PEAPACK-GLADSTONE FINANCIAL CORPORATION
DIVIDEND REINVESTMENT PLAN

1,000,000 shares of Common Stock, no par value

Dear Shareholder:

I am pleased to report that the Board of Directors has approved an enhanced Dividend Reinvestment Plan (the Plan). Beginning with the August 3, 2009 dividend payment, shareholders will be able to not only reinvest cash dividends, but also be able to purchase up to \$50,000 of additional Peapack-Gladstone shares per quarter. Purchases will be at a 3% discount to an average market price as described below if the shares are purchased directly from Peapack-Gladstone's authorized and unissued or treasury shares unless such discount is later discontinued by our Board of Directors.

The Plan provides shareholders of Peapack-Gladstone with a convenient method of purchasing additional shares of our no par value common stock with automatically reinvested dividends or optional cash payments without payment of any brokerage commissions or other charges.

You may choose to have future cash dividends automatically invested in our common stock and while participating in the dividend reinvestment program you may also make voluntary cash payments in an amount between \$100 and \$50,000 per quarter to purchase additional shares of our common stock.

The Plan provides that shares may be purchased for you directly from Peapack-Gladstone out of its authorized but unissued or treasury shares, or on the open market. Shares purchased under the Plan will be purchased from Peapack-Gladstone until further notice.

In making purchases of shares of our common stock under the Plan, Registrar and Transfer Company, the Plan Administrator, will commingle the funds of Plan participants. With respect to shares purchased on the open market with reinvested dividends or voluntary cash payments, the price to participants will be the average price of all shares of our common stock purchased by the Plan Administrator under the Plan. With respect to shares purchased by the Plan Administrator directly from Peapack-Gladstone, we intend to issue the shares at a 3% discount. Accordingly, the price to participants for shares purchased directly from us will be 97% of the average closing price of shares of our common stock as quoted on the NASDAQ Global Select Market for the trailing ten trading days immediately preceding the investment date. The 3% discount will continue until terminated or modified by action of our Board of Directors. If we terminate or modify the discount, we will send you written notice of when the 3% discount expires or is modified. Participants will not pay any brokerage commissions or service charges with respect to the purchase of our common stock under the Plan.

You may enroll in the Plan at any time by completing the Authorization Form enclosed with this Prospectus and returning it to Registrar and Transfer Company. To enroll for the August 3, 2009 dividend, return the Authorization Form so that it reaches R&T no later than July 9, 2009.

The Plan does not represent a statement of dividend policy or a guarantee of future dividends. Dividends will be within the discretion of our Board of Directors and will be dependent upon various factors, including, without limitation, the future earnings and financial condition of Peapack-Gladstone.

This prospectus describes how you can reinvest the dividends you receive on your shares of Peapack-Gladstone common stock or purchase shares of Peapack-Gladstone common stock pursuant to our Dividend Reinvestment Plan, which we refer to as the Plan. We adopted our original Dividend Reinvestment Plan in 2002 to offer our shareholders an opportunity to purchase additional shares of Peapack-Gladstone common stock automatically through the reinvestment of cash dividends. From time to time, we have authorized increases in the number of shares available under the Plan and make other amendments to the Plan to meet the demands of our shareholders. This prospectus describes the Plan in effect as of June 18, 2009.

If you own Peapack-Gladstone common stock, directly or indirectly, you are eligible to enroll in the Plan. You may make purchases under the Plan with your cash dividends on some or all of your shares of Peapack-Gladstone common stock, and through the Plan's optional cash payment feature. You may enroll in the Plan by completing an Authorization Form and return it to:

Registrar and Transfer Company
Dividend Reinvestment Plan Department
10 Commerce Drive
Cranford, New Jersey 07016
(800) 368-5948

If you enroll in the Plan, Registrar and Transfer Company, the Plan Administrator, will use the cash dividends on the shares you designate, as well as any optional cash payments you make, to purchase additional shares of Peapack-Gladstone common stock. Historically, we pay cash dividends on a quarterly basis. If we do not pay a cash dividend, there will be no investment under the Plan unless you purchase shares through the Plan's optional cash payment feature. Optional cash payment purchases may be made quarterly.

