Dear Shareholder:

We are pleased to report that during the semi-annual period, the Trusts provided monthly income as well as the opportunity to invest in various portfolios of municipal securities. This report contains the Trusts' unaudited financial statements and a listing of the portfolios' holdings.

The portfolio management team continuously monitors the municipal bond market and adjusts the Trusts' investments in order to gain exposure to various issuers, revenue sources and security types. This strategy enables the Trusts to move among different sectors, credit ratings and coupon levels to capitalize on changing market conditions.

The following table shows the Trusts' current yields, tax-equivalent yields, closing market prices per share and net asset values ( NAV ) per share as of June 30, 2007.
