PROXY STATEMENT

FOR

THE ANNUAL GENERAL MEETING OF ORDINARY SHAREHOLDERS

TO BE HELD ON MAY 9, 2003

April 4, 2003

The accompanying proxy is solicited by the Board of Directors of XL CAPITAL LTD (the "Company") to be voted at the Annual General Meeting of Class A Ordinary Shareholders ("Shareholders") of the Company to be held on May 9, 2003 and any adjournments thereof.

When such proxy is properly executed and returned, the Class A Ordinary Shares, par value U.S.\$0.01 per share ("Ordinary Shares" or "Shares"), of the Company it represents will be voted at the meeting on the following: (1) the election of the four nominees for Class II Directors identified herein; (2) the appointment of PricewaterhouseCoopers LLP, New York, New York ("Auditors"), to act as the independent auditors of the Company for the fiscal year ending December 31, 2003; (3) to approve the amendment and restatement of the Company's

Any Shareholder giving a proxy has the power to revoke it prior to its exercise by notice of revocation to the Secretary of the Company in writing, by voting in person at the Annual General Meeting or by execution of a subsequent proxy, provided that such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken.

Shareholders of record as of the close of business on March 24, 2003 will be entitled to vote at the meeting. As of March 24, 2003, there were 135,524,453 outstanding Ordinary Shares entitled to vote at the meeting, with each Share entitling the holder of record on such date to one vote (subject to certain limitations set forth in the Company's Articles of Association--see "Beneficial Ownership").

This Proxy Statement, the attached Notice of Annual General Meeting and the accompanying proxy card are first being mailed to Shareholders on or about April 4, 2003.

Other than the approval of the minutes of the 2002 Annual General Meeting, the Company knows of no specific matter to be brought before the Annual General Meeting, which is not referred to in this Notice of Meeting. If any such matter comes before the meeting, including any Shareholder proposal properly made the proxy holders will vote proxies in accordance with their judgment.

Directors will be elected at the Annual General Meeting by a majority of the votes cast at the meeting by the holders of Shares represented in person or by proxy at the meeting, provided there is a quorum (consisting of holders of at least fifty percent (50%) of the outstanding Shares being present in person or by proxy). Approval of the appointment of the Auditors and the other matters referred to in Items 1 through 4 above will be by similar vote.

(1) Each Ordinary Share has one vote, except that if, and so long as, the Controlled Shares (as hereinafter defined) of any person constitute 10% or more of the issued Ordinary Shares, the voting rights with respect to the Controlled Shares owned by such person shall be limited, in the aggregate, to a voting power of approximately 10%, pursuant to a formula specified in the Company's Articles of Association. "Controlled Shares" include, among other things, all Ordinary Shares that such person is deemed to beneficially own directly, indirectly or constructively (within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934).

BOARD OF DIRECTORS

The Company's Articles of Association provide that the Board of Directors (sometimes referred to herein as the "Board") shall be divided into three classes designated Class I, Class II and Class III, each class consisting as nearly as possible of one-third of the total number of Directors constituting the entire Board of Directors.

The term of office for each Director in Class II expires at the Annual General Meeting of the Company in 2003; the term of office for each Director in Class III expires at the Annual General Meeting in 2004; and the term of office for each Director in Class I expires at the Annual General Meeting in 2005; and at each Annual General Meeting the successors of the class of Directors whose term expires at that meeting shall be elected to hold office for a term expiring at the Annual General Meeting to be held in the third year following the year of their election.

In fiscal 2002, there were six meetings of the Board and all incumbent Directors, other than Mr. Jeanbart, attended at least 75% of such meetings and of the meetings held by all committees of the Board of which they were a member. Mr. Jeanbart attended 59% of the meetings of the Board and committees of the Board of which he was a member. At each regularly scheduled meeting of the Board, the non-management directors meet in executive session without any member of management in attendance. Mr. Loudon and, in his absence, Mr. Weiser were selected by the independent Directors to preside at such executive sessions of the Board. The Board plans to consider annually the selection of the independent Director to preside at executive sessions of non-management Directors.

The Board of Directors has established four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Finance Committee. The Board has determined that each of the directors of the Company, other than Messrs. Esposito and O'Hara, are independent directors; the Audit, Compensation and Nominating and Corporate Governance Committees consist solely of independent directors as so determined.

AUDIT COMMITTEE

The Audit Committee's primary purpose is to assist the Board's oversight of the integrity of the Company's financial statements and system of internal control, the independent auditor's qualifications, independence and performance, the performance of the Company's internal audit function, and the Company's compliance with legal and regulatory requirements. The Audit Committee has the sole authority to appoint and terminate the independent auditors and to approve their compensation. Messrs. Thornton (Chairman), Jeanbart, Rance, Senter, Dr. Thrower and Sir Brian Corby comprise the Audit Committee. The Audit Committee

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

met six times during fiscal 2002. The Board has determined that at least two financial experts, Messrs. Senter and Thornton, serve on the Audit Committee.

2

COMPENSATION COMMITTEE

The Compensation Committee reviews the performance and compensation of the Chairman, the Chief Executive Officer and other senior corporate officers, establishes overall employee compensation policies and recommends to the Board major compensation programs. The Compensation Committee also recommends to the Board restricted stock and option awards under the Company's stock incentive plans and benefits under other compensation plans of the Company. Messrs. Comey (Chairman), Glauber, Loudon and Weiser comprise the Compensation Committee. The Compensation Committee met six times during fiscal 2002.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee makes recommendations to the Board as to nominations for the Board (including qualifications and criteria for Board and Committee memberships) and compensation for Board and Committee members, as well as structural, governance and procedural matters. The Nominating and Corporate Governance Committee also reviews shareholder proposals, the performance of the Board, tenure and retirement policies of the Board and the Company's succession planning. Messrs. Weiser (Chairman), Loudon and Dr. Parker comprise the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met six times during fiscal 2002.

FINANCE COMMITTEE

The Finance Committee establishes and recommends the financial policies of the Company and reviews the Company's capital management practices, dividend policy, mergers, acquisitions and divestitures, significant strategic investments, overall investment policy and performance. Messrs. Loudon (Chairman), Bornhuetter, Esposito, Glauber, O'Hara, Dr. Parker, Senter, Thornton and Weiser comprise the Finance Committee. The Finance Committee met six times during fiscal 2002.

DIRECTORS COMPENSATION

During fiscal 2002, all Directors (except for the Chairman of the Board and Directors who are also employees of the Company) received an annual fee of \$35,000, plus \$3,000 per meeting, including informational meetings. Committee Chairmen also received an additional annual fee of \$3,000 and all Committee members received an attendance fee of \$1,500 per meeting. Prior to the beginning of each fiscal year, Directors may elect to defer all or part of the Board annual retainer in increments of \$5,000. Deferred payments are credited in the form of share units, calculated by dividing 110% of the deferred payment by the market value of the Company's Ordinary Shares at the beginning of the fiscal year, in accordance with the terms of the Company's Directors Stock & Option Plan, as amended. Alternatively, Directors may elect to receive their annual retainers in the form of Shares having a value equal to their annual fees.

The following Directors elected to defer all or a portion of their annual retainer for fiscal 2002:

DIRECTORS	AMOUNT DEFERRED	SHARE UNITS CREDITED
-----------	--------------------	----------------------------

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Ronald L. Bornhuetter	\$35,000	423
Dale Comey	\$35,000	423
Robert Glauber	\$35,000	423
John Loudon	\$15,000	181
Robert S. Parker	\$20,000	241
John Thornton	\$35,000	423
Ellen E. Thrower	\$20,000	242

On March 8, 2002, all non-employee Directors were granted 5,000 options exercisable at \$93.00 per share (the fair market value on March 8, 2002) pursuant to the terms of the 1991 Performance Incentive Program, as amended and restated. In addition, under the Company's Stock Plan for Non-employee Directors (the "Stock Plan"), as of January 1 of each year, Ordinary Share units are credited to the account of each non-employee Director. The number of Ordinary Share units credited each year is equal to the annual retainer fee divided by the fair market value of an Ordinary Share on each January 1. Dividends are credited as additional Ordinary Share units. Benefits under the Stock Plan will be distributed in the form of Ordinary Shares following termination of a non-employee Director's service on the Board.