Under the Plan, we may sell you original issue shares, shares that we have reacquired and hold as treasury shares, or shares bought by the Plan Administrator on the open market. We may use a combination of these methods.

If the Plan Administrator buys shares of Peapack-Gladstone common stock from us, the price of the shares will be 97% of the average closing price of shares of our common stock as quoted on the NASDAQ Global Select Market for the trailing ten trading days immediately preceding the investment date. We expect to keep this 3% discount in place for the foreseeable future. However, our Board of Directors has the discretion to modify or extend this discount for as long as it may decide. We will provide you with written notice when the 3% discount for shares purchased from us expires or is modified. If the Plan Administrator buys shares of Peapack-Gladstone common stock on the open market, the price of the shares will be the average price of all shares of our common stock purchased by the Plan Administrator (excluding brokerage expenses, which we will pay) under the Plan.

If you do not choose to enroll in the Plan, Peapack-Gladstone will continue to send you cash dividends by check, or by automatic deposit to a bank account you designate, as and when declared.

RISK FACTORS

Investing in our common stock involves risks. Before making an investment decision, you should carefully consider the risks described under “Risk Factors” in our most recent Annual Report on Form 10-K, and in our updates to those Risk Factors in our Quarterly Reports on Form 10-Q following the most recent Form 10-K, in the Risk Factor described below, and in all other information appearing in this prospectus, any prospectus supplement, or incorporated by reference into this prospectus. The material risks and uncertainties that management believes affect Peapack-Gladstone are described in those documents. In addition to those risk factors, there may be additional risks and uncertainties of which management is not aware or focused on or that management deems immaterial. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment. This prospectus is qualified in its entirety by these risk factors.

Risk Factor Related to the Offering

Because the 3% discount on shares purchased from us is based on the average market price of our common stock for the trailing ten days, your purchase price when compared to the closing price on the investment date may not reflect a discount.

Under the terms of the Plan, shares of common stock purchased from Peapack-Gladstone will be sold at a 3% discount to the average closing price of Peapack-Gladstone common shares as quoted on the NASDAQ Global Select Market for the trailing ten trading days immediately preceding the investment date. Because the closing price of our common stock on the NASDAQ Global Select Market fluctuates from day-to-day and we are using a ten day average, the price of the shares which are purchased for you, when compared to the closing price on the investment date, may reflect a discount of less than 3%. It may also reflect a discount of more than 3% or it may reflect a premium to the closing price on the investment date. Accordingly, while we have designed the Plan to provide an economic benefit to you, we cannot assure you that you will receive an economic benefit from the 3% discount.

CAUTIONARY STATEMENTS CONCERNING FORWARD-LOOKING STATEMENTS

This prospectus, including the documents incorporated herein by reference, contains forward-looking information about Peapack-Gladstone Financial Corporation that is intended to be covered by the safe harbor for forward-looking statements provided by the Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that are not historical facts. These statements can be identified by the use of forward-looking terminology such as “believe,” “expect,” “may,” “will,” “should,” “project,” “plan,” “seek,” “intend,” or “anticipate” or the negative comparable terminology, and include discussions of strategy, financial projections and estimates and their underlying assumptions, statements regarding plans, objectives, expectations or consequences of announced transactions, and

statements about the future performance, operations, products and services of Peapack-Gladstone and its subsidiaries.

