You are cordially invited to attend the 2002 Annual Meeting. BY ORDER OF THE BOARD OF
DIRECTORS,

Lorin E. Krueger
President and Chief Executive Officer

Dated: June 21, 2002
Mankato, Minnesota

WINLAND ELECTRONICS, INC.

**PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
to be held
July 30, 2002**

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

The accompanying Proxy is solicited by the Board of Directors of Winland Electronics, Inc. (the "Company") for use at the 2002 Annual Meeting of Shareholders of the Company to be held on Tuesday, July 30, 2002, at the location and for the purposes set forth in the Notice of Annual Meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to the beneficial owners of stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

You may vote your shares by telephone or by mail as follows. Please help us save administrative and postage costs by voting by telephone.

BY TELEPHONE:

On a touch-tone telephone, please call the toll-free number printed on your proxy card or electronic notification, 24 hours a day, seven days a week. You may vote by phone until 12 noon Central Time on July 29, 2002.

Enter the three digit company number and seven digit personal identification number shown on your proxy card or electronic notification.

Follow the simple recorded instructions.

BY MAIL:

Sign and date the enclosed proxy card.

Mail the proxy card in the enclosed postage-paid envelope.

Any shareholder giving a Proxy may revoke it any time prior to its use at the 2002 Annual Meeting by giving written notice of such revocation to the Secretary or any other officer of the Company or by filing a later dated written Proxy with an officer of the Company. Personal attendance at the 2002 Annual Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a later dated Proxy is delivered to an officer before the revoked or superseded Proxy is used at the 2002 Annual Meeting. Proxies will be voted as directed therein. Proxies which are signed by shareholders but which lack specific instruction with respect to any proposal will be voted in favor of the number and slate of directors proposed by the Board of Directors and listed herein and will be voted against the shareholder proposal.

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote

with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

The mailing address of the principal executive office of the Company is 1950 Excel Drive, Mankato, Minnesota 56001. The Company expects that this Proxy Statement, the related Proxy and Notice of Meeting will first be mailed to shareholders on or about June 21, 2002.

During fiscal 2001, the Board of Directors held thirteen (13) meetings. No director attended less than 75% of the meetings of the Board and the committees on which such director served during 2001.

The Company's Board of Directors has three standing committees, the Audit Committee, Compensation Committee and Nomination/Governance Committee.

The Audit Committee is comprised of S. Robert Dessalet, CPA, Thomas J. de Petra and James L. Reissner. This committee reviews the selection and work of the Company's independent auditors and the adequacy of internal controls for compliance with corporate policies and directives. During 2001, the Audit Committee met four (4) times.

4

The Compensation Committee is comprised of S. Robert Dessalet, Thomas J. de Petra and James L. Reissner. This committee recommends to the Board of Directors from time to time the salaries to be paid to executive officers of the Company and any plan for additional compensation it deems appropriate. This committee is vested with the same authority as the Board of Directors with respect to the granting of options and the administration of the Company's Stock Option Plans. During 2001, the Compensation Committee met once informally and made recommendations to the Board. The Compensation Committee also took action by unanimous written consent twice.

The Nomination/Governance Committee is comprised of S. Robert Dessalet, CPA, Lorin E. Krueger and Thomas J. de Petra. This committee recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. The committee was established in June 2001. This committee will consider a candidate for director proposed by a shareholder. Candidates must have broad training and experience in their chosen fields and must have achieved distinction in their activities. The committee will consider the particular expertise of each nominee and strive to achieve an appropriate breadth of skills among the Board members. A shareholder who wants to propose a candidate has to comply with the provisions of the Company's bylaws regarding nominations for the election of directors. These provisions require a shareholder to provide timely notice in proper written form of the shareholder's intent to nominate a candidate. If the Company held an annual meeting in the previous year, such a notice of a shareholder is "timely" if it was provided not more than ninety (90) and not less than sixty (60) calendar days prior to the date that is one year after the prior year's annual meeting. If no annual meeting was held in the previous year, or if the date of the annual meeting changed by more than thirty (30) days from the prior year's annual meeting (the "Other Meeting Date"), the shareholder's notice is timely if it is received by the later of (i) the close of business on the date ninety (90) days prior to the Other Meeting Date or (ii) the close of business ten (10) days following the date on which the Other Meeting Date is first publicly announced. The shareholder's notice is in proper form if it includes certain specified information regarding the shareholder's name and address, the shareholder's stock ownership, existing arrangements or understandings regarding the nomination, any information regarding each nominee that would be required to be included in a proxy statement had the nominee been nominated by the Company, and the consent of

each nominee to serve as director of the Company if so elected.

