Edgar Filing: BCB BANCORP INC - Form 8-K

On December 14, 2005, the Board of Directors of BCB Bancorp, Inc. (the "Company") approved the accelerated vesting and exercisability of all unvested and unexercisable stock options granted as a part of the 2003 and 2002 Stock Option Plans of the Company held by directors, officers or employees on December 20, 2005. As a result, options to purchase 218,195 shares of common stock, which would otherwise have vested and become exercisable from time to time over the next three years, will become fully vested and immediately exercisable on December 20, 2005. The number of shares and exercise prices of the options subject to acceleration are unchanged. The accelerated options have exercise prices that range from \$5.29 to \$11.84 per share. The accelerated options include 194,964 options held by directors and executive officers and 23,231 options held by other employees.

The Company estimates that accelerating the vesting and exercisability of these options will eliminate approximately \$808,000 of compensation expense net of income tax that would otherwise have been recorded in the Company's income statements for future periods upon its adoption as of January 1, 2006, of FASB Statement of Financial Accounting Standards No. 123R, Share-Based Payment.
