CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The Board of Directors met fourteen (14) times during 2011, and has various committees including an Executive Committee, Human Resources and Compensation Committee, Nominating and Governance Committee and Audit Committee. The members of the committees are appointed by the Board of Directors at least annually.

During 2011, no director attended fewer than 75% of the aggregate of (1) the total number of meetings held by Salisbury's Board of Directors during the period that the individual served; and (2) the total number of meetings held by all committees of Salisbury's Board of Directors on which he/she served. Salisbury does not maintain a policy for directors' attendance at Salisbury's annual meetings of Shareholders, but encourages all directors to attend. All directors of Salisbury attended Salisbury's annual meeting of Shareholders on May 18, 2011.

Executive Committee

The Executive Committee has general supervision over the affairs of Salisbury between meetings of the Board of Directors. The members of the Executive Committee are Louis E. Allyn, II, Louise F. Brown, Richard J. Cantele, Jr. and Michael A. Varet (Chair). The Executive Committee did not meet during 2011.

Human Resources and Compensation Committee

The Human Resources and Compensation Committee (the "Compensation Committee") is responsible for reviewing Salisbury's general compensation strategy; establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. In particular, the Compensation Committee reviews and approves Salisbury's compensation strategies and objectives, reviews and approves executive officers' compensation, administers incentive plans and reviews and makes recommendations to the Board regarding general employee pension benefit plans and other benefit plans on an as needed basis. Salisbury strives for pay packages that are fair. In determining whether compensation of executive officers is fair, the Compensation Committee considers each component of compensation including salary and bonus, stock compensation, amounts to be received from any deferred compensation, severance, perquisites and others. In establishing levels of compensation, the Compensation Committee endeavors to take into consideration an individual's performance, level of expertise, responsibilities, length of service and comparable levels of compensation paid to executives of other companies of comparable size and development within the industry. No individual executive officer may participate in the review, discussion or decision of the Compensation Committee regarding his or her compensation or the compensation of any senior executive officer, but executive officers may participate in the review, discussion or decision of the Compensation Committee regarding director compensation. The Compensation Committee directly engaged the services of Meyer Chatfield Compensation Advisors ("MCCA"), an independent compensation consulting firm, as an outside compensation consultant to provide independent advice during 2011 to assist the Compensation Committee in evaluating the compensation practices of Salisbury and the Bank generally. MCCA was engaged directly by the Compensation Committee and does not take direction from Management, unless specifically advised to do so by the Compensation Committee. MCCA is engaged by and reports directly to the Compensation Committee, who has the authority to terminate the MCCA engagement. During 2011, MCCA assisted the Compensation Committee with a review of executive compensation based upon information compiled from a number of national and regional salary surveys as well as other sources. MCCA assisted the Compensation Committee in its evaluation of current and prospective executive compensation.

MCCA also assisted the Compensation Committee with its review of director compensation. MCCA assisted the Compensation Committee in evaluating potential incentive compensation plans and offered recommendations regarding incentive arrangements for future years. MCCA provided additional information and advice to the Compensation Committee as the Compensation Committee directed.

The members of the Compensation Committee are Louis E. Allyn, II (Chair), Arthur J. Bassin, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet, all of whom are independent in accordance with the NYSE Amex Equities independence standards. The Compensation Committee met eight (8) times during 2011.

A copy of Salisbury's Human Resources and Compensation Committee Charter, which the Compensation Committee and Board of Directors review and assess at least annually, is available on Salisbury's website at www.salisburybank.com.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for director and recommending qualified nominees to the Board for consideration. The Nominating and Governance Committee selects the director nominees to stand for election at Salisbury's annual meetings of shareholders. The Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by shareholders, has historically operated informally and without any differences in the manner in which nominees recommended by shareholders are evaluated. However, Salisbury's Bylaws provide that if the Nominating and Governance Committee or Board of Directors proposes a nominee age 72 or greater, then such nomination requires two-thirds approval by the full Board of Directors.

The Nominating and Governance Committee and the Board of Directors consider factors such as those summarized below in evaluating director candidates, including any nominee submitted by shareholders, and believe that Salisbury's Bylaws, Nominating and Governance Committee Charter and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating candidates. The Nominating and Governance Committee does not have a policy with regard to the consideration of diversity in identifying director nominees.

Sound business judgment and financial sophistication in order to understand Salisbury's financial and operating performance and to provide strategic guidance to management.

Business management experience.

Integrity, commitment, honesty and objectivity.

A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industry; and (v) local economic and business opportunities.

Strong communication skills in order to function effectively with Salisbury's constituencies.

A financial interest in Salisbury as a shareholder. Generally, candidates should not have relationships with Salisbury or the Bank which would disqualify the candidate from being considered independent.

Generally, candidates should be involved in philanthropic, education, business or civic leadership positions.

Generally, candidates should be familiar with the geographic areas served by Salisbury.

Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board of Director and committee meetings and to diligently perform the duties and responsibilities of service as a director.

Candidates should not have interests which conflict with those of Salisbury or the Bank.

Salisbury has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board of Directors and Nominating and Governance Committee do not discriminate on the basis of

sex, race, color, gender, national origin, religion or disability in the evaluation of candidates.

6

A copy of Salisbury's Nominating and Governance Committee Charter is available on Salisbury's website at www.salisburybank.com.

Any shareholder who wishes to recommend a nominee for director should send the required information, as set forth in Salisbury's Bylaws, to the attention of the Chair of the Nominating and Governance Committee at the address of Salisbury. See also the information under "Deadline for Submission of Shareholder Proposals" below.

The members of the Nominating and Governance Committee are Louis E. Allyn II, Louise F. Brown (Chair), Nancy F. Humphreys and Michael A. Varet. All such members are "independent" in accordance with the independence standards of NYSE Amex Equities. The Nominating and Governance Committee met three (3) times during 2011. All nominees for directors at the 2012 Annual Meeting were nominated by the Nominating and Governance Committee and the Board of Directors.

Audit Committee

Salisbury has a separately-designated standing Audit Committee established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act for the purpose of overseeing the accounting and financial reporting process of Salisbury and audits of the financial statements of Salisbury. Subject to the Audit Committee Charter, the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders and investment community relating to corporate accounting, reporting practices of Salisbury, and the quality and integrity of the financial reports of Salisbury. In so doing, it is the responsibility of the Audit Committee to appoint the independent auditors for Salisbury and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors and the financial management of Salisbury.

The responsibilities of the Audit Committee are governed by Salisbury's Audit Committee Charter which was adopted by Salisbury's Board of Directors. Its members are Louis E. Allyn, II, Arthur J. Bassin, Nancy F. Humphreys, Holly J. Nelson (Chair) and Michael A. Varet. The Audit Committee met five (5) times during 2011. Each of the members of the Audit Committee is an "independent director" in accordance with the listing standards of the NYSE Amex Equities. While no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations, the Board of Directors believes the members of the Audit Committee bring diverse educational, business and professional experience that is beneficial to the audit committee function of Salisbury and the Bank and enables the Audit Committee to fulfill its responsibility.

A copy of Salisbury's Audit Committee Charter is available on Salisbury's website at www.salisburybank.com.

Board Leadership Structure

Mr. Varet has served as Chairman of the Board of Salisbury and the Bank since April 30, 2010, before which he served as Presiding Director of Salisbury and the Bank, performing the functions of Chair, since June 2007.

The Board of Directors regularly reviews and assesses the effectiveness of its leadership structure and will implement any changes as it deems appropriate. The current leadership structure is comprised of a nine-member board of directors consisting of: a Chairman, who is independent; the Chief Executive Officer, who also serves as President; the former Chief Executive Officer; and six other independent directors. Salisbury has established responsibilities for the Chair and, if warranted, Presiding Director to ensure that the Board of Directors is adequately informed about the affairs of Salisbury and the Bank. Salisbury believes that this leadership structure ensures appropriate and effective governance of Salisbury and the Bank.

Salisbury's Bylaws provide that the Board shall elect from among its members a Chair of the Board, who shall preside at all Board meetings. If the Chair is an officer of Salisbury or the Bank, the Board shall elect an independent Presiding Director and shall by resolution set forth the duties and responsibilities of the Presiding Director. The Board will elect a new Chair, and, if warranted, a Presiding Director, at Salisbury's Organizational Meeting following the Annual Meeting of Shareholders.

