Item 8.01 Other Events.

On July 13, 2011, the Company filed a Form 8-K reporting that it had issued a press release relating to its earnings release for the three months ended May 31, 2011 and that it had held a conference call on July 12, 2011 to discuss its financial results for the three months ended May 31, 2011. The Company filed a transcript of that conference call as Exhibit 99.2 to its July 13, 2011 Form 8-K filing.

The Company is filing this Form 8-K to update one statement made on the conference call and set forth in the transcript regarding the shipment of the Company's first Android rear entertainment system to Bentley in December. Audiovox Corporation, through Audiovox Incaar Systems, has been selected as an OEM supplier to Bentley for its rear seat entertainment solution as noted on the conference call and in the transcript. The Company today provided more clarity around the business relationship and scheduled product launch. The system that Audiovox Incaar Systems will deliver to Bentley in December will be a DVD-based system that has been developed specifically for Bentley as part of Bentley's re-sourcing program for its current rear-seat entertainment system.

The information furnished under Item 8.01 shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