Discussions containing forward-looking statements may be found, among other places, in this prospectus and our most recent Annual Report on Form 10-K, Current Reports on Form 8-K and Quarterly Report on Form 10-Q filed with the SEC, as well as any similar statements contained in future Quarterly Reports on Form 10-Q or Annual Reports on Form 10-K which are hereby incorporated by reference upon their subsequent filing with the SEC. These forward-looking statements are or will be, as applicable, based largely on our expectations and projections about future events and future trends affecting our business. You should not rely on our forward-looking statements because the matters they describe are subject to known and unknown risks, uncertainties and other unpredictable factors, many of which are beyond our control, that could cause actual results to differ materially from those anticipated in the forward-looking statements.

We qualify all our forward-looking statements by these cautionary statements. These forward-looking statements speak only as of the date of this prospectus or the date of the document incorporated by reference. Except as required by applicable laws or regulations, we do not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. When considering these forward-looking statements, you should keep in mind these risks, uncertainties and other cautionary statements made in this prospectus and the prospectus supplements. You should not place undue reliance on any forward-looking statement. You should refer to our periodic and current reports filed with the SEC for specific risks that could cause actual results to be significantly different from those expressed or implied by these forward-looking statements. See “Where You Can Find More Information” below.

DESCRIPTION OF THE DIVIDEND REINVESTMENT PLAN

Purpose

The Peapack-Gladstone Financial Corporation Dividend Reinvestment Plan, or the Plan, is designed to enable shareholders of record of Peapack-Gladstone common stock with a simple and convenient method of investing cash dividends and optional cash payments in shares of our common stock without payment of any brokerage commission or service charge. To the extent that shares are purchased directly from us, we will receive additional funds for general corporate purposes.

The Plan is not intended to provide holders of shares with a mechanism for generating assured short-term profits through rapid turnover of shares. The intended purpose of the Plan precludes any person, organization or other entity from establishing a series of related accounts for the purpose of conducting arbitrage operations and/or exceeding the optional cash payment limit. We reserve the right to modify, suspend or terminate participation by a shareholder who is using the Plan for purposes inconsistent with the intended purpose of the Plan.

Advantages

1. With the Plan, there are no transaction charges or brokerage commissions associated with the purchase of shares, thereby permitting the entire amount of your dividend to be invested.
2. Effective June 18, 2009 and continuing until we announce a change in policy, participants in the Plan will receive a 3% discount in connection with the purchase of shares directly from Peapack-Gladstone.
3. Participants may invest in additional shares by making optional cash payments in an amount between \$100 and \$50,000 per quarter without charges for brokerage commissions or recordkeeping.
4. If your dividend is not large enough to purchase a whole share, you are credited with a fractional share computed to four decimal places. Fractional shares held by Registrar and Transfer Company, the Plan Administrator, start

earning dividends with the next dividend payment, just the way full shares do.

5. Periodic statements reflecting all current activity, including share purchases and latest Plan account balance, simplify participants' recordkeeping.
6. The Plan Administrator provides for the safekeeping of stock certificates for shares credited to each Plan account.

Plan Administration

Registrar and Transfer Company, our stock transfer agent, administers the Plan for participants by maintaining records, sending account statements to participants and performing other duties relating to the Plan. Shares of common stock purchased under the Plan are registered in the name of the Plan Administrator's nominee and are credited to the accounts of the participants in the Plan. The Plan Administrator acts in the capacity as agent for participants in the Plan. We may replace the Plan Administrator at any time within our sole discretion.

Questions and other communications concerning the Plan should be sent to the Plan Administrator at the following address:

Registrar and Transfer Company
Dividend Reinvestment Plan Department

Telephone: 800-368-5948

The Plan Administrator will make every effort to invest all authorized dividends promptly after receipt of such dividends, and in no event later than 30 days from such receipt, except where necessary under any applicable federal securities laws.

The Plan Administrator shall not be liable under the Plan (unless it is grossly negligent) for any act done in good faith or for any good faith omission to act including, without limitations, any claims for liability (1) arising out of failure to terminate a participant's participation in the Plan upon the participant's death prior to receipt of notice in writing of such death, and (2) with respect to the prices at which shares are purchased or sold for participants' accounts and the time such purchases or sales are made.