Corporate governance guidelines describe responsibilities for the Chair. The primary responsibilities of the Chair are to be responsible for the leadership of the board meetings, preparing the agenda, presiding over meetings and making committee assignments.

Further, to assess effective independent oversight, the Board of Directors has adopted several governance practices, including regular executive sessions of independent directors and annual performance evaluations of the Chair and Chief Executive Officer by the independent directors.

Salisbury recognizes that no single leadership model is right for all companies at all times. The Board of Directors recognizes that, depending upon the circumstances, other leadership models might be appropriate at some point, and the Board of Directors periodically reviews its leadership structure in this regard.

Board Role in Risk Oversight

The Board oversees the risk management of Salisbury through its committees, management committees and the Chief Executive Officer. The Audit Committee monitors: (1) the effectiveness of Salisbury's internal controls; (2) the integrity of its Consolidated Financial Statements; and (3) compliance with legal and regulatory requirements. In addition, the Audit Committee coordinates with the internal audit function and the independent registered public accountant.

At the monthly meetings, the Board receives the minutes from each committee meeting as well as various reports from key senior management. The Board reviews and discusses these reports with senior managers. The Board also reviews the policies and practices of Salisbury and the Bank on a regular basis. In addition, the Board reviews corporate strategies and objectives and evaluates business performance. Two separate individuals serve in the positions of principal executive officer and chairman of the Board.

Code of Ethics

Salisbury has adopted a Code of Ethics that applies to Salisbury's Directors, officers and employees, including Salisbury's Chief Executive Officer and Chief Financial Officer. A copy of such Code of Ethics is available upon request, without charge, by writing to Shelly L. Humeston, Secretary, Salisbury Bank and Trust Company, 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Board of Directors' Communications with Shareholders

Salisbury's Board of Directors does not have a formal process for shareholders to send communications to the Board of Directors. However, the volume of such communications has historically been de minimus. Accordingly, the Board of Directors considers Salisbury's informal process to be adequate to address Salisbury's needs. Historically, such informal process has functioned as follows: any shareholder communication is forwarded to the President and Chief Executive Officer for appropriate discussion by the Board of Directors and the formulation of an appropriate response. Shareholders may forward written communications to the Board of Directors by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Audit Committee Report

The Audit Committee has reviewed and discussed Salisbury's audited financial statements for the fiscal year ended December 31, 2011 with management and has discussed the matters that are required to be discussed by SAS 61, as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T, with Shatswell, MacLeod & Company, P.C. (Salisbury's independent auditors) ("Shatswell").

The Audit Committee has received the written disclosures and the letter from Shatswell required by applicable requirements of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence, and has discussed Shatswell's independence with respect to Salisbury with Shatswell.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Salisbury's Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the Securities and Exchange Commission (the "SEC").

The imputed income on life insurance benefits for the above-named executive officers reflects purchases by Salisbury of bank-owned life insurance (“BOLI”) policies on the lives of such officers. The purchase of BOLI policies results in an income-earning asset that provides tax-free income to Salisbury.

Employee Benefit Plans; Employment and Other Agreements

2011 Long Term Incentive Plan

The Board of Directors adopted the 2011 Long Term Incentive Plan (the “Plan”) on March 25, 2011, and the shareholders approved the Plan at the 2011 Annual Meeting. The purpose of the Plan is to assist Salisbury and the Bank in attracting, motivating, retaining and rewarding employees, officers and directors by enabling such persons to acquire or increase a proprietary interest in Salisbury in order to strengthen the mutuality of interests between such persons and our shareholders, and providing such persons with stock-based long-term performance incentives to expend their maximum efforts in the creation of shareholder value.

The terms of the Plan provide for grants of Directors Stock Retainer Awards, Stock Options, Stock Appreciation Rights (“SARs”), Restricted Stock, Restricted Stock Units, Performance Awards, Deferred Stock, Performance Awards, Dividend Equivalents, and Stock or Other Stock-Based Awards that may be settled in shares of Common Stock, cash, or other property (collectively, “Awards”).

