Out of every 100,000 molecules screened only one becomes a new drug. Research is a major investment: it takes an average of 12 years and 800 million euros to obtain a medicine. That is why teaming up with Aventis will help us deliver more effective solutions to meet patients' needs. Together, we will harness our complementary skills to create a leading pharmaceutical group (No.1 in Europe and No.3 worldwide) committed to improving healthcare and capable of driving strong, sustainable and profitable growth.

SANOFI-SYNTHELABO'S OFFER TO AVENTIS'S SHAREHOLDERS
