Revenue recorded for the three months ended March 31, 2001 was \$31,323 versus 75,012 in 2000. The revenue decline was due to curtailment of sales, support and product marketing activity occurring in November 2000.

Costs and expenses during the three months ended March 31, 2001 were approximately \$2,400,000 as compared to \$3,812,907 during the three months ended March 31, 2000. The approximate \$1,400,000 decrease was primarily a result of staff reductions in all departments and in sales, marketing, product support and product development in particular.

General and administrative expense increased by approximately \$1,000,000 due to severance costs, fixed asset disposition losses and write-downs, lease termination costs as well as the cost of continuing efforts to obtain strategic alliances or dispose of our technology.

Due to the relocation of the Company's headquarters and reductions in finance and legal staff and budget, additional time is needed before a reasonable
