) effecting amendments with respect to the administration of the DSU Plan; and (ix) making amendments of a "housekeeping" or ministerial nature.

None of the following amendments under the DSU Plan may be made unless Shareholder approval is obtained: (i) to increase the maximum number of Common Shares issuable under the DSU Plan; (ii) to permit the assignment or transfer of a DSU other than as provided for in the DSU Plan; (iii) to add categories of persons eligible to participate in the DSU Plan; (iv) to remove or amend the limits on DSU grants to insiders of the Corporation; (v) to increase the number of Common Shares issuable to Eligible Directors except as provided for in the DSU Plan; (vi) to remove or amend the amendment provisions in the DSU Plan; (vii) to add any form of financial assistance to a Participant; or (viii) where approval is required by the Exchanges (whether it be Exchange or shareholder approval).

Amendments to the DSU Plan for the following require disinterested Shareholder approval amendments that: (i) could result in the number of Common Shares issuable to insiders of the Corporation exceeding 10% of the issued and outstanding Common Shares; (ii) extend the term of any grant of DSUs held by insiders of the Corporation,

- 13 -

other than an extension during a Black Out Period; and (iii) require disinterested Shareholder approval under applicable law (including rules of the Exchanges).

Without limitation of the above, the Board may correct any defect or supply any omission or reconcile any inconsistency in the DSU Plan in the manner and to the extent deemed necessary or desirable, may establish, amend, and rescind any rules and regulations relating to the DSU Plan, and may make such determinations as it deems necessary or desirable for the administration of the DSU Plan.

Termination or Suspension of the DSU Plan

If the Board terminates or suspends the DSU Plan, previously credited DSUs may, at the Board's election, be distributed to Participants or may remain outstanding and in effect in accordance with the terms of the DSU Plan. The Board will not require the consent of any affected Participant in connection with a termination of the DSU Plan in which Payment Shares are issued to the Participant in respect of all such DSUs.

Transferability

Except as required by law, the rights of a Participant under the DSU Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant.

Securities Outstanding under Equity Based Compensation Plans

For a discussion of outstanding Awards and available shares for grant under the Corporation's equity compensation plans see the discussion under "Approval of Amendments to the Long Term Equity Incentive Plan". If the DSU Plan is approved, Common Shares could also be allocated for issuance pursuant to DSUs. However, the adoption of the DSU Plan would not affect the maximum number of Common Shares that may be issued pursuant to securities based compensation arrangements. The Board has not granted any DSUs that are conditional on the approval of this resolution and it cannot currently be determined the amount of such DSUs that may be granted in the future to any individual participant, all directors as a group, or any nominee for election as a director.

Approval Required

At the Meeting, shareholders will be asked to consider and, if thought appropriate, approve, the Deferred Share Unit Plan Resolution. Shareholder approval of the proposed DSU Plan is required pursuant to the policies of the TSX and

the NYSE American. The ordinary resolution must be approved by a majority vote of the Shareholders.

The text of the Deferred Share Unit Plan Resolution is set out in Part III to Appendix “C”. The full text of the DSU Plan is set out in Appendix “E”.

The Board recommends that the Shareholders vote “FOR” the Deferred Share Unit Plan Resolution. Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the proxies given pursuant to this solicitation will be voted “FOR” the Deferred Share Unit Plan Resolution as disclosed in this Information Circular.

Information About Proxies

Solicitation of Proxies

The solicitation of proxies by management and the Board will be made primarily by notice and access but solicitation may be made by telephone or in person with the cost of such solicitation to be borne by the Corporation. While no arrangements have been made to date, the Corporation may contract for the solicitation of proxies for the Meeting. Such arrangements would include customary fees, which would be borne by the Corporation.

- 14 -

Appointment of Proxyholder

The persons named in the enclosed form of proxy for the Meeting are officers of the Corporation and nominees of management and the Board. A Shareholder has the right to appoint some other person, who need not be a Shareholder, to represent such Shareholder at the Meeting by inserting that other person's name in the blank space provided on the form of proxy, which form of proxy is set out in Appendix "A". If a Shareholder appoints one of the persons designated in the accompanying form of proxy as a nominee and does not direct the said nominee to vote either "FOR" or "WITHHOLD" from voting on a matter or matters, or where instructions on the form of proxy are uncertain with respect to which an opportunity to specify how the common shares of the Corporation ("Common Shares") registered in the name of such registered Shareholder shall be voted, the proxy shall be voted "FOR" the resolution.

The instrument appointing a proxyholder must be in writing and signed by the registered Shareholder, or such registered Shareholder's attorney authorized in writing, or if the registered Shareholder is a corporation, by the authorized representative or a duly authorized person on behalf of such corporation. A proxy must be dated. In order for a proxy to be valid, a registered Shareholder must:

- (a) sign his or her name on the lines specified for such purpose at the bottom of the form of proxy; and
- (b) return the properly executed and completed form of proxy:
 - (i) by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Vote Processing, c/o Broadridge, to be received by 10:00 a.m., Vancouver time, on April 30, 2019, or no later than 48 hours before any adjournment or postponement of the Meeting., or
 - (ii) by depositing it with the Chair of the Meeting prior to commencement of the Meeting.

Revocation of Proxy

A registered Shareholder may revoke a proxy by delivering an instrument in writing executed by such registered Shareholder or by the registered Shareholder's legal representative or trustee in bankruptcy or, where the registered Shareholder is a corporation, by a duly authorized person on behalf of the corporation or by the authorized representative appointed for the corporation, either to the registered office of the Corporation at any time up to and including the two business days preceding the day of the Meeting or any adjournment or postponement thereof, with the Chair of the Meeting prior to commencement of the Meeting or any adjournment or postponement thereof or in any other manner permitted by law.

Voting of Proxies

A registered Shareholder may direct the manner in which his or her Common Shares are to be voted or withheld from voting in accordance with the instructions of the registered Shareholder by marking the form of proxy accordingly. The management nominees designated in the enclosed form of proxy will vote the Common Shares represented by proxy in accordance with the instructions of the registered Shareholder on any resolution that may be called for and if the registered Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. Where no choice is so specified with respect to any resolution or in the absence of certain instructions, the Common Shares represented by a proxy given to management will be voted "FOR" the resolution. If more than one direction is made with respect to any resolution, such Common Shares will similarly be voted "FOR" the resolution.

Exercise of Discretion by Proxyholders

The enclosed form of proxy when properly completed and delivered and not revoked, confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. If any amendment or variation or other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their best judgement on such amendment, variation or matter, subject to any limitations imposed by applicable law.

Voting by Beneficial Shareholders

The information set out in this section is important to many Shareholders as a substantial number of Shareholders do not hold their Common Shares in their own name.

Persons who hold Common Shares through their brokers, agents, trustees or other intermediaries (such persons, “Beneficial Shareholders”) should note that only proxies deposited by registered Shareholders whose names appear on the share register of the Corporation may be recognized and acted upon at the Meeting. If Common Shares are shown on an account statement provided by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Corporation. Such Common Shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such shares will be registered in the name of “CDS & Co.”, the registration name of CDS Clearing and Depository Services Inc., and in the United States, the vast majority will be registered in the name of “Cede & Co.”, the registration name of the Depository Trust Company, which entities act as nominees for many brokerage firms. Common Shares held by brokers, agents, trustees or other intermediaries can only be voted by those brokers, agents, trustees or other intermediaries in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the voting instructions provided by their intermediary with this Information Circular and ensure they communicate how they would like their Common Shares voted.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators and Rule 14a-13 under the Exchange Act, the Corporation has elected notice and access for delivery of the Notice of Meeting, this Information Circular and the form of proxy (collectively, the “Meeting Materials”) indirectly through intermediaries to all of the Beneficial Shareholders. The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each Beneficial Shareholder, unless the Beneficial Shareholder has waived the right to receive them. The Corporation will pay for intermediaries to forward the Meeting Materials to OBO’s.

Intermediaries will frequently use service companies to forward the Meeting Materials to Beneficial Shareholders. Generally, a Beneficial Shareholder who has not waived the right to receive Meeting Materials will either:

(a) be given a form of proxy which (i) has already been signed by the intermediary (typically by a facsimile, stamped signature), (ii) is restricted as to the number of shares beneficially owned by the Beneficial Shareholder, and (iii) must be completed, but not signed, by the Beneficial Shareholder and deposited with Broadridge; or

(b) more typically, be given a voting instruction form (“VIF”) which (i) is not signed by the intermediary, and (ii) when properly completed and signed by the Beneficial Shareholder and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

VIFs should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own.

- 16 -

Please return your voting instructions as specified in the VIF. Beneficial Shareholders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent, trustee or other intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting or have someone else attend on their behalf, and indirectly vote their Common Shares as proxyholder for the registered Shareholder should contact their broker, agent, trustee or other intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Securities Entitled to Vote

As of March 13, 2019, the authorized share capital of the Corporation consists of no maximum number of Common Shares, without par value of which 100,442,566 Common Shares are issued and outstanding. Every Shareholder who is present in person, by proxy or by authorized representative and entitled to vote at the Meeting shall on a show of hands have one vote and every Shareholder entitled to vote at the Meeting shall on a ballot have one vote for each Common Share they hold.

The Board of Directors has fixed the close of business on March 13, 2019 as the record date for the purpose of determining the Shareholders entitled to receive notice of and to vote at the Meeting, but the failure of any Shareholder to receive notice of the Meeting does not deprive such Shareholder of the entitlement to vote at the Meeting.

Broker Non-Votes

Brokers and other intermediaries, holding Common Shares in street name for their customers, are required to vote the shares in the manner directed by their customers. Under the rules of the NYSE, brokers are prohibited from giving proxies to vote on non-routine matters (including, but not limited to, non-contested director elections and advisory votes on executive compensation) unless the beneficial owner of such Common Shares has given voting instructions on the matter.

The absence of a vote on a matter where the broker has not received written voting instructions from a Beneficial Shareholder is referred to as a “broker non-vote”. Any Common Shares represented at the Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on any matters to be acted upon at the Meeting.

Change in Control

The Corporation has no charter or by-law provisions that would delay, defer or prevent a change in control of the Corporation.

- 18 -

The Corporation is not aware of any arrangement that might result in a change in control in the future. To the Corporation's knowledge there are no arrangements, including any pledge by any person of the Corporation's securities, the operation of which may at a subsequent date result in a change in the Corporation's control.

Quorum

Under the Articles of the Corporation, the quorum for the transaction of business at the Meeting is two or more Shareholders entitled to vote at the Meeting represented in person or by proxy.

Abstentions will be counted as present for purposes of determining the presence of a quorum at the Meeting, but will not be counted as votes cast. Broker non-votes (shares held by a broker or nominee as to which the broker or nominee does not have the authority to vote on a particular matter) will not be counted as present for purposes of determining the presence of a quorum for purposes at the Meeting and will not be voted.

Accordingly, neither abstentions nor broker non-votes will have any effect on the outcome of the votes on the matters to be acted upon at the Meeting.

Corporate Governance

The Board and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Corporation. The Canadian Securities Administrators implemented National Policy 58-201 - Corporate Governance Guidelines and National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") in each of the provinces and territories of Canada. The NYSE American has also established rules for corporate governance as detailed in the NYSE American's Company Guide (the "NYSE American Company Guide"). The Board is of the view that the Corporation's system of corporate governance meets or exceeds the majority of each of these sets of guidelines and requirements.

Board of Directors

The present Board consists of seven directors, six of whom are viewed as being "independent" within the meaning of NI 58-101 and six of whom qualify as unrelated directors who are viewed as being "independent" within the meaning of Section 803A of the NYSE American Company Guide. John M. Clark, W. Durand Eppler, Deborah J. Friedman, Michael B. Richings, C. Thomas Ogryzlo and Tracy A. Stevenson are considered to be independent members of the Board of Directors.

Frederick H. Earnest is not an independent director because of his management position with the Corporation.

Board Leadership Structure

Michael B. Richings is the Chairman of the Board and is considered under securities laws to be an independent director. All of the members of the Corporate Governance and Nominating Committee, the Audit Committee and the Compensation Committee are independent directors and each of such committees meets regularly without management present. The Board has reviewed the Corporation's current Board leadership structure in light of the composition of the Board, the Corporation's size, the nature of the Corporation's business, the regulatory framework under which the Corporation operates, the Corporation's share base, the Corporation's peer group and other relevant factors, and has determined that having a non-executive Chairman of the Board with the valuable experience and knowledge of the Corporation that Mr. Richings possesses (as a former executive of the Corporation) is currently the most appropriate leadership structure for the Corporation.

The Board believes that adequate structures and processes are in place to facilitate the functioning of the Board independently of the Corporation's management. The independent directors met together eight times during 2018.

The regularly scheduled committee meetings give the independent directors the opportunity for open and frank discussions on all matters they consider relevant, including an assessment of their own performance. In addition, the Board meets periodically with the Corporation's auditor without management present. Accordingly, the Board believes that there is adequate leadership of the independent directors.

The President and Chief Executive Officer of the Corporation is required to attend annual general meetings. Attendance by other directors is discretionary. All directors attended the 2018 annual general meeting.

Mandate of the Board of Directors

Pursuant to the British Columbia Business Corporations Act (British Columbia), the Board is required to manage or supervise the management of the affairs and business of the Corporation. The Board has adopted a written mandate, which defines its stewardship responsibilities in light of this statutory obligation. Under this mandate, the Board is responsible for (i) the stewardship of the business and affairs of the Corporation; (ii) supervising the management of the business and affairs of the Corporation; (iii) providing leadership to the Corporation by practicing responsible, sustainable and ethical decision making; (iv) ensuring that all major issues affecting the Corporation are given proper consideration, including the identification and management of risks relating to the business and affairs of the Corporation and (v) directing management to ensure that legal, regulatory and stock exchange requirements applicable to the Corporation have been met. In addition, the Board is also responsible for succession planning and assuring the integrity of the Corporation’s disclosure controls and procedures, internal controls over financial reporting and management information systems. In carrying out these responsibilities, the Board is entitled to place reasonable reliance on management. The mandate and responsibilities of the Board are to be carried out in a manner consistent with the fundamental objective of protecting and enhancing the value of the Corporation and providing ongoing benefit to the Shareholders. See Appendix “B” for the Mandate of the Board.

Position Descriptions

The Board has developed written position descriptions for the Chair of the Board, and the Chief Executive Officer.

The Chair's primary responsibilities include providing leadership to foster effectiveness of the Board, Chairing all Board meetings and managing the affairs of the Board and shareholders, and ensuring that the Board is organized properly, functions effectively and meets its obligations and responsibilities. The Chair also acts as the primary spokesperson for the Board and ensures that there is effective communication with shareholders, and between the Board and senior management. The Chair also acts in an advisory capacity to the CEO in all matters concerning the interests of the Board and works with the CEO in developing and monitoring the progress of strategic plans and in monitoring policy implementation.

The Chair of each committee of the Board is identified below under the heading "Corporate Governance - Board of Directors - Committees of the Board of Directors". The Corporation has not developed written position descriptions

- 20 -

for the Chair of each committee. The roles and responsibilities of each Chair are delineated by the Board. Each Chair provides leadership to its respective committee to assist that committee with operating effectively.

Orientation and Continuing Education

New Board members receive comprehensive orientation regarding the role of the Board of Directors, its committees and the directors, as well as the nature and operations of the Corporation's business. As well, presentations are given, from time to time, to the Board of Directors on legal and other matters applicable to the Corporation and directors' duties.

