## Edgar Filing: CENDANT CORP - Form 8-K

We also announced that we filed today a Form 10-K/A for 2001, which reflects the classification of National Car Parks, which we sold in May 2002, as a discontinued operation. The Form 10-K/A also includes certain changes from our initial Form 10-K filed on April 1, 2002 in response to comments received from the SEC as a result of the SEC's previously announced policy to review the 2001 Form 10-K's of all Fortune 500 companies. Other than the effect of reclassifying NCP as a discontinued operation, there were no changes to the financial results as previously reported.

In addition to various disclosures requested by the SEC Division of Corporation Finance, and reflected in our Form 10-K/A, on August 2, 2002, we responded to the SEC's initial comments and furnished additional information to the staff of the SEC. The SEC has indicated that it is in the process of reviewing and evaluating our responses and has requested additional information and/or clarification with respect to certain accounting and disclosure matters, including transactions with affiliates. At this time the SEC has not requested any material modification to our Form 10-K/A or Form 10-Q's. We believe that the accounting and disclosure in our filed reports is appropriate.

We also noted that, after reviewing all of the SEC comments, our auditors, Deloitte & Touche, LLP, have reissued their opinion on our 2001 financial statements contained in our Form 10-K/A filing, affirming their view that our financial statements are in compliance with all applicable GAAP and SEC requirements.

We have made available on our website, at WWW.CENDANT.COM, a marked version of our Form 10-K/A which denotes the modifications from our original Form 10-K, as filed.

A copy of the press release announcing the certification by our executives of our financial statements and a copy of their certifications are attached as Exhibits 99.1 and 99.2, respectively, to this Form 8-K and are incorporated by reference herein.
