ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 14, 2004**

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Arrhythmia Research Technology, Inc., a Delaware corporation ("**Arrhythmia**" or the "**Company**"), for use at the Annual Meeting of Arrhythmia stockholders to be held at Four Points Sheraton, 99 Erdman Way, Leominster, Massachusetts, on Friday, May 14, 2004 at 10:00 a.m., local time, and at any adjournments or postponements of the Annual Meeting. This proxy statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card using the envelope provided.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. The election of the nominee for Class III director identified below to serve for three years;
2. The ratification of the appointment of BDO Seidman, LLP as the Company's independent certified public accountants for the year ending December 31, 2004; and
3. Transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting

Our Board of Directors has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote in favor of each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

We will send this proxy statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about April 20, 2004 to all stockholders of the Company. Stockholders who owned shares of Arrhythmia voting stock at the close of business on April 5, 2004 (the "**Record Date**") are entitled to vote at the Annual Meeting in all matters properly brought before the Annual Meeting.

On the Record Date, the Company had 2,638,573 shares of issued and outstanding common stock, par value \$0.01 per share ("**Common Stock**").

HOW MANY VOTES DO I HAVE?

Each share of Common Stock is entitled to one vote on each matter presented at the Annual Meeting.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present on May 14, 2004. The presence in person or by proxy of a majority of the voting power of outstanding shares of capital stock of the Company as of the Record Date will constitute a quorum and is required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Edgar Filing: ARRHYTHMIA RESEARCH TECHNOLOGY INC /DE/ - Form DEF 14A

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

1. **FOR** the nominee for Class III director identified below; and
2. **FOR** the ratification of the appointment of BDO Seidman, LLP as the Company's independent certified public accountants for the year ending December 31, 2004

If any other matters are presented, your proxy will vote in accordance with his best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

HOW DO I VOTE IN PERSON?

If you plan to attend the Annual Meeting and vote in person on May 14, 2004, or at a later date if the meeting is adjourned or postponed to a later date, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

1. You may send in another proxy with a later date.
2. You may notify Arrhythmia in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting, that you are revoking your proxy.
3. You may vote in person at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Director.

A plurality of the eligible votes cast is required to elect the director nominee. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat.

Proposal 2: Ratification of Independent Accountants.

The approval of Proposal 2 requires the affirmative vote of a majority of all of the votes cast at the Annual Meeting, in person or by proxy.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

The Board of Directors is not proposing any action for which the laws of the State of Delaware, the Certificate of Incorporation or the By-Laws of Arrhythmia provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

Arrhythmia will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution.

WHERE ARE ARRHYTHMIA'S PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of Arrhythmia are located at 25 Sawyer Passway, Fitchburg, Massachusetts and our telephone number is (978) 345-5000.

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Company by the independent auditor. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by the independent auditor. Such policies and procedures provide that management and the independent auditor shall jointly submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the Annual Plan for each fiscal year. In addition, the policies and procedures provide that the Audit Committee may also pre-approve particular services not in the Annual Plan on a case-by-case basis. Management must provide a detailed description of each proposed service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management and the independent auditor to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

As permitted under the Sarbanes-Oxley Act of 2002, the Audit Committee may delegate pre-approval authority to one or more of its members, for audit and non-audit services to a subcommittee consisting of one or more members of the Audit Committee. Any service pre-approved by a delegatee must be reported to the Audit Committee at the next scheduled quarterly meeting.

Nominees to the Board of Directors

Paul F. Walter, M.D. is the Board of Director's nominee for re-election as a Class III director to the Board of Directors to serve for a three year term expiring at the 2007 Annual Meeting. See Information about Directors and Executive Officers above for information relative to their respective business experience.

The Company's Nominating and Corporate Governance Committee, as described below, identifies new director candidates through recommendations from members of the Committee, other Board members and executive officers of the Company and will consider candidates who are recommended by security holders, as described below. The Committee and the Board will consider such factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

Security holders who want to recommend to the Committee a candidate for director may do so by submitting to the Company's Secretary in writing biographical information about the candidate, a description of the candidate's qualifications and the candidate's consent to the recommendation. If the candidate is to be considered for nomination at the next Annual Meeting of stockholders, the submission must be received by the date and in accordance with the procedures described under Stockholder Proposals and Submissions.