Ethical Business Conduct

On December 19, 2003, the Board adopted a Code of Business Conduct and Ethics (the "Code of Ethics"), which is based on the fundamental principles of honesty, loyalty, fairness, forthrightness and use of common sense in general. The Code of Ethics is amended from time to time to reflect changes in the Corporation's practices and good governance. An integral part of the Code of Ethics is the policy that the Corporation will be managed with full transparency, and in the best interests of the shareholders and other stakeholders of the Corporation. The Code of Ethics (as amended) is available on the Corporation's website at www.vistagold.com. The Code of Ethics applies to all directors, officers and employees of the Corporation, including the Corporation's Chief Executive Officer and Chief Financial Officer. The Board, through the Corporate Governance and Nominating Committee, is responsible for monitoring compliance with the Code of Ethics. The Corporate Governance and Nominating Committee reviews with management any issues with respect to compliance with the Code of Ethics. The Corporation intends to disclose on its website any amendments to the Code of Ethics and if any waiver or implied waiver from a provision of its Code of Ethics is granted to a director or officer of the Corporation. No waivers or implied waivers were granted from the requirements of the Corporation's Code of Ethics during the year ended December 31, 2018, or during the subsequent period through to the date of this Information Circular.

The Board ensures, through the Corporate Governance and Nominating Committee, that the directors exercise independent judgement in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Code of Ethics sets out the procedures with respect to reporting conflicts of interest. Actual or potential conflicts of interests are reported to the Chair of the Corporate Governance and Nominating Committee. Members of the Corporate Governance and Nominating Committee are required to be particularly vigilant in reviewing and approving conflicts of interests.

Diversity

On March 13, 2019, the Board unanimously adopted a diversity policy (the "Diversity Policy"), designed to assist the Corporation in achieving various objectives focused on recruiting and managing key talent while promoting diversity and inclusion, including in regard to the representation of women on the Board and in senior executive officer positions. The Diversity Policy sets out the Corporation's diversity objectives which include, to: (i) consider, recruit, manage and promote individuals who are highly qualified, based on their talents, experience, functional expertise, skills, character, and qualities, and in light of the Corporation's current and future plans and objectives as well as anticipated regulatory and market developments and other appropriate factors; (ii) consider criteria that promote diversity, including on the basis of age, race, gender, ethnicity, geographic knowledge, industry experience, board tenure and culture; and (iii) consider the level of representation of women on the Board and in senior executive officer positions along with other markers of diversity when making recommendations for nominees to the Board or for appointment as senior executive officers and in general with regard to succession planning for the Board and executive officers.

The Corporation's Diversity Policy is available on the Corporation's website at www.vistagold.com.

Representation of Women on the Board

Pursuant to the Corporate Governance and Nominating Committee Charter, at least annually the Corporate Governance and Nominating Committee performs a review and evaluation of the proportion of female employees at

- 21 -

the Corporation, in executive positions and on the Board and reports to the Board on the results of this review and evaluation.

In identifying and nominating candidates for election or re-election to the Board, the Corporate Governance & Nominating Committee gives consideration to the level of representation of women on the Board, but does not allocate any significant greater weighting to a candidate based on his or her gender. The ultimate decision to nominate an individual to the Board will be based on merit and the contribution the chosen candidate will bring to the Board. Similarly, the Board and management will consider the level of representation of women in executive officer positions, but hiring decisions will ultimately be based on abilities and suitability. Selection of female candidates will be dependent upon the pool of female candidates with the necessary skills, knowledge and experience. The Corporation believes that this approach enables it to make decisions regarding the composition of the Board and senior management team based on what is in the best interests of the Corporation and its shareholders.

The Corporation has not adopted a target for women on the Board or in executive officer positions because the Corporation does not believe that any director nominee or executive officer should be chosen or excluded solely or largely because of gender. In selecting a director nominee, the Corporate Governance & Nominating Committee focuses on skills, expertise and background that would complement the existing Board. Similarly, the Board and management make hiring decisions for executive officers on the basis of merit and suitability.

As at March 13, 2019, there is one female director (representing 14.3% of the total number of directors) and no female executive officers of the Corporation. On March 13, 2019, Deborah J. Friedman was appointed to the board as an additional director of the Corporation. If all of management's nominees for election as directors of the Corporation are elected at the Meeting, the Board will maintain its current level of female representation. Effective April 1, 2019, Pamela Solly will start as the Corporation's new Vice President Investor Relations. Accordingly, as of April 1, 2019, the Corporation will have one female executive officer (representing 25.0% of the total number of executive officers).

Committees of the Board of Directors

During 2018, there were four standing committees of the Board: the Audit Committee; the Corporate Governance and Nominating Committee; the Compensation Committee; and the Health, Safety, Environmental and Social Responsibility Committee, each described below. Between meetings of the Board, certain of its powers may be exercised by these standing committees, and these committees, as well as the Board of Directors, sometimes act by unanimous written consent. All of the directors on each committee, except the Health, Safety, Environmental and Social Responsibility Committee, are "independent" within the meaning of Section 803A of the NYSE American Company Guide and within the meaning of National Instrument 52-110 – Audit Committees ("NI 52-110"). The Board assesses the effectiveness of its committees, at least annually.

The effectiveness of the Board and its committees is considered periodically. Each committee of the Board evaluates its own effectiveness annually and at least annually, the Board evaluates the performance of each of its committees. In addition, at least annually, the Corporate Governance and Nominating Committee evaluates the effectiveness of the Board as a whole, considering the size, composition, diversity, operation, practice, tenure policies and adequacy and quality of information provided by management of the Corporation for Board meetings. As well as the foregoing evaluations, periodically each director completed a confidential evaluation of the Board and its committees. The results of these confidential evaluations were summarized by legal counsel and presented to the Board.

Audit Committee

The Corporation has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is Chaired by Tracy A. Stevenson. Its other members as of the date of this Information Circular are Michael B. Richings and John M. Clark. Each member of the Audit Committee is “independent” within the meaning of Rule 10A-3 of the Exchange Act, Section 803(B)(2) of the NYSE American Company Guide, and is “independent” and “financially literate” within the respective meaning of such terms in NI 52-110. In accordance with Section 407 of the United States Sarbanes-Oxley Act of 2002 and Item 407(d)(5)(ii) and (iii) of Regulation S-K, the Board has identified Tracy A. Stevenson as the “Audit Committee

- 22 -

Financial Expert” and has confirmed that Tracy A. Stevenson is “financially sophisticated” within the meaning of NYSE American Company Guide Section 803(B)(2). No member of the Audit Committee has participated in the preparation of the financial statements of the Corporation or any current subsidiary of the Corporation at any time during the past three years. The Audit Committee, under the guidance of the Audit Committee Charter approved by the Board, assists the Board in fulfilling its responsibilities in monitoring (i) the Corporation’s accounting and financial reporting processes; (ii) the integrity of the financial statements of the Corporation; (iii) compliance by the Corporation with legal and regulatory requirements; (iv) the independent auditor’s qualifications, independence and performance; (v) the Corporation’s policies and procedures for the identification, assessment and management of business risks and (vi) business practices and ethical standards of the Corporation. A copy of the Audit Committee Charter is available on the Corporation’s website at www.vistagold.com. The Audit Committee met four times during the fiscal year ended December 31, 2018. Additional information about the Audit Committee is contained below under the heading “Corporate Governance - Audit Committee Report”.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is Chaired by W. Durand Eppler. Its other members as of the date of this Information Circular are C. Thomas Ogryzlo and Michael B. Richings. The Corporate Governance and Nominating Committee’s functions are to (i) identify individuals qualified to become members of the Board and to recommend to the Board candidates for election or re-election as directors; (ii) recommend to the Board director nominees for each Board committee; (iii) consider issues and report to the Board with respect to corporate governance matters; and (iv) review and assess the Corporation’s governance policies. In addition, the Corporate Governance and Nominating Committee reviews related party transactions involving the Corporation. The Corporate Governance and Nominating Committee met twice during the fiscal year ended December 31, 2018.

The Corporate Governance and Nominating Committee believes candidates for the Board should have the ability to exercise objectivity and independence in making informed business decisions; extensive knowledge, experience and judgment; the highest integrity; loyalty to the interests of the Corporation and its Shareholders; a willingness to devote the extensive time necessary to fulfill a director’s duties; the ability to contribute to the diversity of perspectives present in board deliberations; and an appreciation of the role of the Corporation in society. The Corporate Governance and Nominating Committee considers candidates meeting these criteria who are suggested by directors, management, Shareholders and search firms hired to identify and evaluate qualified candidates. From time to time the Corporate Governance and Nominating Committee recommends qualified candidates who are considered to enhance the strength, independence and effectiveness of the Board. Shareholders may submit recommendations in writing by letter addressed to the Chief Executive Officer of the Corporation or the Chairman of the Corporate Governance and Nominating Committee. In addition, subject to the advance notice requirements contained in the Corporation’s Articles, Shareholders may nominate directors at an annual general meeting.

The Corporate Governance and Nominating Committee oversees the evaluation of the Board composition and members. Annually, the Corporate Governance and Nominating Committee reviews and makes recommendations regarding the size, composition, operation, practice and tenure policies of the Board, with a view to facilitate effective decision making. The Corporate Governance and Nominating Committee believes it is in the best interests of the Corporation when selecting candidates to serve on the Board to consider the diversity of the Board in accordance with the objectives of the Diversity Policy and to consider candidates on the basis of their talents, experience, functional expertise, skills, character, and qualities, and in light of the Company’s current and future plans and objectives as well as anticipated regulatory and market developments and other qualities for nomination. The Corporate Governance and Nominating Committee assesses the effectiveness of this approach as part of its annual review of its charter.

The Corporate Governance and Nominating Committee utilizes a skills matrix to identify and track areas of strength that the Board believes are important for overseeing the Corporation’s business, management and future growth

effectively. The following table reflects the diverse skills and competencies of each individual director nominee in various areas of experience.

The Corporate Governance and Nominating Committee reviews the size of the Board, at least annually. A board must have enough directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board believes that its present size effectively fulfils this goal. The Corporate Governance and Nominating Committee recommended the nominees in this Information Circular for directors.

Diversity is one of the factors considered when the Corporate Governance and Nominating Committee makes recommendations for director nominations. To facilitate the Corporation's diversity objectives in identifying director nominees and relating to the identification and nomination of female directors, the Corporation adopted a Diversity Policy.

The Corporation has not adopted term limits for the directors on the Board. The Board is of the view that term limits are not necessary at this time because pursuant to the Corporate Governance and Nominating Committee Charter, Board tenure is a factor that the Corporate Governance and Nominating Committee already considers in making its recommendations.

The Corporation's Corporate Governance and Nominating Committee Charter and Diversity Policy are available on the Corporation's website at www.vistagold.com.

Compensation Committee

The Compensation Committee is Chaired by John M. Clark. Its other members as of the date of this Information Circular are Tracy A. Stevenson and W. Durand Eppler. Each member of the Compensation Committee is "independent" within the meaning of Section 803A and Section 805(c)(1) of the NYSE American Company Guide. The Compensation Committee's functions are to review and recommend to the Board compensation policies and programs of the Corporation, as well as salary and benefit levels for its executives. Except for delegation by the Compensation Committee of its responsibilities to a sub-committee of the Compensation Committee, the Compensation Committee does not and cannot delegate its authority to determine director and executive officer

compensation. For further discussion of the Compensation Committee's process for the recommendation of the Corporation's compensation policies and programs, as well as salary and benefit levels of individual executives, including a discussion of the role of compensation consultants in advising the Compensation Committee, please see the section below under the heading "Executive Compensation – Compensation Discussion and Analysis."

The Compensation Committee meets at regularly scheduled times between meetings of the Board, and sometimes acts by unanimous written consent. The Compensation Committee met three times during the fiscal year ended December 31, 2018. The duties of the Compensation Committee are described in its charter, which is available on the Corporation's website at www.vistagold.com and is reviewed annually.

Health, Safety, Environmental and Social Responsibility Committee

The Health, Safety, Environmental and Social Responsibility Committee is Chaired by C. Thomas Ogryzlo. Its other members are Frederick H. Earnest and W. Durand Eppler. The primary purpose of the Health, Safety, Environment and Social Responsibility Committee is to assist the Board in its oversight of: (i) health, safety, environmental and community risks; (ii) the Corporation's compliance with applicable legal and regulatory requirements; (iii) the Corporation's performance in relation to health, safety, environmental and social responsibility matters; (iv) the performance and leadership of the health, safety, environmental and social responsibility functions of the Corporation; and (v) the Corporation's external reporting with respect to health, safety, environmental and social responsibility matters.

The Health, Safety, Environment and Social Responsibility Committee met four times during the fiscal year ended December 31, 2018. The duties of the Health, Safety, Environment and Social Responsibility Committee are described in its charter, which is available on the Corporation's website at www.vistagold.com and is reviewed annually.

Communications with the Board of Directors

Shareholders may send communications by letter to the Board, the Chairman or one or more of the non-management directors or the Chief Executive Officer of the Corporation at 7961 Shaffer Parkway, Suite 5, Littleton, CO 80127 or by contacting the Chief Executive Officer at (720) 981 1185. The receipt of concerns about the Corporation's accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of other concerns will be reported to the appropriate Committee(s) of the Board.

Board's Role in Risk Oversight

The Board considers the understanding, identification and management of risk as essential elements for the successful management of the Corporation. The Corporation faces a variety of risks, including credit risk, liquidity risk and operational risk. The Board believes an effective risk management system will: (i) timely identify the material risks that the Corporation faces; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committees of the Board; (iii) implement appropriate and responsive risk management strategies consistent with the Corporation's risk profile; and (iv) integrate risk management into the Corporation's decision-making.

Risk oversight is undertaken on a regular basis by the Board of Directors and the Audit Committee. The Audit Committee periodically reviews and discusses with management their policies and procedures for the identification, assessment and management of business risks. The Audit Committee also has oversight responsibility with respect to the integrity of the Corporation's financial reporting process and systems of internal control regarding finance and accounting, as well as its financial statements. The Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the committee's own analysis and conclusions regarding the adequacy of the Corporation's risk management processes.

At the management level, regular internal risk reviews provide reliable and timely information to the Board and management regarding the Corporation's effectiveness in identifying and appropriately controlling risks.

- 25 -

The Corporation also has a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board and the Audit Committee. The risk management framework is designed to:

- provide that risks are identified, monitored, reported and quantified properly;
- define and communicate the types and amount of risk the Corporation is willing to take;
 - communicate to the appropriate management level the type and amount of risk taken;
- maintain a risk management organization that is independent of the risk-taking activities; and
- promote a strong risk management culture that encourages a focus on risk-aware performance.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into the Corporation's corporate strategy and day-to-day business operations. The Board also continually works, with the input of the Corporation's executive officers, to assess and analyze the most likely areas of future risk for the Corporation.

Audit Committee Report

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee acts under a written charter first adopted and approved by the Board in 2007, and most recently amended in 2016, which is reviewed annually. Each member of the Audit Committee is "independent" within the meaning of Rule 10A-3 of the Exchange Act and Section 803(B)(2) the NYSE American Company Guide and "independent" and "financially literate" within the meaning of such terms in NI 52-110. In accordance with Section 407 of the United States Sarbanes-Oxley Act of 2002 and Item 407(d)(5)(ii) and (iii) of Regulation S-K, the Board of Directors has identified Tracy A. Stevenson as the "Audit Committee Financial Expert." A copy of the Audit Committee Charter is available on the Corporation's website at www.vistagold.com.