3

Michael P. Esposito, Jr.'s annual compensation as Chairman of the Board with respect to fiscal 2002 comprised a salary of \$612,500, pension contributions of \$136,250, a bonus of \$750,000, a grant of 80,000 options at an exercise price of \$68.62 per Ordinary Share and a restricted stock award of 10,000 Ordinary Shares. In fiscal 2002, Mr. Esposito was granted 90,000 options at an exercise price of \$93.00 per Ordinary Share for fiscal 2001 services.

Under the terms of an agreement entered into in connection with the acquisition in 1999 of NAC Re Corporation ("Nac Re") by the Company, Mr. Bornhuetter, who had been Chairman of the Board and Chief Executive Officer of Nac Re and who became a director of the Company, receives a supplemental pension of \$162,892 per year, which commenced in August 1999, for his lifetime and, upon his death, 50% of that amount per year will be received by his surviving spouse for her lifetime. In addition, the agreement provides that Mr. Bornhuetter is entitled to the continuance of certain insurance benefits.

The Company provided to Mr. O'Hara, a Director and the President and Chief Executive Officer of the Company, a facility to borrow up to \$1 million from the Company. This facility did not bear interest unless Mr. O'Hara terminated his employment with the Company, at which time the interest would have been the applicable United States Federal rate for long-term loans determined in accordance with Section 1274(d) of the United States Internal Revenue Code of 1986, as amended. The facility required repayment of amounts drawn in ten annual installments. In calendar year 2002, the largest amount outstanding under this facility was \$440,000. The facility was terminated in December 2002 and all outstanding loans were then repaid.

CERTAIN TRANSACTIONS

As of December 31, 2002 a subsidiary of the Company owned an approximately 33.4% equity interest (calculated excluding unexercised employee stock options) in Measurisk LLC ("Measurisk"), a New York limited liability company, in which Mr. Glauber holds a 19.8% equity interest (calculated excluding unexercised employee stock options). During 2002 the Company increased its equity interest in Measurisk from 26.7% to 33.4% and paid \$500,000 to Measurisk for such increased interest (in addition to fees for risk analysis services, a portion of

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

which was credited to increase the Company's equity interest). During 2002 the Company paid Measurisk \$277,000 for risk analysis services provided to it by Measurisk.

An investment vehicle (the "Partnership") was formed in 2001. The general partner of the Partnership is a wholly owned subsidiary of the Company (the "General Partner"). All of the limited partners of the Partnership are current or former senior personnel or Directors of the Company or its subsidiaries (the "Limited Partners"). 80% of the investments in the Partnership have been made by the General Partner and 20% by the Limited Partners. In March 2002, the Partnership invested in 90,000 Series A convertible voting preferred shares of Primus Guaranty Ltd. ("Primus") for a purchase price of \$2,250,000. The Company also invested in 2,910,000 Series A Convertible voting preferred shares of Primus for a purchase price of \$72.75 million. In addition, the Company received warrants to purchase 11,317,972 common shares of Primus at an exercise price of \$0.6481 per common share. The Partnership determined in May 2002 not to make co-investments with the Company and not to make any investments not previously committed to and, accordingly, returned uncommitted cash (together with interest earned on such cash) to the partners who had deposited such cash with the Partnership; the Partnership is, therefore, basically in wind down. Otherwise, no distributions have been made to the General or Limited Partners by the Partnership since its formation. Under the Partnership Agreement, as amended in 2003, distributions, when made, are to the General Partner and the Limited Partners pro rata in proportion to each of their capital contributions. Net limited partner capital contributions of present executive officers and directors (other than Messrs. Comey, Glauber and Weiser who did not participate in the Partnership) are as follows: \$114,678.44 for Messrs. O'Hara and Esposito; \$91,742.75 for Mr. Keeling, Ms. Luck and Mr. Lusardi; \$68,807.06 for Mr. Greetham; and less than \$50,000 in the case of each other person.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file with the Securities and Exchange Commission (the "SEC") and the NYSE reports on Forms 3, 4 and 5 concerning their ownership of the common stock and other equity securities of the Company.

The Company believes that all of its officers and directors and those greater-than-10% Shareholders that filed any reports, filed all of such reports on a timely basis during the year ended December 31, 2002, with the exception of one Form 4 filing for Mr. Thornton that was filed after the date due.

EXISTING EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT AND
CHANGE-IN-CONTROL ARRANGEMENTS OF NAMED EXECUTIVE OFFICERS

The Company or one of its subsidiaries has entered into employment agreements with two of its named executive officers: Nicholas M. Brown, Jr., Executive Vice President of the Company and Chief Executive of Insurance Operations, and Jerry de St. Paer, Executive Vice President and Chief Financial Officer of the Company.

Mr. Brown entered into a new employment agreement with the Company as of April 1, 2002. Mr. Brown's employment agreement provides that he will be employed as the Chief Executive of Insurance Operations for the Company, an Executive Vice President of the Company, and Chief Executive Officer of XL Insurance, Inc. The agreement with Mr. Brown also provides for (i) a continuation of his base salary at the rate in effect on the date of the agreement, subject to annual review for possible increases at the discretion of the Compensation Committee; (ii) an annual bonus as approved by the Compensation Committee based on corporate, individual and business unit performance measures established by the Compensation Committee, with a target annual bonus equal to 90% of base salary; (iii) a special bonus of \$2,600,000 paid in 2002; (iv) eligibility on the same basis as comparable executives to participate in the Company's 1991 Performance Incentive Program, as determined in the discretion of the administrator of that program; and (v) the right to participate in such other employee benefit or fringe benefit programs for senior officers as are in effect from time to time. The term of the employment agreement with Mr. Brown will expire on January 1, 2005. Mr. Brown has agreed to certain confidentiality, non-competition and non-solicitation provisions set forth in the agreement.

If Mr. Brown's employment is terminated by the Company without cause (as defined) or by Mr. Brown for good reason (as defined), in either case within 2

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

years following a change in control (as defined), or his employment is terminated by the Company in connection with or in anticipation of a change in control within one year prior to the date on which a change in control occurs, he will be entitled to (i) his then-current base salary through the date of termination; (ii) a cash lump sum payment equal to (x) two times his base salary and (y) two times the highest of the largest annual bonus awarded in the three year period preceding the year in which the change in control occurs or the targeted annual bonus for the year of such termination; (iii) an amount equal to the higher of his annual bonus actually awarded in the year immediately preceding the year of the change in control or his targeted annual bonus for the year of termination, prorated for the period actually worked in the year of termination; (iv) accelerated vesting as of the date of termination of all stock options or restricted shares held by him to the extent specified in the applicable agreements; (v) continued participation for up to two years in employee benefit and fringe benefit programs of the Company; (vi) accelerated vesting of accrued benefits under the Company's pension plans; and (vii) continued participation under the Company's pension plans for two years following termination of employment. Mr. Brown

11

will also be entitled to gross-up payments in the event excise taxes are imposed on him under Section 280G of the United States Internal Revenue Code, as set forth in the agreement.

In the event that Mr. Brown's employment is terminated by the Company not for cause (other than in the circumstances described above) or Mr. Brown terminates his employment (other than in the circumstances described above) following the failure to appoint or reappoint him to the positions described above, the assignment of duties to him that are inconsistent with his positions, the relocation of his place of employment, or material breach by the Company of the agreement, which, in any such case, is not cured as provided in the agreement, Mr. Brown will receive the following: (i) his then current base salary through the date of termination; (ii) a cash lump sum payment equal to (x) the amount of his base salary which would have been payable over the following two years and (y) two times (or one times if the date of termination is after January 1, 2003) the higher of targeted annual bonus for the year of termination or the bonus actually awarded for the immediately preceding year; (iii) a pro rata bonus for the year of termination in an amount determined by the Compensation Committee, based on actual achievement of corporate, business unit and individual performance results; (iv) vesting of stock options and restricted shares held by him as specified in the applicable agreements; and (v) continued participation in employee benefit programs and fringe benefit programs for the remainder of the stated term of the agreement (or two years if shorter). In the event of Mr. Brown's death or disability, he (or his estate) would receive a pro rata bonus, accelerated vesting of stock options and restricted stock, accelerated vesting under the Company's pension plans, and base salary for six months after termination.

Mr. Brown and the Company have also entered into a supplemental defined benefit pension agreement. The supplemental defined benefit pension agreement provides that Mr. Brown will receive a supplemental pension, beginning on the later of his termination of employment or the date he attains age 50, equal to 50% of his final average compensation, including base salary and regular annual bonus at target. Such supplemental pension benefits will be reduced by benefits payable to Mr. Brown under the defined benefit plans of the Company or its affiliates or under the defined benefit plans of Mr. Brown's prior employers. Any retirement benefit that is payable prior to age 60 shall be reduced by 5% per year to reflect its expected period of payment. This benefit will be payable to Mr. Brown for his lifetime and, following his death, 50% of such amount would

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

be payable to his surviving spouse, if any, for her lifetime. As of December 31, 2002, the estimated aggregate annual benefit payable to Mr. Brown under his defined benefit pension arrangements with the Company at age 60 is \$517,350.

Mr. de St. Paer's employment agreement provides for (i) a base salary which is subject to review for increase annually; (ii) an annual bonus pursuant to the Company's incentive compensation plan as determined by the Compensation Committee of the Board and stock option and restricted share grants pursuant to the Company's performance incentive program; (iii) reimbursement for or payment of certain travel, living and other expenses; and (iv) the right to participate in such other employee or fringe benefit programs for senior executives as are in effect from time to time. Mr. de St. Paer's employment agreement expires on March 1, 2004 and will be automatically extended for additional one year periods unless the Company or Mr. de St. Paer provides written notice at least three months prior to the then scheduled expiration date. Mr. de St. Paer has agreed to certain confidentiality, non-competition and non-solicitation provisions set forth in the agreement.

Mr. de St. Paer's agreement further provides that, in the event of termination of his employment prior to the expiration date by reason of death or disability, Mr. de St. Paer (or in the case of death, Mr. de St. Paer's spouse or estate) is entitled to receive his then current base salary through the end of the sixth month after the month in which his employment is terminated. Mr. de St. Paer's estate shall be entitled to any annual bonus awarded but not yet paid and a bonus for the year of death in an amount determined by the Compensation Committee. Mr. de St. Paer's estate shall also be entitled to accelerated vesting of his rights under any option or restricted share grants and pension plans.

In the event of termination of his employment without cause prior to a Change in Control (as defined in his employment agreement), Mr. de St. Paer will be entitled to his then current base salary through the date on which termination occurs, and (i) if termination occurs after March 1, 2003, a cash lump sum payment equal to two times his then current base salary and the higher of (x) his annual bonus for the year of termination and (y) the annual bonus actually awarded in the year immediately preceding the year of termination; or (ii) if termination occurs on or prior to March 1, 2003, a cash lump sum payment equal to two times his then current base salary and two times the annual bonus for the year of termination, and accelerated vesting of his stock options and restricted shares; as well as any annual bonus earned but not yet awarded and rights under any option or restricted share grants.

If Mr. de St. Paer is terminated (i) by the Company without cause within the 24-month period following a Change in Control and, if the Change in Control is stockholder approval of an Event (as defined in his employment

agreement), prior to a termination of the agreement to effect the Event (the "Post-Change Period"); (ii) by Mr. de St. Paer for Good Reason (as defined in his employment agreement) during the Post-Change Period; or (iii) in connection with or anticipation of a Change in Control within one year prior to the date on which a Change in Control occurs; he will be entitled to (i) his then current base salary through the date on which termination occurs; (ii) a cash lump sum payment equal to (x) two times his then current base salary and (y) two times the largest annual bonus awarded in each of the three years preceding the year in which the Change in Control occurs, provided that such bonus is at least equal to the targeted annual bonus for the year of such termination; (iii) an amount equal to the higher of (x) his annual bonus actually awarded in the year

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

immediately preceding the year of termination and (y) his annual bonus for the year of termination, pro rated by a fraction for the number of months or days actually worked in the year of termination. Mr. de St. Paer will also be entitled to rights under any option or restricted share grants. In addition, Mr. de St. Paer will be entitled to gross-up payments in the event excise taxes are imposed on him under Section 280G of the United States Internal Revenue Code, as set forth in the agreement.

All grants of restricted shares and share options under the Company's incentive compensation plans automatically vest upon a Change in Control (as defined in such plans).

COMPENSATION COMMITTEE REPORT

The Compensation Committee is comprised of four non-executive, independent directors appointed by the Board to review the performance and compensation of the Chairman, the Chief Executive Officer and other senior officers, as well as compensation and benefit policies, plans and programs of the Company. The Committee charter is reviewed annually and submitted to the Board of Directors for approval.

The Committee's objective is to ensure (1) that the Company has compensation and benefit programs that will attract and retain superior talent, and (2) that total compensation levels, especially for senior officers, are significantly dependant upon the achievement of the Company's performance goals to enhance shareholder value. In this regard, the Company's Compensation Philosophy, Principles, Standards and Practice is reviewed annually by the Committee and is approved in principal by the Board. In addition to receiving recommendations from Management, the Committee retains independent compensation consultants to review the strength of the Company's compensation programs relative to the marketplace in general and to the principle competitors in the Company's various businesses.

GLOBAL INCENTIVE COMPENSATION PLAN

The Company's basic compensation philosophy is to establish salary levels that are at the market median relative to its key competitors in the various markets in which it operates globally. In addition, the Company has implemented a Global Incentive Compensation Plan that provides variable compensation dependent upon the performance of the Company, its business units, and the individual employee. It is the intent of this Plan, particularly for senior officers, that performance-based variable compensation be significant and provides above-market total compensation for successful performance.

Annual incentive compensation under the Plan is dependent upon the Company's performance relative to its corporate goals for the year and the comparison of the Company's performance to those achieved by a group of key competitors. The corporate bonus pool is funded based on (1) return on common equity and (2) operating earnings per share. The Company's performance relative to its goals receives 60% weighting and the performance relative to its key competitors receives 40% weighting. In addition, for 2002, about one-third of the bonus pool was influenced by the Company's Total Return to Shareholders (change in common stock price plus cash dividends paid) over a three year period compared to its key competitors. Under the Plan, the Committee can adjust the result by as much as 25% in either direction based on other performance measures as it deems appropriate for the year.

Long-term incentive compensation under the Plan includes stock option awards, restricted stock grants and deferred cash grants. The Committee approves guidelines for these incentives that are based on competitive practices and, with regard to stock options and restricted stock grants, stock dilution considerations. These awards and grants generally vest equally over periods of

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

three or four years and, beginning in 2003, the Company will include the cost of stock option awards as an expense item in the financial statements. Long-term incentive compensation seeks to align management with the interests of the Company's shareholders. The majority of the long-term variable compensation for the most senior officer leaders of the Company is in stock options where compensation received is dependent on enhancing shareholder value. The Committee has adopted share ownership guidelines for senior officers to encourage

13

executives to establish and maintain ownership of the Company's Shares. Restricted stock and deferred cash grants are a more significant portion of long-term incentive compensation for other top performing and/or high potential executives. Stock options and restricted stock grants may also be utilized in connection with new hires, personnel retention following mergers or acquisitions or in other special circumstances.

2002 COMPENSATION REVIEW

The Company's management has demonstrated a strong focus on improving the profit potential of its underwriting portfolios. 2002 operating results provide early indications of success and the improvement is particularly noticeable in recently acquired businesses. The Company increased revenues significantly, reflecting vastly improved prices, terms and conditions and achieved important real growth in targeted classes of business.

The Company's results were adversely impacted by a net increase in reserve levels for claims related to prior years' business. Primarily as a result of these adjustments, the Company did not meet its internal goals relating to operating earnings and return on equity. However, the Company's results did compare favorably to those of its key competitors. And, the Company's book value increased by more than 10% and was above target for the year.

On balance, the Committee believed the Company achieved good results for 2002. It recommended and the Board of Directors approved an annual incentive bonus pool just below the Target level. In addition, the Committee believed that Management demonstrated solid performance in actions taken and results achieved that are aimed at enhancing shareholder value. Therefore, long-term incentive compensation awards were approved for top performing and high potential executives. These took the form of stock options, restricted stock and deferred cash grants with stock options being the predominant award for the most senior executive leaders of the Company.

CHIEF EXECUTIVE OFFICER AND CHAIRMAN'S COMPENSATION

The Committee and the Board of Directors believe that Mr. O'Hara continues to demonstrate very strong, effective and appropriate leadership. His aggressiveness in establishing clearly defined priorities for 2002 and managing the focus on execution was particularly appropriate in this opportunistic stage of the underwriting cycle. Because of the rapid growth of the Company, he is developing and leading initiatives to keep the organization externally focused while ensuring that cooperative activities across business segments are effective and will enhance the development of key talent in the organization. The Company remains well positioned in the marketplace and its financial position is strong. Mr. O'Hara's compensation reflects the results achieved in 2002 but, more importantly, the future potential created by his leadership.

The compensation for Mr. Esposito as Chairman of the Board of Directors reflects the significant time, commitment and contribution that he continues to

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

make to the Company. In 2002, Mr. Esposito provided excellent overall leadership of the Board and was instrumental in successfully guiding the Company through the changing and increasingly complex corporate governance environment. Mr. Esposito also provided valuable input to management in connection with projects in the areas of internal controls, financial reporting and disclosure and risk management and also has utilized his experience and expertise to provide management development leadership in new business ventures, particularly in the financial products and services segment.

AUDIT AND AUDIT RELATED FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for audit and audit related professional services for the year ended December 31, 2002 and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q during the year ended December 31, 2002 were approximately \$10.0 million, including \$3.8 million of audit related fees in connection with other attestation services that comprised the audits for insurance statutory and regulatory purposes in the various jurisdictions in which the Company operates, and the provision of certain opinions relating to the Company's filings with the SEC (including opinions delivered to securities underwriters in connection with various equity and debt offerings during fiscal year 2002).

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

Prior to the divestiture of their consulting practice in September 2002, PricewaterhouseCoopers LLP performed information technology services for the Company relating to financial information systems design and implementation for the fiscal year ended December 31, 2002. The fees billed for these services were \$6.2 million. These fees primarily related to the Company's newly-acquired operations (primarily the Winterthur International operations, which were acquired in July 2001) into the Company's existing technology platforms. Future services of this type will not be performed by PricewaterhouseCoopers LLP.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for services rendered to the Company, other than the services described above under "Audit and Audit Related Fees" and "Financial Information Systems Design and Implementation Fees", for the fiscal year ended December 31, 2002 were \$7.4 million. These fees related to internal control, merger and integration-related services in connection with the Company's acquired Winterthur International operations.

GENERAL

The Audit Committee considered whether the provision of information technology consulting services relating to financial information systems design and implementation and other non-audit services performed by the independent auditors is compatible with maintaining PricewaterhouseCoopers LLP's independence. In reaching its conclusions, the Audit Committee took into consideration the fact that the major proportion of these services were either (i) primarily continuations of projects commenced in 2001 and will not be performed by PricewaterhouseCoopers LLP subsequent to October 1, 2002 or (ii) specifically related to the acquisition of the Winterthur International operations.

II. APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee and the Board of Directors have recommended the appointment of PricewaterhouseCoopers LLP, New York, New York, as the independent auditors of the Company for the fiscal year ending December 31, 2003. Representatives of the firm are expected to be present at the Annual General Meeting with an opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO APPOINT PRICEWATERHOUSECOOPERS LLP, NEW YORK, NEW YORK.

III. AMENDMENT AND RESTATEMENT OF THE 1991 PERFORMANCE

INCENTIVE PROGRAM

The Board of Directors of the Company has amended and restated the XL Capital Ltd 1991 Performance Incentive Program (the "Program"), subject to shareholder approval.

The Company's ability to retain its executive personnel is of particular concern in light of the fact that the Company's competitors have been

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

aggressively recruiting its employees due to the large demand for high quality executives and professional staff in the insurance industry, and particularly in the Bermuda insurance market. In this regard, the Company believes that restricted stock is, in many cases, a more effective retention tool than stock options, in that the forfeiture of restricted stock on termination, which the employee has regarded as tangibly owned, has a more significant effect on the employee than forfeiture of an option to purchase shares. In addition, as a larger number of options is generally required to be awarded in order to deliver the same dollar value of long-term incentive compensation tied to share price performance as a smaller number of restricted shares, increasing the number of restricted shares available for grant under the Program should allow the Company to extend the life of the Program and reduce the potential dilution to its shareholders. Accordingly, the Company has amended the Program, subject to shareholder approval, to increase the number of shares available for issuance as restricted stock (or as restricted stock units or performance shares which are similar types of awards) from 10 percent of the aggregate number of shares authorized by shareholders last year for issuance under the Program to 20 percent. The aggregate number of shares available for issuance under the Program has not been changed. After giving effect to the amendment, up to approximately 1.5 million shares will be available under the Program to be issued as restricted stock, restricted stock units or performance shares, but 750,000 of such shares will be available to be issued only as performance-based awards. The Compensation Committee of the Board of Directors will determine annually the amount, terms and criteria for performance based restricted stock awards. Such terms and criteria may include performance targets based on total return to the Company's shareholders over defined periods of time and the delay of vesting of such awards until performance objectives are attained. The Program has also been amended to include separate addenda setting forth particular provisions of certain stock options granted to employees in the United Kingdom, Italy and France. These addenda will allow employees in those jurisdictions to receive favorable tax treatment with respect to the stock options. The tax authorities in those jurisdictions require that the addenda contain certain specific provisions, including provisions relating to the minimum exercise price of options. In no event will the Company issue stock options with an exercise price per share that is less than the fair market value per share on the date of grant. Additionally, the Program has been amended to authorize the issuance of awards in the form of restricted stock units and to formally authorize the delegation of certain administrative functions concerning the Program to outside third parties. The shareholders are now requested to approve the amendment and restatement of the Program. The following summary of the amended and restated Program is qualified in its entirety by express reference to the Program, which is attached as Appendix B to this proxy statement.

GENERAL

The Program is intended to provide incentives to attract, retain and motivate employees and directors of the Company and its subsidiaries and affiliates in order to achieve the Company's long-term growth and profitability objectives. The Program will provide for the grant to eligible employees and directors of stock options, share appreciation rights ("SARs"), restricted stock, restricted stock units, performance shares, and performance units (the "Awards"). 7,802,529 shares are currently available for issuance under the Program. Up to approximately 1,500,000 of those shares can be issued as restricted stock, restricted stock units and performance shares, of which approximately 750,000 must be issued as performance-based awards. In addition, the Program provides that the maximum number of shares with respect to which options and SARs may be granted to any individual participant during any calendar year will be 3 million shares, and the number of performance shares, performance units, restricted stock and restricted stock units intended to qualify as "qualified performance-based compensation" under applicable provisions of the US Internal Revenue Code that can be granted to any individual during a calendar year is limited to 150,000 shares. Any benefits payable under

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

a performance unit award will be payable in cash. Each of the share limits referred to above is subject to anti-dilution adjustments in the event of certain changes in the Company's capital structure.

ELIGIBILITY AND ADMINISTRATION

Officers and other employees of the Company and its subsidiaries and affiliates and directors of the Company will be eligible to be granted Awards under the Program. However, provided the amendment and restatement of the Company's Directors Stock & Option Plan is approved by shareholders (see Item IV below), no further awards to

17

non-employee directors will be made under the Program. The Program will be administered by the Compensation Committee or such other Board committee or subcommittee (or the entire Board) as may be designated by the Board (the "Committee"). The Committee will determine which eligible employees and directors receive Awards, the types of Awards to be received and the terms and conditions thereof. The Committee will have authority to waive conditions relating to an Award or accelerate vesting of Awards. The actual number of employees who will receive awards under the Program cannot be determined because selection for participation in the Program is in the sole discretion of the Committee.

