Item 1.01 Entry Into a Material Definitive Agreement

On January 18, 2017, Artesian Water Company, Inc. (the "Company"), the principal subsidiary of Artesian Resources Corporation, and CoBank, ACB ("CoBank"), entered into a Bond Purchase Agreement (the "Agreement") relating to the issue and sale by the Company to CoBank of a \$40 million principal amount First Mortgage Bond, Series T (the "Bond"), due December 20, 2036 (the "Maturity Date"). The Bond was issued pursuant to the Company's Indenture of Mortgage dated as of July 1, 1961, as amended and supplemented by supplemental indentures, including the Twenty-Second Supplemental Indenture, dated as of January 18, 2017 (the "Supplemental Indenture") from the Company to Wilmington Trust Company, as Trustee (the "Indenture"). The Indenture is a first mortgage lien against substantially all of the Company's utility plant. The proceeds from the sale of the Bond will be use to prepay indebtedness of the Company under two existing First Mortgage Bonds: Series O, principal amount \$20 million with interest rate of 8.17% and related prepayment costs of \$4.5 million; and Series Q, principal amount \$15.4 million with interest rate of 4.75%. The Delaware Public Service Commission (the "DEPSC") approved the issuance of the Bond on December 20, 2016. The DEPSC also approved deferral of the prepayment costs associated with the First Mortgage Bond, Series O.

The Bond carries an annual interest rate of 4.24% through and including the Maturity Date. Interest is payable on June 30th and December 31st in each year and on the Maturity Date, beginning June 30, 2017 until the Company's obligation with respect to the payment of principal, premium (if any) and interest shall be discharged. Overdue payments shall bear interest as provided in the Supplemental Indenture. The term of the Bonds also include certain limitations on the Company's indebtedness.

The Agreement contains customary default provisions where the Bond will become due and payable no less than 30 days from notice received by CoBank, referred to as "Events of Redemption." In the event that any Event of Redemption below should occur and be continuing, CoBank shall have the right to require the Company, and the Company shall be obligated, to redeem all bonds then held by CoBank. The bonds shall be redeemed at a price equal to the sum of (i) the aggregate principal amount to be redeemed, (ii) the interest accrued thereon through the date of redemption and (iii) a make-whole amount as described in the Supplemental Indenture.

Events of Redemption are listed below:
