INFORMATION CONCERNING VOTING AND PROXY SOLICITATION

GENERAL

This Proxy Statement is being furnished to the stockholders of ACCESS INTEGRATED TECHNOLOGIES, INC. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board"). The proxies are for use at the Annual Meeting of Stockholders of the Company to be held on Thursday, October 14, 2004, at 2:00 p.m. eastern time, or at any adjournment thereof (the "Annual Meeting"). The Annual Meeting will be held at the American Stock Exchange, 86 Trinity Place, New York, New York 10006. The Company's telephone number is (973) 290-0080.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked). You may revoke your proxy at any time before the proxy is exercised by delivering to the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

- o FOR the election of the director nominees named herein (Proposal No. 1), unless you specifically withhold authority to vote for one or more of the director nominees.
- o FOR amending the Company's First Amended and Restated 2000 Stock Option Plan to increase the number of shares of Class A Common Stock available from the grant of options thereunder from 600,000 shares to 850,000 shares (Proposal No. 2), unless you designate otherwise.

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

RECORD DATE AND VOTING SECURITIES

Stockholders of record at the close of business on September 21, 2004 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, (a) 8,574,947 shares of the Company's Class A Common Stock, \$.001 par value ("Class A Common Stock"), were issued and outstanding and (b) 1,005,811 shares of the Company's Class B Common Stock, \$.001 par value ("Class B Common Stock," and together with the Class A Common Stock, the "Common Stock"), were issued and outstanding.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

VOTING AND SOLICITATION

Each holder of Class A Common Stock is entitled to one vote for each share of Class A Common Stock held as of the Record Date. Each holder of Class B Common Stock is entitled to ten votes for each share of Class B Common Stock held as of the Record Date. Stockholders will not be entitled to cumulate their votes in the election of directors.

This proxy solicitation is being made by the Board and the cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, in person or by telephone, e-mail or facsimile.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate combined voting power of the outstanding shares of Class A Common Stock and Class B Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote "AGAINST" a proposal.

Broker non-votes (i.e., votes from shares of Common Stock held of record by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of Votes Cast with respect to a particular proposal on which the broker has expressly not voted. Accordingly, broker non-votes will not affect the outcome of the voting on a proposal.

APPRAISAL RIGHTS

Under Delaware General Corporation Law (the "DGCL") and the Company's Certificate of Incorporation, stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the Proposals to be acted upon at the Annual Meeting.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS TO BE PRESENTED AT THE 2005 ANNUAL MEETING

The Company currently intends to hold its 2005 Annual Meeting of Stockholders on or about August 20, 2005. In order for any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be included in the Company's Proxy Statement to be issued in connection with the 2005 Annual Meeting of Stockholders, such proposal must be received by the Company no later than March 31, 2005. Any notice of a proposal submitted outside the processes of Rule 14a-8 promulgated under the Exchange Act, which a stockholder intends to bring forth at the Company's 2005 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Act and the By-laws of the Company if received by the Company after June 14, 2005. All stockholder proposals must be made in writing addressed to Secretary, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960.

ELECTION OF DIRECTORS (PROPOSAL 1)

The Board currently consists of eight (8) directors. All eight of the current members of the Board have been nominated for re-election. Each nominee has consented to being named as a nominee for election as a director and has agreed to serve if elected. Each nominee for election at the Annual Meeting shall, if elected, serve on the Board until his successor is elected at the next annual meeting of stockholders or until his earlier resignation or removal.

The directors shall be elected by a plurality of the outstanding votes cast at the Annual Meeting. A "plurality" means that the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. If any nominee is not available for election at the time of the Annual Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company.

BOARD OF DIRECTORS

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) at least once a year. During the fiscal year ended March 31, 2004 (the "Last Fiscal Year"), the Board held one meeting and the Board members acted 10 times by unanimous written consent in lieu of holding a meeting. Other than Mr. Clevenger who did not attend one meeting of the Company's audit committee, each current member of the Board who was then serving attended at least seventy-five percent of the total number of meetings of the Board and of the committees of the Board on which he served in the Last Fiscal Year. Messrs. Davidoff, Crotty, Clevenger and Finlay are considered "independent" under the rules of the AMEX.

6

Except for Messrs. Kevin A. Booth and Warren H. Colodner, since March 31, 2003, no other director has resigned or declined to stand for reelection to the Board

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

for any reason. Messrs. Booth and Colodner resigned as directors in November 2003 and June 2003, respectively. Neither of such directors resigned because of any disagreement with the Company on any matter relating to the Company's operations, policies or practices. The Board currently does not provide a process for securityholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, at Secretary, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960, with an instruction to forward the communication to a particular director or the Board as a whole. The Company's Secretary will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the directors currently intends to attend the Annual Meeting.

