Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Release from Liability of Office Holder

The Israeli Companies Law provides that a company may not exonerate office holders from liability for a breach of their duty of loyalty, but may exonerate in advance office holders

from their liability to the company, in whole or in part, for a breach of his duty of care. However, a company may not exculpate in advance a director from his liability to the company with respect to a breach of his duty of care in the event of distributions. Our articles of association allow us to exculpate any office holder from his or her liability to us for breach of duty of care, to the maximum extent permitted by law, before the occurrence giving rise to such liability.

Office Holder Insurance

Additionally, the Israeli Companies Law provides that a company may, if permitted by its articles of association, enter into a contract for the insurance of the liability of any of its office holders with respect to an act performed by him in his capacity as an office holder, for:

- o a breach of their duty of care to us or to another person;
- o a breach of their duty of loyalty to us, provided that they acted in good faith and had reasonable grounds to assume that their act would not prejudice our interests; and
- o a financial liability imposed upon them in favor of another person for an act performed by them in their capacity as office holders.

Our articles of association provide that, subject to any restrictions imposed by the Israeli Companies Law, we may enter into an insurance contract providing coverage for the liability of any of our office holders for a breach of his duty of care to us or to another person; breach of his duty of loyalty to us, provided that the office holder acted in good faith and had reasonable cause

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form S-8

to assume that his act would not prejudice our interests; or a financial liability imposed upon him in favor of another person.

Indemnification of Office Holders

Further, the Israeli Companies Law permits a company, if its articles of association so provide, to indemnify an office holder for acts or omissions committed in his or her capacity as an office holder of the company; for:

- o a financial liability imposed on them in favor of another person by any judgment, including a settlement or an arbitrator's award approved by a court; and
- o reasonable litigation expenses, including attorneys' fees, incurred by such office holders or imposed upon them by a court, in connection with proceedings instigated by us against them or that are instigated on our behalf or by another person, or as a result of a criminal charge from which they were acquitted or a criminal charge in which they were convicted for a criminal offense that does not require proof of intent.

Under the Israeli Companies Law, the shareholders of a company may include in, or amend a company's articles of association to include, either of the following:

- o a provision authorizing the company to grant in advance an undertaking to indemnify an office holder, provided that the undertaking is limited to specified classes of events that the board of directors deem foreseeable at the time of grant and is limited to an amount determined by the board of directors to be reasonable under the circumstances; or
- o a provision authorizing the company to retroactively indemnify an office holder.

Our articles of association provide that we may undertake to indemnify in advance an office holder, against financial liability imposed on them in favor of another person by any judgment, including a settlement or an arbitrator's award approved by a court, and, reasonable litigation expenses, including attorneys' fees, incurred by such office holders or imposed upon them by a court, in connection with proceedings instigated by us against them or that are instigated on our behalf or by another person, or as a result of a criminal charge from which they were acquitted or a criminal charge in which they were convicted for a criminal offense that does not require proof of intent, provided that such undertaking is limited to events of a kind that can be expected as determined by our board of directors when authorizing such undertaking, and with respect to such amounts determined by our board of directors as reasonable in the circumstances. Furthermore, under our articles of association, we may indemnify any office holder, with respect to any past occurrence.

Pursuant to a recent amendment to the Israeli Companies Law, a company may indemnify any of its office holders for reasonable litigation costs incurred by such office holder in connection with any investigation or other legal proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form S-8

against him or the imposition of any financial liability in lieu of criminal proceedings, or concluded without the filing of an indictment against him and a financial liability was imposed on him in lieu of criminal proceedings with respect to a criminal offense that does not require proof of criminal intent.

Limitations on Exculpation, Insurance and Indemnification

The Israeli Companies Law provides that a company may not indemnify an office holder nor enter into an insurance contract which would provide coverage for any monetary liability incurred as a result as a result of any of the following:

- o a breach by the office holder of his duty of loyalty unless, with respect to insurance coverage or indemnification, the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- o a breach by the office holder of his duty of care if such breach was committed intentionally or recklessly, unless the breach was committed only negligently;
- o any act or omission done with the intent to unlawfully yield a personal benefit; or
- o any fine imposed on the office holder.

Pursuant to the Israeli Companies Law, indemnification of, and procurement of insurance coverage for, a company's office holders must be approved by the audit committee and the board of directors. In the case of directors, shareholder approval is also required.

The Registrant's shareholders approved its entering into an agreement to indemnify its office holders up to \$5 million, in advance. The Registrant currently maintain a directors and officers liability insurance policy with a per claim and aggregate coverage limit of \$5 million.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission (the "Commission") by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form S-8

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
