INTRODUCTION

This Amendment No. 1 (this "Amendment") relates to the Schedule 13D filed on behalf of (i) Liberation Investments, L.P., a Delaware limited partnership ("LILP"); (ii) Liberation Investments Ltd. ("LILtd"), a private offshore investment corporation; (iii) Liberation Investment Group, LLC ("LIGLLC"), a Delaware limited liability company and general partner of LILP and discretionary investment adviser to LILtd; and (iv) Emanuel R. Pearlman, as Chief Executive Officer and majority member of LIGLLC (collectively, the "Reporting Persons"), with the Securities and Exchange Commission on May 19, 2006 (the "Schedule 13D"), relating to shares of common stock, \$0.01 par value per share ("Common Stock"), of Multimedia Games, Inc. (the "Company").

Items 3, 4 and 5 of the Schedule 13D are amended and supplemented as follows:

Item 3. Source and Amount of Funds or Other Consideration.

The net investment cost (including commissions, if any) of the shares of Common Stock beneficially owned by the Reporting Persons is \$21,080,193.94. The source of funds for this consideration was working capital of LILP and LILtd.

Item 4. Purpose of Transaction.

On June 26, 2006, Emanuel R. Pearlman, the Chief Executive Officer of Liberation Investment Group LLC, met with Michael J. Maples, the Chairman of the Board of the Company. During the meeting, Mr. Pearlman discussed the Reporting Persons' views regarding the Company and, in particular, their view that the Company should pursue a new strategy to maximize shareholder value. Among other things, Mr. Pearlman urged the Company to focus on a transaction or restructuring to monetize the Company's participation arrangements with Native American tribes in the State of Oklahoma and use the proceeds to implement a substantial stock buyback or otherwise create a mechanism to deliver maximum value to shareholders. The Reporting Persons were encouraged by the Chairman's willingness to meet and look forward to the Company's response to the Reporting Persons' suggestions.

If the Company does not demonstrate in the near term that it has made meaningful progress toward implementing a new strategy to maximize shareholder value that is consistent with the views of the Reporting Persons, the Reporting Persons intend to pursue all available alternatives. Such alternatives could

include, without limitation: communicating with other shareholders of the Company regarding the Company, its business, prospects and alternatives to maximize shareholder value; nominating one or more individuals for election to the board; making one or more proposals for adoption by shareholders (including proposals to improve the Company's governance or to amend the Company's organizational documents); seeking to call a special meeting of stockholders to elect directors and/or approve shareholder proposals; soliciting proxies in support of the election of directors and/or shareholder proposals at an annual or special meeting of shareholders; and proposing an extraordinary corporate transaction, such as a merger, reorganization, recapitalization or liquidation, involving the Company or any of its subsidiaries, or a sale or transfer of a material amount of assets of the Company or any of its

subsidiaries, which transaction may involve the Reporting Persons or third parties unrelated to the Reporting Persons. The Reporting Persons may also purchase additional Common Stock in the open market, in privately negotiated transactions or otherwise; alone or in conjunction with others, seek to acquire, the Company or substantially all of its assets or outstanding securities, including by merger, tender offer or stock or asset purchase; or sell all or a portion of the Common Stock now owned or hereafter acquired by them. The Reporting Persons may also urge other persons, including, without limitation, other stockholders of the Company, to take or pursue any of the foregoing.

The Reporting Persons reserve the right to change their plans or intentions and to take any and all actions that they may deem appropriate to maximize the value of their investment in the Company in light of their general investment policies, market conditions, subsequent developments affecting the Company and the general business and future prospects of the Company.

Except as set forth above, the Reporting Persons do not have any current intention, plan or proposal with respect to: (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange, if any, or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of a registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.
