PROXY STATEMENT

2006 Annual Meeting of Stockholders

May 23, 2006

This Proxy Statement and accompanying proxy card are being furnished to the holders of common and preferred stock of Clarion Technologies, Inc., in connection with the solicitation by the Board of Directors of proxies to be used at the 2006 Annual Meeting of Stockholders. The Annual Meeting will be held on May 23, 2006, at 9:00 a.m., local time, at 501 Cedar St., Greenville, Michigan 48838.

SOLICITATION OF PROXIES

As an owner of the Company, you are entitled to vote on matters scheduled to come before the Annual Meeting. The use of proxies allows a stockholder of the Company to be represented at the Annual Meeting if he or she is unable to attend the meeting in person. The proxy card accompanying this Proxy Statement is to be used for that purpose.

If the proxy card is properly executed and returned, your shares represented by the proxy will be voted at the Annual Meeting and at any adjournment of that meeting. Where you specify a choice, the proxy will be voted as specified. If no choice is specified, the shares represented by the proxy will be voted **FOR** the election of all nominees named in the proxy. A proxy may be revoked prior to its exercise by (1) delivering a written notice of revocation to our Secretary, (2) executing a proxy of a later date, or (3) attending the meeting and voting in person. However, attendance at the meeting does not automatically serve to revoke your proxy.

On April 3, 2006, the record date of the meeting, there were 45,406,367 shares of our common stock, 38,570 shares of our Series A Convertible Preferred Stock, and 1,950,250 shares of our Series B Convertible Preferred Stock outstanding. Each outstanding share of common stock entitles the holder to one vote per share; each outstanding share of Series A Preferred Stock currently entitles the holder to 571.429 votes per share; and each outstanding share of Series B Preferred Stock currently entitles the holder to 5.714 votes per share. The presence in person or by proxy of at least a majority of these shares constitutes a quorum.

Under Delaware law, abstentions are treated as present and entitled to vote and therefore have the effect of a vote against a matter. A broker non-vote on a matter is considered not entitled to vote on that matter; therefore, it is not counted in determining whether a matter requiring approval of a majority of shares present and entitled to vote has been approved. Votes cast at the meeting or submitted by proxy will be counted by inspectors of the meeting who will be appointed by us. We bear all costs for the solicitation of proxies.

ELECTION OF DIRECTORS

Our Board of Directors has nominated the following persons for election as directors, each to serve until the 2007 annual meeting: Kenneth La Grand, Steven W. Olmstead, Jack D. Rutherford, Frederick A. Sotok, Frank T. Steck, Anthony Wauterlek and Craig A. Wierda. Edgar Filing: CLARION TECHNOLOGIES INC/DE/ - Form DEF 14A

This Proxy Statement contains more information about the nominees below. Unless otherwise directed by your proxy, the persons named as proxy voters in the accompanying proxy will vote for the nominees named above. If any of the nominees become unavailable, which is not anticipated, the Board of Directors, at its discretion, may designate substitute nominees, in which event the enclosed proxy will be voted for those substituted nominees. Proxies cannot be voted for a greater number of persons than the number of nominees named.

A plurality of the votes cast at the meeting is required to elect the nominees as directors. Accordingly, the seven persons who receive the largest number of votes cast at the meeting will be elected as directors. There is no right to cumulative voting as to any matter, including the election of directors.

Independence of Directors and Attendance at Meetings

Our Board of Directors is composed of a majority of independent directors as such term is defined in Marketplace Rule 4200(a)(15) of National Association of Securities Dealers (the NASD). During the fiscal year ended December 31, 2005, the Board held a total of four (4) meetings. Various committees of the Board held meetings as needed. Each director attended at least seventy-five percent (75%) of the total meetings of the Boards of Directors and meetings of the committees on which he served. The Company encourages all members of the Board to attend all meetings of the Board, applicable committee meetings and our annual meeting of stockholders each year. Each member of our Board attended our 2005 annual meeting of stockholders.

Board and Committees

Our Board of Directors is committed to sound and effective corporate governance practices. To assist in its governance, the Board has appointed four standing committees: the Executive Committee, the Executive Compensation Committee, the Nominating and Corporate Governance Committee, and the Audit Committee. Each of these committees, other than the Executive Committee, has a written charter which directs and governs its respective actions.

