SOLICITATION OF PROXIES

This Management Proxy Circular (the Circular) is forwarded to holders of Class B voting shares (the Class B Shares) and Class A non-voting shares (the Class A Shares) of Oppenheimer Holdings Inc. (the Corporation) in connection with the solicitation of proxies by the management of the Corporation from the holders of the Class B Shares (the Class B Shareholders)for use at the Annual Meeting of Shareholders of the Corporation (the Meeting) to be held on May 15, 2006, at the hour of 4:30 p.m. (Toronto time) at The Toronto Board of Trade Downtown Centre, 4th Floor, 1 First Canadian Place, 77 Adelaide St. West, Toronto, Ontario and at any adjournments thereof for the purposes set forth in the Notice of Annual Meeting of Shareholders (the Notice of Meeting) which accompanies this Circular. This Circular is dated March 15, 2006, and is first being mailed to Shareholders on or about March 28, 2006.

The record date for the determination of shareholders entitled to receive notice of the meeting is March 24, 2006. In accordance with the provisions of the *Canada Corporations Act* the Corporation will prepare a list of holders of the Class B Shareholders as of the record date. Class B Shareholders named in the list will be entitled to vote the Class B Shares on all matters to be voted on at the Meeting except to the extent that (a) the Class B Shareholder has transferred any of the shareholder's Class B Shares after the record date and (b) the transferee of those shares produces properly endorsed share certificates or otherwise establishes that the transferee owns such shares and demands, not later than immediately before a vote on any matter, that the transferee's name be included in the list, in which case the transferee of the Class B Shares will be entitled to vote such shares at the Meeting. Holders of Class A Shares (the Class A Shareholders) will not be entitled to vote on the matters to be voted on at the Meeting.

It is planned that the solicitation will be initially by mail, but proxies may also be solicited by employees of the Corporation. The cost of such solicitation will be borne by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date of this Circular. Except as otherwise stated, the information contained in this Circular is given as of March 15, 2006.

The Corporation has distributed copies of its Annual Report for the year ended December 31, 2005, the Notice of the Meeting, this Circular, and, in the case of Class B shareholders, a form of proxy for use by the Class B Shareholders, to intermediaries such as clearing agencies, securities dealers, banks and trust companies or their nominees for distribution to non-registered shareholders of the Corporation whose shares are held by or in the custody of such intermediaries. Intermediaries are required to forward these documents to non-registered shareholders. The solicitation of proxies from non-registered Class B Shareholders will be carried out by the intermediaries, or by the Corporation if the names and addresses of Class B Shareholders are provided by the intermediaries. The cost of such solicitation will be borne by the Corporation. Non-registered Class B Shareholders who wish to file proxies should follow the instructions of their intermediary with respect to the procedure to be followed. Generally, non-registered Class B Shareholders will either: (a) be provided with a proxy executed by the intermediary, as the registered shareholder, but otherwise uncompleted and the non-registered holder may complete the proxy and return it directly to the Corporation's transfer agent; or (b) be provided with a request for voting instructions by the intermediary, as the registered shareholder, then the intermediary must send to the Corporation's transfer agent an executed proxy form completed in accordance

Table of Contents

with any voting instructions received by it from the non-registered holder and may not vote in the event that no instructions are received.

CLASS A SHARES AND CLASS B SHARES

The Corporation has authorized and issued Class A Shares and Class B Shares which are equal in all respects except that Class A Shareholders, as such, are not entitled to vote at meetings of shareholders of the Corporation unless entitled to vote by law, pursuant to the Corporation's articles or as may be required by regulatory authorities. Class A Shareholders are not entitled to vote the Class A Shares owned or controlled by them on the matters identified in the Notice of Meeting to be voted on.

Generally, Class A Shareholders are entitled to receive notices of all meetings of shareholders of the Corporation and to attend and speak at such meetings. In addition to notices of shareholders' meetings, Class A Shareholders are entitled to receive all informational documentation sent to the Class B Shareholders of the Corporation.