The Plan may be amended, suspended, modified or terminated at any time by the Board of Directors of Peapack-Gladstone without the approval of the participants. Notice of such suspension or termination or material amendment or modification will be sent to all participants, who shall at all times have the right to withdraw from the Plan. Further, nothing in this Plan shall be considered a guarantee or promise to pay any dividends in the future except as may be declared by the Board of Directors of Peapack-Gladstone from time to time. Peapack-Gladstone reserves the right to substitute another bank, trust company or transfer agent for Registrar and Transfer Company.

Participation

All holders of record of Peapack-Gladstone common stock are eligible to participate in the Plan. Beneficial owners of shares of common stock whose shares are registered in names other than their own name may participate by requesting their broker or nominee to transfer their shares into their own name or requesting that the broker or nominee enroll in the Plan on their behalf. The right to participate in the Plan is not transferable to another person apart from a transfer of a Participant's shares of Peapack-Gladstone common stock. Shareholders who reside in jurisdictions in which it is unlawful for a shareholder to participate in the Plan are not eligible to participate in the Plan.

To participate in the Plan, a shareholder of record must complete an Authorization Form and return it to the Plan Administrator. Copies of the Authorization Form may be obtained at any time by contacting Registrar and Transfer Company. If a shareholder is already a participant in the Plan, a new Authorization Form is not required in order to receive the benefit of the amendment to the Plan that will enable participants to receive a 3% discount on the purchase of shares.

An eligible shareholder may enroll in the Plan at any time. If the Authorization Form is received at least five business days before the record date for a dividend payment, reinvestment of dividends will begin with that dividend. Record dates for payment of dividends normally precede dividend payment dates by approximately four weeks.

If you elect to have the dividends on your shares reinvested under the Plan, you must choose to have dividends reinvested with respect to either all of the shares registered in your name or on a specific number of shares registered in your name.

Peapack-Gladstone or the Plan Administrator may terminate, for whatever reason at any time as it may determine in its sole discretion, a participant's participation in the Plan upon mailing a notice to terminate to the participant at his address as it appears on the Plan Administrator's records. Upon termination a participant will receive certificates for the whole Peapack-Gladstone shares credited to his or her account, unless the participant has requested that all or any part of such shares be sold and the proceeds of the sale be delivered in cash. Fractional shares credited to a terminating account will be paid for in cash at the then current market price.

A participant's participation in the Plan shall be terminated by the Plan Administrator upon receipt of notice, in writing, of such participant's death by the executor or legal representative of the participant's estate.

Optional Cash Purchase Component

Additionally, a participant may contribute between \$100 and \$50,000 per quarter toward the purchase of additional shares. Payments for such shares must be received by the Plan Administrator no more than 30 business days and no less than five business days prior to a dividend payment date. Participant's funds held by the Plan Administrator will not bear interest, and it is to be understood that in any event, Peapack-Gladstone and the Plan Administrator shall have no liability as to any inability to purchase shares or as to the timing of any purchases.

Optional cash payments may be made by sending a personal check, drawn from a U.S. bank in U.S. currency payable to Registrar and Transfer Company with the transaction form from the quarterly Investment Plan Statement.

Purchase of Common Shares

Shares of Peapack-Gladstone common stock needed to fund the Plan may be

- (i) acquired by the Plan Administrator on the open market;
- (ii) issued directly by Peapack-Gladstone from authorized but unissued shares;
- (iii) issued directly by Peapack-Gladstone from treasury shares; or
- (iv) through a combination of (i) through (iii) above at Peapack-Gladstone's discretion.