Executive Committee. The Executive Committee is comprised of Craig Wierda and Steve Olmstead. The Executive Committee acts from time to time on behalf of the Board in managing our business and affairs (except as limited by law or the Company's Bylaws), and is delegated certain assignments and functions by the Board of Directors. This Committee did not meet during the last fiscal year.

Executive Compensation Committee. The Executive Compensation Committee is comprised of Steven Olmstead, Frank Steck and Craig Wierda. The Executive Compensation Committee recommends to the Board the annual executive incentive plan, the grant of employee stock options, and the annual remuneration of our Chairman and Chief Executive Officer, and acts as the administrative committee for our employee stock option and long term incentive plans. The Committee did not meet during the last fiscal year.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Anthony Wauterlek, Kenneth La Grand and Jack Rutherford, and each member of the Nominating and Corporate Governance Committee is independent as that term is defined by Rule 4200(a)(15) of the NASD. The Nominating and Corporate Governance Committee considers and proposes director nominees for election at the Annual Meeting, selects candidates to fill Board vacancies as they may occur, makes recommendations to the Board regarding Board committee memberships, generally monitors the Company's corporate governance system; and performs any other functions or duties deemed appropriate by the Board.

Edgar Filing: CLARION TECHNOLOGIES INC/DE/ - Form DEF 14A

The Nominating and Corporate Governance Committee will accept for consideration stockholders' nominations for directors if made in writing. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Committee to make proper assessments as to his or her qualifications. Nominations must be addressed to the Chairman of the Nominating and Corporate Governance Committee at the Company's headquarters and must be received no later than the 30th day prior to the Annual Meeting in order to be considered for the next annual election of directors. The Nominating and Corporate Governance Committee may also make its own search for potential candidates that may include candidates identified directly by a variety of means as deemed appropriate by the Committee.

The Nominating and Corporate Governance Committee has not established specific minimum age, education, years of business experience or specific types of skills for potential candidates, but, in general, expects qualified candidates will have ample experience and a proven record of business success and leadership. In general, the Committee requires that each member of the Board of Directors will have the highest personal and professional ethics, integrity and values; will consistently exercise sound and objective business judgment; and will have a comfort with diversity in its broadest sense. In addition, it is anticipated that the Board as a whole will have individuals with significant appropriate senior management and leadership experience, a comfort with technology, a long-term and strategic perspective, the ability to advance constructive debate and a global perspective. It will be important for the Board as a whole to operate in an atmosphere where the chemistry of the individuals is a key element.

Upon receipt of a stockholder proposed candidate, the Chairman of the Nominating and Corporate Governance Committee assesses the Board's needs, primarily whether or not there is a current or pending vacancy or a possible need to fulfill by adding or replacing a director, and then develops a director profile by comparing the current state of Board characteristics with the desired state and the candidate's qualifications. The profile and the candidate's submitted information are provided to the Chairman of the Board for discussion. Following this discussion, the profile and the candidates' materials are forwarded to all Nominating and Corporate Governance Committee members and consideration of the candidate is added as an agenda item for the next Committee meeting.

Similarly, if at any time the Nominating and Corporate Governance Committee or the Board determines there may be a need to add or replace a director, the Nominating and Corporate Governance Committee Chairman and Chairman of the Board develop a Director profile by comparing the current state of Board characteristics with the desired state. If no candidates are apparent from any source, the Committee will determine the appropriate method to conduct a search.

The Committee has, to date, not paid any third party fee to assist in identifying and evaluating nominees. The Committee has not received any recommended nominations from any of the Company's stockholders in connection with this year's Annual Meeting. The nominees that are standing for election as directors at the 2006 Annual Meeting are incumbent directors nominated by Committee.

During 2005, the Nominating and Corporate Governance Committee did not meet.