AWARDS

Incentive stock options ("ISOs") intended to qualify for special tax treatment in accordance with the Code and nonqualified stock options not intended to qualify for special tax treatment under the Code may be granted for such number of shares as the Committee determines. The Committee will be authorized to set the terms relating to an option, including the exercise price and the time and method of exercise. The exercise price of stock options cannot be less than the fair market value per share on the date of grant. The terms of ISOs will comply with the provisions of Section 422 of the Code. ISOs may only be granted to employees. Options and SARs may not be repriced without shareholder approval.

Awards of restricted stock and restricted stock units will be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose. Such restrictions will lapse under circumstances as the Committee may determine. Except as otherwise determined by the Committee, eligible employees granted restricted stock will have all of the rights of a stockholder, including the right to vote restricted stock and receive dividends thereon. Restricted stock units will provide for the delivery of a number of shares equivalent to the number of restricted stock units at the time and subject to the terms and conditions set forth in the applicable award agreement.

Performance shares and performance units will provide for future issuance of shares or payment of cash, respectively, to the recipient upon the attainment of corporate performance goals established by the Committee over specified performance periods. Prior to payment of performance shares or performance units, the Committee will certify that the performance objectives were satisfied. Performance objectives may vary from employee to employee.

If the Committee determines that an award of performance shares, performance units, restricted stock or restricted stock units should qualify under the performance-based compensation exception to the \$1 million cap on deductibility under Section 162(m) of the Code, the grant, vesting and/or

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

settlement of such awards shall be contingent upon achievement of pre-established performance goals based on one or more of the following business criteria for the Company, on a consolidated basis, and/or for specified subsidiaries or business units of the Company (except with respect to the total stockholder return and earnings per share criteria): earnings per share; revenues; cash flow; cash flow return on investment; return on assets; return on investment; return on capital; return on equity; economic value added; operating margin; net income; pretax earnings; pretax earnings before interest, depreciation and amortization; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; operating earnings; total stockholder return; and any of the above goals as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor's 500 Stock Index.

AMENDMENT AND TERMINATION

The Board of Directors of the Company may, at any time and from time to time, suspend or terminate the Program in whole or amend it from time to time in such respects as the Board of Directors of the Company may deem appropriate, but any such amendment will be subject to the approval of shareholders if required by applicable law or the rules of any stock exchange on which the shares may then be listed. In addition, without the consent of an affected participant, no amendment, suspension, or termination of the Program may adversely affect the rights of such participant under any award theretofore granted to him or her.

MARKET VALUE

The per share closing price of the Company's shares on March 24, 2003 was \$69.81.

18

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the United States federal income tax consequences of the Program, based upon current provisions of the Code, the Treasury regulations promulgated thereunder and administrative and judicial interpretations thereof, and does not address the consequences under any state, local or foreign tax laws. Many of the Company's officers and employees are not subject to United States personal income taxation and may be subject to taxation under the laws of jurisdictions other than the United States.

STOCK OPTIONS

In general, the grant of an option will not be a taxable event to the recipient and it will not result in a deduction to the Company. The tax consequences associated with the exercise of an option and the subsequent disposition of shares acquired on the exercise of such option depend on whether the option is a nonqualified stock option or an ISO.

Upon the exercise of a nonqualified stock option, the participant will recognize ordinary taxable income equal to the excess of the fair market value of the shares received upon exercise over the exercise price. If the participant is employed by a United States subsidiary, the subsidiary will generally be able to claim a deduction in an equivalent amount. Any gain or loss upon a subsequent sale or exchange of the shares will be capital gain or loss, long-term or short-term, depending on the holding period for the shares.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Generally, a participant will not recognize ordinary taxable income at the time of exercise of an ISO and no deduction will be available to the participant's employer, provided the option is exercised while the participant is an employee or within three months following termination of employment (longer, in the case of disability or death). If an ISO granted under the Program is exercised after these periods, the exercise will be treated for United States federal income tax purposes as the exercise of a nonqualified stock option. Also, an ISO granted under the Program will be treated as a nonqualified stock option to the extent it (together with other ISOs granted to the participant by the Company) first becomes exercisable in any calendar year for shares having a fair market value, determined as of the date of grant, in excess of \$100,000.

If shares acquired upon exercise of an ISO are sold or exchanged more than one year after the date of exercise and more than two years after the date of grant of the option, any gain or loss will be long-term capital gain or loss. If shares acquired upon exercise of an ISO are disposed of prior to the expiration of these one-year or two-year holding periods (a "Disqualifying Disposition"), the participant will recognize ordinary income at the time of disposition, and the participant's employer will generally be entitled to a deduction, in an amount equal to the excess of the fair market value of the shares at the date of exercise over the exercise price. Any additional gain will be treated as capital gain, long-term or short-term, depending on how long the shares have been held.

Although the exercise of an ISO as described above would not produce ordinary taxable income to the participant, it would result in an increase in the participant's alternative minimum taxable income and may result in an alternative minimum tax liability.

If an option is exercised through the use of Company shares previously owned by the participant, such exercise generally will not be considered a taxable disposition of the previously owned shares and, thus, no gain or loss will be recognized with respect to such previously owned shares upon such exercise. The amount of any built-in gain on the previously owned shares generally will not be recognized until the new shares acquired on the option exercise are disposed of in a sale or other taxable transaction.

RESTRICTED STOCK

A participant who receives shares of restricted stock will generally recognize ordinary income at the time that they "vest" I.E., when they are not subject to a substantial risk of forfeiture. The amount of ordinary income so recognized will be the fair market value of the shares at the time the income is recognized (determined without regard to any restrictions other than restrictions which by their terms will never lapse), less the amount, if any, paid for the shares. This amount is generally deductible for federal income tax purposes by the participant's employer. Dividends paid with respect to shares that are non-vested will be ordinary compensation income to the participant (and generally deductible by the employer). Any gain or loss upon a subsequent sale or exchange of the shares measured by the difference between the sale price and the fair market value on the date restrictions lapse, will be capital gain or loss, long-term or short-term, depending on the holding period for the shares. The holding period for this purpose will begin on the date following the date restrictions lapse.

In lieu of the treatment described above, a participant may elect immediate recognition of income under Section 83(b) of the Code. In such event, the

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

participant will recognize as income the fair market value of the restricted stock at the time of grant (determined without regard to any restrictions other than restrictions that by their terms will never lapse), and the participant's employer will generally be entitled to a corresponding deduction. Dividends paid with respect to shares as to which a proper Section 83(b) election has been made will not be deductible. If a Section 83(b) election is made and the restricted stock is subsequently forfeited, the participant will not be entitled to any offsetting tax deduction.

SARS AND OTHER AWARDS

With respect to SARs, restricted stock units, performance shares, and performance units, generally, when a participant receives payment with respect to any such Award granted to him or her under the Program, the amount of cash and the fair market value of any other property received will be ordinary income to such participant and will be allowed as a deduction for federal income tax purposes to the employer.

DEDUCTIBILITY LIMIT ON COMPENSATION IN EXCESS OF \$1 MILLION

Section 162(m) of the Code generally limits the deductible amount of annual compensation paid (including, unless an exception applies, compensation otherwise deductible in connection with Awards granted under the Program) by a public company to a "covered employee" (I.E., the chief executive officer and four other most highly compensated executive officers of the Company) to no more than \$1 million. The Company currently intends to structure stock options granted under the Program to comply with an exception to non-deductibility under Section 162(m) of the Code in order to maximize the tax deductions available to United States based subsidiaries of the Company.

NEW PROGRAM BENEFITS

The amount of benefits that will be granted under the Program cannot be determined at this time.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO AMEND AND RESTATE THE PROGRAM.

