### Item 5. Other Events

EXCEPT AS EXPRESSLY INDICATED OR UNLESS THE CONTEXT OTHERWISE REQUIRES, "CENDANT", "WE", "OUR", OR "US" MEANS CENDANT CORPORATION, A DELAWARE CORPORATION, AND ITS SUBSIDIARIES.

In connection with our \$2.85 billion settlement of our principal securities class action litigation, IN RE CENDANT CORPORATION LITIGATION, Master File No. 98-1664 (WHW) (D.N.J.), we completed the funding of the trust established for the benefit of the plaintiffs of such litigation on May 28, 2002. In completing this funding, we satisfied our liability arising from such litigation. A copy of the press release announcing this funding is attached as Exhibit 99.1 to this Form 8-K and is incorporated by reference herein.

We continue to be involved in litigation asserting claims associated with the accounting irregularities discovered in former CUC business units outside of the principal securities class action litigation described above. We do not believe that it is feasible to predict or determine the final outcome or resolution of these unresolved proceedings. An adverse outcome from such unresolved proceedings could be material with respect to earnings in any given reporting period. However, we do not believe that the impact of such unresolved proceedings should result in a material liability to us in relation to our consolidated financial position or liquidity.