Audit Committee. The Audit Committee is comprised of Kenneth La Grand, Fred Sotok and Anthony Wauterlek. Each member of the Audit Committee is independent as that term is defined by Rule 4200(a)(15) of the NASD as well as the applicable rules of the Securities and Exchange Commission for audit committee membership. The Board of Directors has determined that Mr. La Grand qualifies as the audit committee financial expert as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934 (the Exchange Act). In general, the primary purpose of this Committee is to assist the Board in overseeing management's conduct of the Company's financial reporting processes and its system of internal controls regarding finance, accounting, legal compliance and ethics. The Audit Committee recommends to the Board of Directors the selection of independent auditors and reviews the scope of their audit, their audit reports, and any recommendations made by them. The committee pre-approves the services and fees paid for audit and nonaudit services by the independent auditors under the Committee's Policy Regarding the Approval of Audit and Nonaudit Services Provided by the Independent Auditor. The Committee also reviews and recommends to the Board issues concerning the Company's capital expenditures and other related financial matters. The Committee met three (3) times during the last fiscal year. The charter of the Audit Committee is attached as Appendix A to this Proxy Statement.

Audit Committee Report

In connection with the year ended December 31, 2005, the Audit Committee submitted to the Board the following report:

1. The Audit Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2005.
2. The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.
3. The Audit Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussion with Audit Committees, as amended, and have discussed with the auditors the auditors' independence.

Based upon the reviews and discussions referred to above, the Audit Committee recommends to the Board of Directors that it include the financial statements referred to above in the Company's Form 10-K for the year ended December 31, 2005.

Kenneth La Grand, Committee Chair

Fred Sotok, Committee Member

Anthony Wauterlek, Committee Member

Compensation of Directors

Each calendar year, our directors are granted options for the purchase of our common stock. The options are granted quarterly, pro rata, as of the end of each quarter. The option exercise price is required to equal the market value of our common stock on the date of grant. Each option is exercisable for 10 years following the date of grant and vests on the first anniversary of the grant date. In addition, we reimburse directors for out of pocket expenses incurred to attend board and committee meetings. For fiscal year 2005, we granted our directors options to acquire a total of 105,000 shares of our common stock.

Each of our directors is paid approximately \$14,300 annually for his service on the Board of Directors. The directors have determined to defer these cash payments. Accordingly, we accrue that amount each year.

In addition, we made a lump sum payment to our Board Chair, Craig Wierda, in the amount of \$150,000 for services rendered as Board Chair during fiscal 2004. During fiscal 2005, Mr. Wierda deferred monthly payments of \$12,500 for services provided in fiscal 2005 as Board Chair. Accordingly, we have accrued \$150,000 relating to fiscal 2005 services.

Committee Report on Executive Compensation

The Executive Compensation Committee of our Board has furnished the following report on executive compensation:

The Executive Compensation Committee adheres to the compensation policies and practices of the Company utilized in establishing the compensation of all employees. This is reflective of the Company's commitment to the participative management process and the resulting emphasis on the collective efforts and achievements of all employees of the Company.

Compensation Philosophy. Our approach to compensation is to further our goal of empowering our employees, working individually and as a team, to achieve personal and collective goals. Our compensation policies are intended to reward the achievement of annual and long-term goals, both personal and corporate, as well as to encourage future excellent performance.

Compensation Policies and Programs. For fiscal year 2005, our compensation programs consisted of cash compensation only. Each year, we utilize external wage surveys to determine the total compensation levels of employees performing roles with organizations of similar size and like function. These pay ranges are then used to establish a base compensation. Compensation for the President, our chief executive officer, is arrived at using the same methodology as for other senior employees. As a result of the Company's performance in 2005, no bonuses were paid to any executive officer.

We believe stock options and stock ownership contribute to the aligning of employee's interests with those of stockholders. Our stock option plans encourage stock ownership by employees by authorizing the grant of stock options to certain key employees. In determining the size of individual option grants, the Committee evaluates each employee's job responsibilities, competitive market practices, as well as the anticipated potential that individual has in contributing to our success. During fiscal year 2005, however, we did not issue options to any executive officers.

