## Edgar Filing: Kearny Financial Corp. - Form 8-K

### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

-----

On August 1, 2005, the Board of Directors of the Registrant approved an amendment to the existing Directors Consultation and Retirement Plan (the "Plan"), an unfunded retirement plan for non-employee directors which provides a retirement benefit based on the number of years of board service.

The Plan was originally adopted by Kearny Federal Savings Bank (the "Bank"), the wholly-owned subsidiary of the Registrant, prior to its mutual holding company reorganization, and benefits were calculated only on compensation paid by the Bank. The Plan, as amended, provides that director retirement benefits will be calculated based upon director compensation paid by the Registrant as well as by the Bank and by Kearny MHC (the "MHC"), the mutual holding company parent of the Registrant. Such benefits will be based upon the sum of annual retainers paid by the Registrant, the Bank and the MHC and fees paid for attendance at regular and special board meetings and executive committee meetings of the Registrant, the Bank and the MHC. As a result of this amendment, the annual financial reporting expense for the Plan is projected to increase by approximately \$71,000 and the benefit liability of the Plan is projected to increase by approximately \$274,000.

The foregoing information in this Form 8-K contains forward-looking statements concerning the anticipated future cost of the Directors Consultation and Retirement Plan. The Registrant cautions that such statements are subject to a number of uncertainties and the actual cost could differ materially, and, therefore, readers should not place undue reliance on such forward-looking statements. The Registrant does not undertake, and specifically disclaims, any obligation to update any forward-looking statement, whether written or oral, that may be made from time to time by or on behalf of the Registrant.

A copy of the Plan, as amended and restated, is included with this Form 8-K as an exhibit.
