Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On June 9, 2010, the stockholders of Freeport-McMoRan Copper & Gold Inc. (the Company) approved the Amended and Restated 2006 Stock Incentive Plan to, among other things, permit our non-management directors and advisory directors to participate (as amended, the Plan). The purpose of the Plan is to attract, retain and motivate key employees, officers, directors, consultants and advisers and strengthen the mutuality of interests among such persons and the Company's stockholders.

The corporate personnel committee of our board of directors generally administers the Plan and, except with respect to grants to non-management directors and advisory directors, has the authority to make awards under the Plan and to set the terms of the awards. The corporate personnel committee also has the authority to interpret the Plan, to establish any rules or regulations relating to the Plan that it determines to be appropriate and to make any other determination that it believes necessary or advisable for proper administration of the Plan. The nominating and corporate governance committee of our board of directors has the authority to grant awards to non-management and advisory directors, to set the terms of those awards, and to interpret and establish rules regarding non-management director and advisory director awards.

The types of awards that may be granted under the Plan include stock options, stock appreciation rights, restricted stock, restricted stock units and other stock-based awards. The maximum number of shares of our common stock with respect to which awards may be granted under the Plan is 37,000,000. No individual may receive in any year awards under the Plan, whether payable in cash or shares, that relate to more than 3,750,000 shares of our common stock. Further, the maximum value of an other stock-based award that is valued in dollars and that is scheduled to be paid out to a participant in any calendar year is \$5 million.

The Plan may be amended or terminated at any time by our board of directors, subject to the requirement that certain amendments may not be made without stockholder approval. In addition, no amendment may materially impair an award previously granted without the consent of the recipient. Unless terminated sooner, no awards will be made under the Plan after June 9, 2020.

Upon approval of the Plan by our stockholders at the annual meeting on June 9, 2010, certain equity awards previously granted became effective; namely, the 2,000 restricted stock units granted to each of our non-management directors on December 8, 2009, and the stock options to acquire 10,000 shares of our common stock at an exercise price of \$66.49 and the 2,000 restricted stock units granted to each of our non-management and advisory directors on June 1, 2010.

For further information regarding the Plan, see our proxy statement filed with the Securities and Exchange Commission on April 23, 2010. The information included herein relating to the Plan is qualified in its entirety by reference to the actual terms of the Plan, which is filed as Exhibit 10.1 to this Form 8-K.