Class B Shareholders are entitled to one vote for each Class B Share held at all meetings of shareholders except meetings at which only the holders of a specified class of shares other than the Class B Shares are entitled to vote.

In the event of either a take-over bid or an issuer bid (as those terms are defined in the Securities Act of Ontario) being made for the Class B Shares and no corresponding offer being made to purchase Class A Shares, the Class A Shareholders would have no right under the articles of the Corporation or under any applicable statute to require that a similar offer be made to them to purchase their Class A Shares.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy (the Management Nominees) are directors and officers of the Corporation.

Class B Shareholders have the right to appoint persons, other than the Management Nominees, who need not be a shareholder to represent them at the Meeting. To exercise this right, the Class B Shareholder may insert the name of the desired person in the blank space provided in the form of proxy accompanying this Circular or may submit another form of proxy.

Class B Shares represented by properly executed proxies will be voted by the Management Nominees on any ballot that may be called for, unless the shareholder has directed otherwise, (i) for the election of Directors (item 2 in the Notice of Meeting), and (ii) for the appointment of auditors and authorizing the directors to fix the remuneration of the auditors (item 3 in the Notice of Meeting).

It is not intended to use the proxies hereby solicited for the purpose of voting upon the consolidated financial statements of the Corporation for the year ended December 31, 2005, or the report of the auditors thereon.

Each form of proxy confers discretionary authority with respect to amendments or variations to matters identified in the Notice of Meeting to which the proxy relates and other matters which may properly come before such Meeting. Management knows of no matters to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if matters which are not known to the management should properly come before the Meeting, the proxies will be voted on such matters in accordance with the best judgment of the person or persons voting the proxies.

A Class B Shareholder who has given a proxy has the power to revoke it prior to the commencement of the Meeting by depositing an instrument in writing executed by the Class B Shareholder or by the Class B Shareholder's attorney authorized in writing either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof or in any other manner permitted by law. A Class B Shareholder who has given a proxy has the power to revoke it after the commencement of the Meeting as to any matter on which a vote has not been cast under the proxy by delivering written notice of revocation to the Chairman of the Meeting.

Table of Contents

A Class B Shareholder who has given a proxy may also revoke it by signing a form of proxy bearing a later date and returning such proxy to the Secretary of the Corporation at the registered office of the Corporation prior to the commencement of the Meeting.

The nominees proposed for election as directors, which were nominated by the Nominating and Corporate Governance Committee to the Board of Directors, are listed below under the heading Directors and Executive Officers. The number of Directors to be elected at the meeting is seven.

3. APPOINTMENT OF AUDITORS

Management proposes that PricewaterhouseCoopers LLP be reappointed as the independent auditors of the Corporation. Information with respect to the appointment of auditors appears below under the heading Principal Accounting Fees and Services.

Mr. A.G. Lowenthal and Mrs. Olga Roberts have advised the Corporation that they intend to vote all of the Class B Shares owned and controlled by them for the matters referred to in the Notice of Meeting to be voted on at the Meeting.

DIRECTORS AND EXECUTIVE OFFICERS

The Board of Directors of the Corporation currently consists of seven directors to be elected annually. The term of office for each director is from the date of the meeting at which the director is elected until the close of the next annual meeting of shareholders or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the by-laws of the Corporation.

Pursuant to a Stakeholders Agreement dated December 9, 2002 between the Corporation, Canadian Imperial Bank of Commerce (CIBC) and others, CIBC has the right to have two of its designees nominated for election to the Corporation's Board at the Meeting. CIBC has informed the Corporation that it does not wish to exercise this right at the Meeting.

