This Amendment No. 20 amends the Schedule 13D initially filed on July 24, 1996 (together, with all amendments thereto, the “Schedule 13D”) and is filed to report changes in the beneficial ownership of shares by David D. Smith, Frederick G. Smith, J. Duncan Smith and Robert E. Smith, each of whom is a member of the Group, as defined in the Schedule 13D.

Item 1. Security and Issuer.

No material change.

Item 2. Identity and Background.

No material change.

Item 3. Source and Amount of Funds of Other Consideration.

No material change.

Item 4. Purpose of Transaction.

Item 4 of this Schedule 13D is amended by adding the following:

The Group is filing this Amendment No. 20 to report an increase in the percentage of shares beneficially owned by the Group due to share repurchases by the Issuer.

Item 5. Interest in Securities of the Issuer.

(a - b) The following table sets forth the aggregate number and percentage of shares of Class A Common Stock and Class B Common Stock owned individually by each member of the Group as of February 5, 2019. Holders of Class B Common Stock may exchange their shares of Class B Common Stock into Class A Common Stock at any time and therefore, each share of Class B Common Stock represents beneficial ownership of one share of Class A Common Stock. Except as noted, each person has sole power to vote or direct the vote and to dispose or direct the disposition of all of the shares set forth below and no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities. By virtue of the Stockholders’ Agreement dated April 2, 2015, by and among David D. Smith, Frederick G. Smith, J. Duncan Smith and Robert E. Smith (the “Stockholders’ Agreement”), each member of the Group is required to vote all of his Class A Common Stock and Class B Common Stock in favor of the other members of the Group to cause their election as directors. Each member may be deemed to beneficially own the shares of Common Stock individually owned by the other members. Nevertheless, each member of the group disclaims beneficial ownership of the shares owned by the other members of the group.

(1) As of February 5, 2019, there were 25,670,684 shares of Class B Common Stock outstanding.

(2) The first four rows of this column set forth the percentage of Class A Common Stock each reporting person would beneficially own if he converted his shares of Class B Common Stock to Class A Common Stock and the other reporting persons did not. The last row in this column shows the percentage of Class A Common Stock the reporting persons as a group would have if they all converted their shares of Class B Common Stock into Class A Common Stock. As of February 5, 2019, there were 66,491,468 shares of Class A Common Stock outstanding.

(3) Holders of Class A Common Stock are entitled to one vote per share and holders of Class B Common Stock are entitled to ten votes per share except for votes relating to “going private” and certain other transactions. Holders of both classes of Common Stock will vote together as a single class on all matters presented for a vote, except as otherwise may be required by Maryland law, and holders of Class B Common Stock may exchange their shares of Class B Common Stock into Class A Common Stock at any time. This column sets forth the voting power each reporting person has on the matters on which shares of Class B Common Stock have ten votes per share, and the voting power the reporting persons as a group have on such matters.

(4) The first four rows of this column set forth the voting power each reporting person would have on matters on which the shares of Class B Common Stock have ten votes per share if he converted his shares of Class B Common Stock to Class A Common Stock and the other reporting persons did not.
