MTS Completes Acquisition of TelSoft Solutions, Inc.

Wednesday August 2, 8:00 am ET

MTS Suite of Telecommunications Expense Management Product Moves Into New Market Segments

RA'ANANA, Israel and FAIR LAWN, New Jersey, August 2 /PRNewswire-FirstCall/ -- Mer Telemanagement Solutions Ltd. (NASDAQ Capital Market: MTSI), a global provider of business support systems (BSS) for comprehensive telecommunication management and customer care & billing solutions (CC&B), announced today the completion of the acquisition of the telecom expense management and call accounting software assets of TelSoft Solutions, Inc. The acquisition will expand MTS's TEM (Telecommunications Expense Management) solution.

Under the terms of the agreement, MTS acquired certain assets of TelSoft and assumed certain enumerated liabilities.

"I believe this acquisition will assist us to develop our growing business, similar to our acquisition of TeleKnowledge in December 2004" said Mr Eytan Bar, President and CEO of MTS. "In addition, this acquisition will help us strengthen our growing business in the United States".

Mr. Don Simons, MTS-TelSoft CEO added: "This acquisition will secure our customers' long-term interests with the addition of telecom expense management (TEM) solutions to our robust call accounting and billing portfolio".

About TelSoft

TelSoft Solutions, Inc. is a California-based privately held corporation located in Glendale, California. Since 1985, TelSoft has been providing call accounting and telecom billing services to organizations with as few as 100 stations to large multi-location companies exceeding 100,000 employees. TelSoft enjoys meeting the challenges presented by their clients, many of whom have unique telecom expense management needs.

About MTS

Mer Telemanagement Solutions Ltd. (MTS) is a worldwide provider of innovative solutions for comprehensive telecommunications expense management (TEM) used by enterprises, and for business support systems (BSS) used by information and telecommunication service providers.

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

Since 1984, MTS Telecommunications' expense management solutions have been used by thousands of enterprises and organizations to ensure that their telecommunication services are acquired, provisioned, and invoiced correctly. In addition, the MTS's Application Suite has provided customers with a unified view of telecommunication usage, proactive budget control, personal call management, employee cost awareness and more.

MTS's solutions for Information and Telecommunication Service Providers are used worldwide by wireless and wireline service providers for interconnect billing, partner revenue management and for charging and invoicing their customers. MTS has pre-configured solutions to support emerging carriers of focused solutions (e.g. IPTV, VoIP, MVNO) to rapidly install a full-featured and scaleable solution. MTS's unique technology reduces integration risks and lessens revenue leakage by using the very same system to manage retail and wholesale business as well as supporting multiple business units. Total cost of ownership (TCO) is reduced by providing web-based customer self-care and provisioning.

Headquartered in Israel, MTS markets its solutions through wholly owned subsidiaries in the United States, Hong Kong, The Netherlands, and Brazil, as well as through OEM partnerships with Siemens, Phillips, NEC and other vendors. MTS shares are traded on the NASDAQ Capital Market (symbol MTSI). For more information visit the MTS web site: www.mtsint.com.

Certain matters discussed in this news release are forward-looking statements that involve a number of risks and uncertainties including, but not limited to, risks in product development plans and schedules, rapid technological change, changes and delays in product approval and introduction, customer acceptance of new products, the impact of competitive products and pricing, market acceptance, the lengthy sales cycle, proprietary rights of the Company and its competitors, risk of operations in Israel, government regulations, dependence on third parties to manufacture products, general economic conditions and other risk factors detailed in the Company's filings with the United States Securities and Exchange Commission.
