Item 3.02. Unregistered Sale of Equity Securities.

On November 10, 2005, a majority-owned subsidiary of ADM Tronics Unlimited, Inc. (the "Company"), Ivivi Technologies, Inc. ("Ivivi"), completed a private placement of securities to two institutional accredited investors (the "Private Placement"). In connection with the Private Placement, Ivivi realized aggregate gross proceeds of \$1,250,000 from the sale of unsecured convertible promissory notes (the "Notes") and warrants (the "Warrants") to purchase shares of common stock of Ivivi ("Common Stock").

The Notes are due and payable on November 8, 2010, unless earlier converted. The Notes bear interest at a rate of 8% per annum, payable in cash, increasing by 1% every 365 days from the date of issuance to a maximum of 12% per annum. The principal and accrued and unpaid interest on the Notes will be automatically converted into shares of Common Stock upon consummation of an initial public offering of shares of Common Stock (an "IPO") at 85% of the initial public offering price of the Common Stock (the "IPO Price"); provided, however, that each holder of a Note may elect to convert all or any portion of the outstanding principal amount of the Note into shares of Common Stock at \$7.00 per share at any time from and after the earlier to occur of (i) the first anniversary of the date of the Note and (ii) a withdrawal of Ivivi's registration statement on Form SB-2, which was initially filed with the Securities and Exchange Commission on February 11, 2005.

The holder of each Warrant is entitled to purchase shares of Common Stock at an initial exercise price per share equal to (i) if an IPO has occurred prior to the exercise of the Warrant 100% of the IPO Price or (ii) if an IPO has not occurred prior to the exercise of the Warrant, \$7.00 per share, subject to adjustment. The aggregate number of shares of Common Stock issuable upon exercise of the Warrants shall equal either (i) if the Note has been converted as of the date of exercise of the Warrant, the number of shares of Common Stock into which the Note was converted or (ii) if the Note has not been converted as of the date of exercise of the Warrant, such number of shares of Common Stock into which the Note is then convertible.

Ivivi entered into registration rights agreements with the investors that participated in the Private Placement, which require the registration under the Securities Act of 1933, as amended (the "Act") of the Common Stock underlying the securities sold in the Private Placement.

Each investor in the Private Placement is affiliated with an individual who has agreed to serve as a director of Ivivi upon effectiveness of Ivivi's Registration Statement on Form SB-2 relating to Ivivi's proposed initial public offering of Common Stock.

These securities were issued in a private placement of securities exempt from registration under the Act, pursuant to Section 4(2) of the Act. Each of the investors represented to the Company that it was an institutional "accredited investor." The Company will arrange for the certificates representing such securities to be legended and subject to stop transfer restrictions. The Company did not engage in any form of general solicitation or general advertising in connection with this issuance.

The description of the Notes and Warrants set forth herein does not
