## TURKCELL INFORMS ABOUT THE DEVELOPMENTS IN IRAN

Subject: Statement made pursuant to Circular VIII, No: 39 of the Capital Markets Board.

Istanbul Stock Exchange  
ISTANBUL

### **Special Subjects:**

Earlier today, we informed about the latest developments regarding the Iranian GSM tender as per our Board of Directors decision and the media news regarding Iranian project.

We are making the following additional disclosure regarding the issue in order to prevent misunderstandings and further questions

As we have indicated several times, we still believe in the Iranian market and we are working to establish necessary conditions. Within this context, as per the Iranian Parliaments decision, we agreed on the ownership structure of the Irancell consortium with a 49% stake. Turkcell management, in line with the Board of Directors decision, made necessary contact with the Iranian officials and provided necessary documentation to the related ministry in Iran for the formation of the Irancell Consortium.

In the documents provided to the related ministry in Iran, it has been stated that, although we have agreed to the ownership structure of the consortium with 49% stake, the remaining 21% shares of the Irancell consortium, due to the reduction of East Asian Consortium B.V.'s stake from 70% to 49% as per the new consortium structure, should be transferred to Bank Melli the National Bank of Iran, and that parties should agree these shares shall be publicly offered in third year following the initiation of the Iranian operations and these agreed terms should be reflected into all agreements between the parties.

With regards to the finalization of the 1st private GSM operator tender in Iran, to which we are a party through our stake in Irancell Consortium, the Iranian Telecommunication Ministry has set November 21, 2005 as the deadline. We will work towards finalization of the Irancell project together with our local partners within the provided timeframe.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavours to collect the complete and true related information and that we assume the responsibility for this disclosure.