IV. AMENDMENT AND RESTATEMENT OF THE DIRECTORS STOCK & OPTION PLAN

The XL Capital Ltd Directors Stock & Option Plan (the "Directors Plan") was originally approved by shareholders in 1994. At that time it provided for formula grants of stock options to non-employee directors and an opportunity for non-employee directors to defer their annual retainer fees in the form of share units. The Directors Plan was subsequently amended to provide for no further grants of stock options, and stock options have subsequently been granted to non-employee directors under the 1991 Performance Incentive Program. 344,702 shares remain available for issuance under the Directors Plan solely for elective deferrals of annual retainer fees or the elective payment of annual retainer fees in the form of shares.

Since the Directors Plan is scheduled to expire on December 1, 2003 and because the Board of Directors believes it is appropriate to have a separate shareholder approved plan under which stock-based compensation awards are granted to non-employee directors, the Board of Directors has amended and restated the Directors Plan as described below, subject to shareholder approval.

The Directors Plan has been amended (i) to extend its term to April 30, 2008, (ii) to provide that the 344,702 shares currently available under the Directors Plan will continue to be available only for elective deferrals of annual retainer fees or the elective payment of annual retainer fees in the form of shares (but not for issuances of stock options, restricted stock or other

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

stock-based compensation), and (iii) to provide for an additional 300,000 shares which will be available for grants of non-qualified stock options, restricted stock and restricted stock units, as described below. The shareholders are now requested to approve the amendment and restatement of the Directors Plan. Provided the Directors Plan is approved by shareholders, no further awards will be made to non-employee directors under the Company's 1991 Performance Incentive Program.

The following summary of the amended and restated Directors Plan is qualified in its entirety by express reference to the Directors Plan, which is attached as Appendix C to this proxy statement.

20

GENERAL

The Directors Plan is intended to advance the interests of the Company and its shareholders by providing a means to attract, retain and motivate non-employee directors of the Company upon whose judgment, initiative and effort the continued success, growth and development of the Company is dependent. The Directors Plan provides for the grant to non-employee directors of non-qualified stock options, restricted stock, and restricted stock units. The Directors Plan also provides for elective deferral of annual retainer fees and, as an alternative, an election to receive annual retainer fees in the form of shares of the Company. The aggregate number of shares which are available for issuance under the Directors Plan in connection with elective deferral of annual retainer fees or elections to receive annual retainer fees in the form of shares is 344,702, and an additional 300,000 are available for grants of nonqualified stock options, restricted stock, restricted stock units, in each case subject to anti-dilution adjustments in the event of certain changes in the Company's capital structure. Shares issued pursuant to the Directors Plan will be either authorized but unissued shares or treasury shares.

ELIGIBILITY AND ADMINISTRATION

Only non-employee members of the Company's Board of Directors will be eligible to participate in the Directors Plan. The Directors Plan will be administered by the full Board of Directors, which will determine the types of awards to be received and the terms and conditions thereof. The number of non-employee directors who will be eligible to receive awards under the Directors Plan is currently eleven.

AWARDS AND DEFERRAL ELECTIONS

The Directors Plan provides for automatic annual grants of nonqualified stock options to each non-employee director on the following terms. The date of grant will be the date of each annual meeting of shareholders (beginning with the 2004 annual meeting), and options will be granted to the non-employee directors in office immediately following the annual meeting. The exercise price per share will be equal to the fair market value per share on the date of grant, and the number of shares subject to each option will be 5000 (or such other amount as determined from time to time by the Board of Directors). The term of each option will be ten years, each option will be fully exercisable on the date of grant, and continued exercisability will not be dependent on continued service on the Board of Directors.

In addition, when a non-employee director is first elected to the Board of Directors an option to purchase 5,000 shares (or such other amount as determined from time to time by the Board of Directors) shall be granted to the

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

non-employee director on the date of such first election. The other terms of the option will be as described above in the case of the automatic annual option grants.

The Directors Plan will also provide for discretionary grants of nonqualified stock options, restricted stock and restricted stock units. The specific terms of such grants will be as determined by the Board of Directors, but the exercise price of an option may not be less than the fair market value per Share on the date of grant. In addition, options may not be repriced without shareholder approval.

Non-employee directors may elect to defer all or a portion of their annual retainer fees. Amounts deferred will be credited to the non-employee directors' accounts under the Directors Plan in the form of share units. The number of share units credited will be equal to the number of Company shares having an aggregate fair market value on the date the fees would otherwise have been paid equal to 110% of the amount deferred. If any dividends are payable on Company shares during the deferral period, additional share units will be credited to the non-employee directors' accounts, based on the amount of the dividends and the fair market value of Company shares at the time the dividend is paid. Amounts deferred will be distributed (in the form of one Company share for each share unit) either in a lump sum at the time of termination of the non-employee director's service on the Board of Directors or in five annual installments commencing at such time, as elected by the non-employee director in accordance with the election provisions of the Directors Plan.

Alternatively, non-employee directors may elect to receive their annual retainer fees currently in the form of Company shares instead of cash, based on the fair market value of the shares on the date the fees would otherwise have been paid.

21

AMENDMENTS AND TERMINATION

The Board of Directors may amend or terminate the Directors Plan, but any such amendment or termination will be subject to the approval of shareholders if required by applicable law or the rules of any stock exchange on which the shares may then be listed. In addition, no amendment or termination may adversely affect the rights of a participant under outstanding awards or previously deferred fees without the consent of the affected participant.

MARKET MALUE

The per share closing price of the Company's shares on March 24, 2003 was \$69.81.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the United States federal income tax consequences of the Directors Plan, based upon current provisions of the Code, the Treasury regulations promulgated thereunder and administrative and judicial interpretations thereof, and does not address the consequences under any state, local or foreign tax laws.

STOCK OPTIONS

In general, the grant of a nonqualified stock option will not be a taxable event to the recipient. Upon the exercise of a nonqualified stock option, the

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

participant will recognize ordinary taxable income equal to the excess of the fair market value of the shares received upon exercise over the exercise price. Any gain or loss upon a subsequent sale or exchange of the shares will be capital gain or loss, long-term or short-term, depending on the holding period for the shares.

RESTRICTED STOCK

A participant who receives shares of restricted stock will generally recognize ordinary income at the time that they "vest", I.E., when they are not subject to a substantial risk of forfeiture. The amount of ordinary income so recognized will be the fair market value of the shares at the time the income is recognized (determined without regard to any restrictions other than restrictions which by their terms will never lapse), less the amount, if any, paid for the shares. Dividends paid with respect to shares that are not vested will be ordinary compensation income to the participant. Any gain or loss upon a subsequent sale or exchange of the shares, measured by the difference between the sale price and the fair market value on the date restrictions lapse, will be capital gain or loss, long-term or short-term, depending on the holding period for the shares. The holding period for this purpose will begin on the date following the date restrictions lapse.

In lieu of the treatment described above, a participant may elect immediate recognition of income under Section 83(b) of the Code. In such event, the participant will recognize as income the fair market value of the restricted stock at the time of grant (determined without regard to any restrictions other than restrictions that by their terms will never lapse). Dividends paid with respect to shares as to which a proper Section 83(b) election has been made will not be deductible. If a Section 83(b) election is made and the restricted stock is subsequently forfeited, the participant will not be entitled to any offsetting tax deduction.

OTHER AWARDS AND DEFERRALS

With respect to restricted stock units and amounts deferred, generally, a participant will be subject to income tax at ordinary income rates at the time of receipt of payment with respect to any such restricted stock units or deferrals, and the amount of such income will be the fair market value of the shares received, determined at the time they are received.

The following table states the number of share units and stock options which would have been received by or allocated to the current non-executive director group for the fiscal year 2002 under the Amended and Restated Directors Stock & Option Plan if such plan had been in effect:

NEW PLAN BENEFITS

4. Shares of Common Stock shall be allotted and issued pursuant to a notice of exercise within 30 days of the date of exercise and a definitive share certificate issued to the option holder in respect thereof. 6. The Approved Option may be exercised by the personal representatives of a deceased UK Participant during the period of one year following the date of death. The Approved Option may not be assigned or transferred in any other circumstances, and any purported transfer, assignment, or charge shall cause the Approved Option to lapse forthwith.