The timing of purchases on the open market will be at the sole discretion of the Plan Administrator, but generally within a 30-day period after the dividend payment date. These purchases may be made on any securities exchange where the shares are traded, in the over-the-counter market, or by negotiated transactions and may be subject to such terms of price, delivery, etc., as to which the Plan Administrator may agree. Neither Peapack-Gladstone nor any shareholder shall have any authority or power to direct the time or price at which shares may be purchased or the selection of the broker or dealer through or from whom purchases are to be made. The Plan Administrator may delay any or all purchases beyond the 30-day period if necessary under federal securities laws.

To the extent we fund the Plan with shares of our common stock issued directly by us from authorized but unissued shares or treasury shares, the dividends payable to participants will be retained by us as consideration for such shares.

In the event applicable law or the closing of securities markets requires temporary curtailment or suspension of open market purchases of the shares of Peapack-Gladstone common stock, the Plan Administrator is not accountable for its inability to make purchases at such time. If shares of Peapack-Gladstone common stock are not available for purchase for a period of longer than 30 days from the prior dividend payment date, the Plan Administrator will promptly mail to each participant a check in the amount of any unapplied funds in the participants' accounts.

If you elect to make optional cash purchases, your payments will be combined with funds from your cash dividends and used to purchase shares as described above. Interest will not be paid on your cash payments.

Price of Common Shares

In making purchases of shares of Peapack-Gladstone common stock for a participant's account associated with each investment date, the Plan Administrator will commingle the participant's funds with those of other participants under the Plan. With respect to shares purchased on the open market, the price at which the shares shall be deemed to have been acquired will be the average price of all shares of Peapack-Gladstone common stock purchased by the Plan Administrator on behalf of the Plan.

With respect to shares purchased directly from Peapack-Gladstone, the price of such shares will be the average closing price of shares of common stock of Peapack-Gladstone as quoted on the NASDAQ Global Select Market for the trailing ten trading days immediately preceding the applicable investment date. With respect to shares issued directly by Peapack-Gladstone, we will issue the shares at a discount to the price as so determined. Initially, we intend to issue the shares under the Plan at a 3% discount to this market price. Peapack-Gladstone reserves the right to change or eliminate the discount. The Plan Administrator shall have no responsibility with respect to the market value of the shares of Peapack-Gladstone common stock acquired under the Plan for participant accounts.

Peapack-Gladstone will bear all costs of administering the Plan.

Cost to Participants

Participants will make purchases of shares of common stock under the Plan without the payment of brokerage commissions and we will pay all fees in connection with purchases of shares of Peapack-Gladstone common stock under the Plan. There are no service charges to participants in connection with purchases of shares of common stock under the Plan. All costs of administration of the Plan are paid by Peapack-Gladstone.

Reports to Participants

A statement describing cash dividends and any additional cash purchases, the number of shares purchased, the price per share, and the total shares accumulated under the Plan will be mailed to each participant by the Plan Administrator as soon as practicable after completion of each investment for a participant's account.

Dividends

The participant's account will be credited with dividends paid on whole shares and fractional shares credited to the participant's account. The Plan Administrator will automatically reinvest the cash dividends received for the purchase of additional shares of Peapack-Gladstone common stock.

Any stock dividends or split shares distributed on shares credited to a participant's account under the Plan will be added to the account. Stock dividends or split shares distributed on shares registered in a participant's name will be mailed directly to the participant in the same manner as to shareholders who are not participating in the Plan.

Stock Certificates

The Plan Administrator will hold all shares of common stock purchased under the Plan in the name of its nominee. Certificates for shares of Peapack-Gladstone common stock purchased under the Plan will not be issued to participants. The number of shares credited to an account under the Plan will be shown on the participant's account statement.

Withdrawals from the Plan

A participant may withdraw from the Plan at any time by sending a written termination notice to the Plan Administrator. However, to avoid the reinvestment of dividends the Plan Administrator requires five business days' notice before the dividend record date. Upon receipt of the termination notice, certificates for the full shares held in the participant's Plan account will be issued in the participant's name and forwarded to the participant. Fractional shares held in the participant's Plan account at the time of termination will be settled in cash at the then current price. No brokerage commissions are charged for the settlement of fractional shares.

