Report of Independent Auditors

Plan Administrator
Herman Miller, Inc. Profit Sharing and 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of the Herman Miller, Inc. Profit Sharing and 401(k) Plan (the Plan) as of May 31, 2003 and June 1, 2002, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at May 31, 2003 and June 1, 2002, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of May 31, 2003 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Herman Miller, Inc. Profit Sharing and 401(k) Plan

Notes to Financial Statements

May 31, 2003 and June 1, 2002

1. Summary of Significant Accounting and Reporting Policies

The financial statements of the Herman Miller, Inc. Profit Sharing and 401(k) Plan (the Plan) are presented on the accrual basis of accounting. Investments are stated at their fair value, which is the quoted market price as reported by Putnam Fiduciary Trust Company, the Plan's Trustee.

The Plan provides for investments in common stock and various mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term; such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Actual results may differ from those estimates.

2. Plan Description

The Plan, a defined contribution plan, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the major provisions of the Plan is provided for general information purposes only. Reference should be made to the Plan document for more complete information.

2. Plan Description (continued)

Company

The Company means Herman Miller, Inc. and its participating affiliates, also referred to herein as the Employer. The Company is the Administrator of the Plan.

Participating Affiliates

Participating affiliates refers to any member of the controlled group, the principal operations of which are located in the United States, which has adopted this Plan for the benefit of any or all of its employees.

Participation Requirements

All employees of participating affiliates are eligible on the first day of the next plan quarter after the employee has completed 30 days of employment and attained age 18.

Vesting

Participants are fully vested at all times. They have a nonforfeitable right to their salary deferral account and to the Employer contributions and the earnings thereon.

Employer Profit Sharing Contribution

The Plan provides for an annual discretionary nonelective employer profit sharing contribution into the Company stock fund for each participant. The contribution for the plan year will not exceed 6% of the compensation of eligible participants for the plan year. The profit sharing contribution is allocated to the accounts of eligible participants based on the ratio of each participant's compensation for the plan year to the total of all eligible participants' compensation for the plan year, limited to the maximum contribution allocation under the Internal Revenue Code or 25% of participant compensation, whichever is less.

Notes to Financial Statements (continued)

2. Plan Description (continued)

Salary Deferral Contributions

A participant may make salary deferral contributions to the Plan. Such deferral is limited to a maximum amount or percentage of the participant's base compensation as determined by the Plan. The salary deferral contributions are invested, as specified by the participant, in the Company's common stock, the funds and accounts offered under the Plan, or a combination thereof.

Employer Matching Contributions

The Company will contribute to the Plan as matching contributions up to 50% of the participant's salary deferral contribution not to exceed 3% of the participant's compensation.

Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions, employer contributions and investment earnings. Investment earnings are allocated daily based on each participant's relative account balance within the respective fund.

Voting Rights

Each participant is entitled to exercise voting rights attributable to Herman Miller, Inc. common stock allocated to his or her account and is notified by the trustee prior to the time that such rights are to be exercised. If a participant fails to provide direction as to voting their shares on any issue, the trustee will vote the shares as directed by the plan administrator.

Benefit Payments

For substantially all Plan participants upon retirement, termination, death or disability, a benefit payment shall be made in the form of a single lump sum payment of a participant's entire account balance via distribution of the Company's stock, cash or a combination of both as directed by the participant and defined in the Plan document.

Herman Miller, Inc. Profit Sharing and 401(k) Plan

Notes to Financial Statements (continued)

2. Plan Description (continued)

Participant Loans

Upon approval, a participant may receive a loan from their salary deferral account. The loan amount shall not exceed the lesser of: (1) 50% of the sum of all of the participant's account balances as of the end of the plan year preceding the date on which the loan is approved or \$50,000, whichever amount is smaller; or (2) 100% of the participant's salary deferral account balance as of the end of the plan year preceding the date on which the loan is approved. The period of the loan will not exceed five years unless the proceeds are used to acquire the participant's principal dwelling unit. The loans shall bear interest at a rate representative of rates charged by commercial lending institutions for comparable loans. All loans must be repaid in monthly installments of principal and interest through payroll deduction arrangements with the Company or repaid directly to the trustee.

Plan Termination

The Plan may be discontinued at any time by the Company, but only upon the condition that such action shall render it impossible for any part of the trust to be used for purposes other than the exclusive benefit of participants. Upon complete or partial termination of the Plan, including complete discontinuance of contributions, the trust will continue to be administered as provided in the trust agreement. The Company currently has no intention to terminate the Plan.

Administrative Expenses

All expenses, other than the trustee fees paid by the Plan, are paid by the Company.

3. Trust Agreement

Under a trust agreement with the plan administrator, Putnam Fiduciary Trust Company (the Trustee) is Trustee of the Plan. In accordance with the responsibilities of the Trustee, as designated in the Trust Agreement, the Trustee administers and invests the Plan's assets and income for the benefit of the Plan's participants.