The responsibilities of the Audit Committee include recommending to the Board an accounting firm to be nominated for Shareholder approval as the Corporation's independent auditor. The Audit Committee is responsible for recommending to the Board that the Corporation's financial statements and the related management's discussion and analysis be included in its Annual Report. The Audit Committee took a number of steps in making this recommendation for fiscal year 2018.

First, the Audit Committee discussed with Plante Moran those matters required to be discussed by Statement on Auditing Standards No. 61, as superseded by Statement of Auditing Standards 114 – the Auditor's Communication with Those Charged with Governance, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process.

Second, the Audit Committee discussed with Plante Moran the independence of Plante Moran and received from Plante Moran the letter required by applicable standards of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence as may be modified or supplemented, concerning its independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence.

Finally, the Audit Committee reviewed and discussed, with the Corporation's management and Plante Moran, the Corporation's audited consolidated balance sheets at December 31, 2018, and consolidated statements of income, cash flows and shareholders' equity for the fiscal year ended December 31, 2018 and the related management discussion and analysis to be included in the Corporation's Annual Report on Form 10-K.

Based on the discussions with Plante Moran concerning the audit, the independence, the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the Corporation's financial statements and the related management's discussion and analysis be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Executive Compensation

Compensation Discussion and Analysis

Compensation Program Objectives

The Corporation's compensation programs and policies are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the achievement of the Corporation's objectives. The programs and policies are intended to provide the Corporation with the means to attract and retain capable and experienced executive talent. The Compensation Committee's role and philosophy is to ensure that the Corporation's compensation practices, as applied to the actual compensation paid to the Corporation's executive officers, are aligned with the Corporation's overall business objectives and with Shareholder interests.

The Compensation Committee considers a variety of factors when determining compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Corporation and its Shareholders, overall technical, professional and experience needs of the Corporation, the competitive requirements to attract and retain key employees, and the Compensation Committee's assessment of the position requirements for each executive's role in the Corporation. The Compensation Committee does not weigh any of these factors more heavily than others and does not use any formula to assess these factors, but rather considers each factor in its judgment and discretion.

The Compensation Committee has the authority to engage and compensate, at the expense of the Corporation, any outside advisor that it determines necessary to permit it to carry out its duties. Commencing on May 25, 2018, the Compensation Committee engaged Hugessen Consulting Inc. ("Hugessen"), an independent compensation advisor, to review director and executive officer compensation. Fees billed to the Corporation by Hugessen during 2018 in connection with the review of director and executive officer compensation were C\$36,789. The Corporation did not pay any fees to Hugessen or any other compensation consultant for any other services in 2018. The Compensation Committee was assisted by Hugessen in determining appropriate levels of compensation for the Corporation's directors and executive officers. Hugessen compiled data from publicly available information for all categories of compensation (directors' fees, executive base salaries, share-based incentives, and short term incentives) from a peer group of companies in the mining sector. Hugessen's peer group of companies was developed using one or more of the following selection criteria:

Canadian and/or U.S. listed;
market capitalization substantially similar to the Corporation;
gold, diversified metals and mining, or precious metals/minerals industry; and/or
stage of development, complexity of operation/business strategy similar to the Corporation.

Based upon considerations of the selection criteria, the following peer group of companies was used by Hugessen for its compensation review, (collectively, the "Peer Group").

Belo Sun Mining Corp.	Liberty Gold Corp.
Excelsior Mining Corp.	Midas Gold Corp.
Gabriel Resources Ltd.	NuLegacy Gold Corporation
Golden Minerals Company	Orezone Gold Corporation

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Goldquest Mining Corp.	Pershing Gold Corporation
International Tower Hill Mines Ltd.	Star Diamond Corporation
INV Metals Inc.	Victoria Gold Corp.

In 2013, consistent with the principle of aligning corporate compensation with corporate objectives and Shareholders' interests, all members of senior management, in consultation with the Compensation Committee, accepted a 20% reduction to base compensation together with the elimination of discretionary incentive payments under the Corporation's Short Term Incentive Plan ("STIP"). These changes to management compensation took

- 29 -

effect August 1, 2013. In July 2015, with an effective date of August 1, 2015, the Board restored one-half of these compensation reductions, resulting in all members of senior management remaining at a 10% reduction to base compensation. In addition, at the same time, the Board authorized a one-time payment to each member of senior management, equal to 10% of each respective senior manager's base salary, to be paid in cash or the equivalent value in RSUs, or a combination thereof, at the recipient's option. Similarly, in 2016, the Board authorized a one-time payment to each member of senior management, equal to 10% of each respective senior manager's base salary, to be paid in cash or the equivalent value in RSUs, or a combination thereof, at the recipient's option. In July 2017, with an effective date of August 1, 2017, the Board restored the remaining 10% reduction to base compensation. In addition, a one-time payment equal to 7/10 of 10% of each respective manager's base salary was paid in cash to each member of senior management. The Board determines when it is appropriate to grant annual discretionary incentive awards. No annual incentive awards were granted in years 2012-2017. Based on the achievement of goals and objectives in 2017 an incentive award was paid in March 2018. No incentive award for 2018 is contemplated.

Role of Executive Officers in Determining Compensation

The Compensation Committee reviews and recommends to the Board the compensation policies and programs of the Corporation, as well as salary and benefit levels for individual executives. The President and Chief Executive Officer of the Corporation may not be present during meetings of the Compensation Committee when his compensation is being discussed. The executive officers prepare and present to the Compensation Committee, such surveys, analyses, reports and recommendations, as the Compensation Committee may request, including independent industry surveys. The Board makes the final determination regarding the Corporation's compensation programs and practices.

Elements of the Corporation's Compensation Program for Fiscal Year 2018

The 2018 compensation plan for executive officers was comprised of the following components: base salary, cash-based awards under the STIP, awards of Phantom Units (defined below) and share-based awards under the Stock Option Plan and the LTIP. Until such time as Shareholders approve the Unallocated Awards Under the LTIP Resolution at the Meeting, the Company is not able to make additional grants under the LTIP, however, the LTIP remains in place and governs the currently outstanding LTIP Awards.

There is no set policy or target regarding allocation between cash and non-cash elements of the Corporation's compensation program. The Compensation Committee reviews annually the total compensation package of the Corporation's executives on an individual basis, against the backdrop of the compensation goals and objectives and the industry compensation data described above, and makes recommendations to the Board concerning the individual components of compensation.

Base Salary

As a general rule for establishing base salaries, the Compensation Committee periodically reviews competitive market data for each executive position and determines placement of the employee at an appropriate level in a range. Compensation levels are typically negotiated with the candidate for the position prior to his or her final selection as an executive officer. Salaries for the Corporation's executive officers are reviewed at least annually to reflect external factors such as market and inflation as well as overall corporate performance and the results of internal performance reviews.

Short Term Incentive Plan (STIP)

The STIP is intended to allow executive officers and management personnel to earn discretionary incentive payments based on a percentage of base salary. All executive officers and management personnel participate in the STIP. Mr.

Earnest, the President and Chief Executive Officer of the Corporation, is entitled to earn a discretionary incentive payment in an amount determined annually by the Board. The performance of the President and Chief Executive Officer is, however, generally evaluated using the same performance objectives applied to other executive officers and management personnel.

- 30 -

The Compensation Committee determines executive incentive compensation considering three primary factors: (1) corporate liquidity; (2) achievement of overall corporate goals, which are typically established early in each year; and, (3) individual performance.

The following table summarizes the criteria and weighting used to evaluate the performance of the executive officers. It summarizes the target and maximum discretionary incentive payments contemplated under the STIP.

	Performance Objectives and Relative Importance					Target	Maximum	Bonus
	Corp. Performance	Financial	Project Advance	Compliance	Leadership Succession	Bonus as a percentage of salary	Bonus as a percentage of salary	paid in 2018 as a percentage of salary
Frederick H. Earnest, President and Chief Executive Officer	High	High	High	High	High	50%	100%	23%
John F. Engele, Senior Vice President and Chief Financial Officer	High	High	Medium	High	Medium	50%	75%	13%
John W. Rozelle, Senior Vice President	High	Medium	High	High	Medium	50%	75%	22%

In 2018, the Corporation granted awards under the STIP to incentivize and reward the achievement of corporate goals and objectives. During 2012 to 2017, the Corporation did not grant annual awards under the STIP. During such time, RSUs (defined below) were granted to incentivize and reward the achievement of corporate goals and objectives. See “Summary Compensation Table” below.

Phantom Units

Commencing 2018, the Corporation introduced a phantom unit compensation program for employees as a tool to link employee cash compensation to the Corporation’s share price performance. The Corporation granted a total of 265,000 phantom units of the Corporation (each, a “Phantom Unit”) to certain employees during the year ended December 31, 2018. The value of each Phantom Unit is equal to the Corporation’s share price on the vesting date and is payable in cash. The Phantom Units vest on fixed future dates provided the recipient continues to be affiliated with Vista on those dates.

Share-Based Incentive Awards

The Corporation provides share-based incentives to employees and directors under two separate share-based incentive plans, the Stock Option Plan and the LTIP (together, the “Plans”), which are designed to align compensation with the enhancement of shareholder value. The Plans are administered by the Compensation Committee (as delegated by the Board).

The Stock Option Plan provides for grants of options to purchase Common Shares (“Options”) to directors, officers, employees and consultants of the Corporation or its subsidiaries (each, an “Optionee”).

The LTIP provides for grants of RSUs and Restricted Stock to directors, officers, employees and consultants of the Corporation or its subsidiaries (each, an “LTIP Participant”). If the proposed amendments to the LTIP are approved,

non-employee directors will no longer be eligible for grants of RSUs and Restricted Stock under the LTIP. The Plans are designed to be complementary.

- 31 -

The following table sets out the maximum number of Common Shares issuable pursuant to the terms of the Plans and applicable securities laws.

Maximum Number of Common Shares Issuable:

	Under Each Plan(1)	Under the Plans in Aggregate (1)(2)	To Non-Employee Directors	At any Time to Insiders of the Corporation (1)(2)	Issued to Insiders Within a Calendar Year(1)(2)	To Any One Individual (1)(2)	To Any One Individual Within a Calendar Year
Stock Option Plan	10%	10%	The lesser of: 1%(1) and an annual value of \$150,000	10%	10%	5%	3,000,000 Common Shares
LTIP	10%(3)	10%	The lesser of: 1%(1) and an annual value of \$150,000 (3)	10%(3)	10%(3)	N/A	3,000,000 Common Shares

Notes:

- (1) To be calculated based on the aggregate number of issued and outstanding Common Shares on a non-diluted basis.
- (2) Together with all other security based compensation of the Corporation.
- (3) At the Meeting, shareholders will be asked to consider and, if thought appropriate, approve, an ordinary resolution approving amendments to the LTIP such that non-employee directors will be excluded from participating in the LTIP and the maximum number of Common Shares issuable pursuant to the LTIP shall be 5% of the total number of issued and outstanding Common Shares on a non-diluted basis.

As of March 9, 2019, the total number of Common Shares issuable under the Stock Option Plan and LTIP comprised (i) 1,303,749 Common Shares (or 1.3% of the total number of issued and outstanding Common Shares) issuable upon the due exercise of vested Options granted under the Stock Option Plan and (ii) 683,670 Common Shares (or 0.7% of the total number of issued and outstanding Common Shares) issuable upon the vesting of RSUs granted under the LTIP. The maximum number of Common Shares which may be reserved, set aside and made available for issue under the Stock Option Plan and LTIP combined is a variable number equal to 10% of the issued and outstanding Common Shares on the date of the grant on a non-diluted basis. As of March 9, 2019, an aggregate of 1,987,419 Common Shares (or 2.0% of the total number of issued and outstanding Common Shares) are issuable under the Stock Option Plan and LTIP pursuant to outstanding Options and RSUs and 8,055,175 Common Shares (or 8.0% of the total number of issued and outstanding Common Shares) in aggregate remain available for future grants under the Stock Option Plan and LTIP. Assuming that the LTIP Amendment Resolution is passed at the Meeting, subsequent to the Meeting an aggregate of 4,337,627 Common Shares (or 4.3% of the total number of issued and outstanding Common Shares) in aggregate will remain available for future grants under the LTIP.

Annual Burn Rates of Options and LTIP Awards

In accordance with the requirements of section 613 of the TSX Company Manual, the following table sets out the burn rate of Options and LTIP Awards as of the end of the financial year ended December 31, 2018 and for the two preceding financial years. The burn rate is calculated by dividing the number of Options or LTIP Awards, as applicable, granted under the Plans during the relevant fiscal year by the weighted average number of securities outstanding for the applicable financial year.

	Year ended December	Year ended December	Year ended December
	31, 2018	31, 2017	31, 2016
Number of Options granted under the Stock Option Plan	1,142,000	Nil	50,000
Number of LTIP Awards granted under the LTIP	319,000	966,003	1,057,987
Weighted average of outstanding securities	99,738,461	98,627,255	89,064,260
Annual Burn Rate: Options	1.14%	Nil	0.06%

- 32 -

Annual Burn Rate: LTIP 0.3% 1.0% 1.1%

Further details of the objectives and operations of each of the Plans are discussed in the sections below.

Stock Option Plan

The Compensation Committee has discretion to determine (i) the total number of optioned shares made available under the Stock Option Plan, (ii) the directors, officers, employees and consultants of the Corporation or its subsidiaries who are eligible to receive Options, (iii) the time when and the price at which Options will be granted and exercised, and (iv) the conditions and restrictions on the exercise of Options.

The exercise price of an Option must not be less than the closing price of the Common Shares on (i) in the case of Options with an exercise price in US dollars, the NYSE American, or (ii) in the case of Options with an exercise price in Canadian dollars, the TSX, in either case, on the last trading day preceding the date of grant.

Options become exercisable only after they vest in accordance with the respective option agreement and must expire no later than ten years from the date of grant; provided that, if the expiry date of an Option occurs during a blackout period, such expiry date will be extended pursuant to the terms of the Stock Option Plan. An Optionee has no rights whatsoever as a Shareholder in respect of unexercised Options. Options are subject to withholding taxes at the discretion of the Corporation.

Causes of Cessation of Options

Pursuant to the terms of the Stock Option Plan, if any Optionee ceases to be a director, officer or employee of the Corporation or its subsidiaries, as a result of termination for "cause" (as defined in the Stock Option Plan), all unexercised Options will immediately terminate. If an Optionee ceases to be a director, officer or employee of the Corporation, or its subsidiaries, or ceases to be a consultant to the Corporation, for any reason other than termination for cause, his or her Options may be exercised up to, but not after, the earlier of 30 days from the date of ceasing to be a director, officer, employee or consultant, or the expiry date of the Option. In the event of death of an Optionee, the legal representatives of such Optionee have the right to exercise the Options at any time up to, but not after, the earlier of 90 days from the date of death or the expiry date of such Option.

No Assignment or Transfer of Options

An Option is not transferable or assignable other than by will or other testamentary instrument or the laws of succession or administration and may be exercisable during the lifetime of the Optionee only by such Optionee.

Long Term Equity Incentive Plan (LTIP)

The Compensation Committee determines the persons to whom LTIP Awards are to be made; the type, size, terms and conditions of LTIP Awards; the prices to be paid for LTIP Awards; interprets the LTIP; adopts, amends and rescinds administrative guidelines and other rules and regulations relating to the LTIP; and makes all other determinations and takes all other actions it believes are necessary or advisable for the implementation and administration of the LTIP.

The LTIP provides that the Compensation Committee may, in its sole discretion, grant awards of RSUs and/or Restricted Stock to any LTIP Participant. All grants of LTIP Awards are subject to the terms and conditions of an LTIP Award agreement entered into between the Corporation and the LTIP Participant at the time the LTIP Award is granted.

RSUs are not Common Shares, but rather represent a right to receive from the Corporation at a future date newly-issued Common Shares. The Compensation Committee has the authority to make the receipt of Common Shares under the RSUs conditional upon the expiry of a time-based vesting period, the attainment of specified performance goals or such other factors as the Compensation Committee determines in its discretion. Common Shares issuable pursuant to the vesting of RSUs will be registered in the name of the LTIP Participant and upon such issuance of Common Shares the vested RSUs will be cancelled. RSUs are settled in Common Shares, unless (i) the

- 33 -

Company withholds shares equivalent to the value of employee withholding tax obligations which result from RSUs vesting; or (ii) the Corporation offers the LTIP Participant the option to receive cash in lieu of Common Shares based on the Fair Market Value (as defined in the LTIP) at the time of settlement.

Restricted Stock are Common Shares which are subject to such restrictions as the Compensation Committee may impose, such as forfeiture conditions, transfer restrictions or a restriction on, or prohibition against, the right to receive any dividend or other right or property with respect thereto. The Compensation Committee has the authority to establish the terms for the lapse of restrictions applicable to Restricted Stock conditional upon the expiry of a time-based vesting period, the attainment of specified performance goals or such other factors as the Compensation Committee may determine in its discretion. Upon grant of Restricted Stock, the Corporation issues and holds share certificates registered in the name of such LTIP Participants. The share certificates bear a legend referring to the LTIP Award agreement and the possible forfeiture of such shares of Restricted Stock.

The duration of the vesting period and other vesting terms applicable to grants of RSUs or Restricted Stock is determined at the time of the grant by the Compensation Committee and such vesting period must be a minimum of one year in duration. Notwithstanding certain provisions that allow the Compensation Committee to accelerate vesting of an award under the LTIP, the Compensation Committee cannot use this discretion to accelerate the vesting of an award under the LTIP to a period of less than one year in duration.

In administering the LTIP, the Compensation Committee conducts bi-annual reviews of corporate performance and the LTIP Participants' performance to determine whether performance goals have been achieved. The Compensation Committee also takes into consideration past LTIP Award grants and existing unvested LTIP Awards when considering whether to grant new LTIP Awards. The Compensation Committee typically sets specific goals for each LTIP Participant, which are aligned with items of corporate strategy. Performance goals in the past included items such as attainment of certain regulatory permits relating to Mt Todd; completion of economic and technical feasibility studies on Mt Todd, including the preliminary feasibility study for Mt Todd updated on March 2, 2018; and the achievement of certain share price performance criteria.

In 2018, overall corporate goals were divided into three broad categories:

1. Corporate: achieve cost control and financing objectives, maintain compliance with all securities regulations, and conduct the Corporation's business in an ethical and environmentally sound manner while ensuring all operations are conducted to protect employee safety and health.
 2. Strategic: increase shareholder value by achieving a valuation for Common Shares that reasonably reflects the fair value of the Mt Todd gold project.
 3. Mt Todd: attain project permitting and optimization, including identifying and completing optimization initiatives.
- Causes of Cessation of LTIP Awards

Except as otherwise determined by the Compensation Committee, upon a Termination Date (as defined in the LTIP) that occurred as a result of the death or disability of the LTIP Participant, all vested LTIP Awards will enure to the benefit of the LTIP Participant's heirs, executors and administrators. Except as otherwise determined by the Compensation Committee, if an LTIP Participant's employment, term of office or engagement is terminated for cause or in the case of a consultant participant, for breach of contract, any LTIP Awards held by the LTIP Participant (whether vested or not) are forfeited to the Corporation. The LTIP provides for a number of instances that permit the Compensation Committee to accelerate the vesting of any outstanding LTIP Awards.

Unless otherwise determined by the Compensation Committee or the Board at or after the date of grant, if an LTIP Participant ceases to be employed or engaged by the Corporation or its subsidiaries within 12 months following a Change in Control (as defined in the LTIP) for any reason other than for cause, voluntary resignation (other than for good reason (as defined by the LTIP)), retirement, death or disability, each LTIP Award held by that LTIP Participant that is not fully vested on the date at which such person ceases to be a director, officer or consultant shall become free of all restrictions, conditions and limitations, and become fully vested.

- 34 -

The Board shall have the discretion to authorize such steps to be taken as it may consider to be equitable and appropriate in the event of any Share Reorganization, Corporate Reorganization or Special Distribution (each of such terms as defined in the LTIP), including the acceleration of vesting in order to preserve proportionately the rights, value and obligations of the LTIP Participants holding LTIP Awards in such circumstances.

No Assignment or Transfer of LTIP Awards

No assignment or transfer of LTIP Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such LTIP Awards whatsoever in any assignee or transferee. Immediately upon any assignment or transfer, or any attempt to make the same, such LTIP Awards will terminate, provided that any LTIP Awards held by a LTIP Participant that have vested at the Termination Date will enure to the benefit of the LTIP Participant's heirs, executors and administrators.

Amendments to the Plans, Options and LTIP Award Agreements

Subject to the rules, regulations and policies of the TSX, the NYSE American and applicable law, the Compensation Committee may, without notice or Shareholder approval, make certain amendments to the Plans or a specific Option or LTIP Award for the purposes of: (i) altering, extending or accelerating the terms of vesting; (ii) amending the general vesting provisions; (iii) changing termination provisions; (iv) accelerating the expiry date; (v) amending termination of employment provisions under the LTIP; (vi) making amendments to protect LTIP Participants; (vii) curing or correcting any ambiguity, defect, inconsistent provision or manifest error; (viii) amending definitions; (ix) making amendments of a "housekeeping" or administrative nature; (x) effecting amendments necessary to comply with the provisions of applicable laws, or desirable for any advantages of any tax law; and (xi) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law. No amendment of the Plans may contravene applicable laws, including the rules, regulations, and policies of the TSX and the NYSE American.

Shareholder approval must be obtained for amendments to the Plans that: (i) increase the maximum number of Common Shares issuable under the Plans; (ii) reduce the exercise price of an Option held by a non-insider of the Corporation; (iii) extend the term of any Options held by a non-insider of the Corporation, other than an extension during a Black Out Period; (iv) increase the number of Common Shares issuable to insiders of the Corporation or to non-employee directors participants, as applicable; (v) permit Options to be transferrable or assignable; (vi) amend the amendment provisions in the Plans; (vii) add any form of financial assistance to an LTIP Participant; or (viii) where approval is required by the Exchanges (whether it be Exchange or shareholder approval).

Approval by disinterested Shareholders is required for amendments that: (i) could result in the number of Common Shares issuable to insiders of the Corporation exceeding 10% of the issued and outstanding Common Shares; (ii) reduce the exercise price of an Option (including cancellation and reissuance at a lower exercise price) held by insiders of the Corporation; (iii) extend the term of any Option or LTIP Award held by insiders of the Corporation, other than an extension during a Black Out Period; and (iv) require disinterested Shareholder approval under applicable law (including rules of the Exchanges).

Perquisites and Other Personal Benefits

The Corporation's named executive officers are not generally entitled to significant perquisites or other personal benefits not offered to the Corporation's employees. The Corporation does sponsor a qualified tax-deferred savings plan in accordance with the provisions of Section 401(k) of the Tax Code, which is described further below under the heading "Executive Compensation - Pension and Retirement Savings Plans".

Compensation for the Corporation's Named Executive Officers in 2018

The Corporation's named executive officers (defined below) for the fiscal year ended December 31, 2018 were Frederick H. Earnest, who served as the Corporation's President and Chief Executive Officer, John F. Engele, who served as the Corporation's Senior Vice President and Chief Financial Officer and John W. Rozelle, who served as the Corporation's Senior Vice President.

- 35 -

The Corporation's employment agreements with our named executive officers are described below under the heading "Executive Compensation - Executive Employment Agreements". The compensation paid to the Corporation's named executive officers is described below under the heading "Executive Compensation - Summary Compensation Table".

Effects of Regulatory Requirements on Executive Compensation

Section 409A of the Tax Code generally affects the granting of most forms of deferred compensation which were not earned and vested prior to 2005. The Corporation's compensation program is designed to comply with the final regulations of the U.S. Internal Revenue Service and other guidance with respect to Section 409A of the Tax Code, and we anticipate that the Compensation Committee will continue to design and administer the Corporation's compensation programs accordingly.

Various rules under current generally accepted accounting practices impact the manner in which the Corporation accounts for grants of Options to employees, including executive officers, on its financial statements. While the Compensation Committee reviews the effect of these rules (including FAS 123(R)) when determining the form and timing of grants of Options to the Corporation's employees, including executive officers, this analysis is not necessarily the determinative factor in any such decision regarding the form and timing of these grants.

Exchange Controls

There are no governmental laws, decrees or regulations in Canada that restrict the export or import of capital, including foreign exchange controls, or that affect the remittance of dividends, interest or other payments to non-resident holders of the securities of Vista Gold, other than Canadian withholding tax. See "Certain Canadian Federal Income Tax Considerations for U.S. Residents" below.

Certain Canadian Federal Income Tax Considerations for U.S. Residents

The following summarizes certain Canadian federal income tax consequences generally applicable under the Income Tax Act (Canada) and the regulations enacted thereunder (collectively, the “Canadian Tax Act”) and the Canada-

- 43 -

United States Income Tax Convention (1980) (the “Convention”) to the holding and disposition of Common Shares.

Comment is restricted to holders of Common Shares each of whom, at all material times for the purposes of the Canadian Tax Act and the Convention,

- (i) is resident solely in the United States,
 - (ii) is entitled to the benefits of the Convention,
 - (iii) holds all Common Shares as capital property,
 - (iv) holds no Common Shares that are “taxable Canadian property” (as defined in the Canadian Tax Act) of the holder,
 - (v) deals at arm’s length with and is not affiliated with the Corporation,
 - (vi) does not and is not deemed to use or hold any Common Shares in a business carried on in Canada, and
 - (vii) is not an insurer that carries on business in Canada and elsewhere,
- (each such holder, a “U.S. Resident Holder”).

Certain U.S.-resident entities that are fiscally transparent for United States federal income tax purposes (including limited liability companies) may not in all circumstances be regarded by the Canada Revenue Agency (the “CRA”) as entitled to the benefits of the Convention. Members of or holders of an interest in such an entity that holds Common Shares should consult their own tax advisers regarding the extent, if any, to which the CRA will extend the benefits of the Convention to the entity in respect of its Common Shares.

Generally, a holder’s Common Shares will be considered to be capital property of the holder provided that the holder is not a trader or dealer in securities, did not acquire, hold or dispose of the Common Shares in one or more transactions considered to be an adventure or concern in the nature of trade (i.e. speculation), and does not hold the Common Shares as inventory in the course of carrying on a business.

Generally, a holder’s Common Shares will not constitute “taxable Canadian property” of the holder at a particular time at which the Common Shares are listed on a “designated stock exchange” (which currently includes the TSX and NYSE American) unless both of the following conditions are true at any time during the 60 month period immediately preceding the particular time:

- (i) the holder, any one or more persons with whom the holder does not deal at arm’s length, or any partnership in which the holder or persons with whom the holder did not deal at arm’s length holds a membership interest directly or indirectly through one or more partnerships, alone or in any combination, owned 25% or more of the issued shares of any class of the capital stock of the Corporation; and
- (ii) more than 50% of the fair market value of the Common Shares was derived directly or indirectly from, or from any combination of, real or immovable property situated in Canada, “Canadian resource properties” (as defined in the Canadian Tax Act), “timber resource properties” (as defined in the Canadian Tax Act), or options in respect of or interests in such properties whether or not such properties exist.

In certain circumstances, a Common Share may be deemed to be “taxable Canadian property” for purposes of the Canadian Tax Act.

This summary is based on the current provisions of the Canadian Tax Act and the Convention in effect on the date hereof, all specific proposals to amend the Canadian Tax Act and Convention publicly announced by or on behalf of the Minister of Finance (Canada) on or before the date hereof, and the current published administrative and assessing policies of the CRA. It is assumed that all such amendments will be enacted as currently proposed, and

that there will be no other material change to any applicable law or administrative or assessing practice, although no assurance can be given in these respects. Except as otherwise expressly provided, this summary does not take into account any provincial, territorial or foreign tax considerations, which may differ materially from those set out herein.

This summary is of a general nature only, is not exhaustive of all possible Canadian federal income tax considerations, and is not intended to be and should not be construed as legal or tax advice to any particular U.S. Resident Holder. U.S. Resident Holders are urged to consult their own tax advisers for advice with respect to their particular circumstances. The discussion below is qualified accordingly.

A U.S. Resident Holder who disposes or is deemed to dispose of one or more Common Shares generally should not thereby incur any liability for Canadian federal income tax in respect of any capital gain arising as a consequence of the disposition.

A U.S. Resident Holder to whom the Corporation pays or is deemed to pay a dividend on the holder's Common Shares will be subject to Canadian withholding tax, and the Corporation will be required to withhold the tax from the dividend and remit it to the CRA for the holder's account. The rate of withholding tax under the Canadian Tax Act is 25% of the gross amount of the dividend (subject to reduction under the provisions of an applicable tax treaty). Under the Convention, a U.S. Resident Holder who beneficially owns the dividend will generally be subject to Canadian withholding tax at the rate of 15% (or, if the U.S. Resident Holder who beneficially owns the dividend is a company which owns at least 10% of the voting stock of the Corporation, 5%) of the gross amount of the dividend.

Indebtedness of Directors and Executive Officers

None of the current or former directors, executive officers or employees, nor any associates or affiliates of the foregoing persons is, as of the date hereof, indebted to the Corporation or any of its subsidiaries.

Orders, Penalties and Settlement Agreements

To the knowledge of the Corporation, no proposed director of the Corporation is, as at the date of this Information Circular, or was within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation), that:

(a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or

(b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of paragraph (a), above, "order" means: (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation that was in effect for more than 30 consecutive days.

To the knowledge of the Corporation, no proposed director of the Corporation is, as at the date of this Information Circular, or has been within the 10 years before the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the knowledge of the Corporation, no proposed director of the Corporation has, within 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director of the Corporation.

- 45 -

To the knowledge of the Corporation, no proposed director of the Corporation has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

Interest of Certain Persons in Matters to be Acted Upon

Except as described in this Information Circular, no (i) person who has been a director or executive officer of the Corporation at any time since the beginning of Corporation's the last financial year, (ii) proposed nominee for director, or (iii) associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting (other than the election of directors).

Interest of Informed Persons in Material Transactions

Except as described in this Information Circular, no (i) informed person of the Corporation, (ii) proposed director of the Corporation, or (iii) associate or affiliate of any of the foregoing persons, has had any material interest, direct or indirect, in any transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or its subsidiaries.

Review, Approval or Ratification of Transactions with Related Parties

The Corporation has adopted a written policy for the review of transactions with related persons which is available on the Corporation's website at www.vistagold.com. The policy requires review, approval or ratification of all transactions in which (i) the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year; (ii) the Corporation is a participant; and (iii) any directors, executive officers, significant shareholders and any immediate family member of the foregoing persons has or will have a direct or indirect material interest subject to certain categories of transactions that are deemed to be pre-approved under the policy. As set forth in the policy, the pre-approved transactions include, among others, employment of executive officers, director compensation (in general, where such transactions are required to be reported in the Corporation's proxy statement pursuant to the SEC compensation disclosure requirements), as well as certain transactions where the amounts involved do not exceed specified thresholds, certain charitable contributions and transactions where all shareholders receive proportional benefits. All related party transactions must be reported for review by the Corporate Governance and Nominating Committee of the Board. Transactions deemed to be pre-approved are not required to be reported to the Committee, except for certain pre-approved transactions, a summary of which must be submitted to the Corporate Governance and Nominating Committee for review at its next following meeting.