The Board has three standing committees, consisting of an audit committee, a compensation committee and a nominating committee.

AUDIT COMMITTEE

The audit committee consists of Messrs. Davidoff, Clevenger and Finlay. Mr. Finlay is the Chairman of the audit committee. The audit committee held two meetings in the Last Fiscal Year. The audit committee has met with the Company's management and its independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Both Messrs. Davidoff and Clevenger are financially literate, and Mr. Davidoff is financially sophisticated, as those terms are defined under the rules of the AMEX. Mr. Davidoff is also a financial expert, as such term is defined under the Sarbanes-Oxley Act of 2002. Messrs. Davidoff, Clevenger and Finlay are considered "independent" under the rules of the AMEX.

The audit committee has adopted a formal written charter which is attached hereto as APPENDIX A. The audit committee is responsible for ensuring that the Company has adequate internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The audit committee is also responsible for the appointment, compensation and oversight of the auditors. Additionally, the audit committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal stockholders.

COMPENSATION COMMITTEE

The compensation committee consists of Messrs. Mayo, Davidoff and Crotty. Mr. Davidoff is the Chairman of the compensation committee. The compensation committee met one time during the Last Fiscal Year. The compensation committee approves the compensation package of the Company's Chief Executive Officer and reviews and recommends to the Board the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits and recommends to the entire Board, for its approval, stock option grants and discretionary bonuses to its officers, employees, directors and consultants. Messrs. Davidoff and Crotty are considered "independent" under the rules of the AMEX.

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

NOMINATING COMMITTEE

The nominating committee consists of Messrs. Mayo and Davidoff. Mr. Mayo is the Chairman of the nominating committee. No meetings of the nominating committee were held during the Last Fiscal Year. The nominating committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board. Mr. Davidoff is considered "independent" under the rules of the AMEX.

The Nominating Committee has adopted a formal written charter which is attached hereto as APPENDIX B. The charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board.

The nominating committee currently does not have a policy regarding the consideration of director candidates recommended by stockholders. The Board believes that it is appropriate for the Company to not have such a policy because the committee has not previously received any director candidate recommendations from a non-director stockholder. However, the nominating committee will consider any such candidates recommended by stockholders. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board. Stockholders should submit any recommendations of director candidates for the Company's 2005 Annual Meeting of stockholders to Secretary, Access Integrated Technologies, Inc., 55 Madison Avenue, Suite 300, Morristown, New Jersey 07960 by March 31, 2005.

There are no specific minimum qualifications that the nominating committee believes must be met by a nominating committee-recommended director nominee. However, the nominating committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors and preferably have experience in the Company's business and other relevant business fields (e.g., finance, accounting, law, banking).

Members of the nominating committee will meet prior to each of the Company's annual meetings to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The nominating committee reviews the candidates in accordance with the skills and qualifications set forth in the Company's Nominating Committee Charter and the rules of the AMEX. There are no differences in the manner in which the nominating committee evaluates director nominees based on whether or not the nominee is recommended by a stockholder.

EMPLOYEE BENEFIT PLANS

In July 2002, the Company terminated its then existing benefits plans, including medical, dental and disability, and its 401(k) plan, and joined a Professional

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

Employer Organization ("PEO"). Through the PEO, the Company purchases all of its benefits and payroll services, along with other PEO member companies. For tax filing and for benefits purposes, the employees of the Company are considered to be employees of the PEO. However, Hollywood Software, Inc. ("Hollywood SW"), one of the Company's subsidiaries, is not a member of the PEO, and purchases its benefits from other providers.

Through the PEO, the Company has a 401(k) plan that permits eligible employees to contribute up to 15% of their compensation, not to exceed the statutory limit. The Company automatically matches 50% of all of its employees' contributions. Employee contributions, employer matching contributions and related earnings vest immediately. Total expenses for the Company's prior 401(k) plan and the PEO 401(k) plan were \$37,000 and \$39,000 for the fiscal years ended March 31, 2003 and 2004, respectively.

10

Hollywood SW's employees are also covered by a profit sharing plan qualified under section 401 of the Internal Revenue Code of 1986, as amended (the "IRC"). The employees of Core Technology Services, Inc. ("Core") are also covered by a 401(k) plan that permits eligible employees to contribute up to 15% of their compensation, not to exceed the statutory limit. Core matches 25% of the first 6% of compensation contributed by employees.

EMPLOYMENT AGREEMENTS BETWEEN THE COMPANY AND NAMED EXECUTIVES

A. DALE MAYO. In July 2000, the Company entered into an employment agreement with A. Dale Mayo, which was amended on December 1, 2000. The amended employment agreement provides for the Company's payment of an annual base salary of \$250,000 and annual bonuses equal to 3.5% of its annual gross revenues up to \$10 million and 2% of any annual gross revenues in excess of \$10 million. In connection with the Company's November 2003 initial public offering (the "IPO"), the Company and Mr. Mayo entered into a second amendment to the employment agreement and agreed that his employment term will be extended through September 30, 2006; however, it will be automatically renewed for successive one-year terms unless written notice is given by either the Company or Mr. Mayo at least six months prior to the end of the term (as may be extended) that such party desires to terminate the agreement. The Company and Mr. Mayo have further agreed his combined annual salary and bonus will be limited to \$1.2 million in any fiscal year. Under his employment agreement, Mr. Mayo has agreed to not disclose or use any confidential information of the Company and, for a period of one year after the termination or expiration of his agreement, not to compete with the Company, within certain geographical limitations. The Company may terminate Mr. Mayo's employment if Mr. Mayo is convicted of theft or embezzlement, fraud, unauthorized appropriation of any assets or property or any felony involving dishonesty or moral turpitude. In the event of such termination, the Company will pay only any earned but unpaid salary up to the date of termination. If the Company terminates Mr. Mayo for any other reason, Mr. Mayo will be entitled to receive his salary until the scheduled expiration of the agreement, during which time Mr. Mayo will be obligated to seek other employment.

DIRECTORS' COMPENSATION

The Company's directors do not presently receive any cash compensation for serving as directors or participating on any committee of the Board, but are reimbursed for the out-of-pocket expenses that they incur in attending Board meetings. AMENDMENT TO FIRST AMENDED AND RESTATED 2000 STOCK OPTION PLAN (PROPOSAL TWO)

The Board adopted the Company's 2000 Stock Option Plan, on June 1, 2000 and, in July 2000, the Company's stockholders approved this plan by written consent. Under this plan, which was amended and restated in January 2003 pursuant to the First Amended and Restated 2000 Stock Option Plan (as amended, the "Plan") and further amended in September 2003, the Company may grant both incentive and non-statutory stock options to the Company's employees, non-employee directors and consultants. The primary purpose of the Plan is to enable the Company to attract, retain and motivate its employees, non-employee directors and consultants. The current Plan authorizes up to 600,000 shares of the Company's Class A Common Stock for issuance upon the exercise of options granted under the Plan. As of September 1, 2004, stock options covering 548,231 shares of the Company's Class A Common Stock had been granted under the Plan. The total market value of the Class A Common Stock underlying these options was \$2,713,743 as of September 1, 2004. However, stock options covering 498,231 shares of Class A Common Stock are currently out-of-the-money.

Pursuant to Amendment No. 2 to the Plan in the form attached hereto as APPENDIX C, the Board proposes to amend the Plan to increase the number of shares of Class A Common Stock authorized for issuance upon the exercise of options from 600,000 to 850,000. This proposal requires approval by a majority of the outstanding votes cast at the Annual Meeting.

The following table sets forth certain information, as of March 31, 2004, regarding the shares of the Company's Class A Common Stock authorized for issuance under the current Plan.

STATUS OF THE CURRENT PLAN (WITHOUT PROPOSED AMENDMENT)

Plan -----	Number of Shares of Class A Common Stock issuable upon exercise of outstanding Options (#) -----	Weighted average of exercise price (\$) of outstanding Options (\$) -----
First Amended and Restated 2000 Stock Option Plan approved by stockholders.....	520,564	\$6.12
Compensation plans not approved by stockholders.....	N/A	N/A

Under the Plan, stock options covering no more than 100,000 shares of Class A Common Stock may be granted to any participant in any single calendar year and no participant may be granted incentive stock options with an aggregate fair

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

market value, as of the date on which such options were granted, of more than \$100,000 becoming exercisable for the first time in any given calendar year. Options granted under the Plan expire 10 years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the Company) and are subject to restrictions on transfer. Options granted under the Plan vest generally over three-year periods. The Plan is administered by the Board.

