The SST Full Value Committee (the “Committee”), together with the other participants named herein, intends to make a preliminary filing with the Securities and Exchange Commission of a proxy statement and accompanying proxy card to be used to solicit votes against approval of the Agreement and Plan of Merger, dated as of November 13, 2009, among Technology Resources Holdings, Inc., Technology Resources Merger Sub, Inc. and Silicon Storage Technology, Inc., a California corporation (the “Company”), at a special meeting of shareholders of the Company.

On January 4, 2010, the Committee issued the following press release:

**SST FULL VALUE COMMITTEE URGES THE BOARD OF SILICON STORAGE
TECHNOLOGY TO IMMEDIATELY RECONSIDER ITS DECISION TO BE
ACQUIRED BY MEMBERS OF ITS OWN MANAGEMENT TEAM AND
TECHNOLOGY RESOURCES HOLDINGS.**

SST FULL VALUE COMMITTEE STATES IT WILL VOTE AGAINST THE PRESENT MERGER

New York, NY, January 4, 2010– The SST Full Value Committee (the “Committee”) announced today that it has sent a letter to the Board of Directors (the “Board”) of Silicon Storage Technology, Inc. (Nasdaq: SSTI) (the “Company” or “SSTI”) urging the Board to immediately reconsider its decision to move forward with the acquisition of the Company by members of SSTI’s own management team in concert with Technology Resources Holdings. The Committee intends to solicit against the proposed merger and take such other action as it deems necessary to protect the interests of all shareholders if the Board determines to move forward with the merger and does not withdraw its proxy materials to solicit shareholder approval. The members of the Committee are significant shareholders of the Company and collectively own 12,548,094 shares of SSTI or approximately 13.1% of the shares outstanding as of October 31, 2009.

The full text of the letter follows:

BY FACSIMILE AND MAIL

The Board of Directors
Silicon Storage Technology, Inc.
1020 Kifer Road
Sunnyvale, California 94086

Dear Members of the Board:

Riley Investment Management, LLC, Bryant R. Riley, Dialectic Capital Partners LP, Dialectic Offshore, Ltd., Dialectic Antithesis Partners, LP, Dialectic Antithesis Offshore, Ltd., Dialectic Capital Management, LLC, John Fichthorn, Luke Fichthorn, and Lloyd I. Miller, III are significant shareholders of Silicon Storage Technology, Inc. (the “Company”). We have formed The SST Full Value Committee (the “Committee”) in opposition to the Board of Directors’ (the “Board”) decision to enter into a going-private transaction and merger agreement with Technology Resources Holdings, Inc. and Technology Resources Merger Sub, Inc. (the “Merger Agreement”).

To make our position perfectly clear, the Committee is deeply concerned with the Board’s decision to be acquired by Technology Resources Holdings, Inc. and members of the Company’s management team, including the Company’s Chairman and Chief Executive Officer and Chief Operating Officer. The Committee believes the proposed merger consideration is at a significant discount to tangible book value at a time when the semiconductor industry is emerging from a multi-year recession. In the Committee’s opinion, the proposed price to be paid per share is inadequate for shareholders and there are more favorable strategic opportunities available to enhance shareholder value than this

ill-conceived transaction that appears to only benefit management. Among other things, the Committee believes that significantly better value can be realized if the Company focuses on maximizing its lucrative licensing stream while simultaneously minimizing the losses in its products business.

The Committee urges the Board to immediately reconsider its decision to move forward with the Merger Agreement. If the Board determines to move forward with the Merger Agreement and does not withdraw its proxy materials to solicit shareholder approval, the Committee intends to solicit against the proposed merger and take such other action as it deems necessary to protect the interests of all shareholders.

The Committee also believes the Company would benefit from the immediate addition of new independent directors who will represent the interests of shareholders, the true owners of the Company, and fully explore all ways to maximize value for all shareholders. We would welcome the opportunity to meet with the Special Committee to discuss our concerns and how the Company intends to address them.

Respectfully submitted,

The SST Full Value Committee