We also encourage stock ownership through participation in our Employees' Stock Purchase Plan (ESPP). In June 2000, the Company's shareholders approved the noncompensatory ESPP whereby 400,000 shares of common stock were reserved for purchase by eligible employees through a payroll deduction program. The purchase price of the stock is 85% of the average closing price of the last 30 trading days of the respective quarter. Through the first quarter of fiscal 2005, the ESPP had issued 392,366 shares of common stock and therefore did not have enough shares remaining to cover additional quarterly purchases. Shareholder approval is required to authorize additional shares for the ESPP. To date, the Board of Directors has not requested the required shareholder approval to authorize additional shares for the ESPP. However, the Company's Management and Board of Directors will periodically evaluate the merits of seeking shareholder approval to authorize the issuance of additional shares under the ESPP. The plan expires on June 30, 2010.

The Committee will review the limitations on the deductibility for certain compensation paid to Executive Officers whose annual compensation exceeds \$1,000,000 as imposed by § 162(m) of the Internal Revenue Code. To date, no officer has exceeded that level.

The Reports of the Audit Committee and the Executive Compensation Committee shall not be deemed incorporated by reference in any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be filed under such Acts.

Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers

The Company has adopted a Code of Business Conduct and Ethics that applies to our employees, officers and directors. We have also adopted a Code of Ethics for Senior Financial Officers (including the Company's principal executive officer, principal financial officer and controller). Each Code can be obtained free of charge by sending a request to the Company's Corporate Secretary at 38 West Fulton Street, Suite 300, Grand Rapids, Michigan 49503. Any changes or waivers to either Code for the Company's principal executive officer, principal financial officer, controller or persons performing similar functions, will be disclosed on the Company's website.

Communication with the Company's Board of Directors

Generally, stockholders who have questions or concerns regarding the Company should contact our Investor Relations department at 616-233-6680. However, any stockholders who wish to address questions regarding the business or affairs of the Company directly with the Board of Directors, or any individual director, should direct his or her questions in writing to the Secretary of the Board at 38 West Fulton Street, Suite 300, Grand Rapids, Michigan 49503. The Secretary has been directed to promptly forward all communications to the full Board or the specific director indicated in the letter.

EMPLOYMENT AND SEVERANCE AGREEMENTS

Mr. Beckman entered into an Employment Agreement with us and Clarion Plastics Technologies, Inc., effective March 1, 1999, as amended as of August 1, 2003. The Employment Agreement provides for (a) a base salary of \$285,000 per annum and (b) certain employee benefits. The Employment Agreement has a term of six years commencing February 1, 1999, and will be automatically renewed for successive one-year terms unless terminated by either party.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

On October 1, 1999, we acquired Double J Molding, Inc. (Double J). We issued 850,000 shares of our common stock to the sellers of Double J, which included William Maatman. Of the 850,000 shares issued for the acquisition, 425,000 shares (Put Shares) are subject to the terms of stock put agreements (Put Agreements) with the sellers which require us to purchase some or all of the Put Shares from the holders at a price of \$6.00 per share. Our maximum potential repurchase obligation is \$2,550,000. The Put Agreements, which had provided that the outstanding put options were to expire on November 15, 2004, were, by agreement of the parties, extended effective October, 2004, providing for an expiration date of June 15, 2007. Concurrent with the issuance of these stock put options, we entered into a stock put agreement with Craig Wierda, a member of the Board of Directors, which requires that Mr. Wierda purchase a number of shares of our common stock equal to the product of: (i) the aggregate purchase price paid by us for the Put Shares, divided by the lesser of (ii) the price of our common stock on the date we receive notice of our obligation to perform under the Put Agreements, or (iii) \$6.00.

In December 2002, we settled litigation filed by the former owners of Drake Products Corporation (now known as A&M Holdings, Inc.), the assets of which we acquired in February of fiscal 2000. To effect the settlement, William Blair Mezzanine Capital Fund III, LP (Blair) and Mr. Wierda, purchased certain of our debt and related interest owed to A&M. The purchased notes and related accrued interest were replaced with two new subordinated promissory notes (Settlement Notes), each in the principal amount of \$1,379,000. These Settlement Notes bear interest at 18% and are due June 30, 2007. In September 2003, Blair and Mr. Wierda transferred \$136,000 in principal amount of these notes to Thomas Wallace, formerly an officer of the Company. The settlement also included a provision requiring the Company to issue a total of 800 shares of Series A Convertible Preferred Stock to the holders of the Settlement Notes because they were not paid in full by September 2, 2003; accordingly, the Company issued these preferred shares pro rata and recognized expense of \$368,000.