The Nominating/ Corporate Governance Committee of the Board (the Committee) has recommended and the directors have determined that seven directors are to be elected at the Meeting. Management does not contemplate that any of the nominees named below will be unable to serve as a director, but, if such an event should occur for any reason prior to the Meeting, the Management Nominees reserve the right to vote for another nominee or nominees in their discretion. The following sets out information with respect to the proposed nominees for election as directors as recommended by the Committee, in accordance with the Nominating/ Corporate Governance Committee Charter (available at www.opco.com). The Committee has reported that it is satisfied that each of the nominees (who has served on the Board for the period indicated below) is fully able and fully committed to serve the best interests of the Corporation's shareholders. The election of the directors nominated requires the affirmative vote of a simple majority of the Class B shares voted at the meeting.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE

The following report of the Committee discusses generally the Committee's executive compensation objectives and policies and their relationship to corporate performance in 2005. In addition, the report specifically discusses the Committee's bases for compensation in 2005 of the Corporation's Chief Executive Officer, as well as the other senior executive officers of the Corporation and Oppenheimer.

Objectives and Policies

The Committee's objective is to provide a competitive compensation program with appropriate incentives for superior performance, thereby providing a strong and direct link between corporate performance and compensation. Performance is defined in several ways, as more fully discussed below, each of which has relevance to the Corporation's success in the short-term, long-term or both.

The Corporation's compensation program for senior executive officers consists of the following key elements: a base salary, an annual bonus, grants of stock options and, in the case of the Chief Executive Officer, the Performance-Based Compensation Agreement referred to below.

In arriving at its recommendations concerning the specific components of the Corporation's compensation program, the Committee considers certain public information about the compensation paid by a group of comparable public Canadian and U.S. broker-dealers and the relative performance of the Corporation as measured by net income levels and earnings per share, among other factors.

The Committee believes that this approach best serves the interests of shareholders by enabling the Corporation to structure compensation in a way that meets the requirements of the highly competitive environment in which the Corporation operates, while ensuring that senior executive officers are compensated in a manner that advances both the short and long-term interests of shareholders.

Compensation for the Corporation's senior executive officers involves a significant component of remuneration which is contingent on the performance of both the Corporation and the senior executive officer: the discretionary annual bonus (which permits individual performance to be recognized on an annual basis, and which is based, in significant part, on an evaluation of the contribution made by the officer to corporate performance) and stock options (which directly relate a portion of compensation to stock price appreciation realized by the Corporation's shareholders).

Base Salary. Salaries paid to senior executive officers (other than the Chief Executive Officer) are reviewed annually by the Committee considering recommendations made by the Chief Executive Officer to the Committee, based upon the Chief Executive Officer's assessment of the nature of the position, and the skills, experience and performance of each senior executive officer, as well as salaries paid by comparable companies

Table of Contents

in the Corporation's industry. The Committee then makes recommendations to the Board with respect to base salaries.

Annual Bonus. Bonuses paid to senior executive officers (other than the Chief Executive Officer) are reviewed annually by the Committee considering recommendations made by the Chief Executive Officer to the Committee, based upon the Chief Executive Officer's assessment of the performance of the Corporation and his assessment of the contribution of each senior executive to that performance. The Committee then makes recommendations to the Board with respect to bonuses. Senior executive officers, including the Chief Executive Officer, of Oppenheimer have the right to elect to defer a portion of their annual bonus and performance-based compensation under Oppenheimer's Executive Deferred Compensation Plan, a non-qualified unfunded plan.

Stock Option Grants. Under the Corporation's 1996 Equity Incentive Plan (the Equity Incentive Plan), senior executive officers and employees of the Corporation and its subsidiaries (other than the Chief Executive Officer) are granted stock options by the Committee based upon the recommendations of the Chief Executive Officer and based upon a variety of considerations, including the date of the last grant made to the officer or employee, as well as considerations relating to the contribution and performance of the specific optionee.

Chief Executive Officer Compensation

Mr. A.G. Lowenthal, the Chairman of the Board and the Chief Executive Officer of the Corporation and Oppenheimer, is paid a base salary set by the Committee, plus performance-based compensation under the Performance-Based Compensation Agreement referred to below and, at the discretion of the Committee, is eligible for bonuses and grants of stock options.