Under the Plan, the total number of shares of Common Stock reserved and available for issuance in the next ten years in connection with Awards under the Plan is 84,000 shares of Common Stock, which represents less than 5% of Salisbury’s outstanding shares of Common Stock. Shares of Common Stock with respect to Awards previously granted under the Plan that are cancelled, terminate without being exercised, expire, are forfeited or lapse will again be available for issuance pursuant to Awards. No more than 20,000 shares of Common Stock may be issued pursuant to Awards in any one calendar year. In addition, the Plan limits the total number of shares of Common Stock that may be awarded as Incentive Stock Options (“ISOs”) to 42,000 and the total number of shares of Common Stock that may be issued as Directors Stock Retainer Awards to 15,000.

The persons eligible to receive awards under the Plan are the officers, directors and employees of Salisbury and the Bank. The Plan is administered by the Compensation Committee appointed by the Board. However, the Board may exercise any power or authority granted to the Compensation Committee. Subject to the terms of the Plan, the Compensation Committee or the Board is authorized to select eligible persons to receive Awards, determine the type and number of Awards to be granted and the number of shares of Common Stock to which Awards will relate, specify times at which Awards will be exercisable or settleable, including performance conditions that may be required as a condition thereof, set other terms and conditions of Awards, prescribe forms of Award agreements, interpret and specify rules and regulations relating to the Plan, and make all other determinations that may be necessary or advisable for the administration of the Plan.

The Compensation Committee or the Board is authorized to grant (i) stock options, including (a) ISOs which can result in potentially favorable tax treatment to the participant, and (b) non-qualified stock options, and (ii) SARs entitling the participant to receive the amount by which the fair market value of a share of Common Stock on the date of exercise exceeds the grant price of the SAR. The exercise price per share subject to an option and the grant price of a SAR are determined by the Compensation Committee or the Board, but shall not be less than the fair market value of a share of Common Stock on the date of grant.

The Compensation Committee or the Board is authorized, subject to limitations under applicable law, to grant to participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock, as deemed to be consistent with the purposes of the Plan. These could include shares of Common Stock awarded purely as a “bonus” and not subject to any restrictions or conditions, other rights convertible or exchangeable into shares of Common Stock and Awards valued by reference to book value of the Common Stock or the performance of Salisbury or the Bank. The Compensation Committee or the Board may determine the terms and conditions of such Awards.

Generally, upon a Change in Control, if the surviving entity does not assume an Award, Options and SARs and other Awards in the nature of rights that may be exercised will become fully exercisable; all time-based vesting restrictions on outstanding Awards will lapse; and any payout opportunities attainable under performance-based Awards will be deemed to have been met if the Change in Control occurs during the first half of the performance period and if the Change in Control occurs during the second half of the performance period, actual performance against targets will be measured, and in either case, the payout will be prorated for the portion of the performance period that elapsed before the Change in Control.

Generally, upon a Change in Control, if the surviving entity assumes an Award or equitably converts or substitutes an Award and within 12 months after the transaction the participant's employment is terminated without cause (as defined) or the participant resigns for good reason (as defined), Options and SARs and other Awards in the nature of rights that may be exercised will become fully exercisable; all time-based vesting restrictions on outstanding Awards will lapse; and any payout opportunities attainable under performance-based Awards will be deemed to have been met if the termination occurs during the first half of the performance period and if the termination occurs during the second half of the performance period, actual performance against targets will be measured, and in either case, the payout will be prorated for the portion of the performance period that elapsed before the termination.

Regardless of whether there has been an acceleration because of death, disability or a Change in Control, the Committee or the Board may in its sole discretion at any time determine that, upon the termination of service of a participant or the occurrence of a Change in Control, all or a portion of such participant's Options, SARs and other Awards in the nature of rights that may be exercised will become fully or partially exercisable, that all or a part of the time-based vesting restrictions on all or a portion of the participant's outstanding Awards will lapse, and/or that any performance-based criteria with respect to any Awards held by that participant will be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee or the Board may, in its sole discretion, declare.

