stockholders for monetary damages for breach of fiduciary duty as a director. Article VI of our by-laws provides:

"SECTION 1. Indemnification. (a) Any person made a party or threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than by an action or suit by or in the right of the Corporation to procure a judgment in its favor) by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified by the Corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption hereunder that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his or her conduct was unlawful.

(b) Any person made a party or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent

of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified by the Corporation against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation, except that no indemnification shall be made hereunder in respect of any claim, issue or matter as to which the person shall be adjudged liable to the Corporation for negligence or misconduct in the performance of his or duty to the Corporation unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which said Court of Chancery or such other court shall deem proper.

(c) To the extent that any person referred to above has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in paragraphs (a) and (b) above, or in defense of any claim, issue or matter therein, he or she shall be indemnified by the Corporation against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

(d) Any indemnification under subsections (a) and (b) above (unless ordered by a court) shall be made only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent

is proper in the circumstances because he or she has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders entitled to vote at any meeting by majority vote of the quorum present.

(e) Expenses incurred in defending any civil, criminal, administrative or investigative action, suit or proceeding by a person who may be entitled to indemnity under the above provisions may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding if authorized by a majority vote of a quorum of the Board of Directors of the Corporation who are not parties to such action, suit or proceeding upon receipt of an understanding by or on behalf of the person to whom payment is to be made that he or she will repay the amounts advanced unless it shall ultimately be determined that he or she is entitled to be indemnified by the Corporation in accordance with the above provisions.

(f) The indemnification and advancement of expenses hereinabove provided shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any provision of the Certificate of Incorporation, these By-Laws, agreement, vote of stockholders or disinterested directors, insurance agreement, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to hold the relationship to the Corporation referred to above and shall inure to the benefit of the heirs, executors and administrations of any such person."

We have entered or will enter into agreements to provide indemnification for our directors and certain officers consistent with our articles of incorporation and by-laws. In addition, we have also obtained a policy of directors' and officers' liability insurance for our directors and officers to insure directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

### ITEM 9. UNDERTAKINGS.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(a) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement;

(c) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (1)(a) and (1)(b) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6 above, or otherwise,

## Edgar Filing: MAI SYSTEMS CORP - Form S-8

the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant, will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