The Committee will evaluate new director candidates in view of the criteria described above, as well as other factors the Committee deems to be relevant, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments. The Committee will evaluate any director candidates recommended by security holders under the same process. In determining whether to recommend to the Board the

nomination of a director who is a member of the Board, the Committee will review the Board performance of such director and solicit feedback about the director from other Board members.

Communicating with the Board

The Board desires to foster open communications with its security holders regarding issues of a legitimate business purpose affecting the Company. Each Board member is willing to accept correspondence. Communications from shareholders should be in the form of written correspondence and sent via registered mail or overnight delivery to the Company's corporate office, care of the Secretary. Electronic submissions of security holder correspondence will not be accepted. The correspondence shall include supporting documentation evidencing the security holder's stock or other holdings in the Company. The Secretary shall pass on any such communication, other than a solicitation for a product or service or a request for copies of reports filed with the Commission, to the appropriate Board member. Any security holder correspondence addressed generically to the Board of Directors will be forwarded to the Chairman of the Board.

Compensation Committee Report on Executive Compensation

The following report of the Compensation Committee (the "Committee") is not soliciting materials and as such is not deemed filed with the SEC nor incorporated by reference in any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in any such filing.

The Compensation Committee is responsible for establishing and reviewing the Company's executive compensation policies, advising the full Board of Directors on all compensation matters and administering the Company's Stock Option Plan and administered the 2003 Stock Bonus Plan. In 2003 the Committee was comprised of Dr. Russell C. Chambers and Dr. Paul F. Walter.

All decisions of the Committee relating to compensation of the President and Executive Officer are reviewed and approved by the other non-employee Directors.

Compensation Policy

The Company's executive compensation policies are designed to foster the Company's business goals of achieving profitable growth and premium returns to stockholders. The principal objectives of these policies are as follows: (1) to attract, motivate and retain executives of outstanding ability and character; (2) to provide rewards that are closely related to the performance of the Company and the individual executive by placing a portion of compensation at risk; and (3) to align the interests of executives and stockholders through long-term, equity-based incentives and programs to encourage and reward stock ownership.

This report discusses the manner in which base salaries, short-term incentive compensation and long-term, equity-based incentives for the Company's executive officers, including the Company's President and Executive Officer, were determined for the 2003 fiscal year.

Executive Compensation

The key components of executive compensation are base salary, short-term incentive compensation and long-term, equity-based incentives. Base salaries are generally targeted to be competitive with the salaries paid at other companies of similar size and complexity within and outside the medical device manufacturing industries.

Base Salary. Salary level targets are established so that the Company can attract and retain the most qualified employees. In determining an executive officer's salary, the Compensation Committee considers, but does not assign specific weights to, the following factors: internal factors involving the executive's level of responsibility, experience, individual performance, and equity issues relating to pay for other Company executives, as well as external factors involving competitive positioning, overall corporate performance, and general economic conditions. No specific formula is applied to determine the weight of each factor.

Incentive Compensation Program. The Company maintains an incentive compensation program for substantially all officers and executives designed to reward such individuals for their contributions to corporate and individual objectives. In the past, the programs have provided additional compensation based on performance and profits of those operations for which the various executives have responsibility.

Long-Term Incentive Compensation. The Company also grants stock options and other equity incentives under the Stock Option Plan in order to link compensation to the Company's long-term growth and performance and to increase Stockholder value. The Committee has broad discretion to establish the terms of such grants to eligible employees of the Company and its subsidiaries. It grants awards to designated employees upon commencement of employment or following a significant change in an employee's responsibility or title. Awards are based on guidelines relating to the employee's position in the Company that are set by the Committee, as well as the employee's current performance and anticipated future contributions. The Committee also considers the amount and terms of stock options previously granted to each of the employees. The Committee individually evaluates these factors with respect to each executive and then the Committee reaches a consensus on the appropriate award.

Compensation of President and Chief Executive Officer. James E. Rouse was named President and Chief Executive Officer of the Company in October 2002. Pursuant to the terms of his employment agreement, his annual rate of compensation in 2003 was \$126,000. Mr. Rouse was awarded a cash bonus of \$18,900 in fiscal 2003 in recognition of the performance of the Company and his contribution thereto.

This report on executive compensation is made by and on behalf of the Company's Compensation Committee.

