## Edgar Filing: CANDIES INC - Form 8-K

### ITEM 2.02. Results of Operations and Financial Condition.

On March 23, 2005, Candie's, Inc., (the "Company") issued a press release to report its financial results for the fiscal quarter and eleven months ended December 31, 2004. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The press release includes certain non-GAAP financial measures for the periods presented with respect to "operating loss before special charges" and "Unzipped net loss prior to adjustments" and a qualitative reconciliation of the non-GAAP financial measures to the most directly comparable GAAP financial measures. The Company has chosen to provide the non-GAAP information in the press release because it believes that it provides a meaningful comparison of the Company's operating performance for the periods presented and to provide investors with additional information to analyze the Company's operating performance and facilitate period-to-period comparisons. The non-GAAP financial measures should not be considered in isolation or as an alternative for measures of financial performance prepared in accordance with GAAP and may be different from non-GAAP financial measures used by other companies.

### ITEM 9.01. Financial Statements and Exhibits.

The following exhibit is furnished pursuant to Item 2.02, is not to be considered "filed" under the Securities Exchange Act of 1934, as amended ("Exchange Act"), and shall not be incorporated by reference into any of the Company's previous or future filings under the Securities Act of 1933, as amended, or the Exchange Act.