O. EXCHANGE OF APPROVED OPTIONS ON A TAKEOVER

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

within the period specified in paragraph 15(2) of that Schedule 9, release his Approved Option ("the Old Option") in consideration of the grant to him of a new approved option ("the New Option") which is equivalent to the Old Option (by virtue of satisfying the requirements of paragraph 15(3) of Schedule 9 of the Taxes Act) but relates to stock in a different company (whether the Acquiring Company itself or another company within its group).

2. Where any New Options are granted pursuant to Paragraph 0.1 above they shall be regarded for the purposes of the subsequent application of the provisions of this UK Subplan as having been granted at the time when the corresponding Old Options were granted and, with effect from the date on which the New Options are granted:

DIRECTORS STOCK & OPTION PLAN

(AS AMENDED AND RESTATED EFFECTIVE AS OF MARCH 7, 2003)

1. PURPOSES.

For purposes of the Plan, the following terms shall be defined as set forth below:

- (a) "Board" means the Board of Directors of the Company.

If there is no reported sale of Shares on such exchange on such date, then the Fair Market Value shall be the closing selling price on the exchange on the last preceding date for which such quotation exists; and
 - (ii) If the Shares are not at the time listed or admitted to trading on any stock exchange but are traded in the over-the-counter market, the Fair Market Value shall be the closing selling price per share of Shares on the day preceding the date in question, as such price is reported by the National Association of Securities Dealers through the NASDAQ National Market System or any successor system. 3. ADMINISTRATION.

The Plan shall be administered by the Board. Subject to the express provisions of the Plan, the Board shall have full and exclusive authority to interpret the Plan, to make all determinations with respect to awards to be granted under the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan, and to make all other determinations necessary or advisable in the implementation and administration of the Plan. The Board's interpretation and construction of the Plan shall be conclusive and binding on all persons.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

4. SHARES SUBJECT TO THE PLAN.

(a) Subject to adjustment as provided in Section 5(j), (i) the total number of Shares reserved for issuance solely pursuant to Section 6 of the Plan shall be 344,702, and (ii) an additional 300,000 Shares shall be reserved for issuance as Options, Restricted Stock Awards or Restricted Stock Unit Awards under Section 5 of the Plan. If any Shares subject to an Option, Restricted Stock Award or Restricted Stock Unit Award hereunder are forfeited, cancelled or surrendered, any Shares counted against the number of Shares reserved and available under the Plan with respect to such Option, Restricted Stock Award or Restricted Stock Unit Award shall, to the extent of any such forfeiture, cancellation or surrender, again be available for issuance as such an award under the Plan.

(b) Any Shares issued hereunder may consist, in whole or in part, of authorized and unissued Shares or treasury Shares including Shares acquired by purchase in the open market or in private transactions.

5. DIRECTOR'S AWARDS.

(a) INITIAL OPTION GRANT. Each Director who is first elected to the Board subsequent to March 7, 2003 shall be granted an Option to purchase 5,000 Shares (or such other number of Shares, as determined from time to time by the Board) on the date such Director is first elected to the Board and such Option shall have an exercise price per Share equal to 100% of the Fair Market Value per Share at the date of grant; provided, however, that such price shall be at least equal to the par value of a Share.

(b) ANNUAL OPTION GRANTS. On the date of each annual meeting of shareholders of the Company, beginning with the annual meeting for 2004, each Director in office immediately following the annual meeting shall automatically be granted an Option to purchase 5000 Shares (or such other number of Shares, as determined from time to time by the Board) with an exercise price per Share equal to 100% of the Fair Market Value per Share at the date of grant; provided, however, that such price per share shall be at least equal to the par value of a Share.

(c) EXERCISABILITY. Each Option granted to a Director under Section 5(a) or (b) of this Plan shall be fully exercisable on the date of grant and shall expire on the tenth anniversary of the date of grant, and exercisability of such an Option shall not be dependent upon the Director's continuing service on the Board.

(d) TIME AND METHOD OF EXERCISE. The exercise price of an Option shall be paid to the Company at the time of exercise in cash or through delivery of Shares owned by the Director for more than six months having an aggregate Fair Market Value on the date of exercise equal to the exercise price.

(e) DISCRETIONARY OPTIONS. Without limiting the operation of Section 5(a) or (b) hereof, the Board may also make discretionary Option grants to Directors hereunder. The Board may determine, in its discretion, the Directors to whom any such Options are to be granted, the number of Shares to be subject to each such Option and the other terms and conditions of such Options, consistent with the terms of the Plan. The exercise price per share of any Option shall not be less than 100% of the Fair Market Value of a Share on the date of grant, and the term of an Option shall not be longer than ten years.

(f) NO OPTION REPRICING. Except as provided in Section 5(j) hereof relating to certain antidilution adjustments, unless the approval of shareholders of the Company is obtained, Options issued under the Plan shall not be amended to lower

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

their exercise prices and they will not be exchanged for other stock options with lower exercise prices.

(g) RESTRICTED STOCK AWARDS. The Board may grant Restricted Stock Awards to Directors on such terms and conditions, consistent with the provisions of this Plan, as determined by the Board. Restricted Stock Awards shall be subject to restrictions on transferability, forfeiture conditions and other restrictions, if any, as the Board may impose, which restrictions and forfeiture conditions may lapse under such circumstances as the Board may determine. A Director who is granted a Restricted Stock Award shall have all of the rights of a shareholder prior to vesting of the Restricted Stock Award, including, without limitation, the right to vote the Restricted Stock and the right to receive dividends thereon.

(h) RESTRICTED STOCK UNIT AWARDS. The Board may grant Restricted Stock Unit Awards to Directors on such terms and conditions, consistent with the provisions of this Plan, as determined by the Board. Restricted Stock Unit Awards will provide for the delivery of a number of Shares equal to the number of Restricted Stock Units at the time and subject to the terms and conditions set forth by the Board. Delivery of Shares pursuant to the Restricted Stock Unit Awards will occur upon expiration of the deferral period specified by the Board. In addition, Restricted Stock Unit Awards shall be subject to such restrictions, including forfeiture conditions, as the Board may impose.

C-2

(i) TRANSFERABILITY. The Options, Restricted Stock Awards and Restricted Stock Unit Awards granted under the Plan may be assigned or otherwise transferred only: (i) by will or the laws of descent and distribution; (ii) by valid beneficiary designation taking effect at death made in accordance with procedures established by the Board; or (iii) solely in the case of Options, by the Director to members of his or her "immediate family", to a trust established for the exclusive benefit of solely one or more members of the Director's "immediate family" and/or the Director, or to a partnership or other entity pursuant to which the only owners are one or more members of the Director's "immediate family" and/or the Director. Any Option held by the transferee will continue to be subject to the same terms and conditions that were applicable to the Option immediately prior to the transfer, except that the Option will be transferable by the transferee only by will or the laws of descent and distribution. For purposes hereof, "immediate family" means the Director's children, stepchildren, grandchildren, parents, stepparents, grandparents, spouse, siblings (including half brothers and sisters), in-laws, and relationships arising because of legal adoption.

(j) ADJUSTMENTS. In the event that subsequent to the Effective Date any dividend in Shares, recapitalization, Share split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other such change, affects the Shares such that they are increased or decreased or changed into or exchanged for a different number or kind of Shares or other securities of the Company or of another corporation, then in order to maintain the proportionate interest of the Directors and preserve the value of the awards made hereunder (i) there shall automatically be substituted for each Share subject to an unexercised Option, each Restricted Stock Award, each Restricted Stock Unit Award, and each Share to be issued on a formula basis under this Section 5 subsequent to such event, the number and kind of Shares or other securities into which each outstanding Share shall be changed or for which each such Share shall be exchanged, (ii) the exercise price of outstanding Options shall be increased or decreased proportionately so that the aggregate purchase price for the Shares subject to any unexercised Option shall

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

remain the same as immediately prior to such event, and (iii) the number and kind of Shares available for issuance under the Plan shall be equitably adjusted in order to take into account such transaction or other change.