12

The Plan provides for the granting of incentive stock options with exercise prices of not less than 100% of the fair market value of the Company's Common Stock on the date of grant. Incentive stock options granted to holders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Common Stock on the date of grant. Incentive and non-statutory stock options granted under the Plan are subject to vesting provisions, and exercise is subject to the continuous service of the optionee. The exercise prices and vesting periods (if any) for non-statutory options are set in the discretion of the Board. Upon a change of control of the Company, all options (incentive and non-statutory) that have not previously vested will become immediately and fully exercisable. In connection with the grants of options under the Plan, the Company and the participants have executed stock option agreements setting forth the terms of the grant.

The following is a brief summary of the principal anticipated federal income tax consequences of grants under the Plan to recipients and the Company. This summary is not intended to be exhaustive and does not describe all federal, state or local tax laws.

OPTION GRANTS. Options granted under the Plan may be either incentive stock options which satisfy the requirements of Section 422 of the IRC or non-statutory options which are not intended to meet such requirements. The federal income tax treatments for the two types of options are as follows:

INCENTIVE OPTIONS. No taxable income is recognized by the optionee at the time of the option grant, and no taxable income is generally recognized at the time the option is exercised, provided that the optionee may incur alternative minimum tax liability upon exercise. The optionee will, however, recognize taxable income in the year in which the purchased shares of Class A Common Stock are sold or otherwise made the subject of a taxable disposition.

For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made after the optionee has held the shares of Class A Common Stock for more than two (2) years after the option grant date and more than one (1) year after the exercise date. If either of these two holding periods is not satisfied, then a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. If there is a disqualifying disposition of the shares of Class A Common Stock, then the excess of (i) the fair market value of those shares on the exercise date over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee. Any additional gain or loss recognized upon the disposition will be recognized as a capital gain or loss by the optionee.

If the optionee makes a disqualifying disposition of the purchased shares of

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

Class A Common Stock, then the Company will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal to the excess of (i) the fair market value of such shares on the option exercise date over (ii) the exercise price paid for the shares. In no other instance will the Company be allowed a deduction with respect to the optionee's disposition of the purchased shares of Class A Common Stock.

NON-STATUTORY OPTIONS. No taxable income is recognized by an optionee upon the grant of a non-statutory option. The optionee will in general recognize ordinary income in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares of Class A Common Stock on the exercise date over the exercise price paid for the shares, and the optionee will be required to satisfy the tax withholding requirements applicable to such income.

13

The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the optionee with respect to the exercised non-statutory option. The deduction will in general be allowed for the taxable year of the Company in which such ordinary income is recognized by the optionee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ADOPTION OF THE AMENDMENT TO THE PLAN.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who beneficially own more than 10% of its Common Stock to file reports of ownership and changes in ownership with the Commission and to furnish the Company with copies of all such reports they file. Based on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that except as described in the next sentence, none of its directors, executive officers or persons who beneficially own more than 10% of the Company's Common Stock failed to comply with Section 16(a) reporting requirements in the Company's Last Fiscal Year. Mr. Mayo failed to timely file a Form 4 regarding six custodial purchases of the Company's Common Stock and Mr. Davidoff failed to timely file a Form 4 regarding his exchange of a previously issued note for a new note which is convertible at any time into shares of the Company's Class A Common Stock.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In December 2002, A. Dale Mayo returned 30,000 shares of the Company's Class B Common Stock and Brett E. Marks, Kevin A. Booth and Kevin J. Farrell returned 10,000, 10,000 and 10,000 shares, respectively, of Class A Common Stock and received no consideration from the Company for such returned shares.

In connection with the execution of one of the Company's long-term real property leases, A. Dale Mayo and Brett E. Marks posted a letter of credit in the aggregate amount of \$525,000 in June 2000. This letter of credit was reduced by one-third in each of the three successive years and terminated in June 2003. The Company reimbursed Messrs. Mayo and Marks for the issuance costs of approximately \$10,000 for the letter of credit.

Wayne Clevenger and Matthew Finlay, two of the Company's directors, are directors of MidMark, which previously held all of the Company's outstanding Series A and Series B preferred stock and related contingent warrants. In connection with its purchase of shares of the Company's Series A and Series B preferred stock, the Company paid MidMark a \$75,000 investment banking fee. In September 2003, the Company entered into an exchange agreement with MidMark,

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

under which the Company agreed to issue 2,207,976 additional shares of Class A Common Stock to MidMark in exchange for all of the Company's outstanding shares of Series A and Series B preferred stock, including accrued dividends thereon, and through the exercise and exchange of certain warrants. Upon the IPO, MidMark

