This Proxy Statement and the enclosed **GOLD** proxy card are being furnished by Clinton Relational Opportunity Master Fund, L.P. ("CREL"), Clinton Relational Opportunity, LLC ("CRO"), Clinton Group, Inc. ("CGI"), Mr. George E. Hall ("Mr. Hall" and together with CREL, CGI and CRO, "Clinton", "we" or "us") and their nominees and certain other parties listed below in connection with the solicitation of proxies (the "Proxy Solicitation") from the stockholders of Campus Crest Communities, Inc. ("Campus Crest" or the "Company").

For the reasons set forth in this Proxy Statement, we believe the Company can better maximize value for all stockholders of Campus Crest. We are seeking your support at the upcoming annual meeting of stockholders (the "Annual Meeting") to be held on [ ], at a location and time to be set forth in the Company's proxy statement on Schedule 14A in connection with the Annual Meeting (the "Company's Proxy Statement") with respect to the following (each, a "Proposal" and collectively, the "Proposals"):

- 1.

Edgar Filing: Campus Crest Communities, Inc. - Form PREC14A

To elect Clinton's slate of four director nominees, Scott R. Arnold, Randall H. Brown, William A. Finelli and Raymond Mikulich (the "Nominees", and together with Clinton, Campus Evolution Villages, LLC ("CEV"), Andrew N. Stark and Evan F. Denner, the "Participants") to serve as directors on the Board until the 2016 annual meeting of stockholders and until their respective successors are duly elected and qualified, in opposition to the Company's director nominees.

2. To vote for the Company's proposal to ratify the appointment of KPMG LLP as the independent accounting firm for the Company for fiscal year ending December 31, 2015;
3. To vote against the Company's proposal to approve, on an advisory basis, the 2015 compensation of its named executive officers; and
4. To transact such other business as may properly be brought before the Annual Meeting or any adjournment thereof.

The Board is currently composed of five directors, all of whom are up for election at the Annual Meeting. Through this Proxy Statement and enclosed **GOLD** proxy card, we are soliciting proxies to elect the Nominees, who if elected

would constitute a majority of the Board. There is no assurance that any of the Company's nominees will serve or continue to serve as directors if any or all of our Nominees are elected.

The Company has set the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date") as February 26, 2015. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. The mailing address of the principal executive offices of the Company is 2100 Rexford Road, Suite 414, Charlotte, North Carolina 28211. As of the Record Date, there were [ ] shares of common stock, par value \$0.01 per share (the "Common Stock") outstanding. As of February 26, 2015, Clinton, together with the other Participants in this Proxy Solicitation, beneficially owned [ ] shares of Common Stock, which represents approximately [ ]% of the outstanding Common Stock (based upon the 64,737,205 shares of Common Stock outstanding as of November 10, 2014, as reported in the Company's Annual Report on Form 10-Q for the quarter ended September 30, 2014, filed with the Securities and Exchange Commission (the "SEC") on November 10, 2014).

We intend to vote such shares of Common Stock **FOR** the election of the Nominees, **FOR** the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 and **AGAINST** the advisory vote on approving executive compensation, in each case as described herein.

This proxy statement and **GOLD** proxy card are first being mailed or given to the Company's stockholders on or about [ ], 2015.

THIS PROXY SOLICITATION IS BEING MADE BY THE PARTICIPANTS AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY OR ANY OTHER THIRD PARTY. THE PARTICIPANTS ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS DESCRIBED HEREIN. SHOULD OTHER MATTERS, WHICH THE PARTICIPANTS ARE NOT AWARE OF A REASONABLE TIME BEFORE THE DATE OF THIS PROXY STATEMENT, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED **GOLD** PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

CLINTON URGES YOU TO SIGN, DATE AND RETURN THE **GOLD** PROXY CARD IN FAVOR OF THE ELECTION OF ITS NOMINEES AND THE PROPOSALS.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY MANAGEMENT OF THE COMPANY, YOU MAY REVOKE THAT PROXY AND VOTE **FOR** THE ELECTION OF CLINTON'S NOMINEES, **FOR** THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015 AND **AGAINST** THE ADVISORY VOTE ON APPROVING EXECUTIVE COMPENSATION, BY SIGNING, DATING

AND RETURNING THE ENCLOSED **GOLD** PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE ANNUAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE ANNUAL MEETING TO CLINTON RELATIONAL OPPORTUNITY MASTER FUND, L.P., C/O OKAPI PARTNERS LLC, 437 MADISON AVENUE, 28<sup>TH</sup> FLOOR, NEW YORK, NEW YORK 10022, WHICH IS ASSISTING IN THIS PROXY SOLICITATION, OR TO THE SECRETARY OF THE COMPANY, OR BY VOTING IN PERSON AT THE ANNUAL MEETING.

