Item 7.01 Regulation FD Disclosure

On June 14, 2017, Laboratory Corporation of America® Holdings (LabCorp®) announced that its Covance Drug Development (Covance) business will extend its capabilities in precision medicine by opening a dedicated, state-of-the-art companion diagnostics laboratory in Morrisville, North Carolina. The facility capitalizes on the company's unique and industry-leading expertise and experience in companion diagnostics, combining end-to-end drug development through Covance with commercialization capabilities through LabCorp. Companion diagnostics are used in conjunction with targeted drugs and therapies to identify patients who are likely to benefit from a specific treatment regimen or who may have increased risk for certain side effects.
