The Reporting Persons intend to review their investment in the Company on a continuing basis and, depending upon the price and availability of the Company's securities, subsequent developments concerning the Company, the Company's business and prospects, other investment and business opportunities available to the Reporting Persons, general stock market and economic conditions, tax considerations and other

factors considered relevant, may decide at any time to increase or decrease the size of their investment in the Company or to sell any or all of the securities of the Company that they hold.

The Reporting Persons have followed the Company and the industry for many years and are supportive of the management team and its strategy. The Reporting Persons may in the future seek to engage in discussions with management of the Company concerning the possibility of a representative of the Reporting Persons becoming a member of the board of directors of the Company and/or concerning potential investments by the Reporting Persons in securities of the Company and/or its subsidiaries.