**IMPORTANT**

**PLEASE READ THIS CAREFULLY**

If your shares of Common Stock are registered in your own name, please vote today by signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided.

If you hold your shares of Common Stock in "street" name with a bank, broker firm, dealer, trust company or other nominee, only that nominee can exercise the right to vote with respect to the shares of Common Stock that you beneficially own through such nominee and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, broker firm, dealer, trust company or other nominee to vote in favor of the election of the Nominees and the other Proposals (other than Proposal 3). Please follow the instructions to proxy provided on the enclosed **GOLD** proxy card. If your bank, broker firm, dealer, trust company or other nominee provides for proxy instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed **GOLD** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Clinton Relational Opportunity Master Fund, L.P., c/o Okapi Partners LLC, 437 Madison Avenue, 28<sup>th</sup> Floor, New York, New York 10022, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Execution and delivery of a proxy by a record holder of shares of Common Stock will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

Only holders of record of shares of Common Stock as of the close of business on the Record Date will be entitled to vote on the Proposals. If you are a stockholder of record as of the close of business on the Record Date, you will retain your right to vote even if you sell your shares of Common Stock after the Record Date.

If your shares are held in the name of a brokerage firm, and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal unless it is a "routine" matter. This is referred to as a "broker non-vote." Under the rules and interpretations of the New York Stock Exchange ("NYSE"), there are no "routine" proposals in a contested proxy solicitation. Because Clinton has initiated a contested proxy solicitation, there will be no "routine" matters at the Annual Meeting for any broker accounts that are provided with proxy materials by Clinton. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Clinton Relational Opportunity Master Fund, L.P., c/o Okapi Partners LLC, 437 Madison Avenue, 28<sup>th</sup> Floor, New York, New York 10022, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

If you have any questions regarding your **GOLD** proxy card or need assistance in executing your proxy, please contact Okapi Partners LLC at (212) 297-0720 or Toll-Free at (855) 305-0857.

## REASONS FOR OUR SOLICITATION

We believe there is a compelling opportunity to turnaround the Company and a chance to create significant stockholder value in the future. In particular, the Company operates in the student housing sector which is a niche market in the real estate industry. We believe a company operating in the space with a strong management team and unwavering view towards sound execution at the property level can generate significant profits for stockholders, market share gains, and, in turn, attractive equity returns to its stockholders.

We believe there is significantly more that can be done by the Company to generate profit and returns for stockholders. We are soliciting the support of our fellow stockholders to put in place a Board that is better suited, in our view, to hire an executive management team and oversee the strategy of the Company. The Nominees collectively have decades of experience in student housing, REIT operations and management, private equity, real estate management, financial management and public company stewardship. We believe the Nominees' unique combination of experience and skills would assist the Company in defining a business plan and strategy that better exploits the Company's assets.

In fact, since the Chief Executive Officer and Chief Financial Officer of the Company resigned on November 4, 2014, the permanent CEO and permanent CFO positions remain vacant during such a crucial time in the Company's history. In addressing the needs of the Company today, we have partnered with CEV in our pursuit to improve the Company. CEV is a singularly focused student housing management company; a thought leader and change agent setting a new standard in student living that goes beyond merely heads in beds. Its senior management team has more than 25 years of experience in serving the student demographic. CEV's specialized focus and customer-centric approach gives it a unique perspective on the particular needs and challenges of managing student housing. CEV owns and/or manages approximately 10,000 beds today at 20 universities from San Diego, California to Clemson, South Carolina. Our Nominees intend to recommend bringing on board the executive team of Campus Evolution Villages and intend to recommend purchasing the management company of CEV.

Since the initial public offering of the Company on October 13, 2010, the stock price is down (43.9%), and accounting for dividends reinvested in the security, the stock price is down (27.5%).<sup>[1]</sup> During the same period, the performance of the Company's two closest public comparable companies, American Campus Communities, Inc. ("American Campus") and Education Realty Trust, Inc. ("Education Realty") was a positive 36.1% and a positive 55.9%, respectively, and adjusting for dividends reinvested in the security, the performance of American Campus and Education Realty was a positive 60.2% and a positive 88.3%, respectively.<sup>[2]</sup> Similarly, during the same period, the performance of the S&P 500 and the FTSE ERPA/NAREIT United States Index ("FTSE ERPA/NAREIT Index"<sup>[3]</sup>) was a positive 13.5% and a positive 16.9%, respectively. and adjusting for dividends reinvested in the security, the performance of the S&P and the FTSE ERPA/NAREIT Index was a positive 15.8% and a positive 22.6%, respectively.<sup>[4]</sup>