REPORT OF AUDIT COMMITTEE

The Board of Directors maintains an Audit Committee comprised of three of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the Listing Standards of the American Stock Exchange ("AMEX") that governs audit committees, Section 121.B, including the requirement that audit committee members all be "independent directors" as that term is defined by AMEX Listing Standards Section 121(A).

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No.1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, as filed with the Securities and Exchange Commission.

Compensation to Directors

Prior to June 1, 2001, the outside directors were paid \$500 for attendance at each Board meeting, plus expenses. Beginning on June 1, 2001, the outside directors were paid a retainer of \$1,000 per month, with the Chairman receiving an additional \$2,000 per month. Effective as of January 1, 2002, the outside directors began receiving a retainer of \$700 per month, with the Chairman receiving an additional retainer of \$1,500 per month. The directors also receive \$500 for attendance at each Audit Committee meeting and \$300 for each Compensation Committee or Nomination/Governance Committee meeting. In addition, the Company's 1997 Stock Option Plan provides for automatic option grants to each director who is not an employee of the Company (a "Non-Employee Director"). Each Non-Employee Director who is elected for the first time as

a director is granted a nonqualified option to purchase 5,000 shares of Common Stock. Each Non-Employee Director who is re-elected as a director of the Company or whose term of office continues after a meeting of shareholders at which directors are elected shall, as of the date of such re-election or shareholder meeting, automatically be granted a nonqualified option to purchase 5,000 shares of Common Stock. No director shall receive more than one option pursuant to the formula plan in any one fiscal year. All options granted pursuant to these provisions are granted at a per share exercise price equal to 100% of the fair market value of the Common Stock on the date of grant, and they are immediately exercisable and expire on the earlier of (i) three months after the optionee ceases to be a director (except by death) and (ii) five (5) years after the date of grant. In the event of the death of a Non-Employee Director, any option granted to such Non-Employee Director pursuant to this formula plan may be exercised at any time within six (6) months of the death of such Non-Employee Director or until the date on which the option, by its terms, expires, whichever is earlier.

Employment Agreements and Termination of Employment Arrangements

Effective May 31, 2001, W. Kirk Hankins resigned from his positions as Chief Executive Officer and Chief Financial Officer of the Company and from his positions as a member of the Company's Board of Directors and as Chairman of the Board. The Company and Mr. Hankins entered into a Separation Agreement and Release, pursuant to which Mr. Hankins releases the Company from any and all claims arising out of or in connection with his employment with the Company. In consideration of this release, the Company agreed to make severance payments to Mr. Hankins in the total amount of \$155,609.79, less required deductions and withholding. Mr. Hankins is receiving this amount in installments payable on the Company's regular payroll dates through June 21, 2002.

The Company is a party to an Employment Agreement effective January 1, 1999 with Lorin E. Krueger, the Company's President and Chief Executive Officer, which agreement's initial term expires December 31, 2003, with additional one-year terms thereafter, unless either party gives notice to the other party 60 days prior to the end of such term that such party wishes to terminate the agreement. The agreement provides for an annual base salary in an amount determined by the Compensation Committee, which amount the Compensation Committee has determined to be \$127,308 for 2002, provided that Mr. Krueger shall be entitled to a 3% increase on July 1, 2002 if certain targets are met. Mr. Krueger is entitled to receive an annual bonus consisting of stock options and/or a cash payment at the sole discretion of the Compensation Committee. If Mr. Krueger terminates his employment for good reason during the two years following a change in control of the Company, he is entitled to an amount equal to the salary and bonus paid to him for the two fiscal years preceding such termination, which amount shall be paid in 24 equal monthly installments. Mr. Krueger has agreed that, during the two-year period following the termination of his employment, except following a change of control as hereinbefore described, he will not (i) compete with the Company, (ii) solicit or communicate with the Company's customers or (iii) solicit any of the Company's employees to leave the Company.

Certain Transactions

James Reissner, who became a director of the Company in 2001, is also a director of Rimage Corporation, a customer of the Company. In 2001, Rimage's purchases from the Company totaled \$576,050, and the Company expects Rimage's purchases to be similar in 2002.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, the Company believes that, during fiscal year 2001, all executive officers, directors and greater than ten-percent beneficial owners complied with the applicable filing requirements.

SHAREHOLDER PROPOSAL

(Proposal #2)

Dyna Technology, Inc., the holder of 404,800 shares of the Company and having an address of 225 South Cordova Avenue, LeCenter, Minnesota 56057, has given notice that it will present the following resolution for adoption by the shareholders of the Company at its 2002 Annual Meeting:

"RESOLVED: That the Board of Directors of Winland Electronics, Inc., take all necessary action, including all amendments necessary to the Bylaws of the Company, to implement cumulative voting in the election of directors. Cumulative voting entitles each

Edgar Filing: WINLAND ELECTRONICS INC - Form DEF 14A

shareholder to cast as many votes in the election of directors as shall equal the number of shares he or she owns multiplied by the number of directors to be elected, with the result that each shareholder may cast all of such votes for a single candidate, or any two or more of them as such shareholder may see fit."

