Edgar Filing: F&M BANCORP - Form 425

Corporation (MBC) agreed to merge Frederick, Md.-based F&M Bancorp into the Mercantile family. This acquisition will enhance MBC's already strong statewide presence, increase its existing market share and further penetrate high-growth areas of the state. Already Maryland's largest independent banking company, upon completion of the acquisition, MBC will increase its assets to approximately \$12.9 billion and its deposits to approximately \$9.9 billion, making it the state's second largest in terms of deposits.

Under terms of the agreement, for each share of F&M stock, shareholders will be entitled to \$46.00 in cash, 1.2831 shares of MBC stock or a combination of cash and stock. Total purchase price is \$500 million. F&M will be folded into MBC's existing affiliate network, the bulk of which will become part of a Frederick-based bank with assets of approximately \$1.6 billion. Subject to regulatory and shareholder approval and customary closing conditions, the merger is expected to be completed by the end of the year.

This acquisition "solidifies our status as Maryland's leading banking institution, enhances our competitive advantage and positions us for stronger future growth," said Edward J. Kelly III, Chairman, President and CEO of MBC.
