Section 5 – Corporate Governance and Management

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) On October 1, 2018, the Board of Directors of Sonoco Products Company approved amendments to Article III, Section 6 of the Company's By-Laws to increase the mandatory retirement age of directors from age seventy-two (72) to seventy-five (75). The amended section reads as follows:

6. RETIREMENT OF DIRECTORS shall be automatic at the annual meeting of shareholders following a director's reaching the age of seventy-five (75), and no person shall be eligible for nomination or election as a director after reaching the age of seventy-five (75).

This amended section previously read as follows:

6. RETIREMENT OF DIRECTORS shall be automatic upon each reaching the age of seventy-two (72); provided, however, if the Corporate Governance and Nominating Committee determines, in its sole discretion, that a director has special attributes that make him or her particularly valuable to the corporation such that his or her continued service on the Board of Directors would be in the best interests of the corporation, and the Committee recommends to the Board of Directors that such director be asked to continue his or her service beyond the mandatory retirement date, and if at least a majority of the directors, not including such director, approve the recommendation, such director's service may continue, but, in no event, shall any director serve beyond the age of 75. Such "special attributes" may include, among others, business experience or background, relationships with the corporation's suppliers or customers, knowledge of the corporation's business and markets, professional qualifications, financial acumen, understanding of relevant technologies, decision making skills, and diversity. A special meeting of the Board of Directors may be called to fill any vacancy created by a director's retirement as a result of reaching the mandatory retirement age.

In order to conform with the Company's previously amended Articles of Incorporation to declassify the Board of Directors and to provide for the annual election of all directors beginning with the Annual Meeting of Shareholders in 2018; Article III, Section 2 of the By-laws, was repealed in its entirety and Article III, Section 4 was amended to delete the reference to a classified Board of Directors. The amended section reads as follows:

4. ALL DIRECTORS shall be eligible for re-election to the Board of Directors.

This amended sections previously read as follows:

2. EXCEPT FOR ANY DIRECTOR elected exclusively by the holders of Preferred Stock, the Board of Directors shall be divided into three classes of as nearly equal size as possible in accordance with the provisions of the Articles of Incorporation.

4. ALL DIRECTORS OF AN EXPIRING CLASS shall be eligible for re-election to the Board of Directors.

The amended By-Laws are included with this filing as Exhibit 3.2.