In determining whether to approve or ratify related party transactions, the Corporate Governance and Nominating Committee will take into consideration, among other factors it deems appropriate, whether the transactions are on terms no less favorable to the Corporation than those available to unaffiliated third-parties under the same or similar circumstances and the extent of the related person's interest in the transaction. If a related party transaction is to be ongoing, the Corporate Governance and Nominating Committee may establish guidelines for the Corporation's management to follow in its ongoing dealings with the related person.

Management Contracts

There are no management functions of the Corporation which are to any substantial degree performed by persons other than the directors, senior officers or managers of the Corporation. The Corporation has entered into employment

agreements with Frederick H. Earnest, President and Chief Executive Officer John F. Engele, Senior Vice President and Chief Financial Officer, and John Rozelle, Senior Vice President as set forth above under the heading “Executive Compensation - Executive Employment Agreements”.

Shareholder Proposals

Under the Exchange Act, the deadline for submitting Shareholder proposals for inclusion in the management information and proxy circular for an annual general meeting of the Corporation is calculated in accordance with Rule 14a-8(e) of Regulation 14A to the Exchange Act. If the proposal is submitted for a regularly scheduled annual general meeting, the proposal must be received at the Corporation's principal executive offices not less than 120 calendar days before the anniversary date of the Corporation's management information and proxy circular released to the Shareholders in connection with the previous year's annual general meeting. However, if the Corporation did not hold an annual general meeting the previous year, or if the date of the current year's annual general meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the Corporation begins to print and mail its proxy materials. Accordingly, unless the date of the next annual general meeting is changed by more than 30 days from the date of this year's meeting the deadline for submitting Shareholder proposals for inclusion in the management information and proxy circular for the next annual general meeting of the Corporation will be November 25, 2019. If a Shareholder proposal is not submitted to the Corporation by November 25, 2019, the Corporation may still grant discretionary proxy authority to vote on a Shareholder proposal, if such proposal is received by the Corporation by February 6, 2020 in accordance with Rule 14a-4(c)(1) of Regulation 14A of the Exchange Act.

In addition, there are (i) certain requirements relating to Shareholder proposals contained in the Business Corporations Act (British Columbia); and (ii) certain requirements relating to the nomination of directors contained in the Articles of the Corporation. A Shareholder wishing to make a proposal for consideration at an annual general meeting of the Corporation or wishing to nominate a person to act as a director of the Corporation should ensure they follow the applicable procedures set forth in the Business Corporations Act (British Columbia) and the Articles of the Corporation.

Other Matters

Management of the Corporation knows of no other matters which will be brought before the Meeting other than those set forth in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgement of the persons voting such proxies.

Dissenters' Rights of Appraisal

No action is proposed herein for which the laws of the British Columbia or the Articles of the Corporation provide a right of a Shareholder to dissent and obtain appraisal of or payment for such Shareholder's Common Shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Corporation's officers and directors, and persons who own more than 10% of the Common Shares, to file reports of ownership and changes of ownership of such securities with the SEC.

Based solely on a review of the reports received by the SEC, furnished to the Corporation, or written representations from reporting persons that all reportable transactions were reported, management believes that, during the fiscal year ended December 31, 2018, the Corporation's officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a).

Multiple Shareholders Sharing the Same Address

The regulations regarding the delivery of copies of proxy materials and annual reports to Shareholders permit the Corporation and brokerage firms to send one annual report and proxy statement to multiple Shareholders who share the same address under certain circumstances. Shareholders who hold their shares through a broker may have consented to reducing the number of copies of materials delivered to their address. In the event that a Shareholder wishes to revoke such a consent previously provided to a broker, the Shareholder must contact the broker to revoke the consent. In any event, if a shareholder wishes to receive a separate Information Circular and accompanying materials for the Meeting, or the Corporation's Annual Report on Form 10-K for the year ended December 31, 2018,

- 47 -

the Shareholder may receive copies by contacting the Corporate Secretary at (720) 981-1185, 7961 Shaffer Parkway, Suite 5, Littleton, Colorado 80127. Shareholders receiving multiple copies of these documents at the same address can request delivery of a single copy of these documents by contacting the Corporation in the same manner. Persons holding shares through a broker can request a single copy by contacting the broker.

Board of Directors Approval

The undersigned hereby certifies that the contents and sending of this Information Circular to the Shareholders have been approved by the Board.

DATED at Littleton, Colorado, this 21th day of March, 2019.

Article 3

ADMINISTRATION

3.1 Administration

Subject to Section 3.2, this Plan will be administered by the Board and the Board has sole and complete authority, in its discretion, to:

- (a) determine the Persons to whom grants under the Plan may be made;
- (b) make grants of Awards under the Plan relating to the issuance of Common Shares (including any combination of Restricted Share Units or Restricted Stock) in such amounts, to such Persons and, subject to the provisions of this Plan, on such terms and conditions as it determines including without limitation:
 - (i) the time or times at which Awards may be granted;

D-7

- (ii) the conditions under which:
 - (A) Awards may be granted to Participants or Director Participants; or
 - (B) Awards may be forfeited to the Corporation, including any conditions relating to the attainment of specified Performance Goals;
- (iii) whether restrictions or limitations are to be imposed on the Common Shares issuable pursuant to grants of Awards, and the nature of such restrictions or limitations, if any; and
- (iv) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Board may determine;
- (c) interpret this Plan and adopt, amend and rescind administrative guidelines and other rules and regulations relating to this Plan; and
- (d) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

The Board's determinations and actions within its authority under this Plan are conclusive and binding on the Corporation and all other persons. The day-to-day administration of the Plan may be delegated to such officers and employees of the Corporation or of a Subsidiary as the Board determines.

3.2 Delegation to Committee

To the extent permitted by applicable law and the Corporation's articles, the Board may, from time to time, delegate to a committee (the "Committee") of the Board all or any of the powers conferred on the Board under the Plan. In connection with such delegation, the Committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board. Any decision made or action taken by the Committee arising out of or in connection with the administration or interpretation of this Plan in this context is final and conclusive. Notwithstanding any such delegation or any reference to the Committee in this Plan, except for Performance Awards made to Covered Employees, the Board may also take any action and exercise any powers that the Committee is authorized to take or has power to exercise under this Plan. To the extent applicable in respect of certain Awards granted to a Participant who is a Section 16 officer or a Covered Employee, Such Committee shall be solely composed of not less than two directors of the Corporation, each of whom is a "non-employee director" for purposes of Section 16 of the Exchange Act and Rule 16b-3 thereunder and an "outside director" within the meaning of Section 162(m) of the Code.

3.3 Eligibility

All Participants and Director Participants are eligible to participate in the Plan, subject to subsections 6.1(b) and 6.2(g). Eligibility to participate does not confer upon any Participant or Director Participant any right to receive any grant of an Award pursuant to the Plan. The extent to which any Participant or Director Participant is entitled to receive a grant of an Award pursuant to the Plan will be determined in the sole and absolute discretion of the Committee, provided however that the following restrictions shall apply to this Plan, together with all other Security Based Compensation Arrangements of the Corporation:

- (a) the number of Common Shares issuable to Insiders, at any time, under all Security Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Common Shares; and

- (b) the number of Common Shares issued to Insiders, within any one year period, under all Security Based Compensation Arrangements, shall not exceed 10% of issued and outstanding Common Shares; and.
- (c) the number of Common Shares issued to Director Participants, shall not exceed the lesser of: (i) 1% of the issued and outstanding Common Shares; and (ii) an annual Award value of \$150,000 per Director Participant.

If the Corporation repurchases Common Shares for cancellation such that the tests in Section 3.3(a) or (b) are not met following such repurchase, this shall not constitute non-compliance under the Plan for any Awards then outstanding.

3.4 Total Common Shares Available

Subject to adjustment as provided in Article 8, at any time, the aggregate number of Common Shares that may be the subject of or issuable pursuant to Awards shall, together with all other Security Based Compensation Arrangements of the Corporation, :

- (a) not exceed 105% of the total number of issued and outstanding Common Shares at that time on a non-diluted basis, and
- (b) together with all other Security Based Compensation Arrangements of the Corporation, not exceed 10% of the total number of issued and outstanding Common Shares at that time on a non-diluted basis.

No grant may be made under the Plan if such grant would result in the number of Common Shares that are the subject of or issuable pursuant to Awards exceeding the above-noted limitlimits. Subject to applicable law, the requirements of any stock exchange upon which the Common Shares may then be listed and any shareholder or other approval which may be required, the Board may in its discretion amend the Plan to increase such limit without notice to any Participants.

For purposes of computing the total number of Common Shares available for grant under the Plan, Common Shares that were the subject of or issuable pursuant to any Award (or any portion thereof) that has vested or expired or has been forfeited, surrendered, cancelled or otherwise terminated shall again be available for grant under the Plan.

3.5 Award Agreements

All grants of Awards under this Plan will be evidenced by Award Agreements. Award Agreements will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Committee may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, an Award Agreement to each Participant or Director Participant granted an Award pursuant to this Plan.

3.6 Conditions of Grant

Each Participant or Director Participant will, when requested by the Corporation, sign and deliver all such documents relating to the granting or vesting of Awards which the Corporation deems necessary or desirable.

3.7 Non-transferability of Awards

Subject to Section 6.1, Awards granted under this Plan may only be exercised during the lifetime of the Participant or Director Participant by such Participant or Director Participant personally. Subject to Section 6.1, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest in or right to such Awards whatsoever in any assignee or transferee (except that a Participant or Director Participant may transfer Awards to Permitted Assigns) and immediately upon any assignment or transfer, or any attempt to make the

same, such Awards will terminate and be of no further force or effect. If any Participant or Director Participant has transferred Awards to a Permitted Assign that is a corporation pursuant to this Section 3.7, such Awards will terminate and be of no further force or effect if at any time the transferor should cease to own all of the issued shares of such corporation.

3.8 Section 162(m) Award LimitedLimit

Subject to restrictions in Section 3.3 and to adjustment as provided for in Article 8 of the Plan, no Participant may be granted Performance Awards for more than 3,000,000 Common Shares in the aggregate in any calendar year.

Article 4

GRANT OF RESTRICTED SHARE UNITS AND RESTRICTED STOCK

4.1 Grant of RSUs

The Committee may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Committee may prescribe, grant RSUs to any Participant or any Director Participant.

4.2 Terms of RSUs

The Committee shall have the authority to make the receipt of Common Shares under the RSUs conditional upon:

- (a) the expiry of a time-based vesting period;
- (b) the attainment of specified Performance Goals; or
- (c) such other factors (which may vary as between awards of RSUs) as the Committee may determine in its discretion.

In general, the Committee shall, in whole or in part, make the receipt of Common Shares under RSUs conditional upon the attainment of specified Performance Goals.

4.3 Vesting of RSUs

The Committee shall have the authority to determine at the time of grant, in its discretion, the duration of the vesting period and other vesting terms applicable to the grant of RSUs, provided that in all circumstances such vesting period shall be a minimum of one year in duration.

4.4 Shares for RSUs

Upon the expiry of the applicable vesting period of RSUs or at such later date as may be otherwise specified in the relevant Award Agreement (the "Vesting Date"), the Common Shares issuable pursuant to the RSUs shall be registered in the name of the Participant or Director Participant or as the Participant or Director Participant may direct, subject to applicable securities laws, and upon such issuance of Common Shares the RSUs shall be cancelled.

- (a) The actual issuance of the Common Shares shall occur as soon as practicable following or contemporaneously with the applicable Vesting Date specified in the Award Agreement, but in no event later than:
 - (i) 60 days following the Vesting Date for a Participant or Director Participant that is resident in the United States; or
 - (ii) the earlier of (A) 60 days following the Vesting Date and (B) December 31 of the third calendar year following the year of service for which the RSU was granted for a Participant or Director Participant that is resident in Canada.

- (b) Notwithstanding anything in the Plan or an Award Agreement to the contrary, to the extent that any RSU Award Agreement provides for the issuance of Common Shares to a Participant or Director Participant that is resident in the United States as of any date or event that occurs (or could occur) beyond March 15 following the calendar year in which the corresponding RSUs vest (that is, cease to be subject to a substantial risk of forfeiture), such Award Agreement must provide that Common Shares will not be payable to the Participant unless the circumstance giving rise to payment qualifies as a permitted payment event under Section 409A of the Code (e.g., the occurrence of a fixed payment date specified in the Award Agreement, the Participant's separation from service, the Participant's disability, the Participant's death, or a change in ownership or control with respect to the Corporation, as the case may be, as those terms are defined in Section 409A(a)(2)(A) of the Code and applicable final regulations). Any payment that otherwise would be made to a Participant who is a specified employee as defined in Section 409A(a)(2)(B) of the Code on account of separation from service may not be made before the date which is six months after the date of the specified employee's separation from service (or if earlier, upon the specified employee's death) unless the payment or distribution is exempt from the application of Section 409A by reason of paragraph (b) above or otherwise.

4.5 Restricted Stock

The Committee may, from time to time, grant Restricted Stock to any Participant or any Director Participant with the terms and conditions set forth herein and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine. The Committee shall have the authority to make the lapse of restrictions applicable to Restricted Stock conditional upon:

- (a) the expiry of a time-based vesting period;
- (b) the attainment of specified Performance Goals; or
- (c) such other factors (which may vary as between awards of Restricted Stock) as the Committee may determine in its discretion.

In general, the Committee shall, in whole or in part, make the lapse of restrictions applicable to Restricted Stock conditional upon the attainment of specified Performance Goals.

4.6 Vesting of Restricted Stock

The Committee shall have the authority to determine at the time of grant, in its discretion, the duration of the vesting period and other vesting terms applicable to the grant of Restricted Stock, provided that in all circumstances such vesting period shall be a minimum of one year in duration.

4.7 Restrictions on Restricted Stock

Common Shares of Restricted Stock shall be subject to such restrictions as the Committee may impose (including, without limitation, forfeiture conditions, transfer restrictions or a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such instalments or otherwise as the Committee may deem appropriate.

4.8 Share Certificates for Restricted Stock

Any Restricted Stock granted under the Plan shall be evidenced by the issuance of a share certificate or certificates, which shall be held by the Corporation. Such certificate or certificates shall be registered in the name of the Participant or Director Participant and shall bear an appropriate legend referring to the applicable Award Agreement and possible forfeiture of such shares of Restricted Stock.

4.9 Black-out Period

If on its terms an Award would vest during a Black-Out Period, the vesting of such Award shall be deemed to be extended until the first Business Day following the end of the relevant Black-Out Period.

Article 5

PERFORMANCE-BASED COMPENSATION

5.1 Performance Awards

For purposes of Awards granted pursuant to Article 3 or Article 4 which are intended to constitute “qualified performance-based compensation” within the meaning of Section 162(m) of the Code (“Performance Awards”), the following additional rules shall apply:

- (a) For each Performance Award, the Committee shall, not later than 90 days after the beginning of each performance period, (i) designate all Participants for such performance period and (ii) establish the objective performance factors for each Participant for that performance period on the basis of one or more of the Performance Goals, the outcome of which is substantially uncertain at the time the Committee actually establishes the Performance Goal. The Committee shall have sole discretion to determine the amount of any payment or transfer to be made pursuant to any Performance Award. In addition, the Committee shall have the sole discretion to determine the applicable performance period, provided that in the case of a performance period of less than 12 months, in no event shall a Performance Goal be considered to be pre-established if it is established after 25 percent of the performance period (as scheduled in good faith at the time the Performance Goal is established) has elapsed. To the extent required under Section 162(m) of the Code, the terms of the objective performance factors must preclude discretion to increase an amount paid in connection with an Award, but may permit discretion to reduce such amount.
- (b) Following the close of each performance period and prior to payment of any amount to a Participant with respect to a Performance Award, the Committee shall certify in writing as to the attainment of all factors (including the performance factors for a Participant) upon which any payments to a Participant for that performance period are to be based.

