Item 1.01. Entry into a Material Definitive Agreement.

On June 6, 2005, MDC Partners Inc., a Canadian corporation ("MDC Partners" or the "Company"), amended its Credit Agreement, dated September 22, 2004 (as amended the "Credit Facility"), by and among JPMorgan Chase Bank N.A., The Toronto-Dominion Bank, Bank of Montreal, Bank of Nova Scotia and Canadian Imperial Bank of Commerce as lenders (collectively, the "Lenders"), and with the Company, Maxxcom Inc., an Ontario corporation, and Maxxcom Inc., a Delaware corporation, as borrowers. Pursuant to such amendment, among other things, the Lenders (i) agreed to permit the Company to issue 8% convertible unsecured subordinated indentures in an aggregate principal amount not exceeding Cdn \$50 million (the "Convertible Debentures"), (ii) modified the definition of "Total Debt Ratio" to exclude the Convertible Debentures from such definition, (iii) required a reduction of the revolving commitments under the Credit Facility by an amount equal to the net proceeds received by the Company from the issuance of the Convertible Debentures, (iv) imposed certain restrictions on the ability of the Company to amend the documentation governing the Convertible Debentures, and (v) modified the Company's fixed charges ratio covenant, effective upon issuance of the Convertible Debentures. A copy of this Amendment No. 5 to the Credit Facility is annexed hereto as Exhibit 10.1.

Item 3.02. Unregistered Sales of Equity Securities.

On June 8, 2005, the Company filed a press release announcing that it has entered into an agreement with two underwriters under which they have agreed to purchase from MDC Partners and resell to the public C\$40,000,000 of convertible unsecured subordinated debentures of MDC Partners. In addition, MDC Partners has granted the underwriters an option to purchase up to an additional C\$10,000,000 of these debentures on the same terms and conditions, exercisable up to 24 hours prior to closing. Aggregate underwriting discounts and commissions for the offering are expected to be 3.0% of the aggregate principal amount of debentures sold.

Each debenture will have a minimum denomination of C\$1,000 and will bear an interest rate of 8.0% per annum, payable in cash semi-annually in arrears on June 30th and December 31st of each year, commencing December 31, 2005. The debentures will mature on June 30, 2010. MDC Partners intends use the net proceeds of this offering to reduce outstanding indebtedness under its revolving credit agreement.

These debentures are being sold outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act and in the United States to qualified institutional buyers pursuant to Rule 144A under the Securities Act.

A copy of such press release is annexed hereto as Exhibit 99.1.