Sale of shares from the Plan

A participant may request that any and all shares credited to his or her Plan account be sold by the Plan Administrator. If such a sale is requested, the sale will be made for the account of the participant by the Plan Administrator's broker within ten business days after receipt of the request at the prevailing market price at the time of such sale. Within ten business days after the sale, the participant will receive from the Plan Administrator a check for the proceeds of the sale, less brokerage commissions and a \$15.00 processing fee. The signature on any request for sales of \$10,000 or higher must be guaranteed by a firm that is a bank, broker, dealer, credit union, savings association or other entity which is a member in good standing of the Securities Transfer Agents' Medallion Program.

Voting Rights

Shares credited to the account of a participant under the Plan (other than fractional shares) will be automatically added to the shares covered by the proxy sent to the shareholder with respect to his or her other shares in Peapack-Gladstone and may be voted by such holder pursuant to such proxy. The Plan Administrator will forward any proxy solicitation materials relating to the shares of common stock held by the Plan to the participating shareholder.

Where no instructions are received from a participant with respect to a participant's shares held under the Plan, or otherwise, such shares shall not be voted unless the participant votes such shares in person.

Taxation of Reinvested Dividends

In general, a participant in the Plan has the same federal and state income tax obligations with respect to dividends credited to his or her account under the Plan as other holders of shares of common stock who elect to receive cash dividends directly. A participant is treated for income tax purposes as having received, on the dividend date, a dividend in the amount equal to the fair market value of the shares of common stock credited to his or her account under the Plan, even though that amount was not actually received by the participant in cash, but, instead, was applied to the purchase of additional shares for his or her account. In addition, any brokerage commissions and service charges paid by Peapack-Gladstone on behalf of the participant are deemed to constitute dividend income by the Internal Revenue Service. Such amounts, if any, will be included on any annual information return filed with the Internal Revenue Service, a copy of which will be sent to the participant.

In addition, shareholders who participate in the Plan and purchase shares at a discount, whether paid with dividends received or additional cash payments, will be treated as having a distribution. The amount of the distribution to the participant will be the fair market value of the common stock received on the date of the distribution. In other words, if a shareholder would have received a cash dividend payment of \$97 but elected to reinvest the dividend and purchase stock at the 3% discount, the taxable dividend would be \$100, the fair market value of the stock received on the distribution date. If the participant also made an additional cash payment, the amount of the distribution to the participant will be the difference between the fair market value on the dividend payment date of the shares purchased with the optional cash payment and the amount of the optional cash payment. In this case, if the participant also contributed an additional cash payment of \$97 for shares which had a fair market value of \$100, the taxable dividend would be an additional \$3, the difference between the fair market value of the shares received on the distribution date and the actual cash paid.

You should consult with your tax accountant or personal tax advisor regarding the effect of participation in the Plan on your personal tax situation. Also see "U.S. Federal Income Tax Consequences" below.

Risk of Market Fluctuation

A participant's investment in shares held in the Plan is no different than an investment in directly held shares. The participant bears the risk of loss and the benefits of gain from market price changes for all of the shares. Neither Peapack-Gladstone nor the Plan Administrator can guarantee that shares purchased under the Plan will, at any particular time, be worth more or less than the purchase price.

Additional Services

A participant may deposit certificates representing Peapack-Gladstone common stock held in his or her name with the Plan Administrator. Such certificates must be presented in transferable form and must be accompanied by a written request that the shares be added to the participant's account. The risk of loss with respect to such shares remains the responsibility of the participant until the shares are received by the Plan Administrator.