Russell C. Chambers, M.D.
Paul F. Walter, M.D

Director Compensation

Each non-employee director receives cash compensation of \$2,000 per quarter and an annual fee of \$1,000 per committee membership. Additionally, each non-employee director receives \$500 cash for each meeting (including committee meetings) at which such director is present in person and \$250 for each meeting (including committee meetings) at which such director is present by telephone. During fiscal year 2003, directors received the following fees: Messrs. Marinos and Tabin, \$20,000 each; Dr. Chambers, \$19,000 and Dr. Walter, \$17,000. From time to time, the Board of Directors grants stock options to non-employee directors. In fiscal year 2003, no grants were made to any directors.

Dr. Russell C. Chambers, a director and principal shareholder of the Company, performs consulting services for the Company and in exchange the Company pays a portion of his health insurance premiums. The portion of health insurance premiums paid by the Company was approximately \$7,400 in 2003 and 2002.

Employment Agreements

In October 2001, the Company entered into a five year employment agreement with Mr. Rouse, the Company's President and Chief Executive Officer, under which he receives base compensation of \$100,000 per year, subject to annual review for raises in accordance with Company policy, and bonus compensation and other benefits as the Company may institute. The Company also provides Mr. Rouse with medical and dental benefits in accordance with the Company's group plans. If the Company terminates Mr. Rouse's employment without cause, Mr. Rouse is entitled to his then base compensation and medical and dental benefits for a period of twelve months. In the event of a sale of all or substantially all of the Company's assets or a sale or transfer of the Company's voting securities resulting in a change in the ownership of a majority of the Company's voting securities, the Company may terminate Mr. Rouse's employment, in which event Mr. Rouse is entitled to the greater of his current base compensation up to the date of termination or his base compensation for a period of twenty-four months, as well as eighteen months of medical and dental benefits. In addition, Mr. Rouse's employee stock options become immediately vested and exercisable upon a change of control as described above.

Equity Compensation Plan Information

The following table provides information, as of December 31, 2003, with respect to our equity compensation plans:

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)

Equity compensation plans not approved by security holders	2,360	N/A	--
Total	54,360	\$3.37	145,000

On December 13, 2003, the Company's Board of Directors adopted the 2003 Stock Bonus Plan. The Board's objective in adopting the Plan based on the recommendation of the Compensation Committee was to secure the benefits of the incentive inherent in ownership of the Company's securities through the grant of stock to selected non-officer employees. An aggregate of 3,000 shares were available for issuance to employees and an aggregate of 2,360 shares of common stock were awarded to approximately 38 employees (none of whom were executive officers or directors) with a market value as of December 31, 2003 of \$74,175. The Stock Bonus Plan terminated by its terms as of December 31, 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following paragraphs set forth the reportable transactions in the last fiscal year between Arrhythmia and its executive officers, directors or affiliates. See Compensation of Directors and Executive Officers Employment Agreements and Director Compensation for descriptions of the terms of employment and consulting agreements between Arrhythmia and certain officers and directors.

Transactions with Management and Others

To date, all transactions between the Company and its officers, directors or their affiliates have been approved or ratified by a majority of the directors who did not have an interest in, and who were not employed by the Company at the time of such transaction. The Company's Audit Committee reviews and oversees transactions between the Company and its executive officers and directors. The Company believes that all transactions entered into with affiliates of the Company were on terms no less favorable than could have been obtained from unaffiliated third parties.

Dr. Tabin, a Director and shareholder of the Company, is a partner of a law firm that represents the Company with respect to patent and other intellectual property law matters. Fees for services and patent costs paid to this firm were approximately \$17,000 and \$19,000 for fiscal years ended 2003 and 2002, respectively.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS**PROPOSAL 1
ELECTION OF DIRECTOR**

The Company's By-Laws provide that the number of directors, as determined from time to time, shall not be less than two or more than six. The By-Laws further provide that the Board of Directors be divided into three classes (Class I, Class II and Class III) serving staggered three-year terms, with each class to be as nearly equal in number as possible. The Board of Directors currently consists of five (5) members, namely, James E. Rouse and Russell C. Chambers (Class I with terms expiring at the 2005 annual meeting); E. P. Marinos and Julius Tabin (Class II with terms expiring at the 2006 annual meeting) and Paul F. Walter (Class III with term expiring at the 2004 annual meeting).

The Board of Directors has concluded that the nomination and re-election of Paul F. Walter as a Class III director is in the best interests of the Company and recommends stockholder approval of the re-election of Paul F. Walter for a three-year term (expiring at the 2007 Annual Meeting), and until his successor has been duly elected and shall qualify.

The remaining directors will continue to serve in their positions for the remainder of their terms. Biographical information concerning Dr. Walter and the other Arrhythmia directors can be found under Information About Directors and Executive Officers.

The persons named in the proxy will vote FOR the nominee, except where authority has been withheld as to the particular nominee.

The nominees for director receiving a plurality of the votes represented by the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon will be elected as director. The nominee has consented to being named in this Proxy Statement and to serve his term if elected. If the nominee should for any reason become unavailable for election, proxies may be voted with discretionary authority by the persons appointed as proxies for any substitute designated by the Board of Directors of the Company.

The Board recommends that stockholders vote FOR the nominee for reelection to the Board of Directors of the Company.

PROPOSAL 2

TO RATIFY APPOINTMENT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Company has been informed that neither BDO nor any of its partners have any direct financial interest or any material indirect financial interest in the Company nor have had any connection during the past three years with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

A representative of BDO is expected to be present at the Annual Meeting, to make a statement if so desired, and to respond to any appropriate questions.

The Audit Committee, prior to recommending the reappointment of BDO Seidman, LLP, considered the qualifications of that firm, including its performance previously, its reputation for integrity, competence in the fields of accounting and auditing and its independence.

Audit-Related Fees

Audit-Related Fees for 2003 and 2002 were for assurance and related services rendered that are reasonably related to the audit and reviews of our financial statements for the years ended December 31, 2003 and 2002, exclusive of the Audit Fees above. These fees include benefit plan audits, assistance with registration statements and consents not performed directly in connection with audits and amounted to \$4,500 and \$0, respectively, of which 100% was approved by the Board of Directors.

Tax Fees

Recommendation and Vote

To be approved, this proposal requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

The Board recommends that stockholders vote FOR the ratification of the appointment of BDO Seidman, LLP as the Company's independent certified public accountants for the fiscal year ending December 31, 2004.

STOCKHOLDER PROPOSALS AND SUBMISSIONS

Stockholders are entitled to submit proposals on matters appropriate for stockholder action and have that proposal included in the Company's proxy statement consistent with the Company's By-Laws and the regulations of the SEC. Should a Stockholder intend to present a proposal at the 2005 Annual Meeting and have that proposal included in the Company's proxy statement, it must be received by the Secretary of the Company C/O Arrhythmia Research Technology, Inc., 25 Sawyer Passway, Fitchburg, MA 01420 not later than December 5, 2004 and must comply with all of the requirements of Rule 14a-8 under the Exchange Act in order to be included in the Company's Proxy Statement and proxy card relating to that meeting.

Stockholders of the Company may nominate candidates for election to the Board of Directors and submit other matters for consideration at the Company's annual meeting by providing written notice to the Company not later than 90 days in advance of the annual meeting, unless the annual meeting is held on a date other than the second Tuesday of May, in which case the stockholder notice must be given within ten days after the first public disclosure of the scheduled date of the annual meeting. Nominations for elections of directors to take place at a special meeting are required to be received by the close of business on the seventh day following the date on which notice of such meeting is given to stockholders. In the case of director nominations, the notice must contain the stockholder's and nominee's name and address, a representation that the stockholder is a holder of record of the Company entitled to vote at the meeting and intends to appear at the meeting (in person or by proxy) to nominate the nominee, a description of any arrangements or understanding between the stockholder and the nominee, the consent of the nominee to serve if so elected and such other information as would be required by the rules of the SEC to be included in a proxy statement.

Notices of other business must contain a brief description of the business to be brought before the meeting, the stockholder's name and address, a representation as to stockholder status and intent to appear at the meeting to propose the business, and a description of any material interest of the stockholder in the matter.

A copy of the relevant By-law provisions containing the requirements for making stockholder proposals may be obtained by contacting the Company's Secretary at the executive offices of the Company.

OTHER PROPOSED ACTION

The Board of Directors does not intend to bring any other matters before the Annual Meeting, nor does the Board of Directors know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this proxy statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board of Directors.