14

(i) converted all 8,202,929 shares of its Series A and Series B preferred stock into 1,640,585 shares of Class A Common Stock; (ii) exchanged warrants that were exercisable, subject to certain future conditions, for up to 951,041 shares of Class A Common Stock, for 320,000 shares of Class A Common Stock; (iii) exercised a warrant exercisable for up to 144,663 shares of Class A Common Stock (143,216 shares on a cashless-exercise basis); and (iv) accepted 104,175 shares of Class A Common Stock as payment of all accrued dividends on shares of Series A and Series B preferred stock held by such stockholder. The number of shares of Class A Common Stock issued as payment of accrued dividends was calculated at the offering price of \$5.00. Additionally, MidMark also purchased \$333,000 of one-year notes, which was repaid in April 2002, and was issued 6,902 of the one-year notes warrants. Each of these directors have been granted options to purchase 10,000 shares of the Company's Class A Common Stock. The Company paid MidMark Investments, Inc., the operating company of MidMark, a management fee of \$50,000 per year until November 2003.

From March 2002 to August 2002, the Company borrowed from and issued five-year promissory notes (each bearing interest at 8% per year) to, Mr. Mayo, Mr. Marks, CMNY Capital II, L.P., John L. O'Hara, a member of the Company's board of advisors, and several other investors in the aggregate principal amount of \$3.175 million. From June 2003 to July 2003, the Company borrowed from, and issued five-year promissory notes (each bearing interest at 8% per year) to, Mr. O'Hara and several other investors in the aggregate principal amount of \$1.23 million. In connection with these five-year notes, the Company granted to these investors ten-year warrants with an exercise price of \$0.05 per share to purchase up to an aggregate of 440,500 shares of Class A Common Stock, which warrants were exercised before the completion of the IPO. Messrs. Mayo, Marks and O'Hara and CMNY Capital II, L.P. have exercised all of the warrants attached to the five-year notes held by them and purchased an aggregate of 142,500 shares of Class A Common Stock. The net proceeds of the five-year note issuances were used to repay the one-year notes and to fund the Company's working capital requirements.

On March 24, 2004, pursuant to an exchange offer (the "Exchange Offer"), the Company exchanged \$2.5 million and \$1.7 million aggregate principal amount of five-year promissory notes for shares of Class A Common Stock and for longer term 6% convertible notes, respectively. The Company issued 707,477 unregistered shares of Class A Common Stock and \$1.7 million aggregate principal amount of convertible notes convertible into a maximum of 308,225 shares of Class A Common Stock (i) at any time up to the maturity date at each holder's option or (ii) automatically on the date when the average closing price on the American Stock Exchange of the Class A Common Stock for 30 consecutive trading days has been equal to or greater than \$12.00.

A. Dale Mayo and Brett E. Marks invested \$250,000 and \$125,000, respectively, in the Company's offering of one-year 8% notes and received warrants to purchase 4,601 and 2,301 shares, respectively, of Class A Common Stock at \$0.05 per share. These notes were repaid prior to March 31, 2002. Messrs. Mayo and Marks invested \$250,000 and \$125,000, respectively, in the Company's offering of five-year 8% promissory notes and received warrants to purchase 25,000 and 12,500 shares, respectively, of Class A Common Stock at \$0.05 per share. In September 2003, all of the warrants that were attached to the Company's one-year and five-year promissory notes held by Messrs. Mayo and Marks were exercised. In March 2004, Messrs. Mayo and Marks participated in the Exchange Offer and

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

exchanged their 5-year notes and accrued interest totaling \$382,000 for convertible notes, convertible into 67,713 shares of Class A Common Stock. As of March 31, 2003 and 2004, the principal due to these executive officers of \$375,000 and \$382,000, respectively, is included in notes payable.

15

Warren H. Colodner, one of the Company's former directors, is a partner in the law firm of Kirkpatrick & Lockhart LLP, which provided legal services to the Company until November 2003, including handling legal matters related to the IPO. CMNY Capital II, L.P. also invested \$1 million in the Company's offering of one-year promissory notes, which was repaid in March 2002, and invested \$1 million in the Company's offering of five-year promissory notes. The warrants attached to such one-year and five-year notes were exercised in August 2003 and are included in the share numbers above. Mr. Davidoff has also been granted options to purchase 9,000 shares of Class A Common Stock. In March 2004 CMNY Capital II, LP participated in the Exchange Offer and exchanged its five-year promissory notes and accrued interest totaling \$1 million for convertible notes, convertible into 180,569 shares of Class A Common Stock. As of March 31, 2003 and 2004, the principal due to CMNY Capital II, LP of \$1 million in each of those years, is included in notes payable.