Article 6

TERMINATION OF EMPLOYMENT

6.1 Retirement, Death or Disability

If a Participant or Director Participant dies or becomes Disabled while an employee, or officer or director of or consultant to the Corporation or an Affiliate or if the employment or term of office or engagement of a Participant with the Corporation or an Affiliate terminates due to Retirement:

- (a) any Awards held by a Participant or Director Participant that are not yet vested at the Termination Date are immediately forfeited to the Corporation on the Termination Date;
- (b) such Participant’s or Director Participant’s eligibility to receive further grants of Awards under the Plan ceases as of the Termination Date; and
- (c) in the case of death or Disability, any Awards held by a Participant or Director Participant that have vested at the Termination Date will enure to the benefit of the Participant or Director Participant’s heirs, executors and administrators.

6.2 Termination of Employment or Services

- (a) Where a Participant's or Director Participant's employment or term of office or engagement with the Corporation or an Affiliate terminates by reason of the Participant's death, Disability or Retirement or, in the case of a Director Participant, the Director Participant's death or Disability, then the provisions of Section 6.1 will apply.
- (b) Where a Participant's employment or term of office or engagement terminates by reason of a Participant's resignation, then any Awards held by the Participant that are not yet vested at the Termination Date are immediately forfeited to the Corporation on the Termination Date.
- (c) Where a Participant's employment or term of office or engagement terminates by reason of termination by the Corporation or an Affiliate without cause (as determined by the Committee in its discretion) (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then any Awards held by the Participant that are not yet vested at the Termination Date are immediately forfeited to the Corporation on the Termination Date.
- (d) Where a Participant's employment or term of office or engagement is terminated by the Corporation or an Affiliate for cause (as determined by the Committee in its discretion), or, in the case of a Consultant Participant, for breach of contract (as determined by the Committee in its discretion), then any Awards held by the Participant at the Termination Date (whether or not vested) are immediately forfeited to the Corporation on the Termination Date.
- (e) Where a Director Participant's term of office is terminated by the Corporation for breach by the Director Participant of his or her fiduciary duty to the Corporation (as determined by the Committee in its discretion), then any Awards held by the Director Participant at the Termination Date (whether or not vested) are immediately forfeited to the Corporation on the Termination Date.
- (f) Where a Director Participant's term of office terminates for any reason other than death or Disability of the Director Participant or a breach by the Director Participant of his or her fiduciary duty to the Corporation (as determined by the Committee in its discretion), the Committee or the Board may, in its discretion, at any time prior to or following the Termination Date, provide for the vesting of any or all Awards held by a Director Participant on the Termination Date.
- (g) The eligibility of a Participant or Director Participant to receive further grants under the Plan ceases as of the date that the Corporation or an Affiliate, as the case may be, provides the Participant or Director Participant with written notification that the Participant's employment or term of office or engagement, or the Director Participant's term of office, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date.
- (h) Unless the Committee, in its discretion, otherwise determines, at any time and from time to time, Awards are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate, including without limitation a change in the employment arrangement of a Participant whereby such Participant becomes a Director Participant.
- (i) Subject to applicable law and unless the Committee, in its discretion, otherwise determines, at any time and from time to time, Awards are not affected by a change of employment arrangement within or among the Corporation or an Affiliate where the Participant ceases to be an employee and continues as a Consultant Participant of the Corporation or an Affiliate so long as the Participant continues to be a Consultant Participant of the Corporation or an Affiliate.

6.3 Discretion to Accelerate Vesting

Notwithstanding the provisions of Sections 6.1 and 6.2, the Committee may, in its discretion, at any time prior to or following the events contemplated in such Sections, permit the acceleration of vesting of any or all RSU Awards or Restricted Stock Awards, all in the manner and on the terms as may be authorized by the Committee, provided that this Section 6.3 shall not permit the Committee, to use its discretion notwithstanding the provisions of Section 6.1 and 6.2 to accelerate the vesting of any or all RSU Awards or Restricted Awards where there has been a Change of Control. For greater certainty, in the event of a Change of Control the provisions of Section 7.1 shall apply.

Article 7

CHANGE IN CONTROL

7.1 Change in Control

Unless otherwise determined by the Committee or the Board at or after the Date of Grant, notwithstanding Article 6, if a Participant or Director Participant ceases to be employed or engaged by the Corporation or its subsidiaries within 12 months following a Change in Control for any reason other than for cause (as that term is interpreted by the courts of the jurisdictions in which the Participant, Director Participant or the Participant's employer is engaged), voluntary resignation (other than for Good Reason), Retirement, death, or Disability, each Award held by that Participant or Director Participant that is not fully vested on the date at which such person ceases to be employed or engaged by the Corporation or its subsidiaries shall (except to the extent cancelled under Article 8) become free of all restrictions, conditions and limitations and become fully vested.

7.2 Parachute Payments

If a Participant or Director Participant is entitled to receive payments that would qualify as excess "parachute payments" under Section 280G of the Code, those payments shall be reduced by the necessary amount so that the Participant or Director Participant is not subject to excise tax under Section 4999 of the Code if such reduction would result in the Participant or Director Participant receiving a greater after-tax payment.

Article 8

SHARE CAPITAL ADJUSTMENTS

8.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Common Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Section would have an adverse effect on this Plan or on any Award granted hereunder.

8.2 Share Reorganization

Should the Corporation effect a subdivision or consolidation of Common Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust: (a) the number of Common Shares that may be acquired on the vesting of outstanding Awards; and/or (b) the terms of any other Award in order to preserve proportionately the rights and obligations of the Participants or Director Participants holding such Awards (any such event being herein called a "Share Reorganization"), the Board will authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.3 Corporate Reorganization

In the event of a reclassification, amalgamation, combination, arrangement, merger, transaction whereby all or substantially all of the Corporation's undertakings and assets become the property of another Person or other transaction or reorganization involving the Corporation and occurring by exchange of Common Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust: (a) the number of Common Shares that may be acquired on the vesting of outstanding Awards; or (b) the terms of any other Award in order to preserve proportionately the rights and obligations of the Participants or Director Participants holding such Awards (any such event being herein called a "Corporate Reorganization"), the Board will authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.4 Special Distribution

Subject to prior approval of the Exchanges, whenever the Corporation issues by way of a dividend or otherwise distributes to all or substantially all holders of Common Shares:

- (a) shares of the Corporation, other than Common Shares;
- (b) evidence of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options, or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non excluded events being herein called a "Special Distribution"), the Board will authorize such steps to be taken as it may consider to be equitable and appropriate to that end in order to properly reflect any diminution in value of the Common Shares as a result of such Special Distribution.

8.5 Immediate Vesting of Awards

Where the Board determines that the steps provided in Sections 8.2, 8.3 and 8.4 would not preserve proportionately the rights, value and obligations of the Participants or Director Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Board may permit the immediate vesting of any unvested Awards.

8.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 8, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Common Shares that may be acquired as a result of a grant of Awards.

8.7 Fractions

No fractional Common Shares will be issued on the grant or vesting of an Award. Accordingly, if, as a result of any adjustment under Sections 8.2, 8.3, 8.4 and 8.5, a Participant or Director Participant would become entitled to a fractional Common Share, the Participant or Director Participant has the right to acquire only the adjusted number of full Common Shares and no payment or other adjustment will be made with respect to the fractional Common Shares which shall be disregarded.

Article 9

MISCELLANEOUS PROVISIONS

9.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Common Shares or other securities, make any payments or take any other action if, in the opinion of the Board, in its discretion, such action would constitute a violation by a Participant, Director Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any stock exchange upon which the Common Shares may then be listed.

9.2 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate. For greater certainty, all grants of Awards remain valid in accordance with the terms and conditions of this Plan and are not affected by reason only that, at any time, an Affiliate ceases to be an Affiliate.

9.3 Withholding Taxes

The granting or vesting of each Award granted under this Plan is subject to the condition that if at any time the Committee determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities in respect of applicable federal, state, local or foreign employment, social insurance, payroll, income or other tax withholding obligations (the "Withholding Obligations") is necessary or desirable in respect of such grant or vesting, such grant or vesting is not effective unless such withholding has been effected to the satisfaction of the Committee. In such circumstances, the Committee may establish procedures to ensure satisfaction of all applicable Withholding Obligations arising in connection with the Award and Committee shall require that a Participant or Director Participant agrees to:

- (a) make adequate provision for any Withholding Obligations that arise in connection with the Award no later than the date on which any amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate, as the case may be;
- (b) authorize the Corporation, at its sole discretion and subject to any limitations under applicable law, to satisfy any such Withholding Obligations by (i) withholding a portion of the Common Shares otherwise to be issued in payment of the Award, provided, however, that the number of the Common Shares so withheld shall not exceed the number necessary to satisfy the required Withholding Obligations using applicable statutory withholding rates and, if applicable, to avoid adverse accounting treatment under applicable accounting standards and in accordance with such rules as the Corporation may from time to time establish, (ii) withholding from the wages and other cash payable to the Participant or Director Participant or by causing the Participant or Director Participant to tender a cash payment to the Corporation, or (iii) selling on the Participant's or Director Participant's behalf (using any brokerage firm determined acceptable to the Corporation for such purpose) a portion of the Common Shares issued in payment of the Award as the Corporation determines to be appropriate to generate cash proceeds sufficient to satisfy the Withholding Obligations; and
- (c) be responsible for all brokerage fees and other costs of sale and to indemnify and hold the Corporation harmless from any losses, costs, damages or expenses relating to any such sale.

The Corporation may refuse to deliver Common Shares if the Participant fails to comply with the Participant's obligations in connection with the Withholding Obligations described in this Section.

9.4 Rights of Participant

No Participant or Director Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant or Director Participant a right to remain as an employee, or consultant or director of the Corporation or an Affiliate. No Participant or Director Participant has any rights as a shareholder of the Corporation in respect of Common Shares issuable pursuant to any Award until the allotment and issuance to such Participant or Director Participant of such Common Shares.

9.5 Amendment

- (a) Subject to the rules and policies of any stock exchange on which the Common Shares are listed and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend the Plan or a specific Award for the purposes of:
- (i) altering, extending or accelerating the terms of vesting applicable to any Award or group of Awards;
 - (ii) making any amendments to the general vesting provisions of an Award;
 - (iii) changing the termination provisions of an Award, provided the change does not entail an extension beyond the original expiry date of such Award;
 - (iv) accelerating the expiry date of an Award;
 - (v) making any amendments to the provisions set out in Article 6;
 - (vi) making any amendments to add covenants of the Corporation for the protection of Participants or Director Participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants or Director Participants, as the case may be; ;
 - (vii) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants and Director Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant or Director Participant resides, provided that the Board shall be of the opinion that such amendments will not be prejudicial to the rights or interests of the Participants and Director Participants;
 - (viii) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights or interests of the Participants or Director Participants;
 - (ix) making any amendments to the definitions of the Plan;
 - (x) effecting amendments with respect to the administration of the Plan; and
 - (xi) making amendments of a “housekeeping” or ministerial nature.
- (b) Subject to Section 7.1, the Board shall not alter or impair any rights or increase any obligations with respect to an Award previously granted under the Plan without the consent of the Participant or Director Participant, as the case may be.

- (c) Notwithstanding any other provision of this Plan, none of the following amendments shall be made to this Plan without approval of the shareholders:
 - (i) amendments to the Plan which would increase the number of Common Shares issuable under the Plan, otherwise than in accordance with the terms of this Plan;
 - (ii) amendments to the Plan which would increase the number of Common Shares issuable to Insiders, otherwise than in accordance with the terms of this Plan;
 - (iii) amendments to the Plan which would increase the number of Common Shares issuable to Director Participants under the Plan, otherwise than in accordance with the terms of this Plan;
 - (iii) (iv) amendments to this Section 9.5 of the Plan;
 - (iv) (v) the addition of any form of financial assistance to a Participant or Director Participant; and
 - (v) (vi) amendments required to be approved by shareholders under applicable law (including without limitation, pursuant to the rules, regulations and policies of the Exchanges).
- (d) Notwithstanding any other provision of this Plan, none of the following amendments shall be made to this Plan without Disinterested Shareholder Approval:
 - (i) amendments to the Plan that could result at any time in the number of Common Shares reserved for issuance under the Plan to Insiders exceeding 10% of the issued and outstanding Common Shares;
 - (ii) any extension of the term of any Award that has been granted to Insiders, other than an extension of the term of an Award, if an Award vests during a Black-Out-Period; and
 - (iii) amendments requiring Disinterested Shareholder Approval under applicable law (including without limitation, pursuant to the rules, regulations and policies of the Exchanges).

Any amendment that would cause an Award held by a U.S. Taxpayer to fail to comply with Section 409A of the Code shall be null and void ab initio.

9.6 Section 409A of the Code

This Plan will be construed and interpreted to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code and any regulations or guidance under that section. In no event will the Corporation be responsible if Awards under this Plan result in adverse tax consequences to a U.S. Taxpayer under Section 409A of the Code. Notwithstanding any provisions of the Plan to the contrary, in the case of any "specified employee" within the meaning of Section 409A of the Code who is a U.S. Taxpayer, distributions of defined compensation under Section 409A of the Code made in connection with a "separation from service" within the meaning set forth in Section 409A of the Code may not be made prior to the date which is 6 months after the date of separation from service (or, if earlier, the date of death of the U.S. Taxpayer). Any amounts subject to a delay in payment pursuant to the preceding sentence shall be paid as soon as practicable following such 6-month anniversary of such separation from service.

9.7 Requirement of Notification of Election Under Section 83(b) of the Code

If a Participant or Director Participant, in connection with the issuance of Common Shares pursuant to a Restricted Stock Award, is permitted under the terms of the Award Agreement to make the election permitted under Section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code notwithstanding the continuing transfer restrictions) and the Participant or Director Participant makes such an election, the Participant or Director Participant shall notify the Corporation of such election within ten (10) days of filing notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. A Section 83(b) election shall not be permitted with respect to an RSU Award.

9.8 Additional Conditions in Connection with Awards Granted to Participants and Director Participants Residing in Canada

Notwithstanding any other provision of the Plan, the following additional terms, conditions and restrictions apply to Awards granted to Participants and Director Participants residing in Canada:

- (a) **Restricted Share Units.** Restricted Share Units shall be settled in Common Shares, unless the Corporation offers the Participant or Director Participant the right to receive cash in lieu of Common Shares based on the Fair Market Value that such Common Shares would have at the time of settlement, and the Participant or Director Participant, in its discretion, so elects, and any such cash payments shall be paid in accordance with Section 4.4(a) modified as the context requires.
- (b) **Other Awards.** With respect to any other Award granted to a Participant or Director Participant employed in Canada, the Committee shall have the right, but not the obligation, to take account of Canadian income tax considerations in determining the terms and conditions of the Award or any other amendment thereto.

