This Current Report on Form 8-K/A (the “Amendment”) updates information originally provided under Item 5.07 in a Current Report on Form 8-K filed January 30, 2014 (the “Original Filing”), in which SIFCO Industries, Inc. (the “Company”) reported voting results for its Annual Meeting of Shareholders held on January 28, 2014, including the voting results for both the Company’s non-binding advisory votes to approve compensation of the Company’s executive officers and the Company’s non-binding advisory vote on the frequency of future advisory votes on executive compensation (the “Frequency Proposal”). Except for the foregoing, this Amendment does not modify or update any other disclosure contained in the Original Filing, and this Amendment should be read in conjunction with the Original Filing.

Section 5 – Corporate Governance and Management

Item 5.07 Submission of Matters to a Vote of Security Holders.

On January 30, 2014, the Company reported in the Original Filing that a majority of the votes cast on the Frequency Proposal were cast in favor of conducting non-binding advisory votes on executive compensation every two years. After taking into consideration the shareholder vote on the Frequency Proposal and other factors, the Company’s Board of Directors determined that the Company will conduct non-binding advisory vote to approve the compensation of the Company’s executive officers every two years. Accordingly, the Company will include a non-binding advisory vote on executive compensation in its proxy materials every other year until the next shareholder vote on the frequency of such votes is held, which will be no later than the Company’s 2020 Annual Meeting of Shareholders.