In addition to disappointing stock price performance, the Company's fundamental financial performance has deteriorated meaningfully since its IPO due to what we view as operational underperformance, poor capital allocation decisions and other management missteps:

CCG's AFFO per share has declined by a cumulative 11% since 2011 vs. peers which have on average grown AFFO per share by 56%;<sup>[5]</sup>

The Company has a bloated corporate cost structure with SG&A accounting for 9% of revenue – triple that of American Campus Communities (“ACC”) at 3% of revenue and more than double that of Education Realty Trust Inc. (“EDR”) at 4% of revenue;<sup>[6]</sup>

Campus Crest's 90% occupancy rate lags its peer average of 93%;<sup>[7]</sup>

The Company's quarterly dividend has been cut by 44% since 2011, while peers have increased dividends per share by 79% over the same time period;<sup>[8]</sup>

From the Company's IPO through December 31, 2014, CCG has traded at an average 13% discount to NAV vs. peers which have on average traded at a 1% premium to NAV.<sup>[9]</sup>

We are disappointed by this financial performance, but believe it will not be materially improved without an immediate and thoughtful change in leadership and strategy.

We also believe the stock has not performed well over the medium- and long-term because other investors, and potential investors, have recognized the following missteps of the management team and the Board. They are as follows:

historical writedowns of acquired and developed assets;<sup>[10]</sup>

the Company's EVO concept has underperformed and it is unclear how much testing the Company had done beforehand or what expertise they had in the target market;<sup>[11]</sup>

the Board has overseen a failed management strategy of vertical integration that has, in our opinion, led to continued underperformance in the properties and missed deliveries of new assets;<sup>[12]</sup>

Halfacre, Executive Vice President and Head of Capital Markets)

We are highly critical of the Board's oversight since the initial public offering. The majority of the Board members have been in place since the Company's IPO. While we are critical of their failures to create shareholder value, we are also not surprised the Company has ended up in this predicament given the qualifications of the Board. While the Board possesses a diverse skillset of business and industry expertise, none of the members today possess any student housing experience. Only one director today has REIT experience.

In fact, when the CEO and CFO resigned on November 4, 2014, the Board installed Richard Kahlbaugh as the Interim Chief Executive Officer. Mr. Kahlbaugh appears to be a long standing executive in insurance services and does not possess any relevant expertise to run a student housing business or a public REIT beyond his service as a Board member of the Company. However, we believe the performance of the Company under his chairmanship speaks for itself.

In our pursuit to improve the Company, Clinton has partnered with CEV. CEV is a singularly focused student housing management company; a thought leader and change agent setting a new standard in student living that goes beyond merely heads in beds. Its senior management team has more than 25 years of experience in serving the student demographic. CEV's specialized focus and customer-centric approach gives it a unique perspective on the particular needs and challenges of managing student housing. CEV owns and/or manages approximately 10,000 beds today at 20 universities from San Diego, California to Clemson, South Carolina.

CEV and its principals, Mr. Stark and Mr. Denner, have a proven track-record in student housing, commercial and residential real estate finance and development, and in growing successful operating real estate platforms, which gives it a unique insight into the nuances of student housing. The principals of CEV are seasoned leaders with turn-around and growth experience at both the corporate and asset level and also with significant exposure to the capital markets, including public company and shareholder know-how. CEV has wide-ranging student housing management experience and strong relationships with owners, universities and other institutions. Top-down leadership and brand building, with culture immersion and training, has separated CEV from its peers; CEV understands that student housing is a management-intensive operating business requiring a cohesive team at all touch-points focused on the experiential nature of student housing.

We believe the best way to put the Company on the path to improved financial performance is to change the composition of the Board and the management team. We believe that new directors, especially ones that have industry experience, can help the Company by objectively overseeing the operations and strategy of the Company and that new executives can help to execute the Company's strategy more effectively.

If this Proxy Solicitation is successful, our Nominees – Scott R. Arnold, Randall H. Brown, William A. Finelli and Raymond Mikulich – along with the existing director that gets the most votes on the Company's proxy card (the

"Continuing Director") will constitute the Board.<sup>18</sup> We believe this new Board would be substantially stronger and better able to guide the Company than the existing Board. In particular, the independent Nominees have years of experience in student housing, REIT operations and management, private equity, real estate management, financial management and public company stewardship.