9.9 Indemnification

Every member of the Board will at all times be indemnified and saved harmless by the Corporation from and against all costs, charges and expenses whatsoever including any income tax liability arising from any such indemnification, that such member may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the member, otherwise than by the Corporation, for or in respect of any act done or omitted by the member in respect of this Plan, such costs, charges and expenses to include any amount paid to settle such action, suit or proceeding or in satisfaction of any judgment rendered therein.

9.10 Participation in the Plan

The participation of any Participant or Director Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant or Director Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant or Director Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Common Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Director Participants and they are advised to consult with their own tax advisors.

9.11 Effective Date

This Plan originally became effective on March 8, 2010, subject to shareholder approval. Shareholder approval was obtained on May 3, 2010. This Plan has been amended and restated effective May 6, 2015 and May 2, 2019.

9.12 Governing Law

This Plan is created under and is to be governed, construed and administered in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

SCHEDULE A

Form of RSU Award Agreement

Vista Gold Corp. (the "Corporation") hereby grants the following Award(s) to the Participant or Director Participant named below (herein the "Recipient"), in accordance with and subject to the terms, conditions and restrictions of this Agreement, together with the provisions of the Long Term Equity Incentive Plan (the "Plan") of the Corporation dated May 3, 2010, as amended May 6, 2015:

Name of Recipient:

Date of Grant:

Total Number of RSUs:

Additional terms applicable to such Award:

1. The terms and conditions of the Plan are hereby incorporated by reference as terms and conditions of this Award Agreement and all capitalized terms used herein, unless expressly defined in a different manner, have the meanings ascribed thereto in the Plan.
2. Subject to any acceleration in vesting as provided in the Plan or as otherwise determined in this Award Agreement, the RSUs granted by this Award Agreement shall vest as follows:
 - (a) _____ RSUs on _____;
 - (b) _____ RSUs on _____;
 - (c) _____ RSUs on _____; and
 - (d) _____ RSUs on _____,

provided however that all RSUs for a Participant or Director Participant resident in Canada must vest and be payable by December 31 of the third calendar year following the year of service for which the RSU was granted. If the Recipient's employment or term of office or engagement with the Corporation or an Affiliate terminates prior to the vesting date, then the RSUs that are not yet vested at the Termination Date are immediately forfeited to the Corporation on the Termination Date.

3. As soon as administratively practicable following the Recipient's vesting date under Section 2 hereof, but in no event later than:
 - (a) 60 days following the vesting date for a Participant or Director Participant that is resident in the United States or;
 - (a) the earlier of (A) 60 days following the vesting date and (B) December 31 of the third calendar year following the year of service for which the RSU was granted for a Participant or Director Participant that is resident in Canada,

the Corporation shall issue Common Shares registered in the name of the Recipient. The number of Common Shares issued shall equal the number of RSUs vested, reduced as necessary to cover applicable withholding obligations. Notwithstanding the foregoing, no fractional Common Shares will be issued pursuant to an Award granted hereunder. If, as a result of any adjustment to the number of Common Shares issuable pursuant to an Award granted hereunder pursuant to the Plan, the Recipient would be entitled to receive a fractional Common Share, the Recipient has the right to acquire only the adjusted number of full Common Shares and no payment or other adjustment will be made with respect to the fractional Common Shares so disregarded.

4. RSUs are not actual Common Shares, but rather, represent a right to receive Common Shares according to the terms and conditions set forth herein and the terms of the Plan. Accordingly, the issuance of an RSU shall not entitle the Recipient to any of the rights or benefits generally accorded to stockholders unless and until a Common Share is actually issued under Section 3 hereof.
5. Nothing in the Plan or in this Award Agreement will affect the Corporation's right, or that of an Affiliate, to terminate the employment or term of office or engagement of a Recipient at any time for any reason whatsoever.
6. Each notice relating to the Award must be in writing. All notices to the Corporation must be delivered personally or by prepaid registered mail and must be addressed to the Chief Financial Officer of the Corporation with a copy to the Corporate Secretary of the Corporation. All notices to the Recipient will be addressed to the principal address of the Recipient on file with the Corporation. Either the Corporation or the Recipient may designate a different address by written notice to the other. Such notices are deemed to be received, if delivered personally, on the date of delivery, and if sent by prepaid, registered mail, on the fifth Business Day following the date of mailing. Any notice given by either the Recipient or the Corporation is not binding on the recipient thereof until received.
7. Subject to Section 6.1 of the Plan, no assignment or transfer of an Award, whether voluntary, involuntary, by operation of law or otherwise, vests any interest in or right to such Award whatsoever in any assignee or transferee (except that the Recipient may transfer an Award to Permitted Assigns), and immediately upon any assignment or transfer or any attempt to make such assignment or transfer, the Award granted hereunder terminates and is of no further force or effect. Complete details of this restriction are set out in the Plan.
8. The Recipient hereby agrees to make adequate provision for any sums required to satisfy the applicable federal, state, local or foreign employment, social insurance, payroll, income or other tax withholding obligations (the "Withholding Obligations") that arise in connection with this Award. The Corporation may establish procedures to ensure satisfaction of all applicable Withholding Obligations arising in connection with this Award. The Recipient hereby authorizes the Corporation, at its sole discretion and subject to any limitations under applicable law, to satisfy any such Withholding Obligations by (1) withholding a portion of the Common Shares otherwise to be issued in payment of the RSUs; provided, however, that the number of the Shares so withheld shall not exceed the number necessary to satisfy the required Withholding Obligations using applicable statutory withholding rates and, if applicable, to avoid adverse accounting treatment under applicable accounting standards and in accordance with such rules as the Corporation may from time to time establish; (2) withholding from the wages and other cash payable to the Recipient or by causing the Recipient to tender a cash payment to the Corporation; or (3) selling on the Recipient's behalf (using any brokerage firm determined acceptable to the Corporation for such purpose) a portion of the Common Shares issued in payment of the RSUs as the Corporation determines to be appropriate to generate cash proceeds sufficient to satisfy the Withholding Obligations. The Recipient shall be responsible for all brokerage fees and other costs of sale, and the Recipient further agrees to indemnify and hold the Corporation harmless from any losses, costs, damages or expenses relating to any such sale. The Corporation may refuse to deliver Common Shares if the Recipient fails to comply with the Participant's obligations in connection with the Withholding Obligations described in this paragraph.
9. The Recipient hereby agrees that:
 - (a) any rule, regulation or determination, including the interpretation by the Board of the Plan, with respect to the Award granted hereunder and, if applicable, its exercise, is final and conclusive for all purposes and binding on all persons including the Corporation and the Recipient; and
 - (b) the grant of the Award does not affect in any way the right of the Corporation or any Affiliate to terminate the employment of the Recipient.
10. This Award Agreement has been made in and is to be construed under and in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

4. Nothing in the Plan or in this Award Agreement will affect the Corporation's right, or that of an Affiliate, to terminate the employment or term of office or engagement of a Recipient at any time for any reason whatsoever.
5. Each notice relating to the Award must be in writing. Recipient agrees that each certificate representing unvested Restricted Shares will bear any legend required by law and a legend reading substantially as follows:

The securities represented by this certificate are subject to the provisions of a Restricted Stock Award Agreement dated as of _____, _____. None of the securities represented by this certificate may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance shall be void and unenforceable against the Corporation, and no attempt to transfer the securities, whether voluntary or involuntary, by operation of law or otherwise, shall vest the purported transferee with any interest or right in or with respect to the securities.

7. The Recipient hereby agrees to make adequate provision for any sums required to satisfy the applicable federal, state, local or foreign employment, social insurance, payroll, income or other tax withholding obligations (the "Withholding Obligations") that arise in connection with this Award. The Corporation may establish procedures to ensure satisfaction of all applicable Withholding Obligations arising in connection with this Award. The Recipient hereby authorizes the Corporation, at its sole discretion and subject to any limitations under applicable law, to satisfy any such Withholding Obligations by (1) withholding a portion of the Restricted Shares; provided, however, that the number of the Restricted Shares so withheld shall not exceed the number necessary to satisfy the required Withholding Obligations using applicable statutory withholding rates and, if applicable, to avoid adverse accounting treatment under applicable accounting standards and in accordance with such rules as the Corporation may from time to time establish; (2) withholding from the wages and other cash compensation payable to the Recipient or by causing the Recipient to tender a cash payment to the Corporation; or (3) selling on the Recipient's behalf (using any brokerage firm determined acceptable to the Corporation for such purpose) a portion of the Restricted Shares as the Corporation determines to be appropriate to generate cash proceeds sufficient to satisfy the Withholding Obligations. The Recipient shall be responsible for all brokerage fees and other costs of sale, and the Recipient further agrees to indemnify and hold the Corporation harmless from any losses, costs, damages or expenses relating to any such sale. The Corporation may refuse to release custody of Restricted Shares if the Recipient fails to comply with the Participant's obligations in connection with the Withholding Obligations described in this paragraph.

8. The Recipient hereby agrees that:

- (a) any rule, regulation or determination, including the interpretation by the Board of the Plan, with respect to the Award granted hereunder and, if applicable, its exercise, is final and conclusive for all purposes and binding on all persons including the Corporation and the Recipient; and

- (b) To the extent permitted by applicable law and the Corporation's articles, the Board may, from time to time, delegate to the Committee all or any of the powers of the Board under this Plan. In connection with such delegation, the Committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board. Any decision made or action taken by the Committee arising out of or in connection with the administration or interpretation of this Plan in this context is final, binding and conclusive on the Corporation, the Participants and all other Persons. Such Committee shall be solely composed of not less than two directors of the Corporation, each of whom is a "non-employee director" for purposes of Section 16 of the Exchange Act and Rule 16b-3 thereunder and an "outside director" within the meaning of Section 162(m) of the Code.

3.2 Determination of Value if Common Shares Not Publicly Traded

If the Common Shares are not publicly traded on the Exchanges at the relevant time such that the Distribution Value and/or the Dividend Market Value cannot be determined in accordance with the definitions of those terms, such values shall be determined by the Board acting in good faith.

3.3 Eligibility

Any individual who at the relevant time is an Eligible Director is eligible to participate in this Plan. Eligibility to participate does not confer upon any individual a right to receive an award of Deferred Share Units pursuant to this Plan.

3.4 Exemption from Plan Participation

Notwithstanding any other provision of this Plan, if a Participant is resident in a jurisdiction in which an award of Deferred Share Units under this Plan might be considered to be income which is subject to taxation at the time of such award, the Participant may elect not to participate in this Plan by providing a written notice to the Chief Financial Officer of the Corporation.

3.5 Discretionary Relief

Notwithstanding any other provision hereof, the Board may, in its sole discretion, waive any condition set out herein if it determines that specific individual circumstances warrant such waiver.

ARTICLE 4

DEFERRED SHARE UNITS

4.1 Grant of Deferred Share Units

- (a) The Board may, from time to time in its sole discretion, grant DSUs to Eligible Directors and upon such grant, such Eligible Directors shall become Participants in this Plan. In respect of each grant of DSUs, the Board shall determine:
- (i) the number of DSUs allocated to the Participant; and
 - (ii) such other terms and conditions of the DSUs applicable to each grant.
- (a) The Corporation shall not make any grant of DSU's pursuant to this Plan unless and until such grant or issuance and delivery can be completed in compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities and the requirements of the Exchanges. The Corporation shall be obligated to take all reasonable action to comply with any such laws, regulations, rules, orders or requirements.
- (b) Certificates will not be issued to evidence DSUs. Book entry accounts, to be known as the "Deferred Share Unit Account" shall be maintained by the Corporation for each Participant and will be credited with DSUs granted to a Participant from time to time.
- (c) The term during which a DSU may be outstanding shall, subject to the provisions of this Plan requiring or permitting the acceleration or the extension of the term, be such period as may be determined from time to time by the Board, but subject to the rules of the Exchanges or other regulatory body having jurisdiction.

2.2 Vesting

Deferred Share Units will be fully vested upon being granted and credited to a Participant's Account.

2.3 Payment of Dividends

Subject to the absolute discretion of the Board, in the event that a dividend (other than share dividend) is declared and paid by the Corporation on the Common Shares, a Participant may be credited with additional Deferred Share Units. The number of such additional Deferred Share Units, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the Deferred Share Units in the Participant's account on the dividend record date had been outstanding Common Shares (and the Participant held no other Common Shares), by (b) the Dividend Market Value.

2.4 Limits on Issuances

Notwithstanding any other provision of this Plan:

- (a) the maximum number of Common Shares issuable pursuant to outstanding DSUs at any time shall be limited to 3% of the aggregate number of issued and outstanding Common Shares on a non-diluted basis;
- (b) the maximum number of Common Shares issuable pursuant to outstanding DSUs and all other Security Based Compensation Arrangements, shall not exceed 10% of the Common Shares outstanding from time to time on a non-diluted basis;

- (c) the number of Common Shares issuable to Insiders, at any time, under all Security Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis;
- (d) the number of Common Shares issued to Insiders, within any one year period, under all Security Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Common Shares; and
- (e) the number of Common Shares issued to Eligible Directors shall not exceed the lesser of: (i) 1% of the issued and outstanding Common Shares; and (ii) an annual DSU value of \$150,000 per Eligible Director.

For the purposes of this Section 4.4, any increase in the issued and outstanding Common Shares (whether as a result of the issue of Common Shares pursuant to DSUs or otherwise) will result in an increase in the number of Common Shares that may be issued pursuant to DSUs outstanding at any time. Further, if the acquisition of Common Shares by the Corporation for cancellation should result in the foregoing tests no longer being met, this shall not constitute non-compliance with this Section 4.4 for any awards outstanding prior to such purchase of Common Shares for cancellation.

DSUs that are cancelled, terminated or expire shall result in the Common Shares that were reserved for issuance thereunder being available for a subsequent grant of DSUs pursuant to this Plan to the extent of any Common Shares issuable thereunder that are not issued under such cancelled, terminated or expired DSUs.

Upon Payment Shares being issued in settlement of DSUs, the number of Common Shares reserved for issuance in respect of such DSUs automatically become available to be made the subject of new DSUs, provided that the total number of Common Shares reserved for issuance under this Plan and all other Security Based Compensation Arrangements does not exceed 10% of the issued and outstanding Common Shares of the Corporation.

2.5 Reporting of Deferred Share Units

Statements of the Deferred Share Unit Accounts will be provided to Participants on an annual basis.

2.6 Distribution Date Election

A Participant shall have the right to receive Payment Shares in respect of Deferred Share Units recorded in the Participant's Account in accordance with Section 4.7, on one of the following dates (the "Distribution Date"):

- (a) the Separation Date, if (i) the Participant has resigned at the end of their term on the Board, or (ii) upon death of the Participant;
- (b) 60 days after the Separation Date, if the Participant resigns or is removed from the Board prior to the end of their term on the Board, for any reason; or
- (c) such later date as the Participant may elect by written notice delivered to the Chief Financial Officer of the Corporation prior to the Separation Date, provided that in no event shall a Participant be permitted to elect a date which is later than December 1st of the calendar year following the calendar year in which the Separation Date occurs.

2.7 Distribution of Deferred Share Units in Payment Shares

Deferred Share Units shall be settled by the issuance of Payment Shares as follows:

- (a) The Corporation shall within 10 business days after the Distribution Date issue to the Participant a number of treasury Common Shares equal to the number of Deferred Share Units in the Participant's Account that became payable on the Distribution Date.