On March 15, 2005, the Corporation and Mr. A.G. Lowenthal entered into an Amended and Restated Performance-Based Compensation Agreement (the Performance-Based Compensation Agreement) which replaced an earlier Performance-Based Compensation Agreement dated January 1, 2001 (the 2001 Agreement) which was due to expire on December 31, 2005. The Performance-Based Compensation Agreement was approved by the shareholders of the Corporation at the annual and special meeting of shareholders held May 9, 2005. The purpose of the Performance-Based Compensation Agreement is to set the terms under which Mr. Lowenthal's annual performance-based compensation is to be calculated during the term thereof.

In March of 2005, the Committee established performance goals under the 2001 Agreement entitling Mr. Lowenthal to a Performance Award under the 2001 Agreement for the year 2005 of an aggregate of \$2,584,398, determined by the application of a formula based on the following components: (i) the amount by which the closing price of one Class A Share at January 1, 2006, exceeded the closing price of one Class A Share as at December 31, 2003, multiplied by 200,000 shares; (ii) 5% of the amount by which the Corporation's consolidated profit before income taxes for the year ended December 31, 2005 exceeded 10% of the amount of the Corporation's restated consolidated shareholders' equity as at December 31, 2004; (iii) 2.5% of pre tax profit up to \$10,000,000, 4% of pre tax profit in excess of \$10,000,000 up to \$40,000,000, and 5% of pre tax profit over \$40,000,000; and (iv) \$500,000. In March of 2005, the Committee set Mr. Lowenthal's base salary for 2005 at \$500,000. Mr. Lowenthal advised the Committee that regardless of the Corporation's satisfaction of the 2005 performance goals he would not accept the full amount of the bonus to which he would be entitled and the Committee agreed to reduce the amount of his bonus to \$1,700,000.

U.S. Internal Revenue Code Section 162(m)

The Corporation is a Canadian taxpayer. However, because Oppenheimer is a U.S. taxpayer, most compensation issues are affected by the U.S. Internal Revenue Code of 1986, as amended (the U.S. Tax Code).

Section 162(m) of the U.S. Tax Code generally disallows a tax deduction to public corporations for annual compensation of over \$1,000,000 paid to any of the Corporation's chief executive officer and four other most highly paid executive officers (determined as of the end of each fiscal year) unless such compensation constitutes qualified performance-based compensation or otherwise qualifies for an exception.

In order to qualify for exemptions under Section 162(m) in 2001, the 2001 Agreement was adopted and approved by the Class B Shareholders and in 2005 the Performance-Based Compensation Agreement was adopted and approved by the Class B Shareholders.

Table of Contents

To the extent consistent with the Corporation's general compensation objectives, the Committee considers the potential effect of Section 162(m) on compensation paid to the executive officers of the Corporation and its subsidiaries. However, the Committee reserves the right to award and recommend the awarding of non-deductible compensation in any circumstances it deems appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding the Corporation's efforts to qualify, that the compensation paid by the Corporation to its executive officers will in fact satisfy the requirements for the exemption from the Section 162(m) deduction limit.

SCHEDULE A

STATEMENT OF CORPORATE GOVERNANCE PRACTICES/ CSA REQUIREMENTS

Mandate and Duties of the Board of Directors

The fundamental responsibility of the Board is to supervise the management of the business of the Corporation with a view to maximizing shareholder value and ensuring corporate conduct in a legal and ethical manner through a system of corporate governance and internal controls appropriate to the Corporation's business. Given the nature of the Corporation's business and the size and composition of the Board, the Board has determined that there is no current need to develop a specific mandate for the Board, the chief executive officer or the chairs of the Board committees. The Board has adopted a statement of Corporate Governance Guidelines to which it adheres.