The following statement was submitted by Dyna Technology, Inc. in support of the resolution:

"It is the opinion of Dyna Technology, Inc. that:

- a) Shareholders who are not related to either Company management or the families of Lorin E. Krueger or W. Kirk Hankins are not fairly represented on the Board of Directors of the Company;
- b) the incumbent Board and past Boards of Directors have allowed shareholder value to deteriorate and have failed to hold Company management accountable for their lack of performance; and
- c) cumulative voting will enable outside shareholders to have a voice on the Board of Directors of the Company.

"It is respectfully submitted that it is in the best interest of the Company and its shareholders that the Board of Directors adopt cumulative voting in the election of directors as part of its program of corporate governance.

"Provision for cumulative voting brings to the corporate system a means by which a significant group of stockholders, though in the minority, can elect candidates of its choice, adding diversity to the Board of Directors."

Company Statement

THE BOARD OF DIRECTORS RECOMMENDS A VOTE AGAINST THIS PROPOSAL.

9

The Board of Directors has considered this advisory proposal and recommends a vote AGAINST this proposal. The Company's current system for election of directors, like that of the overwhelming majority of publicly-traded corporations, allows all shareholders to vote on the basis of their share ownership. To serve on the Board of Directors, each director must have been elected by the holders of a majority of the voting power of the shares represented in person or by proxy at the shareholder meeting, provided that such majority must be greater than 25% of the Company's outstanding shares. The Board of Directors believes this method is the fairest and is most likely to produce a board of directors that will effectively represent the interests of all of the Company's shareholders.

In the opinion of the Board of Directors, cumulative voting would allow a relatively small group of shareholders (or even one large shareholder) to elect a director who would not have the support of the holders of most of the Company's outstanding shares of common stock. Cumulative voting introduces the possibility of a director being committed to serve the special interests of the small fraction of shareholders responsible for the director's election rather than the best interests of the shareholders as a whole.

Further, each director has a fiduciary duty to represent all of the Company's shareholders and to advance the best interests of the Company. By permitting a relatively small group of shareholders to pool their votes and elect a director, cumulative voting could, in the opinion of the Board of Directors, produce a conflict between a director's duty to represent all the shareholders and a director's allegiance to his or her more narrow constituency. The resulting inability of one or more directors to exercise independent judgment can cause a board of directors to become partisan and disrupt the ability of the members of a board to work effectively. The Board of Directors believes that the directors should work toward the common goal of advancing the best interests of the Company and its shareholders not be divided by competing special interest groups.

In summary, the Board of Directors believes the Company's current method of electing directors is the fairest and most efficient way to ensure that each director serves the interests of the Company and all its shareholders rather than the interests of special groups. Accordingly, the Board of Directors recommends a vote AGAINST the proposal.

SHAREHOLDER PROPOSALS

Under the SEC Rules, we are required to provide the following information to you based on the assumption that the date for our annual meeting in 2003 will deviate less than thirty (30) days from the date for this Annual Meeting: Any appropriate proposal submitted by a shareholder of the Company and intended to be presented at the 2003 annual meeting of shareholders must be received by the Company by February 21, 2003 to be considered for inclusion in the Company's proxy statement and related proxy for the 2003 annual meeting. Also, a shareholder proposal intended to be presented at the 2003 annual meeting but not included in the Company's proxy statement for such meeting, must be received by the Company after May 1, 2003, but on or before May 31, 2003. According to the Company's bylaws, a shareholder proposal received outside of this time period will be considered untimely. Management named in the Company's proxy form for the 2003 annual meeting will then have discretionary authority to vote shares represented by such proxies on the shareholder proposal, if presented at the meeting, without including information about the proposal in the Company's proxy materials.

We anticipate that we will return to our traditional meeting schedule in 2003 and have the annual meeting in May or June 2003. In this case, proposals submitted by a shareholder of the Company and intended to be presented at the 2003 annual meeting would have to be received a reasonable time before we print and mail our proxy materials for the 2003 annual meeting. Under our bylaws, a shareholder proposal intended to be presented at the 2003 annual meeting but not included in the Company's proxy statement for such meeting, would have to be received by the later of (i) the close of business on the date ninety (90) days prior to the date of the 2003 annual meeting or (ii) the close of business ten (10) days following the date on which the date of the 2003 annual meeting is first publicly announced.

We will inform you of any changes of the aforesaid dates in a timely manner and will provide notice of the new dates in our earliest possible quarterly report on Form 10-QSB.