Consulting Agreement

In connection with Mr. Perotti's retirement on June 8, 2009, Salisbury and Mr. Perotti have entered into a Consulting and Non-Compete Agreement ("Agreement"). Effective June 9, 2009, through December 31, 2011, Mr. Perotti agrees to make himself reasonably available at times mutually agreeable to Mr. Perotti and Salisbury to provide consulting services to Salisbury as may be reasonably requested by Salisbury in order to facilitate the smooth transition of management for Salisbury and assist Salisbury in the resolution of strategic objectives and customer relationships. Mr. Perotti shall generally not be required to devote more than twenty (20) hours on average per month to his duties under such Agreement. Salisbury will pay Mr. Perotti for consulting services rendered during the term of the Agreement. Payments shall be made in the amount of \$7,637.41 on the first day of each month commencing July 1, 2009, and ending February 1, 2012. During 2009 and 2010, Salisbury will reimburse Mr. Perotti for ordinary and necessary expenses incurred in connection with participation on Salisbury's behalf at the Connecticut Bankers Association and Connecticut Community Bankers Association Annual Meetings, so long as such expenses are consistent with Salisbury's policy and do not exceed an aggregate of \$12,000. Salisbury agrees to allow Mr. Perotti and his spouse to remain in its group health insurance plan and to provide them coverage under such plan at the same percentage of contribution Mr. Perotti would have paid if he had remained actively employed, to the extent permitted by the plan. Mr. and Mrs. Perotti shall remain eligible for such coverage until Mr. Perotti reaches age 65 and, thereafter, for the period, if any, specified by COBRA.

Supplemental Retirement Agreement

The Bank maintains a supplemental retirement arrangement for Mr. Perotti that has been in effect since 1994. Following his retirement, Mr. Perotti commenced receiving monthly payments in January 2010 in the amount of \$1,856 (to be adjusted annually to reflect the lesser of a five percent (5%) increase or “The Monthly Consumer Price Index for All Urban Consumers, United States City Average, All Items” published by the Bureau of Labor Statistics) for a period of ten (10) years. The supplemental retirement agreement includes provisions that would prevent Mr. Perotti from working for a competitor in the proximity of the Bank.

Retirement Plans

Salisbury provides post-employment compensation plans as an incentive to its employees, including its Executive Officers, to remain with Salisbury. Salisbury maintains a non-contributory tax qualified Defined Benefit Pension Plan, and a 401(k) Retirement Plan.

Defined Benefit Pension Plan

The Bank maintains a non-contributory defined benefit pension plan for officers and other salaried employees of the Bank who become participants after attaining age 21 and completing one (1) year of service, and were hired prior to October 1, 2006. The plan was adopted in January 1953. In September of 2006, a “soft-freeze” was approved by the Board of Directors eliminating new participation in the Plan. All employees hired on or after October 1, 2006, including Mr. McMahon, are excluded from participation in the Defined Benefit Pension Plan. Eligible employees hired prior to October 1, 2006, including Mr. Cantele, continue to be eligible to receive the benefits as outlined in the Plan.

Pension benefits are based upon the annual average of an employee’s total compensation for the five (5) consecutive plan years of employment during which the employee’s compensation was the greatest and during which he or she was a participant. The amount of the annual benefit is 2% of average salary offset by .65% of the social security wage base per year of service (to a maximum of 25 years) plus one-half of 1% of average salary for each year of service over 25 years (to a maximum of ten years). This benefit formula may be modified to conform to the pension laws. Internal Revenue Code Section 401(a) (17) limits earnings used to calculate qualified plan benefits to \$245,000 for 2011 and \$250,000 for 2012.

Defined Contribution Plan - 401(k) Plan

Salisbury offers a 401(k) Plan to eligible employees. Under the Plan, eligible participants may contribute a percentage of their pay subject to IRS limitations. Salisbury may make discretionary contributions to the Plan. Discretionary contributions vest in full after five years. Effective September 1, 2006, the 401(k) Plan was amended to provide that employees hired or rehired after September 1, 2006 are not eligible to participate in the plan. Salisbury has established a second 401(k) Plan to provide a discretionary match to employees hired or rehired on or after September 1, 2006 who satisfy certain eligibility requirements. Salisbury’s 401(k) Plan contribution expense for 2011, 2010 and 2009 was \$52,000, \$168,000 and \$120,000, respectively.