Edgar Filing: CLARION TECHNOLOGIES INC/DE/ - Form DEF 14A

During fiscal years 2005, 2004 and 2003, we paid Mr. Olmstead \$35,468, \$16,313, and \$102,500, respectively, for consulting services relating to our financial restructuring.

Based solely upon review of the copies of such Reports furnished to us, and/or written representations from the individuals required to file the reports, all Section 16(a) filing requirements applicable to the reporting persons were complied with, except for the following inadvertent late reports: Mr. Rutherford filed four late reports representing four transactions; Mr. Steck filed two late reports representing three transactions; Mr. Wierda filed two late reports representing five transactions; Mr. La Grand filed one late report representing one transaction; Mr. Olmstead filed one late report representing one transaction; Mr. Sotok filed one late report representing one transaction; and Mr. Wauterlek filed one late report representing one transaction. In each situation noted above, the failure to file a timely report was inadvertent and promptly corrected upon discovery.

The representatives of BDO will have the opportunity to make a statement if they so desire. Upon the recommendation of the Audit Committee, the Company has selected BDO to serve as the Company's independent public accountants for fiscal year 2007.

Representatives of BDO will be present at the annual meeting with the opportunity to make a statement if they desire and will be available to respond to questions following the conclusion of the meeting.

Audit Committee Pre-Approval Policy

The Audit Committee has established a pre-approval policy and procedures for audit, audit-related and tax services that can be performed by the auditors. The policy sets out the specific services that must be pre-approved by the Audit Committee and the applicable limitations, while ensuring the independence of the auditors to audit the Company's financial statements is not impaired. The pre-approval policy does not include a delegation of the Audit Committee responsibilities under the Exchange Act to management.

OTHER BUSINESS

At the date of this Proxy Statement, we have no knowledge of any business other than that described above that will be presented at the Annual Meeting. If any other business should properly be brought before the Annual Meeting and any adjournments or postponements of the meeting, the Proxies will be voted in the discretion of the proxy holders.

STOCKHOLDER PROPOSALS-2007 ANNUAL MEETING

Any stockholder proposal intended to be presented at our next annual meeting must be received by us at 38 West Fulton, Suite 300, Grand Rapids, Michigan 49503, not later than December 31, 2006, if you wish the proposal to be included in our proxy materials relating to the annual meeting of stockholders in 2007. Also, if we receive notice of a stockholder proposal after March 17, 2006, the persons named as proxies for the 2007 Annual Meeting of Stockholders will have discretionary voting authority to vote on that proposal at that meeting.

In addition, our Bylaws contain certain notice and procedural requirements applicable to director nominations and stockholder proposals, irrespective of whether the proposal is to be included in our proxy materials. A copy of our Bylaws has been filed with the Securities and Exchange Commission and can be obtained from the Public Reference Section of the Commission or from us.

MISCELLANEOUS

We pay the cost of the annual meeting and the cost of soliciting proxies. In addition to soliciting proxies by mail, proxies may be solicited personally or by telephone or telegraph by a few of our employees. No director, officer or employee will be specially compensated for these activities. We also intend to request that brokers, banks and other nominees solicit proxies from their principals and will reimburse the brokers, banks and other nominees for their expenses in sending proxy materials to the principals and obtaining their proxies.

Under SEC rules, a single set of annual reports and proxy statements may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. Only one annual report and one proxy statement will be sent to certain stockholders who shared a single address unless any stockholder at that address requested that multiple sets of documents be sent. However, if any stockholder who agreed to householding wishes to receive a separate 2005 annual report or proxy statement or in the future, he or she may telephone the Investor Relations department at 616-233-6680 or write to the Investor Relations at 38 West Fulton Street, Suite 300, Grand Rapids, Michigan 49503. Stockholders sharing an address who wish to receive a single set of reports may do so by contacting the Investor Relations department at the telephone number or address listed above.

Our Annual Report on Form 10-K for the year ended December 31, 2005, including financial statements, is being mailed to stockholders with this proxy statement.

Stockholders are urged to date and sign the enclosed proxy and return it promptly to us in the enclosed envelope.

By Order of the Board of Directors,

/s/ William Beckman
