Plan Administration Committee  
MacDermid Equipment, Inc. 401K Plan:

## Edgar Filing: MACDERMID INC - Form 11-K

for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of MacDermid Equipment, Inc. 401K Plan as of March 31, 2001 and 2000 and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

# Edgar Filing: MACDERMID INC - Form 11-K

March 31, 2001 and 2000

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### (a) BASIS OF PRESENTATION

The MacDermid Equipment, Inc. (the Company) 401K Plan (the Plan) is a defined contribution plan that was established as of January 1, 1989 under the name of the Hollmuller America, Inc. 401(k) Plan. MacDermid, Inc. had owned 50% of Hollmuller America, Inc. During 1995, MacDermid, Inc. purchased the remaining 50% of Hollmuller America, Inc., and the name of the Plan was changed to the MacDermid Equipment, Inc. 401K Plan.

The accompanying financial statements have been prepared on an accrual basis. Current values of investments are determined using quoted market prices and current yields. Purchases and sales of securities are recorded on a trade-date basis. The cost of investments sold is determined on an average cost basis.

### (b) TRUST FUND

Prudential Investments was the Trustee of the Plan through December 31, 2000. Effective January 1, 2001, First Union National Bank is the Trustee of the Plan. The assets of the Plan were transferred in January 2001. Under the terms of a trust agreement between the Trustee and the Plan, the Trustee manages a trust fund on behalf of the Plan. The Plan Trustee has discretionary authority concerning purchases and sales of investments in the trust fund. The investments and changes therein of this trust fund have been reported to the Plan by the Trustee as having been determined through the use of current values for all assets and liabilities.

### (c) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### (d) PAYMENT OF BENEFITS

Benefits are recorded when paid.

## (2) PLAN PROVISIONS

Under the terms of the Plan, an employee is eligible to become a participant in the Plan (for the purpose of making employee contributions) upon the completion of 30 days of employment and reaching the age of 18. For the purpose of receiving Company contributions, an employee is eligible after completing at least 1,000 hours of employment with the Company during the current Plan year and if they are a participant on the last day of the Plan year.

MACDERMID EQUIPMENT, INC. 401K PLAN

Notes to Financial Statements

March 31, 2001 and 2000

An employee may make voluntary pre-tax contributions to the Plan totaling from 1% to 15% of the employee's gross pay, subject to IRS limitations. Contributions toward Company stock (up to 6%) are matched by the Company \$0.50 per dollar, to a maximum of 3% of employees' gross pay. Each participant shall direct (to funds) 100% of their contributions.

The Company may make profit-sharing contributions to the Plan. This is a discretionary contribution determined by the Board of Directors. Profit-sharing contributions were \$42,822 and \$0 for the years ended March 31, 2001 and 2000, respectively.

Employees vest immediately in their contributions. Full vesting with respect to the Company's contribution requires five years of credited service, except that full vesting will apply when an employee attains age 55, dies or becomes totally disabled. Any forfeited amounts related to the maximum additional 3% of compensation allocated to the MacDermid Company Stock Fund are allocated on a pro rata basis to Plan participants with at least one year of participation in the Plan based on eligible compensation.

Distribution of participants' accounts upon separation shall be paid in (a) a lump sum, or (b) equal installments.

The Company expects to continue the Plan indefinitely, but necessarily reserves the right to amend, modify or terminate the Plan at any time. If it is necessary to discontinue the Plan, the assets in the trust fund will be used to provide benefits in accordance with the provisions of the Plan document.

## (3) FEDERAL INCOME TAXES

The Plan has received a tax determination letter from the Internal Revenue Service (IRS) indicating that the Plan qualifies under the provisions of Section 401(a) of the Internal Revenue Code (IRC) and is exempt from federal income taxes. The Plan has been amended since receiving the determination letter, however, the Company believes the Plan is designed and is currently being operated in compliance with the applicable sections of the IRC.

Plan participants are taxed on Plan benefits at the time of distribution to the extent such distribution exceeds a participant's post-tax contribution to the Plan. The Plan withholds the mandatory 20% federal tax from all taxable distributions which are not direct rollovers. The tax consequences to the participant will depend on the type of distribution (lump sum, annuity, or installments).

the year) appreciated (depreciated) as follows:

(7) PARTICIPANT NOTES RECEIVABLE

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Loan Fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. Loans are secured by the balance in a participant's account and bear interest at a rate equal to the prime rate. Principal and interest is paid ratably through regular payroll deductions.

(8) DUE TO TRUSTEE

During April 2001, it was disclosed by the trustee that an excess amount had been recorded as contributions to the trust in March 2001. This amount is recorded as a payable in the statement of net assets available for plan benefits as of March 31, 2001, and was subsequently repaid in May 2001.

(9) RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by First Union and Prudential. First Union and Prudential are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

(10) SUBSEQUENT EVENT