In fulfilling its mandate, the Board's responsibilities include:

the establishment and maintenance of an appropriate system of corporate governance, including practices to ensure that the Board functions effectively and independently of management;

monitoring and overseeing the Corporation's strategic planning;

monitoring the performance of the Corporation's business, identifying and evaluating opportunities and risks and controlling risk;

overseeing monitoring systems for internal controls, audit and information management systems;

assessing and monitoring the performance of senior management and overseeing succession planning;

remuneration of executive officers and senior management and reviewing the general compensation policy of the Corporation;

reviewing and approving the Corporation's financial statements and overseeing the Corporation's compliance with applicable audit, accounting and financial reporting requirements; and

overseeing corporate communications to all stakeholders.

Independence of the Board of Directors

Four of the Corporation's seven directors are independent as required by the CSA Guidelines for Corporate Governance and by the New York Stock Exchange Corporate Governance Rules. To be considered independent under these rules, the Board must determine that a Director has no direct or indirect material relationship with the Corporation. The board has determined that Messrs. Bitove, Crystal, McArthur and Winberg are independent directors and that Mr. Lowenthal, the Chairman of the Board and chief executive officer of the Corporation, Ms. Roberts, the President and Treasurer of the Corporation and Mr. Oughtred, the Secretary of the Corporation, are not independent.

At each regular meeting of the Board, the independent directors are afforded an opportunity to meet in the absence of management. As well, at meetings of the Audit Committee, the members of the Committee are afforded the opportunity to meeting with the auditors in the absence of management.

The independent Directors and the Directors that are not independent, understand the need for directors to be independent minded and to assess and question management initiatives and recommendations from an independent perspective. The Board has a Lead Director, Mr. K. W. McArthur, an independent director who, among other things, chairs sessions of the independent directors in the absence of management.

Orientation and Continuing Education

The Nominating/ Corporate Governance Committee of the Board, as required by its Charter, is responsible for the orientation of new directors as to the business of the Corporation, the role of the board and the Board committees.

The Board encourages the Directors to maintain the skill and knowledge necessary to meet their obligations as Directors. This includes attendance at continuing education sessions and providing written materials on governance

Corporate Governance College Programme and is certified as an Institute of Corporate Directors Director (ICD.D).

Nomination of Directors

The Board currently consists of seven Directors. The Board has determined that this is an appropriate size for the Board

The Board has a Nominating/ Corporate Governance Committee each of the members of which are independent. The duties of this Committee which include the recruitment of directors and the nomination of individuals for Board positions are set out below.

Board Compensation

The Board has a Compensation and Stock Option Committee the duties of which (described below) include making recommendations as to directors' compensation. The Directors other than Mr. Lowenthal and Ms. Roberts are entitled to the automatic grant of stock options on a periodic basis under the Corporation's 1996 Equity Incentive Plan.

In addition to the Committees referred to above, the Board has an Audit Committee composed of three independent directors the duties of which are described below.

Director, Committee Assessments

The Board does not currently have a formal director assessment process. The Board's Lead Director is responsible for assessing the performance and contribution of individual Board members and, if necessary, to address issues arising from such assessments with members of the Board.

The Board does formally assess the Audit Committee on an annual basis.

The Board must affirmatively determine each director's independence and disclose those determinations.	ü	The Board has not adopted formal categorical standards to assist in determining independence. The Board has considered the relationship of each non-management/officer director and has made a determination that the four non-management/officer directors of the Corporation are independent. The Board has determined that although Mr. Crystal is a partner in the firm of Brown Raysman Millstein Felder & Steiner LLP, which firm provides legal services to the Corporation, in view of the professional ethical standards which govern his conduct, the fact that less than one percent of the annual revenues of his firm are derived from the Corporation and that Mr. Crystal receives no direct compensation from the Corporation other than his Director's compensation, his relationship with the Corporation is not material for the purposes of determining that Mr. Crystal is an independent director.
A majority of the directors must be independent.	ü	A majority of the directors are independent. Assuming the slate of directors nominated for election at the Corporation's 2006 shareholders meeting are elected, four of the seven directors will be independent.