The Nominees will work with the Continuing Director to evaluate the Company's current strategy and to make changes they deem appropriate after exercising their best business judgment as fiduciaries for all stockholders. Our Nominees intend to propose immediately bringing on board the executive team of CEV and to propose purchasing the management company of CEV. Our Nominees have discussed the parameters of the employment contracts with Andrew N. Stark and Evan F. Denner (together, the "Prospective Executive Team") to become Chief Executive Officer and President/Chief Operating Officer, respectively, of the Company. Our Nominees have also discussed the parameters of the purchase of the management company of CEV.

We have been informed by the Prospective Executive Team and Nominees that part of their plan, subject to the exercise of their fiduciary duties, and to review once they are executives and directors, respectively, and have access to additional information and the opportunity to confer with the Continuing Director, would likely include the following elements:

- improve the property level management of all of the Company's assets today by applying the best practices and proven operating processes and procedures;
- work with existing employees of the Company in a seamless transition to the operating style of the Prospective Executive Team and provide them with expertise and guidance to maximize property-level performance;
- develop a six month plan to stabilize operations, improve key performance metrics at the properties and improve the marketing and branding functions at the Company;
- examine in great detail components of the Company's general and administrative expenses and development, construction and management services expenses;
- evaluate joint venture structures and other financing structures to move held for development properties off balance sheet while both retaining the right to purchase the properties at a later date and raising cash to reduce financial leverage;
- establish university relationships;
- implement marketing and leasing guidelines and procedures for current leasing cycle;
- utilize CEV's turn<sup>9</sup> process to complete the upcoming turn procedures in a smooth and consistent manner;

None of the organizations or corporations referenced above is a parent, subsidiary or other affiliate of the Company. If elected, each of the Nominees would be considered an independent director of the Company under (i) the Company's Corporate Governance Guidelines, (ii) the NYSE Listing Rules and (iii) paragraph (a)(1) of Item 407 of Regulation S-K.

Each of the Nominees has entered into a nominee agreement pursuant to which CGI has agreed to pay the costs of soliciting proxies, and to defend and indemnify him against, and with respect to, any losses that may be incurred by him in the event he becomes a party to litigation based on his nomination as a candidate for election to the Board and the solicitation of proxies in support of his election. No Nominee will receive any compensation under his respective nominee agreement and will not receive any compensation from Clinton or its affiliates for his services as a director of the Company if elected. If elected, the Nominees will be entitled to such compensation from the Company as is consistent with the Company's then-established practices for services of non-employee directors.

Each of the Nominees has agreed to being named as a Nominee in this Proxy Statement and has confirmed his willingness to serve on the Board if elected. Clinton does not expect that any of the Nominees will be unable to stand for election, but in the event that a Nominee is unable to or for good cause will not serve, the shares of Common Stock represented by the **GOLD** proxy card will be voted for a substitute candidate selected by Clinton. If Clinton determines to add nominees, whether because the Company expands the size of the Board subsequent to the date of this Proxy Statement or for any other reason, Clinton will supplement this Proxy Statement.

A stockholder may vote for the election of less than all of the Nominees by designating the names of one or more Nominees who are not to be elected.

The election of all four of the Nominees may result in certain "change in control" compensation payments becoming payable to certain designated officers of the Company. Under the terms of the Employment Agreements for these designated officers of the Company and the Amended and Restated Equity Incentive Compensation Plan (the "Equity Plan"), there may be a "change in control" pursuant to this proxy solicitation if a majority of the incumbent members of the

15

Board fail to approve the election of the four Nominees. According to the Company's Proxy Statement, termination of the designated officers of the Company following a change in control may result in the following: (i) potential payments to the designated officers of the Company of up to \$[ ] million under the Employment Agreements, and (ii) the accelerated vesting of awards of up to \$[ ] under the Equity Plan.

**PROPOSAL 2 – RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

We expect that the Company's Proxy Statement will indicate that the audit committee of the Board has selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, subject to stockholder ratification. According to the Company's proxy statement filed in connection with its 2014 annual meeting of stockholders (the "2014 Proxy Statement"), while it is not required to do so, the Board submits the selection of KPMG LLP for ratification in order to ascertain the view of the stockholders. If the selection is not ratified, the Company's audit committee will reconsider its selection.

Approval of Proposal 2 requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the Annual Meeting and entitled to vote.

**WE URGE YOU TO VOTE FOR PROPOSAL 2.**

## VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Each share of Common Stock is entitled to one vote. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, we believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of Clinton's Nominees, **FOR** the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 and **AGAINST** the advisory vote on approving executive compensation and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

Based on publicly available information, we believe the current Board intends to nominate five candidates for election as directors at the Annual Meeting. This Proxy Statement is soliciting votes to elect only our four Nominees. Accordingly, the enclosed **GOLD** proxy card may only be voted for our Nominees and does not confer voting power with respect to the Company's nominees. The Participants intend to vote all of their shares of Common Stock in favor of the Nominees. A stockholder may vote for the election of less than all of the Nominees by designating the names of one or more Nominees who are not to be elected.

