ITEM 5. OTHER EVENTS

Laboratory Corporation of America -Registered Trademark-  
Holdings (LabCorp -Registered Trademark-) (NYSE:LH) and DIANON Systems,  
Inc. (NASDAQ: DIAN), a leading provider of cancer and genomic diagnostic  
services, today announced that they have entered into a definitive agreement  
under which LabCorp will acquire all of the outstanding shares of DIANON for  
\$47.50 per share in cash. The transaction, which is subject to DIANON  
shareholder and regulatory approval, is expected to close in the first  
quarter of 2003.

The acquisition is anticipated to be accretive to LabCorp's 2003 dilutive  
earnings per share by approximately \$0.05. LabCorp expects to realize an  
estimated \$35 million in annual cost savings synergies by year-end 2005.

Under the terms of the agreement, which was unanimously approved by the  
boards of both companies, Labcorp will acquire DIANON through a merger of a  
newly-formed wholly-owned subsidiary of LabCorp with DIANON. In the merger,  
holders of DIANON common stock will receive \$47.50 per share, or approximately  
\$598 million. DIANON currently has approximately 12.6 million fully diluted  
shares outstanding. The transaction will be funded by a combination of cash  
on hand, borrowings under LabCorp's existing credit facility and a new bridge  
loan facility.