In January 2003, the Board approved the purchase of two separate ten-year, term life insurance policies on the life of A. Dale Mayo. Each policy carries a death benefit of \$5 million, and the Company is the beneficiary of each policy. Under one of the policies, however, the proceeds will be used to repurchase, after reimbursement of all premiums paid by the Company, some or all of the shares of the Company's capital stock held by Mr. Mayo's estate at the then-determined fair market value.

In connection with the Hollywood SW acquisition, the Company purchased all of the outstanding capital stock of Hollywood SW from its security holders, David Gajda and Robert Jackovich, on November 3, 2003. Messrs. Gajda and Jackovich have continued as executive officers of Hollywood SW under new employment agreements and have received an aggregate of 400,000 unregistered shares of the Company's Class A Common Stock, less 40,444 unregistered shares of Class A Common Stock that were issued to certain optionees of Hollywood SW.

The Company also paid Mr. Booth \$20,000 in November 2003 in connection with the completion of the IPO. THE FOREGOING AUDIT COMMITTEE REPORT SHALL NOT BE "SOLICITING MATERIAL" OR BE DEEMED "FILED" WITH THE SEC, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FUTURE FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES IT BY REFERENCE INTO SUCH FILING.

INDEPENDENT AUDITORS

PricewaterhouseCoopers LLP ("PwC") served as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ended March 31, 2004, and Eisner LLP ("Eisner") has been appointed by the Board to serve as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ended March 31, 2005. No representative of either PwC or Eisner will be present at the Annual Meeting.

On September 9, 2004, the Audit Committee of the Board dismissed PwC as the Company's independent registered public accounting firm and engaged Eisner as its new independent registered public accounting firm.

The audit reports of PwC on the Company's consolidated financial statements as of and for the fiscal years ended March 31, 2003 and March 31, 2004 did not contain any adverse opinion or disclaimer of opinion and were not modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended March 31, 2003 and March 31, 2004 and through September 9, 2004, there were no disagreements between the Company and PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to PwC's satisfaction would have caused PwC to make reference thereto in its reports on the consolidated financial statements for such years.

No reportable events of the type described in Item 304(a)(1)(iv)(B) of Regulation S-B occurred during the fiscal years ended March 31, 2003 and March 31, 2004 and through September 9, 2004.

During the two fiscal years ended March 31, 2003 and March 31, 2004 and through September 9, 2004, the Company did not consult with Eisner on any matter that (i) involved the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements, in each case where written or oral advice was provided that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) was either the subject of a disagreement, as that term is described in Item 304(a)(1)(iv)(A) of Regulation S-B and the related instruction to Item 304 of Regulation S-B, or reportable information, as that term is described in Item 304(a)(1)(iv)(B) of Regulation S-B.

PwC furnished the Company with a letter addressed to the SEC stating that it agrees with the above statements. A copy of PwC's letter was filed as an exhibit to the Current Report on Form 8-K filed by the Company with the SEC on September 14, 2004 to report this event.

The Company's audit committee has also adopted policies and procedures for pre-approving all audit and non-audit work performed by PwC, the auditor of the Company's annual consolidated financial statements for the fiscal years ended March 31, 2003 and March 31, 2004 and to be performed by Eisner for the fiscal year ended March 31, 2005. Specifically, the committee has pre-approved the use of Eisner for performance of audit services and detailed, specific types of services within the following categories of non-audit services: tax services and review of the Company's financial statements in connection with its Form 10-QSB for the fiscal quarter ended September 30, 2004. In each other case, the

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14A

committee requires management to obtain specific pre-approval from the committee for any other work to be performed by Eisner.

21

The aggregate fees billed for professional services by PwC in the fiscal years ended March 31, 2003 and 2004 for these various services were:

TYPE OF FEES	2003	2004
-----	----	----
(1) Audit Fees	\$339,626	\$190,380
(2) Audit-Related Fees	60,685	26,308
(3) Tax Fees	72,084	15,875
(4) All Other Fees	1,400	1,400
-----	----	----
Total	\$473,795	\$233,963
	=====	=====

In the above table, in accordance with the Securities and Exchange Commission's definitions and rules, "audit fees" are fees the Company paid PwC for professional services for the audit of the Company's consolidated financial statements included in Form SB-2 and Form 10-KSB and review of consolidated financial statements included in Form SB-2 and Form 10-QSBs, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. 100% of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with its charter.