U.S. FEDERAL INCOME TAX CONSEQUENCES

If you receive shares that are issued directly by us through reinvestment of dividends under the Plan, you will be treated as receiving a distribution equal to the fair market value of such shares, calculated as of the date when the shares are credited to your account. If you receive shares that were purchased on the open market, you will be treated as receiving a distribution equal to the amount of the cash dividend that you could have received if you had not participated in the Plan, plus the amount of the purchase price discount, if any. For example, if dividends of \$97 are reinvested under the Plan to acquire shares of our common stock with a fair market value of \$100, the amount of the taxable dividend will be \$100.

If you purchase additional shares under the Plan with optional cash payments, you will be treated as receiving a distribution equal to the discount related to the shares purchased under the Plan. Thus, the amount of the distribution will be the difference between the fair market value of the shares you purchase pursuant to the Plan and the amount that you pay for such shares. For example, if you purchase shares under the optional cash payment portion of the Plan that have a fair market value of \$100 for a purchase price of \$97, the amount of the taxable dividend with respect to these shares will be \$3.

You will receive an annual statement (IRS Form 1099-DIV) from the Plan Administrator indicating the amount of dividend income reported to the Internal Revenue Service.

We will pay on your behalf all brokerage commissions for shares purchased under the Plan, but those payments will constitute additional taxable income to you for income tax purposes.

Generally, under the current tax laws, the dividends that you are treated as earning will be taxable at a maximum tax rate of 15% if you are an individual. However, for tax years commencing after December 31, 2010, this reduced rate is due to expire and, unless the law reducing the tax rate for "qualifying dividends" is extended, the dividends that you receive subsequent to December 31, 2010 will be taxable at your ordinary income tax rates. Dividends received by corporations under the Plan will be subject to the corporate tax rates applicable to such corporation.

Your tax basis of the shares purchased under the Plan with reinvested dividends will be equal to the amount of the distribution you are treated as receiving, measured by the fair market value of the shares as of the date when the shares are credited to your account plus any allocable brokerage commissions or processing fees paid by us. Your tax basis of shares you acquire with optional cash payments under the Plan will be equal to the fair market value of the shares as of the date when the shares are credited to your account plus any allocable brokerage commissions or processing fees paid by us.

You will not realize gain or loss for U.S. Federal income tax purposes upon a transfer of shares to your account or the withdrawal of whole shares from your account. You will, however, generally realize gain or loss upon the receipt of cash for a fractional share credited to your account. You will also realize gain or loss when shares are sold. The amount of gain or loss will be the difference between the amount that you receive for the shares sold and your tax basis in the shares. In order to determine the tax basis for shares in your account, you should retain all account statements.

The holding period for common stock purchased through the dividend reinvestment or optional cash payments under the Plan begins on the date following the day on which the shares are credited to your account.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. Dividends paid on shares in accounts, and the proceeds of any sale of shares, may be subject to the “backup withholding” provisions of the Internal Revenue Code. If you fail to furnish a properly completed IRS Form W-9 or its equivalent, or unless you are exempt from the withholding requirements of the Internal Revenue Code, then the Plan Administrator must withhold applicable taxes from the amount of dividends, the proceeds of the sale of a fractional share and the proceeds of any sale of whole shares.

You should consult your tax accountant or personal tax advisor regarding the effects of participation in the Plan on your personal tax situation.

Section 14A:2-7(3) of the New Jersey Business Corporation Act permits a corporation to provide in its certificate of incorporation that a director or officer shall not be personally liable to the corporation or its shareholders for breach of any duty owed to the corporation or its shareholders, except that such provisions shall not relieve a director or officer from liability for any breach of duty based upon an action or omission (a) in breach of such person's duty of loyalty to the corporation or its shareholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of any improper personal benefit.

No indemnification is permitted to be made to or on behalf of a corporate director, officer, employee or agent if a judgment or other final adjudication adverse to such person establishes that his acts or omissions (a) were in breach of his duty of loyalty to the Corporation or its shareholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by such person of an improper personal benefit.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

II-2

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in

II-3

connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized in the Borough of Gladstone, State of New Jersey, on the 18th day of June, 2009.