In 2011, Salisbury Bank implemented a Safe Harbor provision that contributes 3% of an eligible employee’s salary to the employee’s 401(k) account. Mr. Cantele and Mr. McMahon are participants in this program.

Employees who are not eligible for the Bank’s Pension Plan may receive an additional employer match of up to 3%. This match is discretionary and based on volunteer deferrals in excess of 3% to a maximum of 6% of salary. Mr. McMahon is eligible for this program.

BOARD OF DIRECTORS COMPENSATION

The following table summarizes the compensation paid to non-employee directors for the year ended December 31, 2011. Directors who are employees receive no additional compensation for Board service. The compensation received by Mr. Cantele, who is the only director employee of Salisbury, is reflected in the Summary Compensation Table on page 8 in this Proxy Statement.

Directors' Fees

In addition, non-employee directors received \$500 for each Board of Directors meeting attended and \$350 for each committee meeting attended. The Chairman received an annual retainer of \$17,000, the Chairpersons of the Audit Committee and the ALCO/Investment Committee received an annual retainer of \$5,000 and the Chairpersons of the Human Resources and Compensation Committee and the Trust Committee received an annual retainer of \$2,500.

2011 Long Term Incentive Plan

The 2001 Directors' Stock Retainer Plan terminated in 2011 and was replaced by the 2011 Long Term Incentive Plan. The 2011 Long Term Incentive Plan, among other things, provides for grants of Directors Stock Retainer Awards, Stock Options, Stock Appreciation Rights ("SARs"), Restricted Stock, Restricted Stock Units, Performance Awards, Deferred Stock, Performance Awards, Dividend Equivalents, and Stock or Other Stock-Based Awards that may be settled in shares of Common Stock, cash, or other property (collectively, "Awards").

Under the Plan, the total number of shares of Common Stock reserved and available for issuance in the next ten years in connection with Awards under the Plan is 84,000 shares of Common Stock, which represents less than 5% of Salisbury's outstanding shares of Common Stock. Shares of Common Stock with respect to Awards previously granted under the Plan that are cancelled, terminate without being exercised, expire, are forfeited or lapse will again be available for issuance pursuant to Awards. Also, shares of Common Stock subject to Awards settled in cash and shares of Common Stock that are surrendered in payment of any Award or any tax withholding requirements will again be available for issuance pursuant to Awards. No more than 20,000 shares of Common Stock may be issued pursuant to Awards in any one calendar year. In addition, the Plan limits the total number of shares of Common Stock that may be awarded as Incentive Stock Options ("ISOs") to 42,000 and the total number of shares of Common Stock that may be issued as Directors Stock Retainer Awards to 15,000. (See 2011 Long Term Incentive Plan discussion on page 9.) To date, the only awards granted pursuant to the Plan have been annual stock retainer awards to nonemployee directors as their compensation for services as non-employee Directors. Each year, non-employee directors of Salisbury are granted 120 shares of Common Stock under the Plan to each non-employee Director who served for twelve months and a prorated number of shares to reflect the number of months served for any new non-employee director. In 2011, 960 shares were issued to eight (8) non-employee directors who served for the full year and a pro-rata grant of 110 shares were issued to Mr. Bassin.

Transactions with Management and Others

Salisbury and the Bank have had, and expect to have in the future, transactions in the ordinary course of business with certain directors, officers and their associates on substantially the same terms as those available for comparable transactions with others.

Indebtedness of Management and Others

Some of the directors and executive officers of Salisbury and the Bank, as well as firms and companies with which they are associated, are or have been customers of the Bank, and as such, have had banking transactions with the Bank. As a matter of policy, loans to directors and executive officers were, and in the future will be, made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons not related to Salisbury and the Bank and did not, and in the future will not, involve more than the normal risk of collectability or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Salisbury's executive officers, directors and other persons who own more than ten percent (10%) of Salisbury's Common Stock to file with the SEC reports of ownership and changes in ownership of Salisbury's Common Stock and to furnish Salisbury with copies of all such reports that they file.

Based on a review of copies of reports filed with the SEC since January 1, 2011 and of written representations by executive officers and directors, all persons subject to the reporting requirements of Section 16(a) are believed by management to have filed the required reports on a timely basis.