(k) NONQUALIFIED OPTIONS. All Options granted under the Plan shall be nonqualified options, not entitled to special tax treatment under Section 422 of the Code.

6. DIRECTOR'S FEES.

(a) Each Director may make an irrevocable election on or before the October 31 immediately preceding the beginning of a Fiscal Year of the Company, by written notice to the Company, to defer payment of all or a designated portion (in increments of \$5,000) of the cash compensation otherwise payable as his or her annual retainer for service as a Director for the next Fiscal Year. Notwithstanding the foregoing, a Director who is first elected or appointed to the Board may make an election under this Section 6(a) within 60 days of such election or appointment to the Board in respect of annual retainer fees payable after the date of the election.

(b) Deferrals of compensation hereunder shall continue until the Director notifies the Company in writing, on or prior to the October 31 immediately preceding the commencement of any Fiscal Year, that he wishes his compensation for such Fiscal Year and all succeeding periods to be paid in cash on a current basis.

(c) All compensation which a Director elects to defer pursuant to this Section 6 shall be credited in the form of units to a bookkeeping account maintained by the Company in the name of the Director. Each such unit shall represent the right to receive one Share at the time determined pursuant to the terms of the Plan. In consideration for forgoing cash compensation, the number of units so credited will be equal to the number of Shares having an aggregate Fair Market Value (on the date the compensation would otherwise have been paid) equal to 110% of the amount by which the Director's cash compensation was reduced pursuant to the deferral election. Notwithstanding any other provision of this Plan, in the case of any deferral election made prior to the date of approval of this Plan by the affirmative votes of the holders of a majority of voting securities of the Company, the crediting of Share units to the Director's bookkeeping account shall be contingent on such shareholder approval. If such shareholder approval is not obtained within one year from the Effective Date of this Plan, compensation deferred pursuant to a prior election hereunder will be paid to the Director in cash at the end of such year.

(d) As of each date on which a cash dividend is paid on Shares, there shall be credited to each account that number of units (including fractional units) determined by (i) multiplying the amount of such dividend (per Share) by the number of units in such account; and (ii) dividing the total so determined by the Fair Market Value of a Share on the date of payment of such cash dividend. The additions to a Director's account pursuant to this Section 6(d) shall continue until the Director's account is fully paid.

C-3

(e) The account of a Director shall be distributed (in the form of one Share for each Share unit) either (x) in a lump sum at the time of termination of the Director's service on the Board or (y) in up to five annual installments commencing at the time of termination of the director's service on the Board, as elected by the Director. Each Director's distribution election must be made in writing within the later of (A) 60 days after December 1, 1998 or (B) 60 days

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

after the Director first becomes eligible to participate in the Plan; PROVIDED, HOWEVER, that a Director may make a new distribution election with respect to the entire portion of his or her account subject to this Section 6(e) so long as such election is made at least one year in advance of the Director's termination of service on the Board. In the case of an account distributed in installments, the amount of Shares distributed in each installment shall be equal to the number of Share units in the Director's account subject to such installment distribution at the time of the distribution divided by the number of installments remaining to be paid.

(f) The right of a Director to amounts described under this Section 6 (including Shares) shall not be subject to assignment or other disposition by him or her other than by will or the laws of descent and distribution. In the event that, notwithstanding this provision, a Director makes a prohibited disposition, the Company may disregard the same and discharge its obligation hereunder by making payment or delivery as though no such disposition had been made.

(g) Each Director may make an election in writing on or prior to each October 31 to receive the Director's annual retainer fees payable in the following Fiscal Year in the form of Shares instead of cash. Any Shares elected shall be payable at the time cash retainer fees are otherwise payable, and the number of Shares distributed shall be equal to the amount of the annual retainer fee otherwise payable on such payment date divided by the Fair Market Value of a Share on such date. Notwithstanding the foregoing, a Director who is first elected or appointed to the Board may make an election under this Section 6(g) within 60 days of such election or appointment to the Board in respect of annual retainer fees payable after the date of the election. Any election made under this Section 6(g) shall remain in effect unless and until a new election is made in accordance with the provisions of this Section 6(g).

(h) In the event that any dividend in Shares, recapitalization, Share split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other such change, affects the Shares such that they are increased or decreased or changed into or exchanged for a different number or kind of Shares, other securities of the Company or of another corporation or other consideration, then in order to maintain the proportionate interest of the Directors and preserve the value of the Directors' Share units, there shall automatically be substituted for each Share unit a new unit representing the number and kind of Shares, other securities or other consideration into which each outstanding Share shall be changed. The substituted units shall be subject to the same terms and conditions as the original Share units.

7. GENERAL PROVISIONS.

(a) COMPLIANCE WITH LEGAL AND TRADING REQUIREMENTS. The Plan shall be subject to all applicable laws, rules and regulations, including, but not limited to, U.S. federal and state laws, rules and regulations, and to such approvals by any regulatory or governmental agency as may be required. The Company, in its discretion, may postpone the issuance or delivery of Shares under the Plan until completion of such stock exchange or market system listing or registration or qualification of such Shares or other required action under any U.S. state or federal law, rule or regulation or under laws, rules or regulations of other jurisdictions as the Company may consider appropriate, and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of Shares in compliance with applicable laws, rules and regulations. No provisions of the Plan shall be interpreted or construed to obligate the Company to register any Shares under U.S. federal or state law or under the laws of other jurisdictions.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

(b) NO RIGHT TO CONTINUED SERVICE. Neither the Plan nor any action taken thereunder shall be construed as giving any Director the right to be retained in the service of the Company or any of its subsidiaries or affiliates, nor shall it interfere in any way with the right of the Company or any of its subsidiaries or affiliates to terminate any Director's service at any time.

(c) TAXES. The Company is authorized to withhold from any Shares delivered under this Plan or on exercise of an Option any amounts of withholding and other taxes due in connection therewith, and to take such other action as the Company may deem advisable to enable the Company and a Participant to satisfy obligations for the payment of any withholding taxes and other tax obligations relating thereto. This authority shall include authority to withhold

C-4

or receive Shares or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations.

(d) AMENDMENT. The Board may amend, alter, suspend, discontinue, or terminate the Plan without the consent of shareholders of the Company or Participants, except that any such amendment, alteration, suspension, discontinuation, or termination shall be subject to the approval of the Company's shareholders if such shareholder approval is required by any U.S. federal law or regulation or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted; PROVIDED, HOWEVER, that, without the consent of an affected Participant, no amendment, alteration, suspension, discontinuation, or termination of the Plan may impair the rights or, in any other manner, adversely affect the rights of such Participant under any award theretofore granted to him or her or compensation previously deferred by him or her hereunder.

(e) UNFUNDED STATUS OF AWARDS. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to a Restricted Stock Unit Award or a deferral election, nothing contained in the Plan shall give any such Participant any rights that are greater than those of a general unsecured creditor of the Company; PROVIDED, HOWEVER, that the Company may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Shares, or other property pursuant to any award, which trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Company otherwise determines with the consent of each affected Participant.

(f) NON-EXCLUSIVITY OF THE PLAN. Neither the adoption of the Plan by the Board nor its submission to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensation arrangements as it may deem desirable, including, without limitation, the granting of options on Shares and other awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(g) NO FRACTIONAL SHARES. No fractional Shares shall be issued or delivered pursuant to the Plan. Cash shall be paid in lieu of such fractional Shares.

(h) GOVERNING LAW. The validity, construction, and effect of the Plan shall be determined in accordance with the laws of the State of New York, without giving effect to principles of conflict of laws thereof.

(i) EFFECTIVE DATE; PLAN TERMINATION. The Plan as amended and restated

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

shall become effective as of March 7, 2003 (the "Effective Date"), upon approval by the shareholder of the Company. The Plan shall terminate as to future awards on April 28, 2008 or, if earlier, at such time as no Shares remain available for issuance pursuant to Section 4, and the Company has no further obligations with respect to any award granted or compensation deferred under the Plan.

(j) TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only. In the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