Stockholders who return the **GOLD** proxy card will only be able to vote for the four Nominees listed on the card and will not have the opportunity to vote for the additional seat up for election at the Annual Meeting. You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company or by requesting a legal proxy and casting your ballot in person by attending the Annual Meeting. You should refer to the Company's Proxy Statement when it is filed with the SEC for the names, background, qualifications and other information concerning the incumbent directors.

## QUORUM; ABSTENTIONS; BROKER NON-VOTES

According to the By-laws, the presence in person or represented by proxy of a majority of the outstanding shares of Common Stock as of the Record Date shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of Common Stock represented by proxies marked "Abstain" or "Withheld" and "broker non-votes" are counted in determining whether a quorum is present for the transaction of business at the Annual Meeting. A "broker

non-vote" is a proxy submitted by a broker that does not indicate a vote for some or all of the Proposals because the broker does not have discretionary voting authority on non-routine matters and has not received instructions from its client as to how to vote on a particular proposal.

Abstentions will have no effect on Proposal 2. Votes withheld will have no effect on Proposal 1. Under the rules and interpretations of the New York Stock Exchange ("NYSE"), there are no "routine" proposals in a contested proxy solicitation. Because Clinton has initiated a contested proxy solicitation, there will be no "routine" matters at the Annual Meeting for any broker accounts that are provided with proxy materials by Clinton.

## **VOTES REQUIRED FOR APPROVAL**

*Election of Directors* The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy at the Annual Meeting (assuming a quorum is present) and entitled to vote is required for the election of a Nominee to the Board pursuant to Proposal 1. Withheld votes and broker non-votes will have no effect on the election of directors.

*Ratification Of Independent Registered Public Accounting Firm* The affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the Annual Meeting (assuming a quorum is present) and entitled to vote is required for the approval of Proposal 2. Abstentions with respect to Proposal 2 will have the effect of casting a negative vote on such Proposal. A broker non-vote will have no effect on the outcome of Proposal 2.

*Advisory Vote On Executive Compensation* – The advisory vote to approve the Company's named executive officers' compensation is not binding on the Company. The Company will consider the stockholders to have approved the executive compensation if the number of votes cast "for" Proposal 3 exceeds the number of votes cast "against" Proposal 5. Abstentions and broker non-votes will have no effect on the outcome of Proposal 3.

**IF YOU WISH TO VOTE FOR THE ELECTION OF OUR NOMINEES TO THE BOARD AND FOR THE PROPOSALS, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.**

#### **APPRAISAL/DISSENTER RIGHTS**

Stockholders are not entitled to appraisal or dissenters' rights provided for under Maryland law unless the Board, upon the affirmative vote of a majority of the Board, shall determine that such rights apply, with respect to all or any classes or series of stock, to one or more transactions occurring after the date of such determination in connection with which holders of such shares would otherwise be entitled to exercise such rights.

## **SOLICITATION OF PROXIES**

The solicitation of proxies pursuant to this Proxy Solicitation is being made by the Participants. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Clinton will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Clinton has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Clinton will reimburse these record holders for their reasonable out-of-pocket expenses in so doing.

The entire expense of soliciting proxies is being borne by Clinton. Costs of this Proxy Solicitation are currently estimated to be approximately \$[ ]. Clinton estimates that through the date hereof, its expenses in connection with the Proxy Solicitation are approximately \$[ ]. If successful, we may seek reimbursement of these costs from the Company. In the event that we decide to seek reimbursement of our expenses, we do not intend to submit the matter to a vote of the Company's stockholders. The Board would be required to evaluate the requested reimbursement consistent with their fiduciary duties to the Company and its stockholders. Costs related to the solicitation of proxies include expenditures for attorneys, advisors, printing, advertising, postage and related expenses and fees.

Clinton has retained Okapi Partners LLC ("Okapi") to provide solicitation and advisory services in connection with this Proxy Solicitation. Okapi will receive a fee not to exceed \$200,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified by CGI against certain liabilities and expenses, including certain liabilities under the federal securities laws. Okapi will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. It is anticipated that Okapi will employ approximately 30 persons to solicit Campus Crest's stockholders as part of this solicitation. Okapi does not believe that any of its directors, officers, employees, affiliates or controlling persons, if any, is a "participant" in this Proxy Solicitation.