- (b) The Corporation shall not be required to issue or cause to be delivered treasury Common Shares or issue or cause to be delivered certificates evidencing Common Shares to be delivered in settlement of any DSUs, unless and until such issuance and delivery can be completed in compliance with the applicable laws, regulations, rules, orders of governmental or regulatory authorities and the requirements of all applicable stock exchanges upon which Common Shares are listed. The Corporation shall be obligated to take all reasonable action, on a timely basis, to comply with any such laws, regulations, rules, orders, or requirements.
- (c) If Common Shares may not be issued pursuant to any DSUs due to any Black Out Period, such Common Share issuance shall occur seven business days following the end of the Black-Out Period.
- (d) No fractional Common Shares shall be issued upon the settlement of DSUs. If a Participant would otherwise become entitled to a fractional Common Share upon the settlement of a DSU, such Participant shall only have the right to receive the next lowest whole number of Common Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

2.8 Death of Participant Prior to Distribution

Upon the death of a Participant prior to the distribution of the Deferred Share Units credited to the Account of such Participant under this Plan, Payment Shares shall be issued or paid to the estate of such Participant on or about the thirtieth (30th) day after the Corporation is notified of the death of the Participant or on a later date elected by the Participant's estate in the form prescribed for such purposes by the Corporation and delivered to the Chief Financial Officer of the Corporation not later than twenty (20) days after the Corporation is notified of the death of the Participant, provided that such elected date is no later than the last business day of the calendar year following the calendar year in which the Participant dies so that payment can be made on or before such last business day. Upon settlement under this Section 4.8 of the Deferred Share Units credited to the Account of a Participant, subject to any Applicable Withholding Amounts, the Deferred Share Units shall be cancelled and no further distributions or payments will be made from this Plan in relation to the Participant.

2.9 Adjustments to Deferred Share Units

In the event: (a) of any change in the Common Shares through share dividend, subdivision, consolidation, reclassification, amalgamation, merger or otherwise; or (b) that any rights are granted to all or substantially all shareholders to purchase Common Shares at prices substantially below Fair Market Value as of the date of grant (other than the payment of dividends in respect of the Common Shares as contemplated by Section 4.3); or (c) that, as a result of any recapitalization, merger, consolidation or other transaction, the Common Shares are converted into or exchangeable for any other securities or property, then the Board may make such adjustments to this Plan, the Account of each Participant, the DSU Agreements and the Deferred Share Units outstanding under this Plan as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of the rights granted to Participants hereunder and/or to provide for the Participants to receive and accept such other securities or property in lieu of Common Shares, and the Participants shall be bound by any such determination.

2.10 U.S. Taxpayers

The rules set forth in Schedule A to this Plan apply to any Participant who is a U.S. Taxpayer (as defined therein) and form a part of this Plan.

2.11 Taxes

- (a) A Participant shall be solely responsible for reporting and paying income tax payable in respect of any Common Shares received by the Participant under this Plan. The Corporation will provide each Participant who is resident in Canada with (or cause each Participant to be provided with) a T4 slip or such information return as may be required by applicable law to report income, if any,

E-7

arising upon the grant or exercise of rights under this Plan by a Participant who is resident in Canada for income tax purposes.

(b) Upon issuance of any Payment Shares to a Participant, the Corporation will require the Participant to first pay to the Corporation, or the Corporation may deduct, the amount equivalent to the minimum amount of taxes and other minimum amounts as the Corporation may be required by law to withhold, as the Corporation determines (the “Applicable Withholding Amounts”), or the Corporation may take such other steps as it considers to be necessary or appropriate, including the sale of Payment Shares on behalf of the Participant, in order to provide to the Corporation the Applicable Withholding Amounts. The Corporation shall advise the Participant in writing of any Applicable Withholding Amounts required in connection with the issue of Common Shares in settlement of Deferred Share Units.

ARTICLE 5

GENERAL

5.1 Amendment, Suspension, or Termination of Plan

- (a) Subject to the rules and policies of the Exchanges and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend this Plan or a specific grant of DSUs under this Plan for the purposes of:
- (i) altering, extending or accelerating the terms of vesting applicable to any grant of DSUs or group of DSU grants under this Plan;
 - (ii) making any amendments to the general vesting provisions of DSUs granted under this Plan;
 - (iii) changing the termination provisions of DSUs granted under this Plan or this Plan itself;
 - (iv) making any amendments to add covenants of the Corporation for the protection of Participants, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants;
 - (v) making any amendments not inconsistent with this Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments will not be prejudicial to the rights or interests of the Participants;
 - (vi) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights or interests of the Participants;
 - (vii) making any amendments to the definitions of this Plan;
 - (viii) effecting amendments with respect to the administration of this Plan; and
 - (ix) making amendments of a “housekeeping” or ministerial nature.
- (b) The Board shall not alter or impair any rights or increase any obligations with respect to DSUs previously granted under this Plan without the consent of the Participant, as the case may be.

- (c) Notwithstanding any other provision of this Plan, none of the following amendments shall be made to this Plan without approval of the shareholders:
- (i) amendments to this Plan to increase the maximum number of Common Shares issuable pursuant to this Plan;
 - (ii) amendments to this Plan to permit the assignment or transfer of a DSU other than as provided for in this Plan;
 - (iii) amendments to this Plan to add to the categories of persons eligible to participate in this Plan;
 - (iv) amendments to this Plan to remove or amend Section 4.4(b) or Section 4.4(c);
 - (v) amendments to this Plan which would increase the number of Common Shares issuable to Eligible Directors under this Plan, otherwise than in accordance with the terms of this Plan;
 - (vi) amendments to this Plan to remove or amend this Section 5.1;
 - (vii) the addition of any form of financial assistance to a Participant; or
 - (viii) amendments to this Plan in any other circumstances where approval by the Exchanges and by the shareholders of the Corporation is required by the Exchanges.
- (d) Notwithstanding any other provision of this Plan, none of the following amendments shall be made to this Plan without disinterested shareholder approval:
- (i) amendments to this Plan that could result at any time in the number of Common Shares reserved for issuance under this Plan to Insiders exceeding 10% of the issued and outstanding Common Shares;
 - (ii) any extension of the term of any grant of DSUs that has been granted to Insiders, other than an extension of the term of a grant of DSUs which vests during a Black Out Period; and
 - (iii) amendments requiring disinterested Shareholder approval under applicable law (including without limitation, pursuant to the rules, regulations and policies of the Exchanges).
- Any amendment that would cause a grant of DSUs held by a U.S. Taxpayer to fail to comply with Section 409A of the Code shall be null and void ab initio.
- (e) Without limitation of Section 5.1, the Board may correct any defect or supply any omission or reconcile any inconsistency in this Plan in the manner and to the extent deemed necessary or desirable, may establish, amend, and rescind any rules and regulations relating to this Plan, and may make such determinations as it deems necessary or desirable for the administration of this Plan.
- (f) If the Board terminates or suspends this Plan, previously credited DSUs will remain outstanding and in effect in accordance with the terms of this Plan. If DSUs remain outstanding after Plan termination or suspension, such DSUs shall not be entitled to any additional Deferred Share Units pursuant to Section 4.3 unless at the time of termination or suspension the Committee determines that the entitlement to such Deferred Share Units after termination or during suspension, as

applicable, should be continued. Subject to the foregoing sentence, if the Board terminates or suspends this Plan, no new Deferred Share Units will be credited to the Account of a Participant.

(g) The Board shall not require the consent of any affected Participant in connection with a termination of this Plan in which Payment Shares are issued to the Participant in respect of all such Deferred Share Units.

5.2 Compliance with Laws

The administration of this Plan shall be subject to and made in conformity with all applicable laws and any applicable regulations of a duly constituted regulatory authority. Should the Board, in its sole discretion, determine that it is not feasible or desirable to carry out a distribution of Deferred Share Units due to such laws or regulations, its obligation shall be satisfied by means of an equivalent cash payment (equivalence being determined on a before-tax basis). If the Board determines that the listing, registration or qualification of the Common Shares subject to this Plan upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body or stock exchange is necessary or desirable, as a condition of, or in connection with, the crediting of DSUs or the issue of Payment Shares hereunder, the Corporation shall be under no obligation to credit DSUs or issue Payment Shares hereunder unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

5.3 Reorganization of the Corporation

The existence of any Deferred Share Units shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Corporation or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Corporation, or any amalgamation, combination, merger or consolidation involving the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under this Plan may be assigned by the Corporation to a successor in the business of the Corporation, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any company acquiring all or substantially all of the assets or business of the Corporation.

5.5 DSUs Non-Transferable

Except as required by law, the rights of a Participant hereunder are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant.

5.6 Participation is Voluntary; No Additional Rights

The participation of any Participant in this Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in this Plan. In particular, participation in this Plan does not constitute a condition of employment or service nor a commitment on the part of the Corporation to ensure the continued employment or service of such Participant. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or continue participation in this Plan or to compensation or damages in lieu of participation, whether upon termination of service as an Eligible Director or otherwise. The Corporation does not assume responsibility for the personal income or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.7 No Common Shareholder Rights

Under no circumstances shall Deferred Share Units be considered Common Shares or other securities of the Corporation, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Common Shares or other securities of the Corporation, nor shall any Participant be considered the owner of Common Shares by virtue of the award of Deferred Share Units.

5.8 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, this Plan shall be unfunded and the Corporation will not secure its obligations under this Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Deferred Share Units under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.

5.9 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under this Plan to compensate for a downward fluctuation in the price of Common Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Corporation makes no representations or warranties to Participants with respect to this Plan or the Common Shares whatsoever. In seeking the benefits of participation a Participant agrees to accept all risks associated with a decline in the market price of Common Shares.

5.10 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer this Plan. Each Participant acknowledges that information required by the Corporation in order to administer this Plan may be disclosed to the Board and other third parties in connection with the administration of this Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

5.11 DSU Agreement

To acquire DSUs, a Participant shall enter into an agreement with the Corporation in substantially the form attached hereto as Schedule B subject to any amendments or additions thereto as may, in the discretion of the Board, be necessary or advisable (the "DSU Agreement"), within such time period and in such manner as specified by the Board. If a DSU Agreement is not entered into within the time and manner specified, the Corporation reserves the right to revoke the crediting of DSUs to the Participant's Account.

5.12 Currency

All amounts paid or values to be determined under this Plan shall be in U.S. dollars.

5.13 Effective Date of the Plan

This Plan becomes effective on a date to be determined by the Board.

5.14 Governing Law

This Plan shall be governed by, and interpreted in accordance with, the laws of the Province of British Columbia and the laws of Canada applicable therein, without regard to principles of conflict of laws.

APPROVED by the Board this 3rd day of March, 2019.

SCHEDULE A

PLAN PROVISIONS APPLICABLE TO U.S. TAXPAYERS

The provisions of this Schedule “A” apply to Deferred Share Units held by a U.S. Taxpayer to the extent such Deferred Share Units are subject to U.S. Taxation. The following provisions apply, notwithstanding anything to the contrary in this Plan. All capitalized terms used in this Schedule “A” and not defined herein, shall have the meaning attributed to them in this Plan.

“Section 409A” means Section 409A of the United States Internal Revenue Code and the regulations and authority promulgated thereunder.

“Separation Date” shall mean the date on which the Participant incurs a “separation from service” within the meaning of Section 409A.

“U.S. Taxpayer” shall mean any person who is a U.S. citizen, U.S. permanent resident, or other person who has been granted or is eligible to be granted a Deferred Share Unit under this Plan that is otherwise subject to U.S. taxation.

Notwithstanding Section 4.6 of this Plan, the following procedure shall be used to determine a Distribution Date for Deferred Share Units that are subject to this Schedule A.

- (a) An Eligible Director who is a U.S. Taxpayer shall have the right to elect, at his or her option, to receive the distribution of all amounts credited to his or her Deferred Share Unit Account on any date (the “Distribution Date”) within the period commencing on his or her Separation Date, and ending on December 1, of the first calendar year following the year in which the Separation Date occurs. Such election shall apply to all future grants of Deferred Share Units made to such U.S. Taxpayer under the Plan, and shall be made by written notice delivered to the Chief Financial Officer of the Corporation, which shall become irrevocable not later than the end of the calendar year prior to the year for which the Deferred Share Units are granted, or if later, within thirty (30) days following the date a U.S. Taxpayer first becomes an Eligible Director. In no case shall such election be permitted after the date of a grant of Deferred Share Units. If no election is timely made, the Distribution Date shall be the Separation Date, subject to clause (b) below.
- (b) Notwithstanding the foregoing, if any U.S. Taxpayer is determined to be a “specified employee” (as determined under Section 409A, in accordance with the Corporation’s policies) at the Separation Date, then the Distribution Date shall not be earlier than the date that is six (6) months following his or her Separation Date.

Notwithstanding Section 4.8 of this Plan or any election by the Participant of a Distribution Date, upon the death of a Participant prior to the distribution of his or her Deferred Share Unit Account, an issuance of Payment Shares shall be issued or paid to the estate of such Participant on the first business day that occurs following 90 days after the Participant’s date of death. No election of an alternative payment date by the estate or beneficiary shall be permitted. Notwithstanding anything to the contrary in this Plan, no consent to an amendment, suspension or termination that adversely affects the Deferred Share Units previously granted to a U.S. Taxpayer under Section 409A shall be required if such amendments are considered by the Committee, on the advice of counsel, to be necessary or desirable in order to avoid adverse U.S. tax consequences to the U.S. Taxpayer. No provision of this Plan or amendment to this Plan may permit the acceleration of payments under this Plan to U.S. Taxpayers contrary to the provisions of Section 409A. In the event of a termination of this Plan, no payments to U.S. Taxpayers shall be made, except on the schedule permitted by Section 409A. All provisions of this Plan shall continue to apply to the U.S. Taxpayer to the extent they have not been specifically modified by this Schedule “A”. In regard to a U.S. Taxpayer, the Committee shall interpret all Plan provisions in a manner that does not cause a violation of Section 409A. Restrictions on Deferred Share Units of Certain Dual Taxpayers. This Section 4 shall only apply in respect of Deferred Share Units of a U.S. Taxpayer if, at the time a payment in respect of the DSUs is required to be made under this Plan, the U.S. Taxpayer would be liable

to tax in respect of such payment, if made as otherwise provided, under the Income Tax Act (Canada) and the Income Tax Regulations made thereunder (in this Section 4 referred to as the "Canadian Tax Rules"). If a payment in respect of DSUs of a U.S. Taxpayer is otherwise required to be made at any time, but for this Section 5 and such payment would, if made, comply with Section 409A but would violate the Canadian Tax Rules, then, notwithstanding any other provision of this Plan and this Schedule A, unless the Committee determines that payment in respect of the DSUs can be made in some other manner and at such other time in compliance with Section 409A without violating the Canadian Tax Rules, such payment shall be made to a trustee to be held in trust for the benefit of the U.S. Taxpayer in a manner that causes the payment to be included in the U.S. Taxpayer's income under the Code and does not violate the Canadian Tax Rules, and amounts shall thereafter be paid out of the trust for the benefit of the U.S. Taxpayer at such time and in such manner as complies with the requirements of the Canadian Tax Rules. SCHEDULE B DEFERRED SHARE UNIT AGREEMENT This Deferred Share Unit Agreement is entered into between Vista Gold Corp. (the "Corporation") and the Eligible Director named below pursuant to the Corporation's Deferred Share Unit Plan (the "Plan") and it is agreed by and between the parties hereto as follows:

2. The Corporation hereby grants to the Eligible Director, _____ Deferred Share Units on the terms and subject to the conditions set out herein and in the Plan;

 - (c) agrees to be bound by the terms and conditions of the Plan, as the same may be amended, modified, terminated or otherwise changed, in whole or in part pursuant to the terms of the Plan.
